

The One and The Only Chapter 261 - 270

Black Wolf squinted a pair of triangular eyes, and said grimly to Yash Nics: "Did you see, my brother was knocked down by your car and his feet were broken. What do you think of this account?"

Tong Ke Angrily said: "Obviously we drove normally, your friend suddenly jumped out from the side of the road."

"And we didn't even touch him, he fell down, do you want to ruin people?" The

black wolf looked at the slim Tong Ke, He grinned and said, "Fart, you knocked down my

brother. Do you dare to admit that, believe it or not you raped you?"

Tong Ke paled with anger, and there were many passers-by who wanted to stand up and

testify to Yash Nics. See The black wolf group is so arrogant that they dare not speak anymore.

The corner of Yash Nics's mouth rose slightly, looking at the black wolf and said: "According

to your opinion, how should this account be calculated?" The

black wolf pointed at the white wolf who was lying on the ground and wailing, squinted and

said: "You hit my brother If you are hurt, I won't give you a price, two thousand yuan."

"You honestly give us two thousand yuan, and we don't care about you.

If you lose one yuan,

we will pay for a tooth and break your foot."

The passers-by all sighed in a low voice, saying that someone had been corrupted.

Someone also whispered: "Young man, get rid of the wealth and eliminate the disaster. If

you don't give them money, they will beat you and smash your car." The onlookers looked at Yash Nics curiously.

Will Yash Nics choose to report to the police, or to save money and eliminate disasters?

Yash Nics really took out his wallet, and then in front of the black wolf, all the hundred yuan bills in the wallet were taken out.

Thick piles, estimated to be seven or eight thousand!

Yash Nics handed the money to the black wolf casually: "Take it!" The black wolf was stunned. He blackmailed two thousand. Yash Nics actually gave him seven or eight thousand?

In fact, he didn't want to ask for more, but based on his experience, if the amount of extortion was too much, the other party would often choose to call the police.

For those driving luxury cars like Yash Nics, two thousand yuan for extortion is a more appropriate amount.

Most people don't want to cause trouble, they will choose to spend money to eliminate disasters and give money to trouble.

What Black Wolf didn't expect was that he asked for two thousand, and Yash Nics actually gave it several times more.

He seems to be a timid and kind-hearted person!

The Black Wolf cleaved his hand and took the stack of banknotes from Yash Nics, and said contentedly that you know each other.

Then he winked at several of his men around him, and motioned to the brothers to help the white wolf on the ground, and he could leave.

Several companions of the black wolf helped the white wolf on the ground.

But the white wolf yelled in pain, sweating and said: "Don't move, don't move me, my leg is broken."

Seeing this, the black wolf lowered his voice and said, "Old Qi, let's. Don't pretend, go quickly." The

white wolf was sweating profusely from the pain, his teeth were shaking, and his voice was

crying: "Big brother, I didn't pretend, my foot is really broken." The

black wolf opened his eyes wide and was surprised: "What?"

Bai Lang looked at Yash Nics resentfully: "That kid, he just raised his foot and kicked me.

That's it, just kicked the bones of my left foot."

What? !

Hearing the words of the white wolf, the black wolf and several of his companions were

frightened.

The second gray wolf squatted down and rolled up the pants of the white wolf's left foot.

Suddenly, I saw that the white wolf's left foot showed unnatural twists and turns.

There were bruises and bruises on the calves, obviously broken bones.

The gray wolf raised his head and said in anger, "Big Brother, Old Qi's foot was really kicked

off by this kid."

The Black Wolf was furious, and several of his men took out daggers one after another,

directly surrounding Yash Nics and Tong Ke.

The black wolf glared at Yash Nics: "You kid is cruel enough to kick my seventh brother's

foot!"

Yash Nics laughed and said, "It was I who broke your little brother's foot and I paid you for

medical expenses. Ah, otherwise, why do you think I want to give you money?" The

black wolf group was dumbfounded.

Yash Nics said indifferently: "In addition, you are asking me to pay 2,000 yuan. Do you know

why I have to pay it several times?"

Before the black wolf spoke, Yash Nics had already explained: "Because the extra money is

for The medical expenses of you guys." The

black wolf widened his eyes: "What do you mean?"

The gray wolf beside him approached, lowered his voice and said, "Big brother, you still don't understand what he said. He meant that he not only kicked. Broke Lao Qi's foot and hurt us.

Give us medical expenses in advance!" The black wolf was furious and stared at Yash Nics: "Boy, you are playing with us. Now you have broken my brother's foot, at least One million in compensation. Otherwise, don't blame us for the white knives going in and the red knives going out."

Yash Nics stood with his hands behind, with a faint sneer: "That's right, it's just to play with you."

"Half hour ago, On Yanjiang Road, you are the ones who beat up the old man for being brave for righteousness?" The

black wolf blurted out, "How do you know?"

Yash Nics said coldly, "That old man is my father-in-law."

The One and The Only Chapter 262

black wolves were shocked when they heard this and looked at each other.

The black wolf stared at Yash Nics: "Good fellow, it turned out to be here to find us moldy.

The brothers did it, abolished him, and avenged the old seventh." The gray wolf was the first to hold the dagger, rushing towards Yash Nics, and roared. "Taste the

greatness of my spiked dagger." As

he said, the dagger in his hand was thrust into Yash Nics's chest fiercely.

