

## Chapter 2541

Zhifei had a crush on Sara for many years but only told his sister Zhiyu about this.

The reason why he didn't dare to say it was because he knew that the Su family could not allow him to be with Sara.

Elder Su has always been above the top, and he has never looked down upon these families in China.

Moreover, he has always been eager to make major breakthroughs in overseas markets.

Therefore, he especially hoped that Zhifei, as the eldest son of the Su family, could marry a daughter of a top European or American family, or a European royal princess.

In this way, the Su family can exchange resources with them.

Otherwise, if you only find a family with a weaker overall strength than the Su family to marry in the country, then it is clear that others will take advantage of the Su family.

Because of this, Zhifei dare not make any relevant disclosures.

However, he never dreamed that his visionary grandfather would take the initiative to encourage him to pursue Sara. This was simply great news for him.

However, Zhifei didn't know that Elder Su easily analyzed his true purpose from his sponsorship of Sara's concert.

Saying that now, it's just a matter of doing what he wants.

Chengfeng deeply understands a truth, this truth is only three words: D\*ck drives everything.

If you want to make the best use of a person, that is, you must master where his s3xual interest is.

Chengfeng understood Zhifei's deep inner s3xual interest, so he chose to do what he liked, support him in pursuing Sara, and directly tied him firmly in his camp in one step.

Therefore, when Zhifei expressed absolute shock at what he said, Chengfeng said in a serious manner: "Zhifei, the most important thing about choosing a spouse is the price-effectiveness ratio. Ability and character are good. Although Gu's strength is a bit inferior, she is better than others. If you really marry her, it will be a very cost-effective thing! So if you really want to pursue her, of course, I agree with you with both hands."

Zhifei immediately said excitedly: "Thank you, grandpa! With your words, I am relieved!"

Zynn on the side, this was the first time he knew that what his son liked in his heart turned out to be Sara of the Gu family.

He frowned and said earnestly, "Zhifei, you like Gu's girl, and Dad doesn't object to it, but you have to know that Gu's family has always had prejudices against Su's family, especially Philip Gu and Changying back then. It's his elder brother to worship. Since I set up the Anti-Wade Alliance, he has completely drawn a line from the Su family. If you pursue Sara, the first thing you have to pass is his level."

Zhifei nodded and said, "Dad, I have considered all of what you said. The old accounts between my parents are indeed a relatively large influence, but I still believe that feelings are the first. Yes, if I can really make Sara like me, then I believe I can also make Sara's father accept me."

Zynn sighed sincerely, "I'm afraid it won't be that easy!"

Chengfeng couldn't help but slapped his lips. He racked his brains to make suggestions for his grandson. He said, "Oh! I don't think there is any need to make a conclusion on this matter so early. I know that he is only 26 this year, even if he is married at 36. It's not too late, so he has time for Gu's family to change their attitude towards him."

As he said, he couldn't help but said with a little regret: "I heard that Philip had pancreatic cancer and he was about to die. If that's the case, he would lose one stumbling block if he wanted to pursue Gu's girl, but who knew this? Why did the guy heal suddenly inexplicably? He is alive, and the difficulty will indeed be much greater."

Zhifei said at this time, "Grandpa since you support me, I will definitely pursue Sara. As long as she is willing to be with me, I believe her father can't stop us from being together."

"Yes." Chengfeng said with a smile: "You can rest assured and boldly pursue her. Grandpa will give you one hundred or one thousand times support!"

As he said, he said very seriously: "If Philip is unwilling to forgive the Su family for the "Anti-Wade Alliance" things back then, then let your father come to the door personally and beg him to plead for the crime."

"If it still doesn't work, then my old bone will personally apologize to him! For the life-long happiness of my grandson, what is such a trivial matter?"

Old Man's attitude immediately moved Zhifei.

Comparing this with the unquestionable personality that Grandpa said before, it was a radical change.

## **Chapter 2542**

He thought it was impossible for his grandfather to allow him to pursue Sara, but he did not expect that he would support him so much.

