

Chapter 2515– 2516 of A Dish Best Served Cold Novel

Chapter 2515

After instigating Lu Hua, Renault led all the powerful Indians and strode directly to Mark.

Then, in the shock and violent eyes of everyone, Renault clasped his fists, bowed and bowed.

“Mr. Lu, it was Renault who had no eyes that day and offended you.”

“Mr. Lu, please forgive me!”

As Renault took the lead, the rest of the Indian powers also rushed forward and bowed together.

“Mr. Lu, please forgive me~”

.....

“Mr. Lu, please forgive me!”

The strong voices of the Indian nation echoed the whole valley with the voice of respect and admiration.

At that moment, the audience was dead.

Everyone was stunned!

Lu Yanxi's eyes widened, Kong Ming's eyes widened, his pupils shrinking.

Others looked at the scene in front of them as if they were watching ghosts.

As for Lu Hua, it was even more daunting.

Lie on the ground, covering his face, looking at the scene in disbelief.

“This this...”

“What's the situation?”

“He... is he Mr. Lu?”

Many people are puzzled.

“Damn~”

“Is this Renault a shameless pen?”

“Lao Tzu is Mr. Lu.”

“He has the surname Ye, he is a fart Mr. Lu?”

Lu Hua cursed like a dog on the side.

Even Lu Yanxi couldn't stand it anymore, walked over and persuaded Renault, “Renault, you have admitted the wrong person.”

“He is not Lu Hua, where is Lu Hua?”

“He's just a hillbilly from a humble background.”

“A incompetent mediocre person, where is it worth making you apologize to him?”

“It is my brother Lu Hua who is truly qualified to make you apologize~”

“shut up!”

“Where is the evil pen lady, dare you to insult Mr. Lu and die?”

However, Lu Yanxi's words just fell. Renault was furious and immediately slapped the past.

With a snap, Lu Yanxi was taken away.

A bright red palm print appeared on the exquisite pretty face!

“Second, third!”

“Stop this idiot girl~”

“A mean woman, dare to offend the noble Mr. Lu?”

“According to the rules of my Indian martial arts, you should chop off your feet!”

Renault's face was cold, and he immediately ordered his men to abolish Lu Yanxi.

In India, women are of low status and are not much more honorable than beasts.

Especially for Renault, a powerful man with noble status in India, a woman is no different from a pig and a dog to him.

I don't know how many women have been tortured to death by Renault for so many years.

Perhaps it was a habit cultivated in Vietnam. Now that when Lu Yanxi spoke rudely to Mark, Renault was furious, and opened his mouth to chop off Lu Yanxi's feet.

"Brother Lu Hua, save me~"

Lu Yanxi was frightened at the time, tears flowed down without stamina, and immediately appealed to Lu Hua for help.

Naturally, Lu Hua was unambiguous. He squatted and jumped up from the ground to stand in front of Lu Yanxi: "A group of defeated generals, you are so brave!"

"How dare you be so disrespectful to me?"

"It seems that the lesson taught you that day was not enough!"

"If that's the case, don't blame my Lu Hua for being cruel today."

Lu Hua was also completely angered.

He had just said a lot of big things. He wanted to pretend to be forceful in front of the beauties, but who would have thought that before he finished speaking, Renault slapped him and slapped him, and now it's even his woman. Dare to insult?

Their behavior is tantamount to making Lu Hua lose face in front of everyone.

Under such circumstances, Lu Hua naturally couldn't bear it.

In the sound of anger, his whole body exploded immediately.

Chapter 2516

In the veins, qi and blood surged.

Under the pubic area, the energy is concentrated.

After that, Lu Hua stepped on the ground, shaped like a sharp arrow, soaring into the sky, with a stern shout, it resounded through the sky!

"Lu's leg technique, whirlwind shadowless leg!"

Huh~

Amidst the roar, Lu Hua's leaping figure, like a big Peng with wings spread in the air, danced fiercely.

The legs rotate, causing whirlwinds.

The power it brought up was huge and unusual!

"I go!"

"As expected of Mr. Lu?"

"The whirlwind god's legs alone are beyond the reach of ordinary people!"

Seeing Lv Hua's power, many people were shocked and moved, and they almost shouted 666.

"Heh~"

"Dare you embarrass you by using the small carving skills?"

Upon seeing this, Renault shook his head and smiled.

Then, in the trembling eyes of everyone, I saw Renault, who was also domineering.

The huge inertia, wrapped around Renault's body, went straight for nine days.

No rotation, no whirlwind.

Renault showed only a beautiful kick in the mouth.

Simple, straightforward, to the point!

Yes, Renault kicked in the air, and he was so immortal that he kicked right under Lu Hua's crotch!

"Ah~"

The next moment, a sad scream, resounded across the sky.

Then, among everyone's trembling eyes, Lu Hua, who was soaring into the sky just now, was like a dead dog, clutching his crotch and howling from the air.

With a boom, it fell to the ground.

"Ah~"

“My...light...”

“Son of a bitch!”

“You...you are so cruel~”

Landing Lv Hua clutched his crotch, rolling, and howling sternly.

That kind of pain is almost deep into the bone marrow.

Lv Hua bit her lips in pain, blood was flowing.

“This... Is this defeated?”

However, the most shocking of this battle was the crowd around.

“Ciao!”

“What’s up?”

“Didn’t you say that Lu Hua is comparable to Grand Master?”

“Didn’t he say that he swept the Indian martial arts powerhouse alone?”

“That’s it?”

“I was kicked by Renault.”

“Isn’t this a trash one~”

Everyone shook their heads and talked with their dark faces.

In the words, there is no longer the awe and respect for Lu Hua before.

Lu Yanxi was also stunned.

She didn’t expect that in these days, Lu Hua, who she regarded as the idol of the male god, would lose so soon.

Was it kicked out with one move?

At this time, Lu Yanxi had to start to wonder, is Lu Hua really as powerful as an outsider said?

Not only them, Kong Ming also trembled with his old face.

He never imagined that it would end this way.

You know, these days, everyone has said that Lu Hua is so awesome and powerful, and everyone is eager to greet him, so that Kong Ming believes it.

I think this Lu Hua must have extraordinary power.

Therefore, just now, when Renault and others were in trouble, Kong Ming kept watching, but didn't make a move.

After all, he felt that Lu Hua alone should be able to deal with this trouble.

After all, he is so awesome, warriors all over the world come to get to know him.

But who would have thought that Lu Hua would have such strength?

After kicking Lu Hua, Renault quickly fell to the ground.

Afterwards, he sneered: "With this strength, you dare to pretend to be Mr. Lu?"

"Really do not live or die."

"The second and third child, bring them both to me and throw them in front of Mr. Lu."

"yes, Sir!"

Following Renault's speech, the Indian powerhouse immediately threw Lu Hua and Lu Yanxi in front of Mark.

"Mr. Lu, these two people offended you. We have captured them."

"You should kill or pluck, Mr. Lu, please decide!"