Passers-by exclaimed when they saw this, and Tong Ke also lost his voice:

"Brother-in-law,

be careful!"

Yash Nics raised his hand, grabbed the other's wrist holding the knife, and squinted slightly.

With a click, the wrist bone was immediately broken.

At the same time, the gray wolf screamed sternly.

Two more companions rushed forward immediately, Yash Nics raised his foot, and the

lightning kicked out continuously.

With two slaps, they kicked the two in front of the door, and the two raised their heads and fell.

Yash Nics moved one by one for several punks.

In the blink of an eye, only the black wolf was still standing.

The black wolf roared, and rushed towards Yash Nics with a vigorous momentum.

Yash Nics raised his hand and slapped it on the face of the black wolf.

Yash Nics's slap carried the bad wind and thunder-like power.

Snapped!

A loud noise!

Yash Nics's palm was drawn on the face of the black wolf, and he could imagine the scene

of thunder smashing through the trees. No matter how strong you are, you can't stand such

a powerful force.

The black wolf spouted a mouthful of blood mixed with broken teeth, and the whole person

flew out seven or eight meters obliquely like a kite with a broken line, and fell heavily to the

ground.

The passers-by at the scene were stunned. This seemingly stable and introverted man

made his shot so ruthless.

Tong Ke looked at Yash Nics with brilliant eyes. Yash Nics's fight was as handsome as the

heroic man who rescued her in the blue clubhouse.

Tong Ke looked at Yash Nics with a different sentiment in his eyes, and thought to himself:

It's not you!

Yash Nics looked at the dying black wolves lying on the ground in a mess.

He squinted and

said coldly: "Are you dead? If you are not dead, you will all go to the hospital with me and

apologize to my father-in-law." At this

moment, one car. The police car passed by and stopped.

A middle-aged man in plain clothes got out of the car with several criminal police officers. It

turned out that it was the chief of the criminal investigation team, Wang Zhixing, who

happened to pass by here.

Wang Zhixing got off the car and just wanted to ask what's going on?

He suddenly saw Yash Nics not far away, and he was shocked for an

instant, wondering why

this great figure is here?

The last time Yash Nics was eaten in Zhiweiju, Wang Zhixing and the leaders of Wang

Zhixing were all reprimanded and taught by Yash Nics. Wang Zhixing was very in awe of

Yash Nics.

When Wang Zhixing just wanted to come over and say hello to Yash Nics, suddenly a bloody

black wolf rushed in front of him, crying and said: "Captain Wang, you came just right. That

guy beat someone and injured a few of us, you should hurry him up.

Grab it." As

soon as the black wolf said, Wang Zhixing raised his hand and snapped a big mouth to the

black wolf.

He hit the black wolf directly and completely stunned.

Wang Zhixing pointed at Yash Nics, and said angrily at Black Wolf: "Do you know who Mr.

Yash is? Even the City Lord must be respectful when he sees Mr. Yash.

You dare to slander

Mr. Yash and arrest him!"

Hei Upon hearing this, the wolf group looked at Yash Nics in shock.

Everyone looked ashamed, and their hearts sank in despair. It was all right now. Not only

would he be beaten to death, but he would also have to go to jail.

Wang Zhixing came to Yash Nics in front of Yash Nics and said with a flattering smile: "Mr.

yash..."

Yash Nics said indifferently: "These guys just assaulted my father-in-law along the Yangtze

River. You came just in time. Take them to the hospital and apologize to my father-in-law."

Wang Zhixing nodded and said, "Yes, yes, I'll do so."

Yash Nics just asked Captain Wang to take the black wolves to the hospital and apologize to his father-in-law.

Suddenly, his cell phone rang.

The One and The Only Chapter 263

Song Pingting called.

When Yash Nics got on the phone, she heard Song Pingting's anxious and angry voice:

"Yash Nics, come here quickly. The doctor in this hospital is too bullying."

Yash Nics frowned upon hearing this, and comforted Song Pingting to be calm and restless.

.

He asked Song Pingting and they were in the Second People's Hospital of Mannity city, and

then ordered Captain Wang to bring the black wolves to the hospital.

And he and Tong Ke drove past first.

Not long after, Yash Nics and Tong Ke first came to the Second People's Hospital of China

Overseas.

At this time, it was nightfall, and the lights were beginning to shine.

The doctors and nurses working day shift in the hospital have already left work, and there

are not many doctors and nurses working night shift.

There were not many emergency patients, and the entire hospital seemed empty.

In the corridor of the hospital's outpatient department, Song Pingting, Ma Xiaoli and Song

Qingqing were sitting on a bench with Song Zhongbin, who was covered in blood and clothes.

The door of the emergency room was closed, Song Pingting and the others looked angry.

Yash Nics came over and asked, "What's the matter?"

Seeing Yash Nics coming, Song Pingting felt relieved as if she had a backbone.

She stood up and said angrily to Yash Nics: "The doctor in this hospital is too much, saying

that Dad's injury is not serious and it is not a serious illness."

"Also saying that he is not at work, let us wait here and wait until he goes to work. Time is up."

Ma Xiaoli also said angrily: "Yes, we came here to press the emergency bell for so long. Only one nurse came over and took a look, and then told us. The doctor said that the working

hours had not arrived yet, and the doctor said let We're waiting."