This instantly increased his confidence in pursuing Sara countless times.

So he immediately stated: "Grandpa, if that's the case, then I will go to Aurous Hill now to see if I can bring out the black hand by preparing for the concert!"

Chengfeng nodded in satisfaction and smiled: "I asked Anson to invite the head of the Suzhou first family, Regnar Wu from the Wu family. It is estimated that he should be here in a while. Don't leave in a hurry. It's not too late to leave after dinner."

"it is good!"

.....

At this moment, Aurous Hill Shagri-La.

Zhiyu was bored in the hotel room for a day, feeling anxious and impatient.

At six o'clock, Issac's men knocked on the door on time, and two female bodyguards walked in with a food delivery tray. One of them respectfully said, "Ms. Su, Ms. Du, dinner is ready, please take a second step. Dining in the restaurant."

Zhiyu couldn't help asking, "When on earth your young master would like to see me? I have been waiting all day..."

The female bodyguard said very politely: "Sorry Miss Su, our young master did not come today."

Zhiyu asked, "Then did he say when he would come?"

The female bodyguard shook her head: "Master never said it."

Zhiyu didn't give up, and asked, "Well, can you please call your young master and say I want to talk to him."

The female bodyguard smiled slightly: "You tell me, I am not qualified to talk to the young master directly, so I don't have the young master's contact information."

"This..." Zhiyu's eyes flashed red and choked up, "Then what does your master mean? It took so much work to save us and settle us here, but he kept hiding. If he doesn't show up...If he really doesn't plan to show up, let my mother and I leave here!"

The female bodyguard said apologetically: "Ms. Su, the young master really didn't mean that, it is just I servant dared to speculate. As for what you said to leave here, I can't do this. The young master has ordered us to make sure you two Please forgive me for staying in this suite and keeping every step of the way."

Zhiyu suddenly felt a strong grievance in her heart, and tears flowed out.

Seeing this, the female bodyguard said apologetically: "Miss Su, the food is ready, please help yourself and Ms. Du, we will go out first."

Liona hurried forward, holding Zhiyu in her arms and gently comforting her, while saying to the two female bodyguards, "Thank you so much!"

The two made a polite statement and hurriedly left the room.

As soon as they left the room, the two of them came to Issac's office. After knocking on the door and entering, facing Issac and Charlie sitting on the sofa, they respectfully said: "Young Master, President, Miss Su is a little excited. "

Issac hurriedly said, "Tell me, what exactly is the excitement method?"

The female bodyguard recounted the situation from just now.

After listening, Issac nodded and said: "Okay, you have worked hard, go and rest."

The female bodyguard bowed and resigned.

At this moment, Issac looked at Charlie and couldn't help asking: "Master, are you really not going to see her?"

### **Chapter 2543**

Issac's words made Charlie hesitate slightly.

Whether he wants to meet Zhiyu and Liona, he hasn't decided yet.

The main reason is that he doesn't want to understand what mentality he should use to face an enemy's daughter and a woman who has loved his father for many years.

But he knew it in his heart.

Things have reached the point where they are today. Sooner or later, he has to meet the mother and daughter.

Therefore, he has not yet determined whether it is the right time to meet them right now.

At this time, Issac saw Charlie's hesitation, and hurriedly persuaded him: "Master, to be honest, since you will see them sooner or later, it is better to see them earlier."

As he said, he said again: "Look, now Miss Su's status is almost equal to house arrest here. If you don't meet her, I am afraid she will be uncomfortable. This is also torture for her. It's better to meet her and let her feel at ease so that she can continue to stay here without causing any trouble."

Charlie said indifferently, "I definitely want to see her, but it's not the time yet."

Issac asked hurriedly, "Master, are you waiting for an opportunity?"

"Opportunity?" Charlie shook his head: "I'm waiting for Zynn Su."

Issac exclaimed, "Master, you...you want to wait for Zynn?"

"Yes." Charlie said coldly, "I'll wait for him to come to Aurous Hill. If he doesn't come, I will personally "please" him over!"

