

## Chapter 2591

Charlie now has sufficient funds in his hand, and there is also a money printing machine that is constantly making money, JX Pharmaceutical, so it is really not difficult for him to start ocean transportation.

Whether it is setting up a company, docking a dock, or leasing a freighter, there is no problem with funding.

However, the most critical issue is that if you want to start such a large piece of new business, you must have someone with sufficient ability to take care of it.

The first thing Charlie thought of was Doris.

Needless to say, Doris's ability and his character is absolutely trustworthy.

However, the only problem is that Doris still has to manage the Emgrand Group. If she is asked to take the lead for ocean transportation at the same time, she may be lacking.

After thinking for a moment, Charlie decided to wait for Doris to come back from Hong Kong and talk to her first to see if she had any good ideas, or if she knew other talents who were good at management.

Therefore, he said to everyone, "Thank you for your suggestions. I will carefully consider the ocean shipping."

Ito Takehiko hurriedly said, "If Mr. Wade wants to do it, I will definitely support!"

Warnia also said without hesitation: "Master, I am also willing to support you unconditionally!"

Qin Gang hurriedly said, "Master, and me! When I go back tonight, I will call Tailai. He is deeply rooted in Haicheng, and it seems that he has also taken a stake in the port of Haicheng. If you choose Haicheng, with his assistance, you will be able to get twice the result with half the effort!"

Charlie nodded and said, "Alright, you can help me ask about Tailai's situation. After I go back, I will give it a comprehensive consideration."

Qin Gang quickly agreed, "OK, Master Wade!"

Just as Charlie was at the dinner table and was tempted by ocean transportation, in the other city nearby, at the lakeside villa, Su's were also eating, and suddenly received a tip.

After listening to the newsletter, he immediately said to Zynn with a dark face, "Zynn, I just got the message that Ito Takehiko of the Ito family has gone to Aurous Hill!"

"What?!" Zynn exclaimed, "Dad, how come Ito Takehiko went to Aurous Hill? The Ito family doesn't seem to have any business in Aurous Hill."

The old man Chengfeng said solemnly, "Although I don't know what business the Ito family has in Aurous Hill, I think things are not simple this time, because a bear is like his sister, and his loyalty All of his subordinates chose to stay at Shangri-La in Aurous Hill!"

"Shangri-La?!" Zynn blurted out, "Isn't that the Wade family's property?"

## Chapter 2592

“Yes!” Chengfeng Su gritted his teeth and said: “Aurous Hill was originally in the Wade family’s sphere of influence, belonging to the Wade family’s territory. Suddenly Ito Takehiko went to Aurous Hill. It is very strange in itself. He chose to stay at the Wade family hotel. It’s even more dangerous.”

Zynn hurriedly asked, “Dad, are you worried that the Ito family will cooperate with the Wade family?”

“Yes.” Chengfeng said earnestly: “At present, our ocean shipping industry has been suspended across the board. For a while, the entire industry is in turmoil. On the one hand, because of our suspension, there is a huge gap in the demand for international shipping that could not be met. Not counting the increase. On the other hand, the rented ships in our hands will be released to the shipowners. Once released to the shipowners, these ships will become the items that other families and businesses compete with each other for. Among them, the threat is the greatest, it is from the Wade Family!”

Zynn pondered for a moment, and said, “Dad, if Wade’s and the Ito family get on the line, it will be too bad for us! Maybe the Wade family will completely overtake the Su family because of this opportunity!”

Chengfeng hummed, and said gloomily, “So right now there are several tasks that you need to solve urgently.”

Zynn hurriedly stood up and said, “Dad, if there is anything I need to do, please tell me.”

Chengfeng said: “I want you to go to Aurous Hill. First find out what Ito’s motivation for going to Aurous Hill is, and then find a way to establish contact with Ito, and then strive for cooperation with the Ito family. You can also drive higher. First, let the Ito family give up the cooperation with the Wade family, and then slowly establish the cooperation with them. This time we don’t know how long it will punish us. We must prepare for both! “

Zynn hurriedly said, “Dad, if I also go to Aurous Hill, then there will be no one to take care of you in Suzhou. I don’t know if you are in Aurous Hill now, you can’t get away for a while.”

