

# Chapter 2519– 2520 of A Dish Best Served Cold Novel

## Chapter 2519

“Hey~”

“Sure enough, nothing can escape Mr.’s eyes.”

“Don’t hide it from Mr. Lu, I really have something to ask for.”

“Mr. should have seen it too. The strong from all countries have gathered here.”

“It is estimated that the Yuanling Fruit Tree will be found soon.”

“At that time, multinational looting will be a chaos.”

“I know that Mr. Lu is strong, and if you are alone, there are very few people who can be above your husband.”

“However, under the chaos, the husband will not face one person, but everyone.”

“What’s more, Mr. Lu is now well-known, and he has become a big fan. By then, Mr. Lu will be the target of the powerhouses from all over the world.”

“Double fists are hard to beat four hands after all.”

“Even if Mr. Lu is capable of doing something astoundingly, I am afraid that it would be difficult for one person to fight against these powerful nations, right?”

Renault chuckled, but he spoke respectfully like Mark explaining the situation in front of him.

“So?” Mark asked indifferently, not in a hurry.

Renault paused for a moment and continued: “So, if your husband doesn’t dislike it, you can form an alliance with India.”

“At that time, I will try my best to assist Mr. Lu and win the fruit of the soul.”

“It only takes the last part to share half of the fruits of our Indian martial arts.”

“Mr. Lu is only one person, and with so many people in India, half of the fruit will be shared afterwards. This request should not be excessive, right?”

Renault looked at Mark and said with a smile.

Mark nodded: “Well, okay, just do as you said.”

“Ok?”

“Mr. Lu, do you agree?”

Hearing Mark’s words, Renault was stunned.

He thought that he would have to speak a little bit if he wanted Mark to agree.

However, Renault never expected that Mark would have promised so simply and neatly.

The development of the matter completely exceeded Renault’s expectations.

“Why, you don’t want me to agree?” Mark asked rhetorically.

“No, no, no, how could it be possible? I just admire the ostentatiousness of Mr. Renault. In my life, Renault admires the ostentatious person like Mr. Lu the most.”

“Haha~”

“Okay, Mr. Lu, don’t bother, let’s find the Yuanling Fruit Tree first.”

“Wait a moment and follow the plan.”

After talking to Mark, Lei Nuo and others also left here, and continued to search for the Yuanling Fruit Tree nearby.

“Haha~”

“Brother, you really have you.”

“I didn’t expect that hot summer boy to be so cheating.”

“A few words will be done by you.”

“This kind of brave fool, I really don’t know how to live until now?”

After walking far, the Indian powerhouse immediately commented with joy.

Renault shook his head: “It can’t be said to be stupid, I can only say that he is too arrogant.”

“Once a person is too confident, he ignores many risks.”

“It is estimated that he felt that after a lesson, we confidently believed that we would not provoke him anymore. That’s why he was able to cooperate with us so confidently.”

“Well, it’s the analysis of the big brother.” The companion next to him immediately nodded and continued, “Haha, it seems that this time, we are going to teach this hot summer boy a painful lesson.”

Yes, the cooperation between Renault and Mark was not sincere at all, but had their own plans.

In the eyes of Renault and others, even if Mark is strong, in the face of these powerhouses, even if Mark can really have the last laugh, he will win the soul fruit in one fell swoop. But it will inevitably consume a lot of physical strength in the battle, and after escaping from the battle, it will also be the end of the battle.

## Chapter 2520

At this time, Renault and the others could use Mark’s trust in them to wait for an opportunity to make a surprise attack.

Beheaded to kill Mark and snatch the Dollar Lingguo with lightning speed.

If this is the case, then the biggest winner of this battle will still be their Indian martial arts.

While Lei Nuo and others continued their plans, Mark and An Qi were also looking for the Yuanling Fruit Tree on the other side.

At this time, Kong Ming suddenly came over and glanced at Mark from a distance. After hesitating for a while, he said coldly: “Mark, although I have a bad impression of you, you are a descendant of my martial arts in the summer.”

“There is a word, I have to remind you.”

“Indian martial arts people have always been cunning and untrustworthy.”

“Thirty years ago, our hot summer strongmen fell into their tricks and suffered heavy casualties.”

“So, you better think about it.”

“Don’t be sold, give back the money!”

“In this world, there is no good intention for no reason.”

“Renault and the others helped you just now, they must be conspiring with you.”

“Simply say it all, you can do it for yourself!”

Kong Ming said in a deep voice, then turned his head and left, and did not stay with Mark for a long time.

Mark didn't say anything, just glanced at the old man, then shook his head and smiled.

“Brother Mark, is what he said true?”

“Are those people just lying to us?”

“Are we still cooperating with them?” Mark didn't care, but An Qi heard it in his eyes.

Although this little girl has not seen much in the world, she is still very clever.

Now that I heard Kong Ming's reminder, I couldn't help but feel a little worried.

Mark asked rhetorically: “Cooperation?”

“Why should we cooperate with them.”

“Then you promised them just now.” An Qi didn't understand.

Mark shook his head and smiled slyly: “It is Mr. Lu Hualu who promised them, but I am not.”

An Qi was stunned, and an inexplicable smirk appeared on her pretty face: “It turns out that Brother Mark is so bad~”

Afterwards, the two of them continued to search for the soul tree in the vicinity.

---

“Kong Lao, what are you reminding him to do?”

“Let this brat fend for himself.”

On the other side, Lu Hua said viciously while looking at Mark's back from a distance.

Today, because of Mark, his Lu Hua can be said to be disgraced, making a fool of himself, and naturally hating Mark.

Kong Ming sighed and said, “After all, he is the person of the hot summer. Although Mark is not likable, there are some things that should be reminded.”

“As for whether or not to listen, that’s his own business.”

“If he really falls here, he will be investigated by the Riwu Temple, and we have also fulfilled our duty of reminding.”

“It’s still Kong, you are broad-minded.” Lu Hua praised, and then continued, “But Kong Lao, I really can’t figure out why these Indians don’t treat Mark as me!”

“Obviously I am Lu Hua, but they don’t believe it.”

“Are these people idiots?”

Lu Hua became more and more angry about what happened just now.

Not only because he was deflated, but also because Mark topped his name and robbed him of the limelight.

Of course, from anger to anger, but many of these things are still puzzled by Lu Hua.