"The day Zynn comes to Aurous Hill, I would naturally take him to meet Zhiyu and Liona!"

Speaking of this, Charlie stood up and said blankly, "After he comes here, I will personally take him to my parents' grave and bow down!"

"If he is not directly related to the death of my parents, let him give my parents a kowtow;"

"If he is directly related to the death of my parents, I will let him pay for his life at my parents' grave!"

.....

At 6:30 in the evening, Regnar Wu drove to Su's manor.

He also came with his eldest son Roger.

The father and son arrived in the manor in their car, and the housekeeper Anson personally greeted them. As soon as they met, he said politely: "Mr. Wu, Master Wu, our master is already waiting in the banquet hall, please come with me."

Regnar couldn't help but feel a little nervous.

He didn't come to have dinner with Chengfeng this time. He came to Chengfeng as an undercover agent at Charlie's request.

Charlie is a person 10,000 people can't afford to offend him, not to mention Charlie's background, his ability alone is far from what he dares to offend.

Killing the eight heavenly kings of the Wu family by one person really annoyed him, maybe he could kill all the Wu family by himself.

However, Chengfeng here can't afford to offend him at all.

Who is Chengfeng? The person in charge of the first family in the country is simply the strongest person in the financial field, and if he provokes him, he may not end well.

Therefore, Regnar was nervous and afraid in his heart.

However, he was also very clear in his heart that, no matter what, he must act as one who couldn't offend Charlie the most.

Since Charlie asked him to be an undercover agent, he could only bite the bullet.

#### **Chapter 2544**

Later, he and Roger followed Anson to the banquet hall of the manor.

At this time, in the banquet hall, three generations of the Su family, Chengfeng, Zynn, and Zhifei were sitting at the front of the dining table.

Seeing Regnar and his son coming in, Chengfeng took the initiative to stand up and said with a smile: "Mr. Wu, I have heard of the name for a long time, and I finally meet you today!"

Regnar hurriedly said a little flattered: "Mr. Su, you are so polite. Compared with you, I am just a small business person who does a little bit of innocent business. I can't get on the table..."

Chengfeng waved his hand and said with a smile: "Where is this, your Wu family is the number one family in Suzhou, even in the whole province, so why to belittle yourself."

After speaking, he hurriedly said again: "Come here, Mr. Wu, let me introduce to you, this is my son, Zynn Su, and the other is my grandson, Zhifei Su."

Regnar couldn't help but feel a little surprised, and he thought to himself: "Unexpectedly, this Zynn also came to Suhang. Didn't this guy ran to Australia because of a scandal some time ago? Also, Chengfeng murdered Zynn's wife and daughter. , Why is this guy standing in front of Chengfeng so respectfully? Isn't it necessary for him to avenge his wife and child?"

Seeing Regnar stunned, Zynn suddenly guessed Regnar's psychological activities. He couldn't help but feel a little embarrassed.

So he first stretched out his hand and said, "Hello, Mr. Wu, I'm Zynn, I'm lucky enough to meet."

Only then did Regnar come back to his senses, and hurriedly clasped his fists and said, "Mr. Su, look up for a long time! I'm Regnar, this is the son Roger!"

Chengfeng said at this time: "Mr. Wu, please sit down, let's eat and talk."

Regnar quickly agreed.

Five people were seated in front of the huge dining table. Chengfeng took the initiative to hold up the wine glass and toast Regnar. After three rounds of wine, he smiled and said, "Mr. Wu, this time I come to Suzhou. It is considered to be on your site, so Please take care of us in Suzhou in the future."

Regnar said nervously, "Mr. Su, you are so polite. It is absolutely my honor you think of Regnar when you come to Suzhou. In the future, you can use me for anything."

Chengfeng smiled and said, "Since Mr. Wu has said so, then I won't be polite to you, but Mr. Wu, please rest assured. If you have any help from our Su family, please do not hesitate to speak."

Regnar clasped his fists and said, "Then I would like to thank Mr. Su in advance!"

Chengfeng nodded, put down the wine glass, and said: "By the way, Mr. Wu, I want to ask you something, I don't know if it is convenient for you."

