

Chapter 2596– 2597 of A Dish Best Served Cold Novel

Chapter 2596

“Haha~”

“Boy, your death date is here!”

“I want you to grab the treasure of my Australian martial arts?”

“Let you hurt me the Australian martial artist again?”

“Today, this is a lesson for you!”

In the fierce gust of wind, all the martial arts practitioners of Australia laughed wantonly, as if they were getting revenge.

The other people were full of expressions, and there was no mercy in their icy eyes.

After all, Mark's existence violated the interests of everyone present.

Naturally, they would not have half pity for him.

The only people who feel regret and guilt are probably only Kong Ming and Lu Yanxi.

“Hey~”

“Why bother?”

“Just because of something outside of the body, I lost my life.”

Kong Ming sighed.

Obviously, in his opinion, Mark's chance of surviving under the combined attack of so many people is not great.

However, when everyone thought Mark was bound to die this time, Mike Jones was a gloomy young man staring straight ahead.

“Mark, how should you save this calamity?”

“Do you really have a hole card?”

Huh~

The cold wind was bitter and the storm swept.

Countless majestic attacks gathered together, and that terrible power was almost ruining the world.

However, the teenager who was on the cusp of the storm was still calm.

The whole person is like a flat boat on the vast sea.

Despite the wind and rain, he stood still.

“Huh~”

“Death is coming, still pretending to be calm here?”

“I’ll take a look, how will you deal with it in a while?”

The Australian warrior sneered.

The powerhouses of the other countries also looked at Mark indifferently, just looking at a dead body.

Obviously, no one thought that Mark could survive with so many people.

Huh~

The cold wind was bitter, and the Tianhe trembled.

Finally, the momentum of the strong players on the scene has reached Mark.

However, just when the energy storm was about to swallow Mark, who would have thought that at the last moment, there would be a sudden change.

I saw that the little girl who had been guarded by Mark ran out without knowing where the courage came from.

She opened her hands and used her body to help Mark wash away the attack that swept the world.

At that moment, everyone was shocked.

Mike Jones was even more crazy, yelling, and rushing over frantically.

“Angie, go back~”

“Go back~”

“Miss!”

“Danger~”

Everybody in Truman was shocked, all eyes were red, and they rushed to save An Qi.

However, far can't quench near thirst.

It is impossible for them to arrive in time for such a long distance.

Can only, looking helplessly, that fierce attack swallowed An Qi and Mark in an instant.

“Sister~”

Mike Jones fell to the ground in despair, shouting hoarse, two lines of tears streaming down the corner of his eyes.

“Why is this?”

“Why~”

Mike Jones screamed sadly, and he never dreamed that it would end this way.

He didn't even expect that his stupid sister would sacrifice herself for a person of the opposite sex.

However, just as Mike Jones was crying sadly, in the storm ahead, a young majestic voice was faintly heard.

“Yundao Tianjue,”

“Form One”

At first, the sound was extremely small, like a spark in the dark.

But soon, the stream finally turned into the sea, and the spark has started a prairie fire.

The next moment, according to Hong Zhong Dalu's voice, in an instant, it swept the whole world!

“Yunyang kick!”

Chapter 2597

The sound of majestic, only if the thunder exploded.

The surging words are like rivers rushing.

At the moment when this sound rang, everyone present suddenly raised their heads.

Lu Hua's eyes widened, Lu Yanxi's brows trembled.

Mike Jones raised his head even more, and his teary face was full of disbelief: "Could it be?"

"Is he still alive?"

Boom~

As if it were a response to Mike Jones's words, I saw a thin figure in the storm, like a flying hong, rising into the sky.

Between Tianhe, his brows and eyes are prestigious, and he stands with his hands behind him.

There is a beautiful woman in her arms, and a sea of clouds rises below her feet.

The power of the surrounding heaven and earth, as if being summoned at this time, gathered at his feet, frantically.

In the end, everyone saw the young man in front of him and stepped on the bottom.

Thousand days of accumulation, instant thin hair!

After many days, Yundao Tianjue's might, finally once again, shocked the world.

It is like a huge boulder entering the sea, pulling the square.

At the moment Mark stepped on it, the world boiled like boiling water.

"This~"

"What kind of trick is this?"

"How could it be so majestic?"

Feeling the overwhelming power in front of him, many people were deeply shocked by it.

Even Mike Jones' eyes widened at that moment.

Because even he has never seen such a powerful attack secret technique.

Powerful, making everyone tremble and bow down.

“Huh, the movement is not small.”

“But, so what?”

“After all, it's the gold and the jade, and the defeat is among them. It's bluffing.”

“I don't believe it anymore, you are just a master, so many of us make a concerted effort, why can't we stop you?”

Among the crowd, the Australian powerhouse who took the lead in attacking Mark was grinning coldly while his face was green.

Even if he has seen Mark's majesty, he still doesn't think that Mark has the ability to compete against the powers of the nations.

After all, two fists are hard to beat four hands.

Even if the master is strong, it is by no means strong enough to compete with so many people by one person.

Just when the Australian powerhouse was grinning, Mark's repulsive kick finally stepped on the offensive of everyone.

“Deadly~”

“We must let him die~”

Among the crowd, the strong Australians clenched their palms, gritted their teeth and snarled.

Others are also looking forward to Mark's defeat,

However, what everyone did not expect was that the scene they were looking forward to did not appear.

On the contrary, their combined attack force smashed instantly under Mark's feet like a falling egg.

All attacks are like dandelions blown away by the wind, scattered in all directions.

What row of palms?

What Buddha seal?

All the proud attacks of these people were nothing but a chicken and dog under Mark's hands.

In just an instant, he was defeated by Mark.

“what?”

“How is this possible?”

“How can he be so strong as a master?”

“Do not!”

“Never possible?”

“This is absolutely impossible?”

After seeing this scene, everyone present was confused.

The Australian powerhouse who was triumphant before, is like a rooster pinched by someone's neck, his mouth is firmly open, and he roars in disbelief.

Not only these warriors from Australia, but Kong Ming, Lu Yanxi and other people who accompanied the hot summer martial arts, also felt shocked.

Especially Lu Hua, the whole person could only be smashed to the ground by thunder.

“This this”

“Is he really just a teenager?”