“Don’t worry about me.” Chengfeng said lightly: “No one knows that I am in Suzhou. If they scold me outside, they can’t do anything with me. So you should hurry up and get things done with the Ito family! Even if you can’t talk to Ito. Once the family has reached cooperation, we must not let them hold hands with the Wade family. Once they get together, then we will be in big trouble!”

In Chengfeng’s eyes, the Wade Family had always been his mortal enemy.

The Su Family and the Wade Family are like two bullies in the village. In terms of combat effectiveness, the Su Family is slightly stronger than the Wade Family. However, if the two parties really fight, the Su Family cannot easily win. Therefore, there has been no real major conflict between the two sides.

Now, the Su family accidentally slapped the foot, and the injury will not recover for a while, so the combat effectiveness is a bit weaker than the Wade family, which means that the situation of the two sides has changed, but neither side dares. Fight to the death with each other.

However, at this time the bully in the next village went to the Wade family as a guest. What the Su family was most worried about now was that the Wade family and the bully in the next village would unite to deal with him. If that were the case, the Su family would have little power to resist.

Zynn said at this time, "Dad, if they both reach a consensus, then their next cooperation will be determined. It is difficult for us to influence their choice!"

Chengfeng said indifferently: "It doesn't matter if they can't control their choice. The big deal is to find a way to kill Ito Takehiko in Aurous Hill and then throw the pot to the Wade family. Think about how the Matsumoto family did it? They just wanted to kill Zhifei and Zhiyu, and then throw the pot to the Ito family?"

Zynn hesitated and said, "Dad, we have already encountered a lot of problems now. Ruoli, Zhiyu, and Liona are all targets of the outside world against the Su family. If we continue to engage in this kind of action, in case if it is really exposed, the consequences would be disastrous and unthinkable!"

Chengfeng said coldly: "Unthinkable? Let me tell you what is unthinkable! Once the Wade family and the Ito family have reached a cooperation, they will definitely take this opportunity to expand rapidly in the field of ocean transportation. It is likely to be in a few months. Destroy all our foundations. If we lose this business, our strength will be a bit lower than that of the Wade Family. If we lose this business and are picked up by the Wade Family, then this is the case. , We will be more inferior than them!"

With that said, Chengfeng said with a cold expression: "In any case, we can't throw away the big cake of ocean transportation! Take a 10,000 step back and say, even if Chengfeng can't eat this bowl of rice, I must smash this Wade family's rice bowl. Now! I can't eat this bowl of rice, anyone else can eat it, but the Wade family."

### **Chapter 2593**

When Charlie finished the banquet and left from the Song family, Zynn had already started to set off for Aurous Hill.

In order to be able to get in touch with Takehiko Ito as soon as possible, he specially arranged for his staff to book a hotel room in Shangri-La with other identities.

He also knew very well that Shangri-La was the property of the Wade family, so he not only couldn't let the Wade family know that he was staying at Shangri-La, but he couldn't even let them know that he was going to Aurous Hill.

According to his plan, after he has booked the room, checked in, and received the room card, he will wait near the Shangri-La Hotel. When he arrives, give him the room card, and he can skip the check-in link and enter directly into the hotel room.

Although the hotel clearly requires the real-name system at the moment, the real-name system can only be implemented to the opener.

And the higher the level of the hotel, the more attention is paid to the user's feelings and s3x. As long as the guests entering and leaving are dressed decently, there will be basically no staff to verify his identity.

Charlie didn't know that Zynn was on his way to Aurous Hill.

He drove away from the Song's house and called the old father-in-law Jacob on the road. As soon as the phone was connected, he asked, "Dad, I'm done here, what about you? If you are over, I will pick you up."

Jacob gasped and said, "Charlie, I...I'm almost exhausted...You hurry up and save me..."

Charlie asked in surprise, "Dad, what's the matter with you?"

Jacob's voice said in despair, "Don't mention it, I was pulled out for a run by your Aunt, and my leg is about to break..."

When Charlie heard this, he couldn't help laughing.

Meiqing was sick and suddenly took Jacob out for a run, which seemed to be due to excessive physical strength and energy.

From this point of view, the dose of this rejuvenating pill is still a bit large.

Immediately, he smiled and asked Jacob, "Dad, where are you running? Send me the location. I will pick you up."

Jacob hurriedly said, "Wait a minute, I will send you the position!"