Regnar hurriedly said, "Sir, please tell me!"

Chengfeng said: "That's it. I want to know Mr. Wu, how much do you know about Aurous Hill?"

"This..." Regnar thought for a while, and said, "Actually, I don't know much about Aurous Hill. It's just that my son went to university in Aurous Hill."

In fact, Regnar didn't want to be a last resort and didn't want to talk to anyone about his second son Wu Qi.

Because Wu Qi had already been harassed by all the people all over the country at the time when Wu Qi was involved. When he mentioned it, it was tantamount to hitting him in the face.

However, Chengfeng asked about his understanding of Aurous Hill's situation at this time. Regnar didn't dare to conceal Wu Qi's schooling in Aurous Hill, because no one knew about this matter in the whole country. If he deliberately concealed it, It will definitely arouse Chengfeng's suspicion.

When Chengfeng heard him talk about Wu Qi, he nodded slightly and said apologetically: "I'm sorry, Mr. Wu, I know there are some things I shouldn't say here."

Regnar knew what he wanted to say next, so he could only smile awkwardly, and said, "Mr. Su, if you have any questions, just ask, don't be so polite."

Chengfeng nodded and said: "Mr. Wu, frankly speaking, I have heard about your little son. What I want to ask is. Have you checked, why he has this kind of behavior, what is wrong with him? Why it is happening?"

"Why?" Regnar cursed secretly in his heart: "Of course it's because of Charlie's b@stard! He has already admitted this in front of me, but I can't provoke him and dare not fight him. ..."

However, Regnar did not dare to say what he was thinking.

Therefore, he could only deliberately said in shrouded mist: "This...to be honest, after his accident, Xiaoxin and I went to Aurous Hill as soon as possible. We also wanted to find out what caused the community. There has been such a big change, but after a lot of investigation, no valuable clues have been found."

Chengfeng was a little disappointed, and then asked: "Mr. Wu, then, do you think the incident with your youngest son is a natural disaster, or is it an unnatural disaster?"

### **Chapter 2545**

Hearing Chengfeng's question, Charlie's image reappeared in Regnar's mind. He couldn't help feeling a deep cold deep in his heart. Then he replied: "Mr. Su, let me tell you, about my son. I also suspected that it might be man-made, but after investigating a lot, no relevant clues were found, so the possibility of a natural cause may be greater, or the children himself stimulated something beyond our comprehension.

Chengfeng asked him, "Have you ever asked your son what unusual memories or impressions he had before and after the incident?"

Regnar said truthfully: "I asked him about this, but he told me that there was a memory gap before the incident, and he couldn't remember it at all."

Chengfeng nodded thoughtfully, and said in a deep voice, "If this is the case, then I guess it is more likely to have mental nature!"

Regnar pretended to be shocked and asked, "Mr. Su, do you mean someone deliberately harmed my son?"

"Yes!" Chengfeng said seriously: "Generally speaking, even if someone has a mental problem, they don't have such a strange behavior as your son."

After speaking, he asked again: "And I heard that your son's condition seems to occur every hour, right?"

Regnar said awkwardly, "Yes, it is true."

Chengfeng hummed, and said solemnly, "Then this is even more problematic! Normally, even if a person has intermittent psychosis, intermittent epilepsy, or even intermittent convulsions, this is relatively random. There are absolutely no rules at all, so some people will fall asleep, suddenly get up and sleepwalk, or suddenly have a goat's seizure and convulsions, but when you've heard of someone, it's like this every hour frequency? This is obviously not right!"

Regnar said, "Of course I knew something was wrong, and I also knew that all this was done by that bastard Charlie! But what can I do? Our eight heavenly kings were all taken care of by him. If I still confront him, maybe I will be like my son someday, becoming a hapless guy who eats that thing every hour..."

Thinking of this, he was depressed, and on the surface, he pretended to be extremely shocked and asked: "Mr. Su...do you think anyone has such an ability to make my son suffer from this disease?"