Yash Nics frowned upon hearing this, thinking that the quality of the doctors in this hospital is also a bit poor.

Even if it is not time for work and someone comes to seek medical treatment, you should

help treat the wound as soon as possible!

Yash Nics said: "Where is the doctor, I'll go and ask."

Song Pingting said: "At the end of the corridor, in the doctor's lounge on duty ." In the doctor's lounge on duty, Hong Yongzhong, a night-shift doctor, was fighting with nurse Fan Lingling. Sorry.

Hong Yongzhong played with Fan Lingling's little hands, squinting and said: "Xiaoling, you

won't be on vacation after two days. I can take a vacation with you at that time.

Let's go to Hainan for two days." Fan Lingling has a pretty face .

Flushing, he tweeted : "Doctor Hong, people have a husband." Hong Yongzhong smiled and

said: "Hehe, I'm just going to play with you for two days without destroying your family."

Fan Lingling did not agree, nor did he Disagreed, he turned the subject away and said,

"Doctor Hong, the patient in the corridor outside, I think is seriously injured. His nose was

injured and his face was covered with blood. Would you really not show him the injury? "

Speaking of the wounded outside, Hong Yongzhong's expression became a little unnatural.

However, he did not conceal it, so he told Fan Lingling directly: "I can't see him for patients outside."

Fan Lingling was surprised: "Why?"

Hong Yongzhong said: "I was driving to the hospital. A gangster touched porcelain, the gangsters blackmailed me for two thousand yuan."

"It happened that the old guy outside passed by. The old guy, out of his own control, loudly reprimanded the gangsters for touching porcelain, and then he was attacked by the gangsters on the spot. Beaten up."

"When I saw something was wrong, I drove away first."

Fan Lingling widened her eyes: "Ah, it turns out that the old man outside was injured because he helped you?"

Hong Yongzhong pouted his lips and said: "Why help me? He is overwhelmed. He is too old, don't he have any points in his heart? He also learns to be a hero, and he deserves it if he is beaten."

Fan Lingling said: "No wonder you didn't go out to treat him with the injury. It turns out that this is the reason. It's no way to

leave him alone ." Hong Yongzhong said nonchalantly: "In another hour, another doctor on duty will come. They are at work. If they are willing to wait, they will wait for another doctor.

If they are not willing to wait, they will go to other hospitals."

Hong Yongzhong said that, suddenly he pulled Fan Lingling into his arms and squinted.

Said: "Hey, let's not mention the old thing outside. Let me check your body to see if you are fat or thin?"

Fan Lingling giggled, and she wanted to refuse.

At this moment, the door of the duty lounge was slammed open.

This movement directly surprised Hong Yongzhong and Fan Lingling. The two hurriedly separated. Hong Yongzhong looked at Yash Nics and Song Pingting who came in through the door with fright and anger, and shouted in a stern tone: "Why didn't you knock on the door, come in without permission, you have no quality at all!" Yash Nics said indifferently: "You Also worth talking about quality?" The One and The Only Chapter 264 Song Pingting glared at Hong Yongzhong angrily: "No wonder you shirk in every way and refused to deal with the injury to my dad. It turns out that you are the owner of the car who was hit by the porcelain. My dad was beaten for you. of. " " my dad speak out for you, was beaten by the bully, you ran off. " " now my dad came to the hospital, you should also refused to meet, refused medical treatment, you're heartless. " Hong Yongzhong became angry from embarrassment: "Your dad was beaten for nosy, what to do with me?"

Song Pingting was anxious and wanted to argue with the other party. However, Yash Nics stopped Song Pingting and said coldly to Hong Yongzhong: "I didn't care about this beforehand. Now my dad has been injured on the bridge of his nose, and there are still many injuries on his body. You, as a doctor, give it to him first. Deal with the injury." Hong Yongzhong broke the jar, holding his arms, looking at Yash Nics and Song Pingting, and sneered: "What are you, are you my leader? Why should I listen to you? " I'm telling you, here I have the final say." "Either you just wait outside and I will treat you when I am in a good mood, or I will give Laozi off."

Song Pingting opened her eyes, she didn't expect this doctor. Not only did she have no conscience, she was also so arrogant that her pretty face was pale with anger.

Yash Nics's eyes

became colder: "It seems I will give you a chance, you don't want it!"

Hong Yongzhong

sneered: "What can you do, you have the ability to complain to me with our leaders."

"But the department director is my good brother, the hospital The leader often drank with

me, so I was afraid that you would not complain about me."

Yash Nics really took out his mobile phone, made a call to the city veteran Zhou Ruoshu, and

said coldly: "Who is the dean of the Second People's Hospital, let him See me in the

emergency room within five minutes."

Hong Yongzhong couldn't help but smile when he saw this. "Hehe, the toad is yawning, it's a

big breath."

"Our dean lives in the workers' compound, but let him come here in five minutes unless you

can get him to show off the ability to sprint for 100 meters, but will our dean catch you?

Hahaha."

Yash Nics Sneered, silent.

Soon, it will be five minutes.

Hong Yongzhong folded his arms and said provocatively: "Boy, didn't you say that our dean

was allowed to appear in five minutes? Now, where is our dean..."

Before Hong Yongzhong's words fell, he suddenly heard from the corridor outside. There

was a heavy and fast running sound.

Then, in the shocked eyes of everyone.

