

Noble Husband At the Door Chapter 252

With Samuel's assistance, the cremation did not postpone the advantageous time, which was held on the same day. The Sue household did not give thanks to Samuel due to the fact that of this. Rather, they despised him very much.

Harvey, specifically, really felt that he had actually lost face due to Samuel, so he had made Samuel pay for what he had actually done.

A few days later, the matter of the Sue household cooled down, but it did not trigger much problem in Cloud City. After all, the old woman was not a big shot in the Sue family.

That early morning, Samuel's phone rang prior to he can also rise.

" Why haven't you gotten up yet? Don't you remember what happened today?" Tian Ling' emergency room asked eagerly.

Samuel opened his hazy eyes, looked at the time, and hung up the phone straight.

" What a! It's not yet 6 o'clock!"

Tian Ling' emergency room, that was on the other end of the line, had not seen Samuel for a number of days. It was still early, in her opinion, Samuel had to encounter a very powerful opponent today, as well as also Wang Mao had not won.

After being hung up the phone, Tian Ling' er was not prevented as well as continued to call the 2nd one. It was not until Samuel's phone was turned off that the First Miss struck the bear doll on the bed to vent her temper.

" Just how dare you turn off your phone without answering my call? I'm the Miss of the Divine family. How can you treat me such as this?"

It was not up until nine o'clock that Samuel rose gradually and also turned on his cell phone once again. What made him speechless was that, less than ten secs after the phone was

turned on, Tian Ling' emergency room called him again. Could it be that she had been calling the number all the time?

" I'm up. I'll head out after washing up. If you call me again, I'll place you on the blacklist." Afterwards, Samuel hung up the phone.

Tian Ling' er was so upset that she scratched her head. However, when she thought that she would be pulled into the blacklist, she did not attempt to continue pestering Samuel.

At the same time, an old man as well as a boy left of Peninsula Hotel.

" Master, the amount of times have Wang Mao lost to you? Why are you still seeking him to play chess? What's the factor?" The boy asked in confusion.

The old man grinned faintly and also said, "That stated that I intend to play chess with him? There is no more powerful person in Cloud City. Otherwise, with his strength, how can he be the head of state of the Go association?"

Wang Mao was fairly popular in the domestic competition, however this old man didn't take him seriously in any way, due to the fact that he was Shangguan Heibai, who was called the National Warrior. In the Chinese Go circle, all type of honor titles were soft to him.

After he arrived, he changed his name to Heibai, which indicated black and white. In his words, he had actually been playing Go all his life. As a real leading player in the chess circle, Samuel had likewise examined his chess manual.

As Shangguan Heibai's adherent, Ouyang Xiujie was additionally a superior ability amongst the more youthful generation. Many individuals would certainly sustain Ouyang Xiujie in the Chinese Go circle in the future, and also he would certainly be able to acquire Shangguan Heibai's tradition.

" Given that you don't wish to play chess with him, why did you welcome him?" Ouyang Xiujie asked in confusion.

" An individual of his degree is no longer worthy of being my opponent, but you still need experience. No matter what you state, he's still somebody. If you can beat him, it'll be good for your online reputation as well," Shangguan Heibai stated.

Ouyang Xiujie was shocked. He really did not anticipate that his master would certainly deal with Wang Mao as his tipping stone in this video game of chess.

If he can defeat Wang Mao, he would certainly be a lot more famous in the circle of Go.

" Thanks, Master," Ouyang Xiujie stated professionally.

" Although I don't take Wang Mao seriously, he's rather qualified. You need to be careful," Shangguan Heibai reminded him.

" Master, don't worry. I will not let you down," Ouyang Xiujie claimed seriously.

Also if you shed, you will not shed face. Shangguan Heibai grinned smugly. Ouyang Xiujie's failure would certainly not affect him, but if Wang Mao shed, Ouyang Xiujie would step on this tipping rock effectively.

" Master, nobody can compare to you inside and also outside the chessboard. It's my honor to be your adherent," Ouyang Xiujie claimed with a smile.

" Don't flatter me. Let's teach that old fellow a lesson."

Most of the members of the Go Organization were existing, for they understood that when Shangguan Heibai got here in Cloud City, they would definitely go to the Go Association in individual. They all wanted to see Shangguan Heibai.

Besides Wang Mao, none of the people present recognized Shangguan Heibai were right here to play chess with him.

An instant later, when Shangguan Heibai showed up, the whole Go club came to be uneasy. Males and female, young and also old, all looked delighted.
