## Chapter 2584

Otherwise, it will inevitably become the target of public criticism, and will be watched by the strong from all quarters.

Whenever you will be given a handful of yin.

But it is a pity that Mark is not a normal person, and naturally cannot be treated with common sense.

Of course, these are all things to do.

After listening to the advice of his subordinates, Mike Jones nodded with deep conviction.

“Well, you are right.”

“After all, I’m not afraid of ten thousand, just in case.”

“Take Angie.”

“Maybe it will come in handy.”

“Okay~ Thank you, brother, I love my brother.” After seeing Mike Jones nodded and agreed, An Qi almost jumped from the ground excitedly, wishing to rush into his brother’s arms to express her satisfaction. joy.

“You girl, you’ve been crazy and abnormal since you were young.”

“Isn’t it just looking for a treasure? See you with excitement~”

Mike Jones was a little helpless, shaking his head and smiling.

However, how did they know that An Qi was excited, not because of the excitement of the treasure hunt, but because she might have seen her Mark brother again.

Others thought that Mark had already returned home full of treasures, but An Qi didn’t think so.

With her understanding of Mark, he would never let go of any chance to find treasures.

When Mike Jones and the others were heading toward the depths of the dense forest, there was a figure standing majestically beside the stream not far away.

This person has a solemn expression, and in his indifferent eyes, there is a kind of majesty that cannot be offended.

He stood there, like a ten thousand mountains, lying here.

At his feet, there were several injured people who bowed down sincerely.

If Lv Hua and others were here, they would definitely recognize that these people who kneeled down in the most humble posture were the powerful Indians such as Renault who had been severely injured by Mark before.

“You mean, a Yanxia person named Mark slaughtered you and took away most of the Primordial Spirit Fruit?”

“It’s just that I never heard that there is a master surnamed Ye in Yanxia?”

Below the sky, this person frowned, with some doubts between his brows.

“Wang, it’s true.”

“It’s true!”

“If it weren’t for him to be the stalker, this time the Dollar Lingguo would have been included in the bag.”

“Moreover, two of our Indians were also killed on the spot by him.”

“If it weren’t for our blessings and fate, it is estimated that this time our Indian martial arts will be destroyed by this group.

“Please also Wang, help us get revenge~”

“Kill him and take back the Dollar Ling Guo.”

At his feet, Lei Luo and others were full of misery, kneeling down and begging.

In the words, there are full of resentment towards Mark.

In front of them, the man just nodded.

“Well, Mark, right?”

“I remember.”

“If there is a chance, I will deal with this person.”

“However, before that, I have more important things to do.”

“As for you, a group of inadequate trash, let’s go back to India first.”

“Wang, then you must kill Mark as soon as possible. Otherwise, waiting for him to leave America and return to the hot summer will undoubtedly be a confession of the tiger and return to the mountains. In the future, he

will become a confidant of the martial arts of India. , Is undoubtedly another titled master. Taking advantage of his fledgling, you quickly get rid of him~” Hearing that the man in front of him didn’t seem to care too much about Mark, Lei Luo suddenly shouted anxiously.

“Huh?” The man frowned, his face immediately cold, just as cold as ice, “Are you teaching me to do things?”

## Chapter 2585

Huh~

The words are cold, and the world is here in an instant, and a huge wave is set off.

The majesty and majesty contained in those words, for Leiluo and others, if Tarzan was on the top, it was so heavy that Leiluo and others were almost out of breath.

Panicked, Leiluo and the others immediately bowed down and explained: “No...no, king, you misunderstood.”

“You are the leader of our Indian martial arts, in front of you, I am Lei Luo but ants motes, insignificant, how dare to teach you to do?”

“It’s a villain who talks a lot, I damn, I made a mistake, please forgive me~”

Leiluo was obviously terrified, and his whole body was almost lost.

Kneeling on the ground, he slapped himself and explained as if for mercy.

The man was expressionless, with indifferent eyes, still looking down at Lei Luo and others at his feet.

Boom~

However, at this moment, the energy fluctuation from the island in the heart of the lake finally reached here.

In an instant, strong winds were everywhere here, and the rich and pure power of heaven and earth swept from the depths of the dense forest, and then whizzed past.

The robes of the men were all hunting.

After feeling this pure power, Leiluo everyone was shocked.

The fear on the old face dissipated, replaced by doubt and curiosity.

“This...”

“What a strong power?”

“what’s happening?”

“Could it be that another Yuanling fruit tree was born?”

Lei Luo yelled in surprise.

Next to him, the majestic man’s eyebrows also sank.

He turned his head and looked in the direction from which this force was coming. At the corner of his mouth, an arc slowly bloomed.

“Finally, did it appear?”

“It seems that the information of the Persian king is not wrong.”

The man was talking to himself, and there was an inexplicable excitement and joy in his eyebrows.

It is like, the greedy hungry wolf, after searching for a long time, finally found the prey.

This energy storm is coming quickly, and it’s also quickly dissipating.

After just a few seconds, the place was calm again.

However, it doesn’t matter, as long as you rush in the direction where the power is coming from, you will inevitably find suspiciousness when you get closer.

As long as the treasures of heaven, material and earth, the spiritual power contained in it is extremely rich.

You can feel it when you get close.

At this time, the man once again set his sights on Lei Luo and them.

“A group of incompetent things, don’t you want to get out of the way for this king?”

“I have delayed this king’s major event, what can you afford to do?”

Now what he had been searching for for many days finally appeared. The man naturally didn’t want to waste time on these wastes, and immediately gave a low drink and let them roll away.

Naturally, Lei Luo and the others did not dare to complain, and without saying anything, they crawled around immediately to make way for the man in front of them.

The man stopped lingering, and hurried away in the direction that the force came from.

However, before taking a few steps, the man’s pace stopped suddenly.

He didn’t turn around and turned his back to them.

Upon seeing this, Leiluo and others knelt there again, waiting for the man’s instructions.

“In the future, you will remember that compared to the title “king”, I prefer others to call me the King of Heaven.”

The deep words, like a cold wind, swept through the dense forest from here.

Lei Luo and others heard this and quickly nodded their heads and agreed.

“Yes, Heavenly King, we all remember it.”

Leiluo and the others were still kneeling on the ground, and their words were full of fear and respect.

At this time, the man had already gone.
