

# Chapter 2590– 2591 of A Dish Best Served Cold Novel

## Chapter 2590

I had only known each other for a few days, but the figure of that young man was so deeply imprinted in An Qi's heart that she was so eager to meet Mark again.

“We are going to do it!”

“Hide away~”

“Otherwise, at your own risk!”

At the foot of the mountain ahead, an old man's low voice came.

Then, the powerful people of several countries all made moves, and the majestic strength gathered into a stream, just like this with a strong and heavy force, and slammed into the mountains in front of them.

Boom~

Amidst the deep roar, the rocks burst into pieces, the earth trembled, and boundless sands rose into the sky.

Everyone saw that all the rocks piled up like a mountain burst.

“Haha~”

“Success!”

“The rocks are all broken~”

Among the crowd, someone shouted in surprise.

At this time, everyone was still looking ahead nervously, because no one knew what was behind the pile of rocks.

In the short wait, the dust from the sky slowly fell, and the mouth of a black hole appeared in front of everyone.

And in the entrance of the cave, the pure power of heaven and earth trickled, still spilling out.

Everyone saw the scene before them, but they were all pleasantly surprised.

“It’s a cave~”

“It’s a cave!!”

“I see, the spirit ape outside must be the patron saint who guards this cave.”

“Before it died, it sealed the hole, just to protect the treasures inside.”

“Yes, there must be a treasure in it!”

....

“Brother, let’s rush in~”

“Be the first to get that treasure.”

.....

“Only you?”

“Think beautiful!”

....

With the appearance of this cave, the loose alliance just now undoubtedly collapsed immediately.

After that, the powerful from various countries showed their powers and rushed to the cave.

“Go, let’s go in too!”

Kong Ming shouted, and led Lu Hua and Lu Yanxi to rush up.

After Mike Jones was naturally unwilling, he led the Truman powerhouse to jump.

“Those who don’t want to die, get out of here!”

“Today this treasure is collected by Truman.”

At the foot of the mountain, Mike Jones yelled arrogantly, and the words were full of pride and relief.

Now that Mark is not there, the team with the strongest overall strength is their Truman team.

Therefore, Mike Jones has full confidence and can put the treasure in his bag.

“Oh, is it so?”

“Master Jones, don’t you think it’s too early to say this?”

However, just when everyone was vying to rush into the cave to hunt for treasure, suddenly, a playful laughter quietly sounded in this world.

Everyone was stunned when they heard the words.

Because this sound seemed to come from the cave.

“Could it be that there are people in this cave?”

Everyone was suddenly surprised.

The pace of everyone’s advancement came to an abrupt end.

The gazes of countless people turned all over, all looking towards the cave.

At first, what sounded in everyone’s ears was a low sound of footsteps.

Afterwards, vaguely, everyone could see a vague figure, coming slowly from the endless darkness.

Until, completely appeared in front of everyone.

At the moment of seeing this person, everyone present trembled.

Lu Yan was still at the same place, Kong Ming’s eyes widened, Lu Hua’s eyes were panicked, and Mike Jones was even more horrified.

“Yes... is it you?!!!”

“Well, it’s me.”

A faint laughter rang quietly.

At this moment, a thin figure, standing at the junction of light and darkness, stood with his hands holding hands, smiling proudly.

## Chapter 2591

“Damn, it’s you again?”

“Why haven’t you left?”

Seeing Mark also appeared here, Mike Jones was almost crazy, his old eyes almost bleeding.

The previous Yuanling fruit tree was caused by the appearance of this young man in front of him.

Not only was one of the great masters under his command killed, but the soul fruit he was determined to obtain almost all fell into the hands of this Mark.

But although Mike Jones was angry, due to Mark’s strength, he could only smash his teeth and swallow in his belly.

Nowadays, it was finally met with another chance, but Mike Jones never dreamed that he would meet this guy again.

“how?”

“I’m not leaving, do you have a great opinion?”

Standing at the entrance of the cave, Mark looked at Mike Jones condescendingly, but his slight smile contained endless chill.

Mike Jones’ mouth was twitched at the time, and the cruel words that had reached his mouth immediately swallowed again.

The majesty of his wealthy young master has also been reduced a lot.

After all, Mike Jones had seen Mark’s majesty. This guy is not a friendly character.

Mike Jones had no doubt that if he irritated him, this guy might not even have to kill himself.

“No objections, how can there be opinions?”

“You are my sister’s friend, and naturally my friend.”

“I can still meet it here, I am too happy to have time, naturally there is no opinion.”

Mike Jones is by no means an arrogant and stupid person. After seeing the situation in front of him clearly, he began to talk nicely to Mark.

Now in this form, powerful people like Mark can never become enemies even if they are not friends.

And when Mike Jones said this, his sister An Qi ran over long ago, wishing to plunge her head into Mark's arms.

"Brother Mark, I knew you would be here."

"Hey~"

"Unexpectedly, we met again so soon~"

It was only a few days after separation, but to An Qi, it seemed like she hadn't seen it for many years.

At this time, after seeing Mark, he jumped and jumped around Mark with joy, looking happy, just like a sparrow in June.

He kept smirking at Mark.

"Yeah, we met again."

Mark smiled back, touching An Qi's little head, and smiling dozingly.

It's just that, seeing the two people so close, there are people down there who are unhappy.

"Are you trash?"

"So many people can't even look at a child?"

Mike Jones had a dark face, lowered his voice and yelled at the men behind him.

Mark killed the elders of Trumen, and he would be an enemy of Trumen in the future.

Now that he greeted Mark with a smile, he was forced to act every time.

Therefore, he naturally didn't want his sister to walk too close to Mark.

In order not to get deeper and deeper in the future and be implicated by it again.

On the other side, Lu Hua and their faces are definitely not pretty.

"Damn it!"

"Why are we so unlucky and met this bastard again?"

"He got so many spiritual fruits, isn't he still satisfied?"

"You actually touched here again?"

Looking at Mark, Lu Hua clenched his hand and said viciously, with resentment and viciousness in his eyebrows.

In the presence, the person who hated Mark the most was probably he.

On the side, Lu Yanxi had a completely different emotion.