Chengfeng said: "There are too many possibilities for this kind of thing. Whether it is the mystery of Feng Shui in our country or the puppets in Southeast Asia, there are methods that cannot be explained by science. I think you should find a metaphysical master for your son. If your son takes a good look, he may be able to see where the problem is!"

"Master of Metaphysics?!" Regnar said earnestly, "To be honest, our family really doesn't know any master of metaphysics, but I have heard that some people in Hong Kong seem to be engaged in Feng Shui metaphysics. I don't know if there are any experts there. "

Chengfeng said: "Hong Kong has probably the most developed metaphysics in the three regions of the Taiwan Strait, but if you want to really talk about the top metaphysics masters, you still have to go to the United States to find them.

"America?!" Regnar was even more surprised, and asked, "Mr. Su, I don't quite understand. Isn't Feng Shui metaphysics the thing of our Chinese ancestors? Why do the top academic masters look at America?"

Chengfeng smiled indifferently and said earnestly: "As long as the masters of metaphysics are very powerful, they are basically from their ancestors for several generations, even dozens of generations, who have been studying metaphysics assiduously. In times of turbulence, some really capable older generations of metaphysical masters will figure out clues in advance and then avoid them in advance."

## **Chapter 2546**

After speaking, he explained: "Anyone who has studied history knows that in 37 years, we have experienced a huge ordeal in China. At that time, many top metaphysical families had already calculated the disaster of China Land one or two years in advance. Many have fled overseas in advance. Those who have not escaped are either those masters who serve the country and the people, or those who have the insufficient ability and limited skills, and cannot be counted as two swords of disaster."

"And those top masters who stayed devoted their efforts to Jiangshan Sheji. In addition to the Eight Years' War, there were deaths and injuries, and a large number of domestic metaphysical masters withered, but the ones who fled overseas were intact. Survived."

Regnar couldn't help asking, "Mr. Su, there is still something unclear below. Why did these escaped metaphysical masters go to the United States?"

Chengfeng smiled and said: "Recall the history of World War II you learned in junior high school. At that time, the whole world was swamped. Europe, known as the birthplace of modern civilization, was also turned into a puddle of mud. Even Britain was blown to ruins. Needless to say. Continental Europe."

“Looking at the whole world, there was only the United States that year. Except for a small attack on Pearl Harbor, the mainland was almost out of the war. The true masters of metaphysics have long been there for the peace and peace of the United States, so almost all of them have a brain. Fleeing to the United States, other people’s World War II was a raging war. These people’s World War II was to survive in America.

After all, Chengfeng said again: “If you need it, I can help you find a top metaphysical master from the United States and let him see your son’s situation.”

Regnar asked a little excitedly, “Mr. Su, is what you said is true?”

“Of course!” Chengfeng smiled slightly and said seriously: “Since we are all interested in being tied together to do something big, then I must show something, so let’s arrange for someone to contact and let the master sit as soon as possible. The plane is coming. If the speed is fast, the master may be there tomorrow night.”

Although Regnar didn’t dare to betray Charlie, he couldn’t help getting excited when he thought that the master of metaphysics that Chengfeng had found might really be able to heal his son.

This also made him feel the feeling of having the right and the right. If he could cleverly mediate between Charlie and Su’s family, wouldn’t he be able to please both sides and obtain benefits from both sides?

Thinking of this, Regnar hurriedly stood up, clasped his fists in his hands, bowed, and said, “I’m taking the place of the dog, thank you, Mr. Su! If you need to be here in the future, just give a command, and don’t let it go!”

Chengfeng waved his hand and said casually, “Mr. Wu, between you and me, you are welcome.”

After speaking, he looked at Zynn and told him: “Zynn, you turn back to talk to Mr. Mai in Los Angeles. It is best to ask him to come out and visit Suzhou.”

Zynn nodded and hurriedly said, “I know Dad. It is estimated that the time in Los Angeles is not bright yet. Should I wait an hour or two before contacting?”

