I'm Sorry My Love Novel Alternative

Chapter 2556

Was asked by Christopher, the girl suddenly burst into tears.

"If you want to go back, just go back. After all, it's your own mother, and you can't be angry with your own mother. For some things, just talk about it." Christopher then comforted him.

He and Galia were educated from childhood to be kind and filial to their sons.

The two brothers and sisters have always been filial and obedient to their parents.

Even if Galia ran away from home this time, it was because of her disappointment with the Shu family, not her parents.

Therefore, when Christopher saw this kind of breakup between his biological mother and his biological daughter, he was not quite used to it.

Subconsciously, he still felt that it would be best if the mother and daughter could reconcile.

But I heard a miserable sigh from the girl: "No, I will never go back to that house again."

Christopher: "..."

"By the way, where will you take me? You Is it a human trafficker? Or is it really a construction worker? It doesn't matter what you are, I accept fate." The girl looked like she didn't care about life. Remember that

Christopher said sadly: "There are so many bad people in this world, don't ask me who I am, I'll find you a place to live first."

He helped the girl to the road, and then called The phone called for an online car-hailing car, and the car-hailing car arrived at this place half an hour later.

"Send us to the medical center in the city first." Christopher said.

The car-hailing service took Christopher and the girl to the hospital as scheduled.

The doctor bandaged the girl, and after applying medicine, Christopher took the girl to the best hotel in the county to make arrangements for her.

The girl was stunned when she saw the hotel: "You...how do you live in such a good place?"

Christopher: "What's wrong? I'm afraid I'm a bad person?" The

girl shook her head: "What does it matter, even if You kill me now, it's okay, I've lived enough anyway."

Christopher sighed and comforted her: "Don't be so negative, although I don't know what happened between you and your mother, but I know you It must be extremely sad.

But girl, let me tell you, in this world, many people have extremely sad things.

It may be more sad than you.

But they are all living well.

You are so young, there is still a long way to go in the future, before No matter how difficult it is, don't you come here? In the future, it will slowly get better."

"Will it be?" the girl asked.

Christopher smiled: "When you meet me, I promise you will get better."

He saw that the girl had hands and feet, spoke clearly, and when she was in danger, he knew how to push him as an outsider to safety as much as possible. The girl's character should not be so bad, right?

As long as he takes her to Nancheng, settles her in a place, and then arranges a job, this is a normal thing. After settling in Nancheng, and then talking about a boyfriend, the future life will definitely get better and better. what. "

This is a guarantee that Christopher couldn't do before.

Now, with his status in the Fu Group, he can guarantee a job for a girl.

"Thank you. "The girl's tone was obviously brighter.

"Well... between you, what happened?" Christopher is not a curious woman, he just thinks that this matter can be solved after all, and only then can he bring the girl to Nancheng go.

Hearing Christopher's question about her, the smile on the girl's face disappeared again, she bit her lip and said, "My family was originally poor..."

Just after saying these words, Yan Wide's cell phone rang.

Chapter 2557

He raised his hand to signal the girl to pause first, then picked up the phone to connect: "Hey, Xiao Song, what, is there any What's the situation?"

An eager voice came from the other end of the phone: "Mr. Yan, I'm in the next county town now, in a valley that is more remote than yours. I heard that there are many... "

Wait for me there! No matter if there is Galia in that mountain village, I have to come personally. If I meet my sister, I have to take my sister away even if I try my best, Xiao Song, wait." I, I will come as soon as possible!" Christopher said very eagerly.

After taking the line, he began to wear a suit.

"What happened?" the girl asked.

"I'm sorry, you are staying at the hotel now. I have something to do, and I may not be back today." Christopher said to the girl in a hurry.

Girl: "Are you looking for your relatives?"

Christopher: "Not much to say, take care of your injuries, I'll go first." The girl grabbed Christopher's arm: "Brother..."

She Call him "brother".

Christopher's heart suddenly warmed.

"This generation, I am familiar with the nearby county towns and valleys. If you are looking for your sister, I may be able to help you. The wound on my head is fine, it is all skin trauma. I will follow you, and I can endure hardship. , I'll be fine, maybe at a critical moment, I can help a lot?" The girl said sincerely.

Christopher thought for a while, then nodded: "Alright! Let's go!"

He was already wearing his suit, but when he thought about the fear of traveling through mountains and rivers, he took off his suit and changed into a work attire. He originally wanted to lighten his beard when he came back. .

But Christopher didn't care about that.

On the contrary, I feel that it is easier for migrant workers to go unnoticed when they dress like this.

The two drove to Linxian, parked the car at the bottom of the mountain where they could not drive in, followed the route Xiao Song said on the phone, and walked towards the ravine step by step. Christopher was really not there. Row.

Fortunately, there was a girl following her, even though it was already dusk, the girl wasn't lost in her direction or anything.

Following the girl, Christopher quickly found Xiao Song who was lying high above.

"How about Xiao Song?" Christopher asked.

"Yan..." Xiao Song was about to report, but Christopher stopped him.

"Call me brother." Christopher said.

"Brother." Xiao Song continued: "Many bachelors in this village are looking for their daughter-in-law, all of them are cheated. I have been watching here for two days, and I found that there is a young mother in the village who is often holding two children, the children are not big, at most one year old, and their body shape and height are very similar to Miss Galia.

But I have not seen Miss Galia very much. Besides, I am far away. I can't see clearly, and now I'm not sure if she is."

"I see. Xiao Song, if you are like this, go back to the hotel and wait for orders. If I need anything from my side, you can call the police immediately. Everyone is here, if something happens, we can't protect each other from end to end." Christopher said calmly.

"Okay!" Xiao Song took his life and went back.

On the high hill in the valley, only Christopher and the girl who came with him were left.

The two lay quietly on the high hill for more than an hour, and they really paid off. Before it got dark, the young mother Xiao Song mentioned appeared in Christopher's line of sight.

It's a pity that although the young mother is holding two children, she is not Galia.

Christopher got down from the Gaogang in great frustration, and walked out with a deep foot and a shallow foot.

The sky was completely dark, and the two of them could only rely on their mobile phones for lighting. There were all kinds of economic weeds under their feet. Christopher was in a bad mood and was anxious to walk.

While walking, he suddenly said, "Oh, I was bitten by something."

Hearing this, the girl behind him suddenly said, "It's a poisonous snake!"