After speaking, Jacob hurriedly ended the call and sent Charlie a location on WeChat.

Immediately afterwards, another text message was sent: "Good son-in-law, come on, my leg is about to break!"

Charlie replied and drove to the location.

At this moment, Jacob was sitting on the curb on the side of the road, sweating profusely all over his body.

He really did not expect to dream today. He wanted to take advantage of Meiqing's illness to brew the atmosphere, and the sound of a wave would still be there, but who would have thought that he would be dragged by Meiqing and ran on the riverside all night.

And Meiqing's physical strength is surprisingly good, it seems that she is not tired from running, but her old body has such a foundation, and after half an hour of running, he almost lost half his life when tired.

He wanted to give up a long time ago, but because he didn't want Meiqing to look down on him, he had to grit his teeth and persist. However, even if he tried his best, he still lags behind her a lot, so she could only run out by herself for a while and then turn back. Jog with Jacob for a while, then run out, and so on.

Jacob ran away crying without tears.

Now he, let alone trying to find a way to keep the sound of the waves with Meiqing, even if Meiqing took the initiative to ask, he is fundamentally powerless, just want to go home quickly and lie down.

Charlie drove quickly to the location. When he saw Jacob, Meiqing was standing beside Jacob, waving at him vigorously to signal him to continue running, while Jacob was sitting on the road gutter with pain on his face. Waved his hands again and again.

**Chapter 2594**

Charlie pulled over and stopped the car. When Jacob saw him, it was as if he had seen a savior, his eyes gleaming.

However, he still deliberately did not speak to Charlie immediately.

When Meiqing saw Charlie, she smiled first, "Charlie is here!"

Seeing Meiqing wearing tight-fitting sportswear, Charlie secretly exclaimed: "This Auntie is indeed the idol of middle-aged and elderly men. How does this figure, look, and temperament can be said to be of a fifty-year-old?"

If she is thirty years old, most people will believe it.

Immediately, Charlie nodded and smiled at Meiqing, and said, "Hello, Aunt."

After speaking, Charlie was holding back in his heart, and deliberately asked her: "Auntie, I heard Dad say that you are sick, why did you come out and run? And your complexion looks very good, not at all sick. Looks like you are even better than the last time."

Meiqing smiled and said, "I did have a high fever at first, but your dad brought me a bowl of millet porridge. I just had it!"

Charlie pretended to be surprised and asked, "Is the porridge so magical? This is the first time I have heard of it."

Meiqing smiled and said, "To be honest, I don't know the principle, but I am really well, and my body feels endless strength."

Charlie nodded and looked at Jacob, who was sitting on the floor with a flushed face and sweating profusely. He joked, "Dad, why didn't you come with a bowl of millet porridge?"

Jacob said angrily: "I want to know that millet porridge has this effect. I must have bought an extra bowl at the time."

After finishing speaking, he deliberately turned off the topic, pretending to be helpless, and asked him: "Oh, Charlie, why are you here so soon? Didn't I say that you waited half an hour to pick me up? I still have to Run with your Aunt."

Charlie was a little bit astonished at first when he heard the words of Mr. Athlete but soon recovered.

Presumably, the old man was afraid of losing face in front of Meiqing, so he said this deliberately, acting as if he was not in a hurry to escape.

So Charlie smiled and said, "My side ended early, so I came here first. If you haven't run enough, you will continue to run for a while. I'll be waiting for you."

As soon as Jacob heard this, he waved his hand quickly: "If you don't run away, you won't run away. It's so late. I'm sorry to keep you waiting for me."

Charlie smiled and said, "Waiting! I don't have any serious business all day long. You don't know. Besides, Claire has a meeting in the Emgrand Group today. I am not in a hurry to go back."

Jacob gave Charlie a faintly white look and said in his heart: "It's because I call you my son-in-law every day. At this time, you don't know how to find me a step-down, and you deliberately demolish my platform."

Thinking about it, he couldn't help sighing, and said, "Oh, just remembering, I made an appointment with an old man to pick up something from his house in the evening. It was too late, or let's go there first."

After speaking, he looked at Meiqing and said apologetically, "Meiqing, why don't I come here today and I will run with you when the sky gets down?"

Meiqing smiled and nodded, and said, "Okay, it's not too early, you and Charlie will go back. It is so hard for you to come and take care of me so far, and you have been running with me for so long."

