

Chapter 2517– 2518 of A Dish Best Served Cold Novel

Chapter 2517

“Mr. Lu, please decide!”

Renault and others clasped their fists and asked Ye Fangong.

At their feet, Lu Yanxi and the two were extremely embarrassed.

Lu Hua was still holding his crotch, grinning in pain.

Lu Yanxi was full of horror, her body trembling, her head lowered, and she did not dare to look at Mark at all.

In fact, neither Lu Hua nor Lu Yanxi, both of them have yet to understand what is going on.

Lu Hua remembered that he was clearly teaching the strong Indians in the restaurant at the beginning, but why these people were not afraid of themselves, but instead were afraid of Mark.

What makes Lu Hua and the others even more puzzled is that they are clearly Lu Hua, but why do people like Renault respect Mark as Mr. Lu?

God, what is going on in this world?

Lu Hua howled sadly in her heart.

I just think I'm too unlucky these few days.

A few days ago, a disaster came and almost took his life.

Today, there are such inhuman grievances.

He is dignified and wealthy, a wealthy young man in the martial arts world, and a superb talent, but now he is thrown here like a dog.

Even his life was held in the hands of a sordid hillbilly.

This is undoubtedly a great shame for Lu Hua.

“Mr. Lei, did you make a mistake.”

“His surname is not Lu.”

“Did you admit the wrong person?”

At this time, Kong Ming, who had been watching before, finally couldn't help but walk out.

After all, things have developed to this point.

If Kong Ming doesn't stand up to help Lu Hua and say something good, it is estimated that Lu Hua and Lu Yanxi, the man and woman, will really be slaughtered.

“Ok?”

“You are, the old man from last time?”

Renault obviously still has an impression of Kong Ming.

After all, at the restaurant, Renault also punched Kong Ming.

The strength of the old man in front of him is not inferior to him.

“Yes, we saw it in a restaurant before.”

“Mr. Lei, take a closer look and see if you have admitted the wrong person.”

“He is just a junior in our hot summer, called Mark, not Mr. Lu at all.”

“I think it was a misunderstanding just now~”

Kong Ming knew that he was alone and could not rival so many people in India.

Therefore, they had to say something good and let Renault and the others be merciful.

“Acknowledged wrong?”

Renault was stunned, and immediately glanced at Mark. At the same time, he noticed An Qi who was being held by Mark and shook his head.

“It is impossible to admit mistakes.”

“He is Mr. Lu Hualu that day.”

“Mr. Lu defeated me with one palm. The majesty and majesty impressed me deeply. I can't admit my mistake.”

Renault said confidently.

But when Lu Hua on the side heard this, he suddenly said bitterly: “Mr. Lei, you really admitted the wrong person.”

“I am Mr. Lu Hualu.”

Pop~

Renault slapped him up and said angrily: “Shut up!”

“You don’t know how to live or die, dare to fake it?”

“Damn, I’m really Lu Hua.” Lu Hua almost cried at the time.

Pop~

It was another slap.

“No, you are not!” Renault said firmly again.

“I... I am so, if you don’t believe me, ask him yourself.”

“Ask him if it’s Lu Hua.” Lu Hua was still roaring.

Renault still slapped him: “No, you really are not.”

“If you dare to pretend, I will kill you~”

“me...”

At that moment, Lu Hua really had the heart to die.

In the end, Lu Hua gave up.

Chapter 2518

He wasn’t explaining it, he knew, he didn’t say it, Renault would never believe it.

Kong Ming was also helpless when he saw this.

I had to look at Mark and said sharply: “Mark, what are you doing?”

“Hurry up and tell Mr. Lei to admit the wrong person and say that you are not Lu Hua.”

“talk!”

“Deaf or dumb?”

Kong Ming couldn’t help urging Mark.

However, before Mark could speak, Renault’s icy gaze was already looking over.

“Old man, I advise you to pay attention to your own words.”

“This time, it’s a warning.”

“But if you dare to be disrespectful to Mr. Lu, don’t blame someone Lei for being rude.”

“I know that your Excellency is good, but no matter how powerful your Excellency is, it shouldn’t be our brother’s opponent, right?”

Renault’s words were cold and threatening.

“You~” Kong Ming heard the words, his angry old face was green, and he snorted coldly, after all, he didn’t dare to force Mark anymore.

After all, Kong Ming also knows his own strength.

He is indeed not an opponent of so many people just by his own strength.

“I wonder if Mr. Lu, plan to deal with them like this?”

After Kong Ming retreated, Renault and others asked for instructions again.

“Hmph, these two people bullied my Mark brother a lot.”

“I think, kill it directly and throw it into the river to feed the fish.”

At this time, An Qi waved Xiuquan and said angrily.

When Lu Yanxi heard it, his face paled with fright, and his body trembled.

Kong Ming was even more surprised: “Mark, do you dare?”

“If you really dare to do this, you are killing your compatriots!”

“When you return to Vietnam, I will never let you go in the summer martial arts.”

“You have to think clearly~”

Kong Ming was obviously also afraid that Mark would really take this opportunity to get rid of the two of Lu Yanxi, and suddenly warned Mark sharply.

However, Mark ignored Kong Ming’s shouting.

He didn’t even look at the old man.

Mark’s ignorance made Kong Ming almost smoky.

Contempt, this is a naked contempt of him!

Ignoring the furious Kong Ming, Mark at this time just bowed his head and looked down at Lu Yanxi at his feet. He smiled and said, “Miss Lu, I have persuaded you to stay away from him.”

“But you don’t listen, what about now?”

Mark's words echoed in his ears, but Lu Yanxi just bowed his head in fear.

Of course, she was not afraid of Mark, but Renault and others.

Seeing Lu Yanxi's trembling body, Mark suddenly shook his head and smiled.

“It stands to reason that you insulted me the way you did before, and it is right for me to take your lives today.”

“However, you should be thankful that you have a good father.”

“Your father and I are old acquaintances, and have a kind of shelter for Xuanwu.”

“For his sake, I will spare you a dog today.”

“get out.”

Mark waved his hand, not wanting to see these eyesores.

“Ok?”

“You two, what are you doing in a daze?”

“Mr. Lu told you to get out, so why don't you get out soon?”

Reynolds snorted, and then kicked out again.

Lu Hua and Lu Yanxi screamed and were kicked out for more than ten meters. ,

“Haha~”

“Mr. Lu, it's clean now.” Renault bowed and smiled.

This strong man who is also well-known in India, is now in front of Mark, but his posture is very low.

“Okay, you don't have to install it.”

“Go ahead, what do you want me to do for you?”

Mark glanced at him, then asked.

Mark is not an idiot. This Indian powerhouse suddenly changed his attitude and treated himself so respectfully. There must be something to ask him.