A middle-aged man with bare feet and a big belly appeared out of breath at the door of the

duty room.

This bloated middle-aged man is Li Haibo, the dean of the Second People's Hospital.
It turned out that Li Haibo was eating, and when he received a call from the lord, he was so scared that he ran out wearing home slippers.
On the way, he felt that he couldn't run fast in slippers and was afraid of being late, so he simply took off his shoes and ran all the way barefoot. Fortunately, he arrived at the time limit.
Hong Yongzhong and Fan Lingling saw Li Haibo who was panting and sweating.
The shocked eyeballs of both of them protruded, and they shouted silently: "Dean Li!"
Li Haibo didn't have time to pay attention to them. He ran up to Yash Nics, panting, and said respectfully: "Yash Hello, sir, am I not late, am I?"
Yash Nics smiled and said, "No, you came in time. You have a doctor here, I want to complain to you."
Li Haibo said quickly, "Mr. Yash, you said, If a doctor offends you or commits any act of negligence, I will punish him severely." Hong Yongzhong next to him, his face instantly turned pale.

The One and The Only Chapter 265

Yash Nics calmly walked through the matter and said briefly.
Li Haibo was furious and was about to severely punish Hong Yongzhong. Suddenly a noise came from outside.
Yash Nics, Song Pingting, Dean Li and others were all stunned.
Everyone walked out of the duty room together to see what happened outside?
I saw Song Zhongbin standing majestic in the corridor, like an angry King Kong.
In front of Song Zhongbin, a few black wolves were kneeling down.
There were several criminal police nearby. The head of the criminal police captain Wang

Zhixing smiled and said to Song Zhongbin: "Mr. Song, it is your son-in-law Yash Nics. Let us take these guys who beat you up to you and let you handle them. " Song Zhongbin was surprised and happy. He didn't expect that his son-in-law was so capable, and he really caught all the gangsters who beat him. Without hesitation, he slapped each of the gangsters who were kneeling on the ground. Song Zhongbin let out a breath of bad breath in his heart, and then he straightened up and said, "Do you still dare to bully me?" The black wolf group of gangsters cried and said miserably: "Don't dare, don't dare... " And when Hong Yongzhong saw this scene, the cold sweat on his forehead became more anxious, and the few punks who bullied Song Zhongbin ended up in such a miserable situation? It is estimated that his fate will not be any better!

He wants to cry now!
Ma Xiaoli and Tong Ke stepped forward, helping Song Zhongbin, and comforting him not to care about these people, it's not worth it.
Yash Nics and Song Pingting also came over. Song Pingting's pretty face was full of shock and asked, "Dad, what's the matter?"
When Song Zhongbin saw his daughter and son-in-law, his old face was full of excitement, and he said excitedly: "Daughter, Yash Nics is really capable. He said that he had arrested all the bastards who beat me and apologized to me, but I didn't expect that they were all arrested."
Song Pingting turned her head to look at Yash Nics, and said in surprise, "How did you do it?"
Yash Nics pointed to Wang Zhixing and a group of detectives next to him, and smiled: "I

called the police to deal with it. Captain Wang and their abilities are outstanding. This group of gangsters was caught all at once.” Song Pingting’s family believed it was true, and they hurriedly thanked Wang Zhixing and the police officers. Wang Zhixing quickly said: “Dare not be, these are our responsibilities.” Tong Ke next to her was secretly rolling her eyes. Her brother-in-law was pretending to be low-key and coaxing her cousin’s family again! The most ugly face at the scene was naturally Hong Yongzhong. These criminal policemen, Wang Zhixing, arrest criminals on weekdays and often take them to the hospital for medical examinations. Therefore, Hong Yongzhong and Wang Zhixing often have intersections, and he naturally knows Wang Zhixing, a great figure. I saw that Wang Zhixing was so respectful to Yash Nics, and Dean Li Haibo was so respectful of Yash Nics.

And witnessed the miserable end of the gang of gangsters who beat Yash Nics’s father-in-law. Hong Yongzhong trembled all over, sweating like rain, and his desire to die was gone. If he could come back, he would not dare to escape when Song Zhongbin was beaten. If he could do it again, he would not dare not treat Song Zhongbin anyway, and he would not dare to speak harshly to Yash Nics. Unfortunately, everything is too late. He wanted to find a place to hide, so that Yash Nics and the others would not notice him. However, Yash Nics’s eyes were already on him at this time. Yash Nics said coldly: “You still came to apologize to my dad?” Hong Yongzhong shook his head and hurriedly said: “Yes, yes, I will apologize to Mr. Song.”

Hong Yongzhong came to Song Zhongbin and said with a trembling: "Mr. Song, I was wrong, I apologize to you. Please forgive me once."

The One and The Only Chapter 266

Song Zhongbin didn't recognize Hong Yongzhong at first. When he heard that the person in front of him was the owner of the car, he suddenly became angry. He pointed to Hong Yongzhong's nose and cursed: "You bastard, I helped you get ahead, I was beaten and you ran away. It doesn't count if I ran, I came to the hospital, and you still refused to see me. Hanging on me deliberately, Are you human if you don't treat me the injury?"

Hong Yongzhong cried bitterly, begging for mercy.

After all, Song Zhongbin was an honest man, and finally said: "Forget it, I don't care about you as much."