“Okay.” Chengfeng smiled and said with emotion: “I haven’t seen Mr. Mai in years. If he is willing to show his face and come here in person, I will also ask him to do the calculations for me. I have encountered various blows, maybe it has a lot to do with Feng Shui luck!”

## **Chapter 2547**

In fact, Chengfeng himself is not very faithful.

His long-dead old father believed in Feng Shui fate, but he didn’t buy it.

Chengfeng’s acting style is very harsh, so he always believes that man can conquer the sky. When he is young, he will act vigorously and resolutely when he is young.

However, Chengfeng now has more or less murmurs in his heart.

It's a damn reciting words, if it's a coincidence, it's really a bit unreasonable. How can such bad luck and bad things happen to him?

If it is not a coincidence, it is estimated that something happened in the fortune, otherwise, it should not be unlucky.

Therefore, he wanted to take this opportunity to let the authoritative Feng Shui take a look.

Mr. Mai, whom he asked Zynn to contact, followed his father and fled to the United States from Eastcliff in early 37.

At the time, the five great feng shui families in China were the Lai family, the Zeng family, the Liao family, the Yang family, and the Mai family.

These five people, without exception, have all settled overseas.

The old generation of the Mai family had a good personal relationship with Chengfeng's father, so when Chengfeng's father was alive, he often asked them to come back and give advice.

However, since the death of his father, Chengfeng has not been interested in this aspect, so he drifted away from them.

But having said that, although there hasn't been any contact in recent years, the foundation of the relationship between the two families is still there.

Regnar is also not very faithful.

However, he is now holding the attitude of trying and not asking for money, and he has accomplished it. If he fails, he has no loss.

It is precisely with this feeling of having a source of both ends, Regnar's psychological pressure is suddenly relieved a lot.

Coupled with Chengfeng's very polite attitude, Regnar really felt at home.

After dinner, Chengfeng asked Zynn to send the father and son out. On the way back, Regnar still had a smug smile on his face.

In any case, it is a good thing to be able to establish contact with a top-notch family like the Su family. It may indeed open up a little commercial cooperation. As long as the Su family gives some resources at hand, the Wu family will be able to improve.

Roger saw his father's excitement, but he felt a little unhappy.

Ten thousand in his heart didn't want his brother Wu Qi to heal, because once his brother healed, he would rob him of property.

Chengfeng suddenly threw such an olive branch, which made him feel very angry.

But he didn't dare to show his feelings in front of his father, so he could only ask: "Dad, the Su family wants to help us find a Feng Shui master, do you want to report to Charlie?"

Regnar said without hesitation: "Of course this kind of thing can't be reported, otherwise, if Charlie makes a little action behind his back, wouldn't your brother have no chance of healing?"

Roger said with some worry: "But the task that Charlie assigned us is to be his dual spy! If we deliberately conceal the clues and don't tell him, will he not blame us if he knows? "

### **Chapter 2547**

Regnar hesitated for a moment and then said: "The situation must be partially reported, but it is still necessary to have reservations. It is best to avoid the serious and keep it light."

As he said, he took out his mobile phone and sent Charlie a voice message: "Mr. Wade, you really have a brilliant plan. Chengfeng invited me to dinner tonight. At the dinner table, he said that he would work closely with us. I have agreed. I will report to you in time if he has any movements next!"

After receiving this information, Charlie replied with the word "OK" in the text.

When Regnar received the word "OK", he smiled slightly and said, "Look, isn't this solved? What we have to do now is to make Charlie feel that we are doing our best for him, and make Chengfeng feel that we are indeed an object worthy of his careful cultivation. As long as we can do this well, we will be able to meet the two top families of the Wade Family and the Su Family!"

.....

This night, Zhifei returned to Aurous Hill alone.

The task that Chengfeng gave him, in addition to continuing to try to find his mother and sister, also required him to actively prepare for Sara's concert in Aurous Hill soon, and try to take this opportunity to catch Sara.

When Zhifei arrived in Aurous Hill, he went directly to his grandfather's old house in the city.