Jacob wanted to cry without tears in his heart, but he smiled and said, "These are all trivial things, or you can go with us and let Charlie send you home."

Meiqing thought for a while, nodded, and said, "Okay, it's not interesting to run by myself, so please trouble Charlie to drop me."

Charlie smiled and said, "Auntie, you are too polite. Get in the car."

Jacob immediately opened the rear door for Meiqing diligently. When Meiqing was about to board the car, someone suddenly shouted in surprise, "Meiqing! Why are you here?!"

## **Chapter 2595**

The trio followed their reputations and found a muscular middle-aged man wearing sports shorts and short sleeves, trotting all the way to the front.

Charlie couldn't help but look at this middle-aged man. The opponent was almost 1.8 meters tall, had a very well-proportioned figure, and had muscle lines all over his body. He looked only in his early forties.

Moreover, the other party is on such a cold day and wears so little to run, and he knows that his physical fitness is very good.

What's more rare is that this man is very handsome and has thick short hair, which is really stylish.

When Jacob saw this man, he immediately became vigilant, looking at him up and down, but he couldn't help feeling a little inferior.

Compared with this man, Jacob is an ordinary fifty-year-old middle-aged man. He usually does not exercise, let alone fitness, and has no systematic diet and exercise habits. His energy and spirit are far behind.

Meiqing was also surprised at this time and said, "Oh, Mr. Watt, why are you here?"

The middle-aged man known as Mr. Watt smiled slightly and said, "Didn't you come out for a run? I didn't expect to meet you here."

The more Jacob looked at the other's spirit, the more jealous he became, and couldn't help asking, "Meiqing, who is this?"

Meiqing hurriedly introduced: "Jacob, this is my colleague at the University for the Elderly, Mr. Watt, Pollard Watt. Mr. Watt used to be a professor of economics and management at MIT. He also recently returned to China and served as an associate at the School of Economics and Management of Aurous Hill University of Finance and Economics. The dean is also a visiting professor at a senior university."

When Charlie heard Aurous Hill University of Finance and Economics, he couldn't help but think to himself: "Isn't this the school Aoxue attended?"

After speaking, she said to Pollard Watt: "Mr. Watt, this is my former university classmate Jacob, next to him, his son-in-law Charlie."

Jacob asked subconsciously, "MIT? What MIT?"

At this time, Pollard Watt took the initiative to explain to Jacob: "Gentleman, MIT is the abbreviation of Massachusetts Institute of Technology, which is a university in the United States."

Jacob's expression immediately became extremely embarrassed.

Massachusetts Institute of Technology is ranked among the top three universities in the world. Jacob is also a university student, and of course, he has heard of it.

However, he did not know that the abbreviation of Massachusetts Institute of Technology is MIT, so he suddenly showed his timidity.

Looking at this man again, Jacob feels even more inferior: "He's a professor at the Massachusetts Institute of Technology. To be able to be a professor at MIT, he must have at least a Ph.D. degree? And I, just graduated from Zhongshan University. , The rank is one hundred and eight thousand miles worse than that of him, and he looks young with a tendon, sh!t, standing face to face with him, acting as if I were his second uncle... ."

Seeing that Jacob hadn't spoken for a while, Pollard smiled and asked, "Hello, Mr. Jacob, I don't know where is Mr. Jacob now?"

Meiqing on the side introduced: "Jacob is the standing director of the Calligraphy and Painting Association. Our calligraphy hobby group at the University for Seniors often interacts with them."

Pollard Watt nodded and smiled: "Unexpectedly, Mr. Jacob is still in the calligraphy and calligraphy circle. I actually like calligraphy very much. I have practiced some days before, but now I am busy with work, so I don't have time to take care of it. If I have a chance, there will be more learning from Mr. Jacob."

Jacob didn't expect that this guy's academic qualifications and background would be awesome. When he opened his mouth he was so humble, and suddenly he felt that he had lost a lot of meaning, and he said, "Oh..., There will be opportunities in the future."

After speaking, he deliberately looked down at the Rolex on his wrist and said, "Brother Watt, it's a bit late today. We have to go first, sorry."

Pollard smiled slightly: "It's okay, Mr. Jacob should be busy first if he has anything."