Hong Yongzhong heard the words, and he had not had time to be happy. Dean Li already said coldly: "Although Mr. Song forgave you, I can't forgive you."

"This incident has greatly affected the reputation of our hospital. Your personal and medical ethics are at a loss. No longer qualified to serve as a doctor in our hospital, I choose to announce that you have been expelled."

Hong Yongzhong's face was instantly ashen, because of medical ethics issues, many hospitals were afraid to hire him, his future was ruined.

After Dean Li announced the expulsion of Hong Yongzhong, he did not look at him again.

Instead, he turned his head and looked at Song Zhongbin, and said mildly: "Mr. Song, I will take care of your injury personally, please here."

"Okay, please lead the way, the dean."

This is the first time Song Zhongbin has received this kind of treatment. The head of the criminal investigation team personally caught the gangster and apologized

to him, and the hospital director personally handled the injury for him. He looked dissatisfied and proud, and at the same time looked at Yash Nics who was helping him with satisfaction.

I thought: It's said that the son-in-law is half a son. My son-in-law is better than others' sons.

... The

next day, the Ningda Group's pharmaceutical factory held a groundbreaking ceremony in

Fenghuangchong, which was announcing the groundbreaking.

City leaders, as well as many Chinese and maritime figures, attended the groundbreaking ceremony.

The major media rushed to report.

Dame beauty club, VIP room.

Zhu Chengyang and Lu Shanshan are watching the news on TV that the Ningda Group

Pharmaceutical Factory has officially started.

Lu Shanshan picked up the remote control, turned off the TV, and said bitterly: "Professor

Jiang doesn't know what to think. He doesn't choose so many powerful pharmaceutical

companies, but instead has the liver cancer vaccine agency. , Gave it to Song

Pingting ." Zhu Chengyang squinted his eyes and said: "Song Pingting looks good, even the

female celebrity model on TV is not as pretty as her."

Lu Shanshan was surprised: "What do you mean?"

Zhu Chengyang said lightly: "Pretty looks are the greatest capital for women. Since ancient

times, heroes have been saddened by Beauty Pass, so it is guaranteed that Song Pingting

will have a leg with Professor Jiang."

"Zhou You Wang Fenghuo played with the princes, only smiled for praise.

Professor Jiang

represented the vaccine as an agent. The right is given to Song Pingting, and it is not

incomprehensible."

Lu Shanshan opened her eyes wide: “You mean that Song Pingting, the little bitch, used her beauty to hook up with Professor Jiang and get the vaccine’s agency right?”

Zhucheng Yang smiled and said:” in addition, I do not think any reason, Professor Jiang chose to give power of attorney to the Song Painting of rather large group. ”

Lu Shanshan:” I said Song Painting this bad lot, how Will get the agency right, and Jiang

Nanfeng’s old thing still defends her so much. That’s

how it is .” Lu Shanshan said here, her eyes staring at Zhu Chengyang intentionally or

unintentionally: “By the way, forgot to ask Erye Zhu to find me why What’s wrong?”

Zhu Chengyang: “We wish to join your Lu family to kill Yash Nics and seize the vaccine

agent right from Song

Pingting .” Lu Shanshan smiled and said, “Hehe, Zhu Fenghua is dead, you wish. The

disciples of the family have also been wiped out. Do you wish the family have the capital to

cooperate with our Lu family?”

Zhu Chengyang scolded a bitch secretly in his heart!

But he only dared to curse in the bottom of his heart, Zhu’s family was originally ranked last

in strength at Sitingzhu in Jiangnan.

Recently, his vitality has been severely injured, and he is not qualified to challenge the Lu

family.

Zhu Chengyang said convincingly: “Although there have been some changes in our Zhu

family, we have a solid foundation, and it is not so easy to collapse.”

“In order to show our sincerity in the Zhu family, I am willing to take Yash Nics’s life first.

Give my eldest brother, I’ll give you my revenge for the Lu Family

Master.” Lu

Shanshan became interested and nodded and said, "Well, if you can kill Yash Nics, then we will discuss the matter of jointly seizing vaccine agency rights from Song Pingting ." Zhu Chengyang: "One word is the final word!"

The One and The Only Chapter 267

this time!

Yunshang Tailor Shop.

Mannity's most advanced women's clothing custom shop.

Yash Nics and Song Pingting were in the shop and asked the famous tailor Lu Dahai to

customize two sets of dresses for Song Pingting.

Lu Dahai smiled and asked Song Pingting's measurements?

Song Pingting said with a blushing face: "It's been a long time!"

Lu Dahai smiled: "Custom clothes must have accurate data, but the female staff in our shop

are all going to have lunch."

"There are no women in the shop now . You can measure the measurements for Mrs. Yash,

so if you take measurements, please ask your husband to do it for you.

That's okay?"

Song Pingting heard that no female employees would take measurements for her, so she

could only ask Yash Nics to take measurements for her. She had a more pretty face.

famous.

Lu Dahai took Yash Nics and Song Pingting to the advanced fitting room, handed Yash Nics

a soft ruler, and then went out.

In the huge fitting room, only Yash Nics and Song Pingting were left.

Song Pingting is like a newly married girl, with Xiafei cheeks, overwhelmed with shame.

Fortunately, Yash Nics is just as reassuring as ever, with a smile on his face and a firm look

in his eyes.

Yash Nics gently said, "Should we measure the waist first?"