What he didn't expect was that his grandfather, uncle, and second uncle had already put aside the things at hand and came to Aurous Hill. At the same time, they had begun to mobilize all resources to search for the whereabouts of his mother and sister.

When his grandfather Mr. Du saw him, he was surprised and asked: "I know, you suddenly disappeared inexplicably, where did you go?"

Zhifei hurriedly drove himself from Eastcliff to Aurous Hill, and then went to Suhang to meet with his father and grandfather.

However, he did not say anything about the selection of the Su family's successor.

As soon as Mr. Du heard that he was almost beaten by Chengfeng's messenger, he fled all the way to Aurous Hill. Naturally, he felt very distressed for this grandson.

Thinking of the missing daughter and granddaughter, he choked with tears in his eyes: "Boy, you have suffered! Don't worry, grandpa will not let you suffer this kind of grievance again! Also! Your two uncles, and myself, this time will stay in Aurous Hill, and go all out to find the whereabouts of your mother and

sister! If they are still alive, everything is easy to say, but if they encounter unexpected events, I will definitely not let your b@stard grandfather go!”

Hearing what Grandpa said, Zhifei’s eyes were red, and he nodded heavily.

However, even he himself did not expect that at this moment, he suddenly felt a trace of pride in his heart.

He also had Ragnar’s experience of being both right and left.

“The always strong grandfather, for the sake of fame and family, wants to come over to please him, and grandpa’s side, because of these things I have encountered, especially loves me...”

“If in the future I really become the heir of the Su family, with the huge business empire of the entire family on the one hand, and the strong relationship background of the Du family on the other, I can even take the Su family to a higher level in the future!”

“If I can successfully collect Sara in my bag, it would be equivalent to harvesting half of the Gu family. By then, I will combine the assets of the Su family, the background of the Du family, and half of the Gu family’s industry, then I will be the richest man in the world. ! Under the whole world, who else can compete with me?”

“Now it seems that my next top priority is to win Sara!”

Thinking of this, Zhifei had a strong urge to turn Sara into his own woman immediately!

The dream of the world’s richest man, like a curse, quickly changed Zhifei’s heart.

Now he no longer cares about the life and death of his mother and sister.

All he wants in his head is the supreme title of “the world’s richest man”!

## **Chapter 2549**

Video about the Su scandal has been constantly fermenting on the Internet.

While the Su family’s reputation is notorious on the street, the Su Group has not given any official explanation.

The enthusiastic netizens came to Su Group’s official website and the official Weibo to denounce it, making the Su Group’s public relations team helpless.

When Liona and Zhiyu the mother and daughter were still missing in the eyes of the outside world, the Su Group announced in a high profile that Zynn would temporarily take over as the acting chairman of the Su Group.

This is also equivalent to officially announcing the return of Zynn to the public.

Interestingly, the return of Zynn has aroused the sympathy of many people.

Many people think that master Zynn is too miserable.

His illegitimate daughter was sold by his father, and he himself was sent to Australia by him.

This was unlucky enough, but his father still didn't want to let him go, and gave him a big black pot of "betraying his daughter".

Worse still, when he was alone with all the infamy, his father murdered his eldest daughter and his wife.

Now, his eldest daughter and wife are still missing, and he has only one son left.

In the eyes of netizens, in the world, there may not be a second person as miserable as him.

Therefore, he suddenly came back to preside over the Su family, and to a certain extent, aroused the sympathy of the public and made the public's impression of the Su Group a little better.

But Chengfeng was even more uncomfortable.

Because he knows that the more Zynn can make the public feel compassionate, the less likely he is to step onto the stage and take charge of the Su family again.

But he has no good solution now, he can only go through the difficulties before speaking.

Zynn cares about Zhiyu, so after he was promoted to acting chairman, he immediately invested a lot of manpower and material resources to find the whereabouts of the mother and daughter in Aurous Hill and surrounding areas.

To this end, he even offered a cash reward of more than 100 million.

Many private detectives and bounty hunters flocked to Aurous Hill in order to earn this huge reward.

Unfortunately, no one can find the slightest clue about the mother and daughter.