**Chapter 2596**

Then, he said jokingly: "By the way, Mr. Jacob looks like he should be about fifty years old?"

"Yes, fifty." Jacob nodded.

Pollard smiled and said, "Then you can't call me old brother. I am a few years older than you. This year is fifty-five."

"What?!" Jacob asked dumbfounded, "You are fifty-five this year?!"

"Yes." Pollard Watt said with a smile, "I just passed my 55th birthday in January this year, and I am considered 56 years old..."

Jacob's expression suddenly became a little ugly.

It's not anger, it's mainly inferiority complex.

He thinks Pollard Watt should be around forty-five, but he didn't expect this guy to be five years older than himself!

Pollard Watt looked at Meiqing at this time and asked her: "By the way, Meiqing, Mr. Jacob has to go first. How about you? Are you going back in a hurry? If you don't go back, let's run for a while?"

Meiqing just hadn't run to the fullest, and she felt that she was still full of energy and strength. When she heard Pollard Watt's proposal, she almost agreed without hesitation and said with a smile: "Okay, I just didn't run enough. Let's run for a while."

After that, she looked at Jacob and Charlie and smiled: "Jacob, Charlie, then I won't go back with you. Charlie, you will drive back on the road slowly."

Jacob was depressed to death and wanted to stop her, but he didn't know where to cut in.

Charlie complied and said to Meiqing, "Auntie, then we will leave first."

After speaking, Charlie gave Jacob a hand: "Dad, let's go."

Jacob was extremely bored. When Charlie returned to the car, Meiqing had already run forward with Pollard.

He looked at the backs of the two of them and said angrily, "Charlie, the grandson said he was fifty-five years old. How could a fifty-five-year-old person be so young?!"

Charlie smiled and said, "People like sports, just like Aunt. Most of the credit for keeping self so well comes from long-term unremitting sports."

Jacob smacked his lips and said with a black face: "I think this grandson is interested in your Aunt!"

Charlie casually said, "Aunt is so good, surely many men are interested in her, right?"

Jacob said anxiously, "The point is, this grandson seems to be quite good too! Professor of MIT, this title alone is already very scary, maybe he will become my biggest competitor!"

As he said, he couldn't help but gritted his teeth and cursed: "Damn, you said this group of men who have gone abroad, since they have all gone out, can't they just stay in the foreign country? Why run back so blindly?"

Charlie didn't take it seriously and said with a smile: "Young people leave home and return to the boss. After all, local people still hope that they will return to their roots in the future. Besides, when they return to China to become professors, they are also contributing to the country and at least able to cultivate talents for the motherland.

Jacob said angrily, "Then it's not a loss to the country! Especially this guy is from the United States! Your Aunt has also lived in the United States for many years. They must have many common things. What about me? I fucking have never seen anything in the United States."

### **Chapter 2597**

Thinking of the fact that he had never been to the United States, Jacob hated Elaine unconsciously.

He sat in the co-pilot and said cursingly: "I have been ruined by Elaine's stinky existence all my life. If it weren't for her, I must be a top student studying in the United States. Maybe I would also be an MIT graduate. A professor at Harvard in the United States!"

Speaking of this, he complained angrily: "What happened? The result was that he was completely locked up by Elaine, a junk stock right after he graduated from college, and has not been able to solve the problem until now!

Charlie couldn't help but be comforted: "Okay, dad, there are some things you can't just think about in the most optimistic way. You see, although your marriage is not happy now, at least you are in good health. Think about it from another angle, if you were destined in the United States to suffer a car accident, or when you arrive in the United States, you got killed in a shooting. If the mom kept you in the country, it is tantamount to saving your life in disguise."

Jacob said with a gloomy expression: "You don't fool me here anymore. When we were young, the education we received was materialism and Marxist theory. We didn't believe in fate. Back then, we sang a Soviet revolutionary song, "There was never a savior. Don't rely on the emperor, I've been sturdily destroyed in Elaine's hands in my life!"

Charlie smiled helplessly and said, "Dad, or let's talk about Pollard Watt."

Jacob hugged his arms and asked angrily, "What does he have to say? Isn't it just a higher degree, what's so great? In addition, he looks a little more handsome, a little better, and a little taller. Son, he looks a little younger than me, besides this, what else is he better than me?"

