

Chapter 2525– 2526 of A Dish Best Served Cold Novel

Chapter 2525

“Chu.. Truman?”

“You... are you from Truman?”

After hearing the surrounding discussion, Lu Yanxi trembled all over, with a pretty face, undoubtedly frightened even paler because of the panic.

Lu Yanxi didn't expect that when she slapped her casually, it turned out to be a member of the Chu Clan.

“This... how could this happen?”

“Why did the people from Truman appear here?”

Not only Lu Yanxi, but Lu Hua on the side was no longer calm.

A kind of panic and jealousy appeared on his face immediately, as if he was facing an enemy.

“It's broken now, Yan Xi is afraid that it will really cause a catastrophe.”

Kong Ming was also panicked and horrified in his heart, turning around anxiously.

If it is someone else, Kong Ming asks himself that with the power of their hot summer martial arts, he will be able to settle.

But Truman is obviously not in this list.

When Lu Hua and the two were anxiously worried, the man in the suit still did not look away from Lu Yanxi's body.

Facing Lu Yanxi's question, the man smiled faintly: “It seems that you still wink.”

“You can see where we came from.”

“Go ahead, you beat my cousin, what do you think I should do with you?”

The man in the suit has a calm tone, and his words are somewhat teasing.

As if, in his eyes, the woman in front of him is just a plaything with the same flowers and plants under his feet.

However, even though Lu Yanxi was frightened, she still said stubbornly: "I... I said, it was your brother who offended me first. I was just defending."

"Even if you are a member of the Tru Sect, you have to be reasonable?"

"It's your people who made the mistake first, so you don't have to apologize, you have to embarrass me."

"No one bullies you like this."

Lu Yanxi calmly defended herself, her words trembled, and her tone of voice was filled with grievances and dissatisfaction.

"reason?"

Hearing Lu Yanxi's words, the young man suddenly smiled.

The laughter was loud, with sarcasm and sneer.

That way, it's like hearing the funniest joke in the world.

"It's the first time this young master has seen me in so many years. Someone wants to reason with Mike Jones."

"I really don't know, are you too naive, or think I, Mike Jones, is naive?"

"If you can get here, you should also be a martial artist."

"You have been practicing martial arts for so many years, don't you know that the martial arts world pays attention to strength?"

"If you want to be reasonable, you should go to court, go to the newspaper, go to the news network."

"That's where you make sense."

Mike Jones sneered, but Lu Yanxi was speechless for a few words.

She had to stand there with a pale face, fearful, just like a prisoner before the execution.

Although the man in front of him was speaking more bluntly, Lu Yanxi had to admit that he was right.

The martial arts world has never been a place for reason.

In this world that advocates power, power is the only truth!

At this moment, Lu Yanxi was almost desperate, and her heart was cold.

I only feel that this time, I am afraid that I am going to be doomed.

"Then... what do you want?" Lu Yanxi asked in a low voice in a panic.

When Mike Jones saw that this woman seemed about to succumb, the smile on his face was undoubtedly stronger.

He stood there, looking down at Lu Yanxi condescendingly, and slowly said, "It's not what I want, but how you choose?"

Chapter 2526

"According to the rules of my Jones family, those who insult my family, die."

"You hit my brother, it's my Jones family. According to the family rules, I can put you to death on the spot."

Mike Jones's words made Lu Yanxi's face paler, and her delicate body staggered a few times, almost falling to the ground.

At this time, Mike Jones turned to say: "However, depending on how attractive you are, my brother is interested in you again. So, I can also give you a chance to survive."

"As long as you promise to take care of my brother in the future, I can not only spare your life, but I may also release you back to Vietnam in the future and give you freedom."

"Death or alive, choose?"

Mike Jones said coldly and directly gave Lu Yanxi an ultimatum.

"impossible."

"Even if I die, I won't let you beasts insult me!"

"You want me to serve a man I don't like, it's absolutely impossible~"

However, what is surprising is that after hearing Mike Jones's offer, Lu Yanxi turned out to be like a cat stepped on its tail, and directly rejected it angrily.

"You bitch, you are really shameless!"

"Brother, stop talking nonsense with him, just order her to be killed."

"This kind of bitch, you just beg me to play, I'm not rare~"

Lu Yanxi's words also angered Mike Jones' brother.

While cursing viciously, the boy let his brother kill Lu Yanxi.

Mike Jones nodded, his indifferent gaze continued to fall on Lu Yanxi's body: "It looks like you have chosen the former."

"Since you insist on begging for death, then I will fulfill you too."

When the words fell, Mike Jones waved his hand and ordered his men to get rid of Lu Yanxi.

However, at this moment, Lu Hua on the side finally ran over and stood in front of Lu Yanxi.

“Master Jones, keep people under your hands, keep people under your hands~” Lu Hua begged again and again.

“Ok?”

“who are you?”

Seeing this person in front of him, Mike Jones frowned and asked coldly.

Lu Hua smiled flatteringly, and replied respectfully: “Master Jones, a martial artist in the summer, Lu Hua.”

Having said that, Lu Hua paused, wanting to see if Mike Jones had heard of his own name.

“Lu Hua?”

Mike Jones asked back.

“Yes, yes, that’s Lu Hua, who is praised by the powerful people of all countries, and they all like to call me Mr. Lu.”

When Lu Hua saw this, he was overjoyed, thinking that Mike Jones, like everyone else, had heard of himself.

However, what embarrassed Lu Hua was that as soon as his voice fell, Mike Jones shook his head and said coldly: “I haven’t heard it.”

Lu Hua: “.....”

Lu Hua twitched the corners of his mouth, and immediately realized that relying on his reputation here might not be effective.

Therefore, Lu Hua had no choice but to move his grandfather out.

“Compared with Young Master Jones, I, Hua Lu, is light-hearted, and it’s normal if I don’t know him.”

“However, my grandfather Lu Songliang ranks eighth on the list of grand masters in the summer. I must have heard of Master Jones.”

“This girl is a friend of mine and has no intention of offending Master Jones. I hope Master Jones takes my grandfather’s face and can spare her this time. After all, Yan Xi is young and ignorant.”

“In the future, when Master Jones passes through the hot summer, I will personally host a banquet with my grandfather to thank you.”

Lu Hua smiled and spoke politely, with a very low posture.
