

Chapter 2511– 2512 of A Dish Best Served Cold Novel

Chapter 2511

“Brother Mark must have many stories in his heart~”

Seeing the figure drifting away, An Qi thought silently in her heart.

After a moment of loss of consciousness, An Qi also chased after him.

“Brother Mark, wait for me~”

When Mark and An Qi arrived, a large number of strong men had already gathered here.

However, after everyone arrived, they didn't find the Primordial Spirit Fruit.

Except for the dense woods, there is a towering mountain.

There was a river left from the top of the mountain, and the sound of splashing water was like thunder, shaking the world.

“It's weird, how could it not?”

“Will it not be here?”

“Are we looking in the wrong place?”

Among the crowd, someone asked in doubt.

“It shouldn't be~”

“The power of heaven and earth here is much stronger than that in other places.”

“A place like this is the most suitable place for the growth of Yuanlingguo.”

.....

“Quickly, look for it again!”

“That Yuanling fruit tree must grow here~”

.....

Even after searching for a long time, it is still to no avail.

But everyone didn't give up, they were still looking for it in this world.

There is a lot of digging three feet, but also the energy to find it!

Kong Ming and Lu Hua were among them.

However, perhaps because of the fascination with Yuanling Fruit Tree, Lu Hua didn't pay attention and accidentally stepped on someone's foot.

“Sorry, sorry, I just looked back and didn't notice you.”

“I'm really sorry~”

Lu Hua smiled and apologized politely.

“It's okay, I don't mind.”

The other side was expressionless and replied graciously.

“Haha... really hug...”

Lu Hua replied almost subconsciously.

However, just halfway through Lu Hua's words, he was stunned.

Wait a minute, how come this voice is so familiar.

Could it be...

Thinking of this, Lu Hua suddenly raised his head and saw Mark's thin profile face as expected.

“Ciao!”

“Mark?”

“Why are you still here?”

Lu Hua's face turned black at that time.

He didn't expect that he would still meet Mark here.

He thought that with Mark's ability, even if he hadn't been eaten by a beast, he would have to be slaughtered by others on the road.

However, who would have thought that Mark would come here alone.

"Is it all right?"

"Do you mind yet?"

"I'll go to Nima!"

"You are a country kid, do you have the qualifications to mind?"

Lu Hua didn't know what was going on, he was angry when he saw Mark.

Especially since I stepped on his foot just now, this hillbilly still has the face to say that he doesn't mind.

A humble countryman, does he deserve to mind?

The yelling from Lu Hua's side undoubtedly disturbed the others.

Soon, Lu Yanxi and Kong Ming looked over.

Kong Ming just glanced at Mark coldly, then turned his head away.

It seemed that he was still angry at the offense that Mark had against him before, but now he is not even willing to talk to Mark.

On the contrary, Lu Yanxi, after seeing Mark appear here, a bit of disgust flashed across her pretty face.

She walked over immediately, facing Mark, a little displeased and said: "Mark, I think I have told you clearly before."

"You and I are people in two worlds. It is impossible between you and me."

"Even if you get divorced, I won't be able to date you."

"It's useless for you to stalk and pester me."

"On the contrary, it will only make me look down on you even more."

Lu Yan Xiliu frowned, and said righteously to Ye Fanyi.

Chapter 2512

Hearing this, Lu Hua was stunned for a moment, and then smiled immediately.

It's just that the laughter sounds like a naked mockery.

“Heh~”

“I'm like you bastard, where's the courage to go into the jungle so far alone.”

“It turns out it was to chase Yan Xi.”

“Unexpectedly, you hillbilly, you have no ability and ability, but you are a sentimental idiot.”

“However, I would advise you that if you want to chase Yanxi, you should take a piss and take a picture of yourself first to see if you are worthy.”

Lu Hua sneered, shaking his head and smiling.

“I really want to eat swan meat, wishful thinking~”

“A mean hillbilly, still want to chase Yan Xi?”

“What a joke.”

Lu Hua's voice was not small, it seemed that he was deliberately making Mark embarrassed.

Sure enough, the powerhouses of the surrounding countries all looked over at this time, looking at Mark like a joke.

Among them, there seems to be someone who knows Lu Hua and hurried over to greet him.

“I'm going, isn't this Mr. Lu Hualu?”

“I'm Park Jeong-chun, and I belong to the Korean martial arts world.”

“Mr. Lu, we just met a few days ago, remember.”

“You promised me to have a meal together when this trip to the Americas is over?”

“What's wrong, what happened?”

“What's the matter with the bruise on your face?”

Seeing Lu Hua's appearance, Park Zhengchun asked in confusion.

"No... it's okay, I accidentally touched it."

"Small things, don't talk about this."

"Brother Park, you just came here. I'll introduce you to someone. This is also our Yanxia warrior, whose surname is Ye, and his name is Fan. He was born in the country and has no abilities. In order to let him learn more, Yanxia asked him to follow. "

"But who would have thought that if this stinky boy didn't study well and increase his knowledge, the toad wanted to eat swan meat. She fell in love with my sister Yanxi, and chased it all the way here. Are you ridiculous?"

Lu Hua sneered and laughed.

"Oh, there are such strange things?"

Pu Zhengchun also laughed, and then turned to look at Mark.

"He is Mark, right?"

"I said little brother, before chasing a woman, weigh yourself first."

"Otherwise, it would be a joke."

"A beautiful woman with both talents and looks like Miss Yan Xi is not something you can covet."

"Such a beautiful woman, only a young talent like Mr. Lu Hua is just eligible to have it."

Pu Zhengchun laughed at Mark while still flattering Lu Hua.

"Ok?"

"Lu Hua?"

"Could it be that he is the strong one in the summer who defeated all the strong in India and also grabbed the soul fruit from a mysterious strong, Lu Hua?"

The name Lu Hua, after Mark's promotion, has undoubtedly become a thunderbolt among the martial arts of various countries.

Therefore, after knowing that the person in front of him was Lu Hua, many powerful people hurriedly came to make greetings.

"Haha~"

“Mr. Lu, I’ve admired the name for a long time.”

“Before in the restaurant, you slapped Renault, the strongest man in the Indian kingdom, which made you famous in the first world war.”

“I heard that afterwards, Mr. Lu tried to turn the tide and win the soul fruit from a mysterious powerhouse.”

“Monstrous methods have shocked the strong like Australia!”

....

“I wanted to have a look at my respect for a long time, and I was fortunate for Sansheng to see it at last~”

....

“Haha~”

“You guys are too acclaimed, I’m just a fluke, just a fluke.”

Facing the fiery enthusiasm of the powers of various countries, Lu Hua is undoubtedly very proud, haha smiling, only feels that his inner vanity has been greatly satisfied.