Song Pingting lowered her head and dared not look at Yash Nics, and said in a shy voice,

"Yeah!"

Yash Nics opened her arms and helped Song Pingting measure her waist with a soft ruler.

The inevitable touch made Song Pingting's body tense, both nervous and shy.

Song Pingting asked tremblingly: "Yash Nics, have you not measured it yet?"

Yash Nics was behind her, and smiled softly in her ear: "Okay, let me see what your waist circumference is? Wife, your waist circumference is 60. , The waist is very thin!"

Song Pingting's pretty face was bright and vivid, and she said coyly, "It's normal, you can measure it quickly."

Yash Nics nodded, "Well, then let's start measuring the hips..."

Song Pingting was so ashamed that she wanted to find a seam. Hiding, he said strangely:

"You can measure, don't ask me." The corner of Yash Nics's mouth rose slightly, as she was about to continue measuring her figure with Song Pingting.

But at this moment, Lu Dahai's exclamation suddenly came from outside:

"Who are you, we are only open to members, who allowed you to break in?"
Bang!

It seemed that the sound of the table being knocked over came, accompanied by Lu Dahai's screams.

Then I heard a murderous voice: "Say, where is Yash Nics? If you don't say anything, I will kill you!"

Lu Dahai trembled: "In...the fitting room over there."

Lu As soon as the voice of the sea fell, there was a sound of footsteps.

Obviously a group of people came and surrounded the fitting room.

Song Pingting nervously grabbed Yash Nics's and said, "It seems that someone is coming to your disadvantage!"

Yash Nics's heart at this moment, that's really an anger!

Finally, I had the opportunity to get to know the good figure of my wife personally, but I didn't expect it to be ruined by the clutter. He comforted Song Pingting and said, "It's okay. It's just a bunch of mad dogs who didn't know where they came from. I'll clean them up." Yash Nics and Song Pingting came out of the fitting room and found a dozen faces in the tailor shop. The grim man.

These men are solid, restrained, and exude a murderous aura that seems like nothing. They are all practicers, and they are all masters. The head was a bearded man with ringed leopard eyes, staring at Yash Nics fiercely: "Yash Nics, right? Our second master wants to see you." "Now I give you two choices, one is to follow us obediently; two, or we take your corpse away!"

The One and The Only Chapter 268

Jiang Tianhu's words just fell, and the two thugs closest to Yash Nics immediately rushed

towards Yash Nics and Song Pingting.

One wanted to pull Song Pingting's arm, the other raised a dagger and stab at Yash Nics.

Yash Nics raised his foot and kicked both feet like lightning.

With two bangs, the two guys flew out together, one knocked over the hanger, the other hit

the wall, and then slid down the wall.

All the ribs in the chest were all broken, and blood was vomiting at the mouth.

When Jiang Tianhu saw that his pupils contracted slightly, he was surprised and said: "Good

guy, no wonder there is no fear, it turns out that there are two points of patience, everyone will go together." As Jiang Tianhu's voice fell, his men around him, like

wolves attacking, pounced on Yash Nics. .

Yash Nics took Song Pingting's hand, like a couple walking, and continued to move forward.

The tape in his hand waved casually.
Snapped!

A tape with the width of only a little finger, drawn on a thug's face, was as powerful as a steel whip.

The thug's face was cracked, blood was splashing, and he fell down screaming directly.

Another thug rushed up, raised the machete, and chopped down towards Yash Nics.

But before his machete fell, the soft ruler in Yash Nics's hand had already swung around his arm.

Yash Nics raised his hand, and the thug was swept out and knocked over several of his companions.

Every time Yash Nics takes a step, one of his opponents must scream and fall, either dead or disabled.

The legendary one kills one step at a time, but that's all.

The remaining thugs were all chilling and didn't dare to step forward.

They all looked at their boss, Jiang Tianhu.

Jiang Tianhu was also shocked by Yash Nics's skill and momentum. Yash Nics not only has great skill, but also has a calm face.

He was so calm that he didn't pay attention to everyone in front of him.

He just walked over

and ordered the tailor to make two sets of clothes.

He was indifferent to the obstacle blocking the road and kicked it away.

He has experienced hundreds of battles in his life, beheading more than a hundred

opponents, Jiang Tianhu, who was called a hundred people beheaded by the people of the rivers and lakes.

Facing such Yash Nics, he felt unconfident for the first time.

However, the second master had instructed that he must take Yash Nics back, to see people or corpses alive.

Jiang Tianhu roared, increased his courage, and then held a dagger, like a flying tiger,

rushing toward Yash Nics with a mighty rainbow.

Yash Nics raised his foot and kicked it out, shocking the sky.

Bang!

Yash Nics kicked Jiang Tianhu in the chest, and Jiang Tianhu flew out and fell heavily in

front of the tailor Lu Dahai.

The chest had sunk in one piece, and it was obvious that all the chest bones had been

kicked to pieces.

He vomited a mouthful of blood and looked at Yash Nics in horror. He couldn't understand

that there are such powerful people in the world.

Tailor Lu looked at Yash Nics in shock as well, thinking: Hey, this Mr. Yash has such a great

skill, he is probably better than the black market fighters in the Mannity city Underground

Boxing Competition, right?

Yash Nics and Song Pingting walked to Tailor Lu and looked at the messy scene. His eyes

fell on Jiang Tianhu.