Charlie said embarrassingly, "Doesn't this take the inside and out?"

Jacob rubbed his temples: "Hey...it's a headache, hey Charlie, do you think he has a wife and children?"

Charlie thought for a while and said seriously: "A man who came out for a run at night, I think he should have no wife, but he is 55 years old, I think there must be children. According to this analysis, there should be more than one history. Marriage history, but he should be single right now."

“Damn it!” Jacob said dejectedly: “When I saw his look at your Aunt, I felt that something was wrong. This guy liked your Aunt 80% of the time, and both of them were single. They were still colleagues in the senior college. They have many years of life experience in the United States, and they both like to exercise. According to this analysis, they are the most suitable to live together. This is nothing less than damn me!”

As he said, Jacob vomited annoyedly: “You said, he was a magnificent MIT professor who came to Aurous Hill University of Finance and Economics to teach. Isn’t this sick?”

Charlie nodded and said with a smile: “He’s still a professor of economics and management at the Massachusetts Institute of Technology, with a high gold content.”

Jacob asked curiously, “Do you know the Massachusetts Institute of Technology?”

“A little bit.” Charlie said seriously: “Massachusetts are the world’s first in the past two years, but the strongest in Massachusetts is not in economics and management, but in science and engineering, electronic engineering, aerospace, etc., the best in economic management. It should be Stanford and Harvard.”

Jacob asked curiously: “How do you know so clearly? I remember that you have only been in college for one year.”

Charlie casually said, “Hurt! Haven’t eaten pork, haven’t we seen a pig run?”

In fact, when Charlie was very young, he was very eager about American universities.

It is not how much he yearns for the United States, but his mother grew up in the United States and was a high-achieving student from Stanford University.

Moreover, Stanford University is close to Silicon Valley, a famous high-tech industrial base in the United States.

Many Silicon Valley Internet giants first studied at Stanford University and then graduated to start their own businesses in Silicon Valley.

Most of the first-generation Silicon Valley entrepreneurs who graduated from Stanford in the early 1990s and worked hard in Silicon Valley were classmates of Charlie’s mother.

When Charlie was young, he often heard her mother talk about the characteristics of American universities, especially Stanford.

Charlie remembers that when she was five or six years old and followed her mother to visit relatives in the United States, she also took him to Stanford University to visit.

## **Chapter 2598**

At that time, accompanied him and his mother to visit Stanford, there were many famous people in Silicon Valley, but they were not well-known at the beginning. As for now, just mentioning any of them is like a thunderbolt internationally.

If it weren't for the accident of his parents back then, Charlie's life path would be to first go to the United States to study, and after finishing his MBA at Stanford, stay in Silicon Valley to start his own career, or return to China to help his father.

It is a pity that the car accident at the age of eight completely changed his life trajectory, and he did not even have the opportunity to finish his undergraduate degree.

Thinking of this, Charlie couldn't help feeling a little sad.

Jacob, who was on the side, was unsure. Seeing Charlie's melancholy expression, he couldn't help asking: "Charlie, what's the matter with you?"

Charlie came back to his senses, smiled slightly, and said, "I also think it's a shame not to go to a university like Stanford in the United States."

Jacob was stunned for a moment, then shook his head and said, "Charlie, I didn't see it, you are quite humorous."

Charlie smiled lightly and didn't say more.

.....

In the early hours of this night, Zynn arrived at Shangri-La in Aurous Hill.

Although coming to the room from the hotel lobby? The road was very smooth, but Zynn was still a little dissatisfied.

The reason for his dissatisfaction was that his luxurious suite was far away from the presidential suite booked by Takehiko Ito, and it was not on the same floor at all.

The presidential suite of Shangri-La is on the top floor of the entire hotel. The top floor is divided into two areas, east, and west. The east area is the presidential suite and several rooms assigned to the presidential suite, and the west area is the administrative area.

Ito Takehiko and his entourage took over the entire Eastern District, while the entire Western District was isolated by Issac. Ruoli, Zhiyu, and Liona all lived here.

Zynn's subordinates couldn't book a room on the top floor at all. They really couldn't, so they booked him a luxurious suite.

This luxurious suite is on the second top floor. This is the highest room that can be booked so far and the closest room to Ito Takehiko.

What Zynn didn't know was that his wife and two daughters were living upstairs.

