

Chapter 2592– 2593 of A Dish Best Served Cold Novel

Chapter 2592

Especially after seeing the appearance of Mark and An Qi being so close, Lu Yanxi was sour in her heart, with a bit of loss and emptiness faintly.

“Perhaps, if I had treated Mark better, I didn’t have such harsh words to Mark.”

“Now standing in front of Mark and chatting with him intimately, it should be me.”

“Those Dollar Lingguo, he will also give himself a part.”

The more Lu Yanxi thought about it, the more uncomfortable she felt.

The most painful thing in life is not to ask for nothing.

Rather, something that should belong to you has been stupidly missed by yourself.

Losing something is undoubtedly more painful than not getting it.

“Ok?”

“Yan Xi?”

“What’s wrong with you, why don’t you speak?”

Seeing his own words, Lu Hua didn’t get a response for a long time, and immediately looked at Lu Yanxi in confusion.

“No...nothing.”

Only then did Lu Yanxi come back to her senses, shaking her head and talking again and again, looking absent-minded.

With the sudden appearance of Mark, the fanatical hearts of everyone fell silent for a while.

After all, Mark was guarding the entrance of the cave, and if no one took the lead, no one would dare to step forward.

Mark's fierceness, everyone present has seen it.

In the previous battle for the Dollar Lingguo, Mark smashed the master of Chumen with a few punches, and smashed several powerful Indian martial arts masters with one palm.

Those bloody lessons happened not long ago, so everyone present was almost instinctively afraid of Mark.

However, perhaps the temptation of the treasure is really moving. After a short silence, a few bold people in the crowd finally stood up and smiled politely to Mark: "Mr. Ye, you just came out from inside. I don't know this. What are the treasures inside."

"If you have already got it, please take it out and let us open our eyes."

.....

"Yeah, Master Ye, there is so much energy in the heavens and the earth, and there must be a treasure. If you get it, you can take it out and let us have a look, so as to satisfy our curiosity."

....

As one took the lead, others echoed.

Mark replied coldly: "You have been thinking too much, there is no treasure in this cave."

"Oh?"

"No treasure?"

"impossible?"

"How can there be no treasures with such a strong power of heaven and earth?"

When everyone heard this, they were all puzzled and questioned.

Mike Jones also walked out at this time and said with a smile: "Brother Ye said so, there must be no treasures in there."

"However, the spiritual energy here is gloomy, presumably this cave mansion itself is also a treasure of immortals."

"I've come here, so it's not worth the trip if we all went in for a tour."

Mike Jones proposed.

"Yes, if there is no treasure, buy the treasure, and we shall go in and play~"

Many people also agreed and smiled.

However, it was said that, but in fact everyone still didn't believe in Mark's nonsense.

There are no treasures in these places, so what about deceiving ghosts?

“Walk around, let's go in and have a look~”

Among the crowd, someone shouted.

Soon, the powerhouses of the various countries before the Dong Mansion were about to enter the Dong Mansion one after another.

However, at this moment, a cold shout, like thunder, quietly exploded in this world:
“Today, with me, no one can enter the cave.”

“Enter, die!”

Boom~

The words were cold, like a storm swept across.

Surging majesty, raging everywhere.

Under Mark's anger, everyone's expressions were horrified and panic.

Chapter 2593

People who were close were even drunk by Mark's prestige, causing them to retreat a few meters.

“Mr. Ye, what do you mean by this?”

Mark's sudden outrage undoubtedly confuses everyone, with fear and anger in his heart.

Before the Dollar Lingguo was almost taken over by Mark alone, everyone was dissatisfied and jealous.

Now, there are treasures appearing again, but Mark blocked the entrance of the cave again, blocking them arbitrarily.

Is it strange that there is no resentment in the heart of the powerful people in front of these countries?

“what for?”

“It means literally.” Mark replied coldly in the face of everyone’s questions.

“You~”

Mark’s words almost angered everyone.

“Mark, don’t you think you deceived people too much?”

“This cave is not yours, what qualifications do you have to stop us from letting us in?”

Lu Hua stood up at this time, angrily expressing his dissatisfaction with Mark.

“Yes.”

“Mr. Ye, you have done a little too much.”

“Before the Dollar Ling Guo fight, you are already the biggest winner.”

“But now, do you want to monopolize the treasure again?”

“Are you unkind?”

“You eat meat all by yourself, but always let us have some soup.”

“What’s more, you said it yourself, there are no treasures in this cave.”

“In that case, why not let us in?”

With Lu Hua taking the lead, everyone present also expressed their dissatisfaction with Mark.

Among them, the one called the most joyous is not Lu Hua, but a person from the Australian martial arts.

The Dollar Lingguo that the Australian warriors had acquired before finally fell into the hands of Mark. Because of this, the Australian warriors originally had a hatred for Mark.

What’s more, the leader of the Australian team was also badly injured by Mark. Before, they had always dared not to speak because of Mark’s strength.

Now, taking advantage of Mark’s already arousing public anger, and relying on the large number of people, he naturally took the opportunity to madly take the rhythm and attack Mark.

However, Mark was completely unmoved in the face of everyone’s crusade.

He stood there, expressionless, and coldly replied: “You are right, but what?”

“With me, any one of you still can’t enter the cave mansion one step!”

“You~”

Everyone was undoubtedly even more annoyed when they saw that Mark’s oil and salt did not enter.

Especially the people of the Australian martial arts, jumped out directly and said angrily to Mark: “People of Yanxia, I advise you to get out of the way!”

“Otherwise, you will face the anger of the strong from our nations.”

“Yes, we admit that you are strong, and no one of us here can be your opponent.”

“But, don’t forget, your behavior now stands on the opposite side of all of us.”

“Anxious to us, the powerhouses of all countries join forces to besiege you.”

“At that time, you will be a great master. I am afraid that you will not be able to stop the fire attack of so many of us, right?”

“At that time, don’t talk about the treasures in this cave. It will be the Dollar Ling Guo you snatched from our Australian martial arts, as well as the Dollar Ling Guo you snatched from Chumen. I’m afraid it won’t be able to keep it. .”

The strong Australians laughed grinningly, looking confident.

It is also true that there are so many powerful people standing behind him now, so naturally there is no need to fear Mark, who is lonely.

“you dare?”

“If you dare to bully my Mark brother, when I return to the family, I will let my dad summon the powerful family members to destroy your Australian martial arts!”