Charlie didn't go to Shangri-La for two consecutive days. Zhiyu, who was confined here, had become more impatient. She was not dissatisfied with the state of being confined but was always looking forward to the figure of the benefactor.

With the warming of these two kinds of weather, the famous singer Sara's concert is getting closer.

This concert is her first concert this year.

Therefore, both she and her agency paid great attention to this concert.

Not to mention Sara herself. As planned, her first concert this year was on the 20th of the first month of the lunar calendar, and her first concert was held in Eastcliff.

However, because of the reunion with Charlie, it happened to be Charlie's birthday on February 2 of the lunar calendar, so she deliberately changed the concert from Eastcliff to Aurous Hill and postponed it to the second day of February of the lunar calendar.

In fact, for Sara, this concert was performed for Charlie alone.

## **Chapter 2550**

Since it is dedicated to the beloved, it naturally takes a little more thought.

Therefore, although there is still a period of time before the performance, the preliminary work team has arrived in Aurous Hill and began to make very detailed preparations for the scene.

Sara herself is a top singer and actress in the country, so the overall specifications of her concerts have always been very high.

This time the concert, because of Charlie's sake, the specifications were especially surprisingly high.

The first is the opening of Aurous Hill's largest Olympic Center stadium, which can accommodate more than 50,000 people;

Second is the stage hardware, which uses all the world's top devices, such as lighting, sound, stage and background, these devices;

In addition, the chief director, tuner, lighting engineer, and dancer team are all the largest production teams in Europe and America.

After all, Europe and the United States have more experience in concerts, and these teams have even managed super-large concerts with over 100,000 audiences.

In fact, from a financial point of view, holding such a very costly concert is basically not profitable, and it may even lose money.

But she didn't care at all.

What she was looking forward to was to show her perfect self in front of Charlie.

Because Sara's concert is getting closer, the whole of Aurous Hill is excited about it.

Charlie also found that there are more and more publicity advertisements about Sara around. Background advertisements at bus stations, electronic streaming media advertisements in elevators, giant billboards on the roadside, and display spaces on the floors of high-rise buildings are almost all Promotional materials for Sara's concert.

This made Charlie couldn't help wondering: "Hasn't the tickets for Sara's concert been robbed early? What is the point of investing in such big publicity at this time?"

What he didn't know was that Zhifei did all these publicity campaigns without exception.

Zhifei is thinking about how to use the opportunity of the concert to get closer to Sara.

Therefore, he decided to spend tens of millions first, talk about the entire Aurous Hill advertising space, and replace it with Sara's concert promotional materials to help her make the concert's momentum strong enough so that when she comes to Aurous Hill After that, she must be more or less moved.

The next day, when Charlie had breakfast and sent his wife Claire out of the house, he received a call from Issac. As soon as the call was made, Issac reported: "Master, there is something, I have to report to you."

Charlie asked him, "What's the matter?"

Issac said: "That's right, Miss Sara's agent has already booked a presidential suite with me for a week before and after the concert. Early this morning, Zhifei from the Su family suddenly ran over to rent the hotel for that week. He bought all the advertising spaces, even the right to use the giant LED screen in that building, right across the terrace of the presidential suite."

When Charlie heard this, he asked in amazement, “What is Zhifei doing? You can’t just want to advertise to his mother and his sister, right?”

“No!” Issac hurriedly said, “This guy wants to display the promotional posters of Miss Sara’s concert on these advertising spaces and the giant LED screen!”

Charlie frowned and couldn’t help but smack his lips: “This Zhifei is really interesting. At this time, he didn’t quickly find a way to find his mother and his sister. Instead, he spent such a lot of thoughts on the nanny. “

Issac blurted out, “Master, I think Zhifei, this guy, must want to pursue Miss Sara!”

“Yeah.” Charlie said with a smile: “He has been so obvious, it is simply the lover’s heart that everyone knows.”

Issac said anxiously, “Master, you must take it seriously!”

Charlie couldn’t help but said awkwardly: “How can I take this kind of thing seriously...”
