

Chapter 2521– 2522 of A Dish Best Served Cold Novel

Chapter 2521

Lu Hua clearly remembered that in the restaurant that day, he defeated the strong Indians.

It stands to reason that these people have seen themselves before, and it is impossible for them to admit their mistakes.

“Okay, Xiaohua, don’t think about it either.”

“If you admit your mistakes, you will admit your mistakes. It’s nothing more than showing up.”

“Besides, for the current situation, it is a good thing for Renault to admit the wrong person.”

“After all, the tree attracts the wind.”

“Your Lv Hua’s name is too loud. Believe it or not, after a moment when the Dollar Ling Guo appears, everyone will inevitably gather fire to deal with you first.”

“You don’t understand the truth when the gun hits the head?”

“And now it’s alright, Mark has become this early bird and will protect you from damage.”

“This is not a good thing, what is it?”

Kong Ming analyzed from the side.

When Lu Hua heard this, his originally depressed mood suddenly became clear.

“I’m going, it’s better to watch the fire from the old hole.”

“Don’t tell me, I really didn’t expect this layer.”

“Haha~”

While Lv Hua laughed, he looked far ahead at Mark’s back and smiled triumphantly.

“Mark, Mark, I will make you proud for a while.”

“Wait a moment, when you cry.”

“I really thought that Lu Hua’s reputation is so easy to replace?”

“If you want to wear the crown, you must bear its weight.”

“A bastard, a scumbag, let me see what you can do with this “crown” in a while!”

Lu Hua’s brows were cold, and his words were full of hatred towards Mark.

But when Lu Hua was talking with Kong Ming, Lu Yanxi was not far away carefully looking for the Yuanling Fruit Tree.

The encounter just now made Lu Yanxi more aware of her weakness.

If you have the power of a master, how can you insult the Indian warriors!

Even her life was held in her hand by Mark, who she looked down on most.

“I must find the Dollar Ling Guo, and then concentrate on practicing.”

“Within ten years, I, Lu Yanxi, must step into the martial arts master!”

“At that time, I will make everyone who provoke me pay a heavy price!”

Lu Yanxi clenched her palms tightly, and her fingertips were almost deeply plunged into flesh and blood.

From this, it can also be seen how determined Lu Yanxi’s mood at this time is.

However, just as Lu Yanxi tried to find the whereabouts of the Yuanling fruit tree in this valley, he suddenly snapped.

The crisp sound is quietly sounded here in the world.

At that moment, Lu Yanxi’s whole body seemed to be electrocuted, and he jumped up with a touch.

At the same time, her pretty face flushed, and she cursed with shame, “Who?”

“Is that shameless bastard who dare to blaspheme me?”

Lu Yanxi cursed angrily, turned his head and saw a young boy staring at her chest with wretched eyes.

“Well, the figure is very good.”

“The chest is big, round and flexible.”

“Girl, what, do you want to consider staying with me for one night?”

“I promise, it will definitely make you want to stop.”

The young man smiled faintly, and in the words, he made no secret of his coveting for Lu Yanxi.

“roll!”

However, Lu Yanxi was extremely angry and didn't want to ignore him at all.

“Oh, why, still disagree?”

“Little girl, what to pretend.”

“In this wilderness, you dress so revealingly, isn't it just to seduce men?”

“Let's not go to whom.”

“What's more, this young master will not treat you badly.”

While speaking, the boy in front of him raised his hand and touched Lu Yanxi's ass again.

“I'll say it again, get out!”

Lu Yanxi finally had no patience, and furiously, he slapped it directly.

Snapped.

The slap was particularly loud, and the boy staggered, almost unable to stand still, and a bright red palm print appeared on his face.

“Dare you hit me?”

“You bitch, how dare you hit me?”

“I declare, you are done!”

“You wait, you wait for me~”

This boy was obviously mad as well. He was so old that he had never been beaten by a woman.

But now, the sorrowful woman in front of her dared to attack him.

He was naturally furious, and left while cursing. Seeing that, he seemed to be calling someone to go.

Lu Yanxi was still angry, and the previous insults by Renault and others had already suppressed her. Now that a hairy boy also came to provoke her, Lu Yanxi naturally couldn't bear the anger, so he pulled it away.

But after the fight, Lu Yanxi was worried that the boy would really call someone again, so he hurried back and made up with Kong Ming and the others.

“Yan Xi, what's the matter, her face is not good?”

“You won't still be angry with Mark's bastard, are you?”

Seeing Lu Yanxi's return, Lu Hua immediately asked with concern.

Several hours have passed since the conflict just now, and the pain under Lu Hua's crotch has been healed, and the smile on his face once again.

“Brother Lu Hua, I seem to have gotten into trouble.”

“Oh, tell me more carefully?” Lu Hua asked.

After that, Lu Yanxi recounted what had just happened briefly.

After listening, Lu Hua and Kong Ming both laughed.

“Haha~”

“Yan Xi, you were molested by a kid?”

“However, this is a good thing. It shows that our family Yanxi is very charming.”

Lu Hua laughed haha.

“dare you laugh!”

“It's not because of you~”

Lu Yanxi complained.

In fact, Lu Yanxi came in wearing long trousers before.

But on the way, Lu Huafei said that Lu Yanxi is the only woman in the team, and she should take the responsibility and wear something pleasing to the eye to please everyone's mood.

Although Lu Yanxi refused at the time, perhaps it was really to attract Lu Hua's attention, or to please Lu Hua. The next day she really changed into a miniskirt, long boots, and navel attire.

Completely dressed as a Sailor Moon, she exudes a wild temptation and sexy.

It is precisely because of this that Lu Yanxi has just attracted the covetousness of the pervert.

"Haha, good, good, blame me."

"Can I apologize to our beautiful lady Lu?" Lu Hua smiled playfully.

"Brother Lu Hua, don't make fun of me. If it's business, I feel that the young man should call someone." Lu Yanxi worried.

Lu Hua waved his hand: "It's okay, it's just a kid, why should I be afraid?"

"Even if he calls his father and grandfather, what can he do?"

"With me and Old Master Kong guarding you, no one can do to you."

"Here, there are not many people who can provoke our martial arts in the summer."

"Well, don't think about it."

Under Lu Hua's comfort, Lu Yanxi nodded, and didn't think about it anymore.

However, who would have thought that before long, a group of several people would rush toward this place aggressively from the depths of the dense forest.

One of them is surprisingly the boy who was beaten after molesting Lu Yanxi.

After the boy looked around, he soon found Lu Yanxi in sexy clothes.

"Brother, that's her."

"This bitch, beat me!"