But now he can't care about the whereabouts of his wife and children, because he can't wait to take the Ito family down, so as to further lay the foundation for his future inheritance of the Su family.

So, after he arrived in the room, he immediately called a conference call and pulled in his men under Eastcliff and Aurous Hill, and said coldly: "Listen well, I have two tasks for you now. First, One task is that people in Eastcliff must closely monitor the recent movements of the Wade family members to see if

any Wade family members have left Eastcliff and went to Aurous Hill recently, or if any Wade family members have been to Aurous Hill before.”

Zynn felt that to find out if Ito Takehiko came to Aurous Hill to discuss cooperation with the Wade family, the most important thing was to find out if anyone from the Wade family came to Aurous Hill to meet Ito Takehiko.

After all, Ito Takehiko is the head of the entire Ito family. Even if Ito Nanako has begun to take over the family business, his status in the family is the highest.

If the Wade Family really wants to talk to him about cooperation, at least the boss, Andrew, must come over and talk with Ito Takehiko.

Such important cooperation, even if the old man Zhongquan came here in person, it is understandable.

Immediately afterwards, he released a second task: “People on Aurous Hill must keep an eye on Ito Takehiko and find out the trajectory of Ito Takehiko’s activities in Aurous Hill, including where he has been, who he has met, and Tell me as much as possible about who they’ve talked with!”

## **Chapter 2599**

Early the next morning.

The earliest high-speed train from Suzhou slowly stopped at Aurous Hill Railway Station.

In the business cockpit, there are two people, one old and one young. These two people are Feng Shui master Dan Mai from the United States and his great-grandson Mike.

When Mike got out of the car, he stretched out his hand to support Dan and asked, “Grandpa, this time we are here in Aurous Hill, have you made a divination in advance and figured out whether it is good or bad this time?”

Mike knows his grandfather very well. He has been striving for stability for so many years, so he has long formed a habit: As long as he is traveling far, he will be good or bad divination before going out.

Dan groaned: “At three quarters to the hour today, I made a hexagram, but this time the hexagram is chaotic and disorderly, and luck and bad are half of them.”

“Each half?” Mike was surprised when he heard the result.

He has been fascinated since childhood and has also studied Feng Shui fortune. In fact, Feng Shui fortune is most afraid of calculating the result that both good and bad are divided because this result is almost no result and has no reference significance.

The reason why Fengshui luck is popular is that it can measure the focus of everything in the future.

Because most things in the world are not really divided between good and bad, there will definitely be a gap between good and bad, but some gaps are large and some are small.

For example, if a businessman wants to invest in real estate next year, a truly capable Feng Shui master will measure the success of the project for him after a field survey.

If it can be calculated that the feng shui is auspicious and the success rate is high, the boss can confidently continue to move forward;

If it can be calculated that it is due to Feng Shui deviation and low success rate, it can also make him act cautiously, and even make him avoid a big hole.

However, when people look for you, they are asking about good and bad things. You can't tell them that good and bad are equally divided. Then what is the point of asking you to do it?

Therefore, in general, divination and divination account for half of the good and bad results, and most of them are incapable and limited.

Divination equals ignorance.

However, he knew very well the great grandfather's ability, and this result might not be expected in a few decades, so he hurriedly asked: "Grandpa, if it is really mixed, does that mean everything in Aurous Hill is still unknown?"

Dan shook his head: "Everything has a pattern. The unknown reason is that I can't see through it. Therefore, I now feel more and more determined that Aurous Hill is an extraordinary place. There must be some very good people living here!"

"For us, when we visit Aurous Hill this time, we may not see the true face of Mount Lu and return without success; it is also possible to get a great opportunity; it is also possible to accidentally cause disaster..."

"As the saying goes, the blessings depend on the blessings, and the blessings fall on the blessings. Since we can't see the future trend, then we can only do our best to do our own thing if we want to get good results, and don't do anything that hurts the world. This is what the ancestors said, but do good things and don't ask about your future."

As he said, he looked at Mike, and solemnly said: "We are coming to Aurous Hill this time. You must remember to be low-key, low-key, and then low-key. When encountering obstacles, you should try your best to avoid being impatient or arguing with anyone, do you understand?"

Mike solemnly nodded and said, "Don't worry, grandpa, I will follow your instructions."