Seeing Yash Nics looking at him, Jiang Tianhu instantly turned pale with fright, his eyes

were full of despair, and there was only one thought in his mind: Hell, he is going to kill me!

Yash Nics said

indifferently : "Excuse me, help me straighten the chair on the ground."

Jiang Tianhu was

stunned, and then looked at the two chairs lying on the ground next to him.

Regardless of the pain in his chest, he struggled forcibly, sweating profusely and said: "Yes,

yes, I will help, I will help..."

Jiang Tianhu endured the severe pain and straightened all the chairs that fell on the ground.

His head was covered in cold sweat, and his entire face was completely distorted because it

was too painful.

However, he resisted and did not dare to speak, for fear that any small movement would cause Yash Nics's dissatisfaction and be killed by Yash Nics. Yash Nics smiled and said to Lu Dahai: "Tailor Lu, you can customize two sets of uniforms for my wife according to the height of 175, which is the most standard model figure. No problem, right?" Tailor Lu came back to his senses and quickly said that it was okay. Then he received a deposit of 5,000 yuan from Yash Nics and wrote a receipt to Yash Nics. It is said that it will be done in half a month, so that Yash Nics will come to pick up the goods. Yash Nics handed the receipt to Song Pingting to put it away, and then the two turned and left. Jiang Tianhu, who was seriously injured, was finally leaving when he saw Yash Nics, a murderous god. His hanging heart was ready to let go. He was too afraid that Yash Nics would pinch him to death. However, just when his heart was about to let go, Yash Nics suddenly stopped and looked back at him with cold eyes. His heart raised his throat again, and said with a trembling: "Mr. Yash, what else do you have to order?" Yash Nics said coldly: "Today is the deadline for me to order the Zhu family to retire. If the Zhu family wants to be safe and sound. If you retreat, let Zhu Chengyang personally come to kneel and beg for mercy. Otherwise, your Zhu family will be the past." Yash Nics finished speaking and left with Song Pingting.

The One and The Only Chapter 269

this time!

Tianlong Mountain, hot spring club.

Zhu Chengyang was sitting in the hot spring pool, and two beautiful women were waiting for

him to soak in the hot spring.

He looked at Jiang Tianhu, who was seriously injured in front of him, with a green face, and

asked angrily: "Yash Nics actually said that today is our last chance for Zhu's family to

retreat, and he wants me to kneel and apologize to him personally?"

Jiang Tianhu bowed his head and said: "Yes, Yash Nics said so."

Zhu Chengyang smiled angrily: "Hehe, what a big tone, I will never kneel down to apologize

to him, and I hope the family will never retreat!"

Zhu Chengyang's words just fell. An indifferent voice came from outside the door: "Then

today is the end of your wish home with you!"

Zhu Chengyang, Jiang Tianhu, and a few bodyguards next to them were all shocked when

they heard this.

Zhu Chengyang roared: "Who?"

The door of the hot spring private room was opened.

Yash Nics took Dong Tianbao, Dianchu and Bahuwei in unhurriedly.

Zhu Chengyang opened his eyes and said in surprise: "It's you, Yash Nics!"

Yash Nics smiled lightly: "I heard that you want to see me, so I came."

Zhu Chengyang looked at Yash Nics in shock, and he sent someone to arrest him. Yash Nics

claimed to see people in life and corpses in death.

Unexpectedly, all the people he sent out were injured and fled back in embarrassment.

He didn't even expect that Yash Nics would come to him on the initiative.

His face changed a few times, and he suddenly shouted: "Come here, come and take them down."

Zhu Chengyang has done his best with the elite family members this time. In this hot spring

club, there are more than 100 highly skilled men. .
But he yelled for a long time at this time, and no one appeared.
Yash Nics said indifferently: "You don't need to shout. When we came in,
we just put down
all of your subordinates."
What? !
Zhu Chengyang's eyes widened again. All of his subordinates were born
in Lianjia. Skilled,
can be said to be the mainstay of the Zhu family.
So many masters, Yash Nics and a dozen people, all quietly brought
down?
Zhu Chengyang looked at Yash Nics in horror: "What do you want?"
Yash Nics said calmly: "Since Zhu Jiuling provokes me, I have been giving
you a chance to
wish the family. It is a pity that you have to die, once. This time provoked
my bottom line,
and even tried to hurt my family."
"You touched my Ni Lin, I wish the family
ends here." Zhu Chengyang realized what, he sternly shouted: "You dare
to kill me, you want
to destroy us Zhu Family. Ha ha, do you know who is behind our
Jiangnan Four
Tingzhu ?" Zhu Chengyang said loudly, "It is Jiangnan King Tang Beidou!"
"Our four big families are all under the orders of Lord Tang, they are all
Lord Tang's people. If
you dare to destroy my Zhu's family, Lord Tang is furious, and the whole
Mannity city will be
bloody."
Jiangnan Wang is not the real prince.

In this era, there is no such thing as a prince.
However, Tang Beidou was indeed overwhelmingly powerful in the
South. It is said that he
once held important positions in the South. After serving in the South for
20 years, he
managed the South imperceptibly.
Even though he has abdicated for many years now, the younger
generation he promoted, as
well as his contacts, are all over the South.

The entire South, no one said it, only Tang Beidou said it, Tang Beidou is the uncrowned king of Jiangnan!

