

Chapter 2554– 2555 of A Dish Best Served Cold Novel

Chapter 2554

But Lu Yanxi kept shaking his head: “No, Mark, I know you are an excuse. You deliberately said that these fool me, you are still angry with me, right?”

“I can feel what you think of me.”

“Otherwise, when I wanted to go with Lu Hua, you wouldn’t stop me and let me stay away from him. You must have been jealous at that time, right?”

“Also, you do not hesitate to be an enemy of Truman for me.”

“I’m really touched~”

“Mark, thank you for doing this for me.”

“Don’t be angry with me anymore, I am willing to associate with you~”

Lu Yanxi was still talking endlessly.

But Mark was full of black lines, speechless.

Why is this woman so stubborn and narcissistic?

Still paying for her?

What’s your heart for her?

Still willing to associate with me?

I can go to Nima!

Lao Tzu is someone who has a wife, and he has a fart for you.

I said it’s at the face of your Lao Tzu, at the face of your Lao Tzu...

Damn, you can’t listen, can you?

That being the case, Mark didn't bother to care about her, just let her say whatever she wanted, so she wouldn't really mess with him.

However, just when Mark was about to remain silent and deal with the matter coldly, the little girl who had been holding her breath next to her finally couldn't help but broke out directly.

I saw the little girl taking three steps and two steps before walking directly to Mark, and then with her hands on her hips, she yelled at Lu Yanxi puffingly, "I said this sister, you don't understand. Human words?"

"My Mark brother has said that he doesn't like you, he is boring to you, and he doesn't bother to pay attention to you. He helps you purely for the sake of your Lao Tzu."

"So, please stop being passionate, okay?"

"Stop pestering my Mark brother, okay?"

An Qi's pretty face was angry, and she asked repeatedly, but she was aggressive.

Lu Yanxi's straight face flushed and she was speechless.

"You...you..." Lu Yanxi's red lips trembled, her mouth open as if she wanted to say something.

"You...what do you do you?"

"I'm also really weird. How can you feel confident that my Mark brother likes you?"

"Your skin is not as white as mine, your chest is not as big as mine, and you can't grow well. Your legs are not as straight as mine, and your buttocks are not upturned."

"Cute, coquettish, simple and kind-hearted, you don't account for everything."

"Compared to me, you are nothing at all."

"Even if Brother Mark likes me, he also likes me."

"As for you, you don't deserve it at all."

"You and my Mark brother, those are people from two worlds, how can you covet it?"

"I advise you, it's better to die this heart and stop pestering my Mark brother."

"Otherwise, I will order the army of beasts to destroy your family!"

An Qi stood on the boulder, and Chong Lu Yan couldn't help roaring at night. Words and sentences were like violent storms and rain, and Lu Yanxi was submerged in an instant.

Mark had already stayed at that time.

Mike Jones stayed too!

To be precise, all the people present stayed there.

Everyone was stunned in the same place, looking at the little girl in front of her who was extremely combative.

Before that, who could have thought of how terrifying “combat power” would burst out from a seemingly petite and weak little girl at this time.

After a few words, words were like swords, and every sentence was like a sword, almost cutting Lu Yanxi a thousand swords.

“Women are terrible, and no matter how big or small.”

Mark stayed on the spot, looking at the “terrible” little girl in front, his eyes twitched, secretly startled.

Chapter 2555

“This this..”

“Is this my sister?”

Mike Jones was also astonished, looking at his sister like a stranger.

At this time Mike Jones suddenly realized that after only a few days, he didn’t even know his sister.

Lu Yanxi’s face was undoubtedly extremely ugly after being so refuted by a little girl, red and white, and she felt that she was very faceless.

“Where’s the dead girl?”

“I’m talking to Mark, do you want to interrupt?”

Annoyed into anger, Lu Yanxi actually shot An Qi directly.

With a stern palm, he smashed towards An Qi.

“not good!”

“Sister, go back!”

Mike Jones was shocked and exclaimed anxiously.

Bang~

Then, there was a low, dull sound.

Immediately afterwards, Lu Yanxi snorted, and her delicate body fell into the distance like a broken kite.

At the corner of his mouth, a few bloodshot eyes appeared.

At the same time, Mark's previously raised arm was also lowered.

"Mark, are you hitting me?"

"For her, you hit me?"

Lu Yanxi raised her pretty face and looked at Mark with grievances in her eyes.

Between the eyebrows, there was resentment, and incredible.

Mark's expression was cold and expressionless. He looked down at Lu Yanxi condescendingly, and his cold voice immediately sounded: "I said, don't take yourself too seriously."

"In my eyes, you are the same as the dust under my feet."

"No matter how self-willed, don't blame me for not thinking about the old relationship with your father!"

Mark seemed to have no patience anymore, and his tone was full of displeasure.

Mark had a bad impression of Lu Yanxi, this kind of snobbish woman has always been Mark's respect.

On the contrary, An Qi's simple and lively temperament made Mark admire it very much.

Now that Lu Yanxi was so embarrassed and angry that he used a big bully to attack a little girl, Mark would naturally not sit idly by.

It was Mark's great kindness if he didn't kill her.

"Yan Xi, are you okay?"

"Where is it hurt?"

At this time, both Kong Ming and Lu Hua, who were not far away, both ran over.

Lu Hua lifted Lu Yanxi from the ground, then raised his head and stared at Mark.

“Mark, you are so cruel.”

“Yan Xi, a girl, are you embarrassed to do something with her?”

“How to say, she is also your comrade-in-arms, your fellow hot summer.”

“Don’t forget, we are in a team, we are all ordered by the Martial God Temple to hunt for treasure together.”

“But what about you?”

“Now regardless of the friendship of the compatriots, for the sake of a foreigner, hurt his companions!”

“Aren’t you afraid of returning to Vietnam in the future and being sanctioned by the Martial God Temple?”

Lu Hua’s eyebrows were gloomy, and he yelled at Mark.

“Mark, what are you doing in a daze?”

“Hurry up and get three or five Dollar Lingguo and apologize to Yan Xi.”

“If this is the case, we can help you conceal what you hurt your partner.”

Lu Hua stared.

“Thirty-five Dollar Lingguo?” Mark was taken aback for a moment, and asked rhetorically.

“Why, are our demands too much?”

“You gave three to a foreigner. We are in the same team. We are all your comrades in arms. We are your companions. One person is divided into two Yuanlingguo. Shouldn’t we?”

“Could it be that you still want to swallow these elementary spirit fruits by yourself?”

Lu Huayi spoke righteously, as it should be.

“Yes, Mark.”

“Lu Hua is right. We are all comrades-in-arms. There is no credit and hard work.”