"Yeah." Dan nodded slightly.

He still knows his great-grandson very well. Although he was born in the United States, he received an education in traditional culture since he was a child. He is low-key and humble and never makes trouble.

While talking, the grandfather and grandson had already left the train station, and Mike asked, "Grandpa, where do we go for the first stop?"

Dan unswervingly said: "Go to Aurous Hill University of Finance and Economics! Regnar's son happened there. We start looking for clues from there."

"Okay!" Mike hurriedly said, "Then wait a moment, I will rent a car across the road."

“No.” Dan waved his hand, took a step forward, stopped a taxi, and asked, “Brother, how much does it cost to run this car for a day?”

The taxi driver thought for a while: “It depends on where you are going and how many roads you run. I also have to pay for gas and tolls.”

Dan smiled and said, “I will use the car in the urban area. It is estimated that one or two hundred kilometers is the most in a day.”

The taxi driver blurted out, “Then you can give two thousand!”

“Two thousand?!” Mike on the side exclaimed, “Your price is a bit too dark, right? You can’t watch us coming out of the train station, just subconsciously want to kill us!”

## **Chapter 2600**

The old taxi driver blushed, and then he hurriedly said, “How about fifteen?”

Mike still wanted to talk. Dan interrupted him at this time and said indifferently: “Just two thousand, Mike, give me money.”

Mike subconsciously said, “Grandpa, he just said a thousand and five...”

Dan said decisively: “Forgot how I told you? Two thousand, give me money.”

Mike immediately nodded, counted twenty hundred yuan bills from his wallet, and handed them over.

In fact, he is not stingy, nor can he afford two thousand yuan. It’s just that the feeling that other people obviously slaughter him makes him a little unacceptable.

However, when he thought of his grandfather’s words, let him less quarrel with others, he immediately recovered, and then willingly paid for it.

The driver happily took the money, counted it carefully, and said hurriedly, “You two, please get in the car!”

Mike helped Dan into the car, and then he went around to sit on the other side.

The driver asked as he drove in the direction of the station, “You two should be from abroad?”

Mike asked curiously, “How do you know?”

The driver smiled and said, “Whoever is fine in China still takes thousands in cash to go out. We are all on electronic payments, which is safe and easy.”

Mike nodded and said, “This is true. Domestic electronic payment is indeed very good, and it is much more advanced than foreign countries.”

The driver proudly said, “Of course, a cashless society! You see, after we implemented electronic payments, there are fewer thieves than before.”

With that said, he asked, “Where are the two going to the first stop?”

Mike said, “Go to Aurous Hill University of Finance and Economics.”

.....

Charlie has been thinking about ocean transportation from last night to now.

He also realized that this is an excellent opportunity for development, but he has never thought about who will be the trader.

Charlie has self-knowledge, he reads few books, knows little about international trade, import and export trade, and foreign exchange collection and settlement. If he is allowed to manage this project himself, he will have no way of starting.

Therefore, to enter this industry, the first task to solve is to find a suitable person.

Claire didn't know what Charlie was thinking about. After she washed, she saw that Charlie was still lying in bed in a daze when she woke up, so she couldn't help asking, "Husband, what are you thinking about in a daze early in the morning?"

Charlie came back to his senses and smiled: "I, I'm thinking about starting a business..."

"Entrepreneurship?" Claire asked in surprise, "Do you want to start a business?"

Charlie nodded and smiled: "I have this idea, but I haven't found an entry point yet."

Claire hurriedly said, "Husband, I don't think you should consider starting a business."

Charlie asked curiously: "Why?"

Claire said earnestly: "Our family is not short of money now. You usually don't make less money when you show Feng Shui to others. If I implement the Emgrand Group's project, our family's money will not be spent, so why pay? Going to work hard to start a business?"

Charlie said earnestly, "But my wife, aren't you working hard to start a business yourself?"

Claire sat down next to Charlie, held his hand, and said seriously: "Husband, starting a business is really hard, and it's the kind of bow without turning back, so I don't want you to be so hard."

As she said, Claire said with emotion: "In the past few years, you have not only taken care of me, family, and that Aunt in the orphanage, but also been under the direction of my parents and looked down upon by my parents and grandma. It has been hard enough. Now that you can finally relax, why bother to start a business?"
