

Chapter 2527– 2528 of A Dish Best Served Cold Novel

Chapter 2527

“Oh?”

“You mean, your grandpa is a martial arts master.”

“Lu Songliang, who is ranked eighth on the Yanxia Grandmaster Ranking?”

Lu Hua’s remarks aroused Mike Jones’s interest.

After all, as far as any force is concerned, the master of martial arts can definitely be regarded as a top powerhouse who stands alone.

Even in Chumen, the martial arts master is also the existence of worshipping elders.

Therefore, after hearing that Lu Hua had a blood relationship with Yanxia’s martial arts master, Mike Jones looked at Lu Hua with a slightly higher gaze.

“Ok.”

“Master Jones, do you know my grandfather?”

Hearing this, Lu Hua was undoubtedly more happy in his heart.

As the saying goes, acquaintances are easy to handle. If your grandfather really knew this Mike Jones, then today’s matter will undoubtedly be much simpler.

Mike Jones shook his head: “I don’t know what to say, I just studied your grandmaster list in the summer. I have some impression of your grandfather.”

“Your grandfather, although he is ranked at the bottom of the list of Masters in the Summer of Summer. But he is the only one who has entered the realm of a grandmaster at the age of sixty.”

“At such an age, it is possible to break through the realm of the master, which is extremely rare in the world of martial arts.”

“I can only say that your grandfather’s pursuit and perseverance in martial arts makes me appreciate it.”

Martial arts practice is also about talent.

Especially when he was young, it was almost the time when his cultivation base made the fastest progress.

Once in old age, various physical skills begin to degenerate. At this time, trying to break through is undoubtedly as difficult as climbing.

For a long time, people in the martial arts world have believed that if you have not entered a master before the age of fifty, you will basically have no relationship with the master in this life.

This is why, Lu Hua's grandfather, Lu Songliang, who became a master at the age of sixty, will cause such a big wave in the world of martial arts.

"Haha~"

"is it?"

"If my grandfather knew that he would be appreciated by Master Truman, he would definitely feel very honored." Lu Hua chatted with Mike Jones politely.

"By the way, Master Jones, look at my friend..."

After a moment of greeting, Lu Hua asked Mike Jones about Lu Yanxi again.

Mike Jones nodded: "Well, since she is your friend, I won't pursue her previous offense."

"However, I, a member of the Jones family, the woman I like, hasn't been unavailable."

"Well, let her stay with my brother for a few nights."

"Forget about today's matter."

Hearing this, Lu Yanxi, who thought he had escaped, looked ugly again.

Lu Yanxi naturally understood what Mike Jones meant.

She knew well that once she fell into the hands of these people, her fate would be extremely miserable.

So, it's been a few nights, just one night, Lu Yanxi didn't want to accompany him.

"Brother Lu Hua, I don't want to..."

Panicked, Lu Yanxi seemed to look at Lu Hua for help again, and shook his head at him, indicating that he would not accept the request.

Lu Hua naturally didn't want Lu Yanxi to accompany them overnight, so he looked at Mike Jones again and said with a smile: "Master Jones, to tell you, Yan Xi is my girlfriend."

"The previous things were all misunderstandings."

"I am here to apologize for my girlfriend and to several masters."

"As for the others, just forget it. Just treat my grandfather as a face."

Chapter 2528

"When I have an opportunity in the future, I will definitely invite Master Jones to apologize personally, and also introduce Master Jones to my grandfather."

However, this time, in the face of Lu Hua's words, Mike Jones's complexion was not so good, and his gaze at Lu Hua was already a little bit more chilly.

He sneered and looked down at Lu Hua in front of him: "Give your grandpa face?"

"I advise you to go back and ask him, dare you to save my face!"

Mike Jones said a few words, but Lu Hua was scared to stay there immediately.

"You don't really think that a little martial arts master will scare this young master?"

"Don't look at your grandpa too high!"

"With a word from the young master, there are no fewer than a few martial arts masters who can be adjusted."

"And none of them are weaker than your grandpa."

"As long as I am willing, I am a titled master and can serve me."

"As for what I just said I admire your grandpa, not because of his strength, but because of his perseverance."

"Just like I admire the ants under my feet, I am so small, but I still work hard and persevering every day."

"That's it~"

Mike Jones smiled coldly, speaking calmly, but the majesty and chill contained in it were enough to make everyone present shiver.

At that moment, many people were shaken deeply.

Is this the majesty of the Truman people?

Is this the arrogance of the most powerful force in martial arts?

Even the martial arts master who can dominate the country is not in the eyes.

Even compare the ant with the master.

In this world, it is estimated that only people from the Tru Sect have this kind of spirit and domineering.

Lu Hua, who heard these words, was almost frightened at the time.

Shaking all over, his brain went blank.

Standing there blankly like a goose, his red lips trembled, and he couldn't say a word.

As for Kong Ming, when he learned that these were Chu Clan members, he was so frightened, let alone speak out to help Lu Hua and the others plead.

After all, Lu Hua dared to stand up, mainly relying on his family, and he was the grandfather of the martial arts master.

As for Kong Ming, without Lu Hua's background, he knew that he had no reliance, so naturally he dared not stand up.

"What are you doing here in a daze?"

"Don't get out of here, this young master will kill you!"

Finally, Mike Jones had no patience anymore.

He shouted angrily, the wind swept through, and the majestic coercion immediately radiated out.

Boom~

Lu Hua was frightened and squatted on the ground.

Then, in fear, he rolled straight away.

At the same time, Mike Jones immediately ordered that Lu Yanxi be taken away and handed over to his brother for disposal.

Following Mike Jones's order, seeing several powerful men walked out from behind Mike Jones, and then surrounded him in Lu Yanxi's direction.

"Asshole, get out of me!"

Lu Yanxi still wanted to resist, but how could she be able to resist the majesty of the powerful Chu Sect.

After just a few rounds, Lu Yanxi was kicked to the ground, and a mouthful of blood came out.

"Brother Lu Hua, Kong Lao, save me~"

"Save me~"

At this time, Lu Yanxi was already full of tears because of panic and fear.

She lay on the ground with blood in the corner of her mouth, crying sadly.

However, in the face of the power of Chumen, how dare Lu Hua and the others step forward.

However, just when Lu Yanxi was desperate, he sighed quietly from the crowd.

"Hey~"

"Finally, for the sake of your father's face, I will help you again."
