

## Chapter 255

Hearing that her mother always persuades her to return to the Willson Group, Claire asked very puzzledly: “Mom, what kind of ecstasy did grandma give you? Why do you have to let me return to the Willson Group?”

Elaine was also anxious, and said, “Isn’t it obvious that the Willson Group is paying an annual salary of one million? Isn’t it better than your own business? What if you lose money in your business, what should I do with your dad?”

Claire said firmly: “Mom, don’t tell me, I will never go back to the Willson Group again. Even if I go to the streets to beg for food, I will not go back! I don’t want to fight for steamed buns, but I have to fight for my breath!”

Elaine looked like she hated iron but not steel, and taught Claire: “Keep your breath? What’s the use of no money?”

After Elaine finished speaking, with two lines of tears, she said aggrieved: “Now the Willson family company is about to close down. If it really closes, your father and I won’t get the pension! You know we all rely on this. A sum of money to provide for the elderly! Moreover, even if your grandma does not wait to see your dad, your dad still has a stake in the Willson Group. If you don’t go back, the dividend will be gone! What if our old couple is helpless in the future? “

Claire blurted out: “Mom, this is the Willson family’s own mismanagement. If they really go bankrupt one day, they deserve it!”

Elaine suddenly became anxious: “What are you talking about? We have spent so much effort in the Willson family for so many years. Seeing that the bamboo basket is empty and nothing is gone, have you considered it for Mom?”

Claire said seriously: “I have always considered for you. You told me to hand over most of the salary to you. I have always obeyed. You said you want to take care of all the money in our family. Father and I have no objection to managing money. I follow you in so many places, but you also have to give me a little respect. I don’t want to go back to the Willson Group. I want to start my own business and do something by myself. Can’t you support me?”

Elaine knew that she was wrong, but Claire could only say that she could only sit on the sofa and cried with her face covered, muttering: “Why do I have such a hard life? !! I have worked hard to raise a girl and count on her. Marrying a good husband and being a master, what happened? Your grandfather insisted on recruiting such an inverted son-in-law to come in. Now my daughter doesn’t listen to me anymore. This family doesn’t care for me anymore. What’s the point of being alive? “

When Claire saw that her mother had begun to sell miserably and engage in moral kidnapping, she was anxious, and said, “Mom, don’t you want to show Charlie out for everything? Charlie is pretty promising now, then After the villa is renovated for a while, you can live in it. Isn’t this dragging Charlie’s blessing?”

Elaine cried and said, “What about living in? Isn’t it still worrying about living in, for fear that the White family will react and drive our family out again?”

Claire sighed and said, "If you have to cry and worry yourself like this, then I can't help it, or else I rent a house with Charlie outside, let's move out."

"You" Elaine was anxious when she heard this, and stood up and said, "Do you want to separate from us?"

Claire nodded and said, "We have been married for several years, and it is time to move out."

"No!" Elaine blurted out immediately: "Absolutely not!"

Claire said seriously: "Mom, if you force me to go to the Willson Group, then I will move out with Charlie; if you don't mention the Willson Group, then I won't move. Choose one of the two, you see for yourself."

Elaine stared at Claire's eyes, knowing that this girl was not joking with her, and suddenly realized that she had played a little too far.

If she really kept on crying, making troubles like this, she would probably move out with Charlie. At that time, she would break up with her!

## **Chapter 256**

In that case, when the villa Solmon White gave to Charlie is finished, how can one have the chance to live in?

When she thought of this, she suddenly gave in.

So, she could only sigh and say: "Okay, Mom supports you in starting your business, and I won't mention the Willson Group. Is this all right?"

Claire was satisfied then, nodded and said, "Then we won't move out."

Seeing Claire's passiveness into activeness, Charlie couldn't help giving her a thumbs up.

The wife really has some abilities, she can't see it at ordinary times, but she is very effective at critical moments.

The Old Master, Jacob, has not spoken, but seeing his daughter rarely lose her temper, he feels a little frustrated, so he hurriedly came out and said: "Look at your mothers, what was the argument just now? Like now, the family is in harmony. Is it alright?"

Elaine glared at him and said, "I don't hear you bullsh\*t just now, and now you are talking about it again! Charlie can live in a villa no matter how wasteful he is, how about you? You know how to play with strange things all day long. It's weird and tattered, the most useless thing in this family is you!"

"Hey!" Jacob became anxious when he heard his wife put the fire on him, and said immediately: "I tell you Elaine, don't despise me, I am amazing now! Last time I dumped medicinal materials and made hundreds of thousands you forgot about it?"

Elaine said disdainfully: "You will be taken away, I think you will be arrested for fraud sooner or later, don't expect me to spend money to rescue you!"

“You b\*tch!” Jacob said angrily, “Don’t look down on people, okay? I’m dealing with antiques, that’s talented!”

As he said, he rushed into the room, took out a pen holder, and said with a arrogant expression: “Look, the good things I collected during the day, I will let you see and know! Just this thing will cost hundreds of thousands!”

Elaine said disdainfully: “It’s just you? Why don’t you go and live there? You don’t have to pee to see your own virtues, it’s not enough for people to see.”

Jacob stomped angrily: “You girl, don’t look down on people if you don’t understand! This pen holder is from the Qing Dynasty. I spent five thousand to pick up this thing. I have sent the photo to Ervin Jones, who is a cultural relic, to see. He is willing to pay three hundred thousand.”

Charlie glanced at Jacob’s pen holder and was surprised.

If it is really a pen holder left over from the Qing Dynasty, it might be worth hundreds of thousands. However, you can tell at a glance that Jacob’s pen holder is something from the Qing Dynasty. It is obvious that it is made of modern craftsmanship. It is worth a hundred at most.

Jacob bought this pen holder for five thousand, which clearly makes people foolish.

He couldn’t help wondering. The Old Master doesn’t understand shit, and it’s normal to be deceived, but Ervin Jones is a ghostly antique dealer. You sell him a hundred thousand worth of things. He can’t wait to spend only one hundred for it. He doesn’t. You may not be able to tell that this pen holder is a fake, so why are you willing to spend 300,000 on this?