It is said that on one occasion, the southern province planned to build a high-speed railway.

When land acquisition, no matter what method is used, local residents do not agree to land acquisition.

In the end, there was no way, Shengzun could only call Tang Beidou for help.

Tang Beidou said something trivial, then greeted the people below, and the land acquisition was done the next day.

It can be seen from this that Tang Beidou was in the south, and it can be said that he turned his hands for the clouds and rain.

In the south, no matter whether it is in the above-ground circle or the underground circle, no one has ever said that they dare to offend Lord Tang.

Even people from various departments of Baidao, who came here to serve, must pay attention to establishing a good relationship with Tang Beidou.

Otherwise, the work may not be able to develop and continue.

The four courtyard pillars in the south of the Yangtze River, the four major families, turned out to be Tang Beidou!

Zhu Chengyang moved out of Tang Beidou to intimidate Yash Nics. He smiled triumphantly and said: "Our four big families are covered by Lord Tang. Your kid dare to have trouble with our Zhu's family. Your death is imminent."

"I want you to give it to me immediately. Kneel down, and ask your wife to obediently offer the agency of liver cancer vaccine with her hands. Maybe I can consider letting you die."

"Remember, just consider!"

Yash Nics said coldly at Zhu Chengyang, who was full of consternation. : "Are you done

talking nonsense?”

The One and The Only Chapter 270

Zhu Chengyang was dumbfounded when she heard Yash Nics’s words.

Not only was Yash Nics not scared by the name of Jiangnan King, he didn’t even take it

seriously.

Is this the fearless of the ignorant?

Yash Nics said indifferently: “What is King Jiangnan? Even if he is here, I

let him kneel, but

he dare not stand.”

Zhu Chengyang and Jiang Tianhu’s men were completely shocked by

Yash Nics’s words.

In the south, Yash Nics was the first to not take Tang Ye seriously.

Zhu Chengyang said in anger and anger: “Just for what you are saying

now, from now on in

Mannity, there will be no way for you to survive.”

Yash Nics said coldly, “Is there any last words?”

“If not, send him on the road!” After

Yash Nics finished speaking, he turned around indifferently and lifted his

foot to leave.

The moment he turned around, Dong Tianbao and Dian Chu had already moved.

Jiang Tianhu also roared to protect the second master, and several bodyguards fought with

Dong Tianbao and the others.

The screams sounded immediately!

When Yash Nics walked out the door, the battle behind him was over.

Zhu Chengyang’s neck was broken, and his body floated on the hot spring pool. Several of

his men fell by the hot spring. The two women who waited for Zhu

Chengyang to take a bath

covered their mouths with horror and did not dare to speak.

Dong Tianbao and Dianchu turned around methodically, and followed Yash Nics away.

When the news of Zhu Chengyang’s death reached Zhu’s family in the provincial capital of

Tianhai, there was already a special team in the provincial capital to investigate Zhu’s

crimes committed by the evil forces over the years.

Many people in the Zhu family were arrested one after another, and many businesses were also hit.

In a short period of time, the four famous families in the south of the past have completely collapsed.

Zhu Kuchan also fell ill directly because of continuous blows.

Just as Zhu's family fell and scattered, suddenly a convoy composed of a Maybach and

three Land Rover drove into the Zhu family's ancestral home.

A burly man in combat boots, with a dozen of his men, got out of the car.

This person is the illegitimate son of Zhu Kuchan, Zhu Zhijie.

Zhu Zhijie is the illegitimate son of Zhu Kuchan. Zhu Kuchan wanted to take Zhu Zhijie back

to Zhu's home several times and recognize his ancestors.

However, Zhu Zhijie had always been indifferent to his mother and son when Zhu Zhijie was

young, so he never agreed to return to Zhu's home and refused to admit his ancestors.

Zhu Zhijie grew up in a slum, learned to fight since he was a child, and has a violent and cruel personality.

When he was young, he would live well in order to prove that he did not recognize his ancestors.

So he went to Southeast Asia alone.

In the past ten years, he has traveled to Southeast Asian countries and gathered a group of desperadoes.

In Southeast Asia, where the drug lord is like a cloud, he has made a name for himself, nicknamed Yama.

I wish deserted dilapidated mansion, the old housekeeper wish to see the classic

appearance with the similarly Zhu Zhijie, surprise and said: "My God, San Ye, you are finally

willing to go home.”

Zhu Zhijie Chen Sheng said: “My dad do?”

The old Butler: “The family of Zhu has been crushed recently, and the master has fallen ill.” Zhu Zhijie’s eyes are cold:

“With me, the

family of Zhu will not fall. Whoever wants to destroy our family of Zhu, I will slaughter. His

whole family!” The

old housekeeper took Zhu Zhijie and his entourage to Zhu Kuchan’s room and saw Zhu

Kuchan lying on the bed.

Originally dying, Zhu Zhijie came back when he saw Zhu Zhijie, an illegitimate son who had

always refused to recognize him.

He sat up excitedly: “Zhijie, it’s really you!”

Zhu Zhijie choked and said: “Dad, the child is not filial, the child is back!”

Zhu Kuchan took his son’s hand and said happily: “It’s good to come back, and it’s good to come back.”

Although Zhu Zhijie refused to admit his ancestors these days, but He had already

recognized his father in his heart, but he was stubborn and refused to return to Zhu’s home.

This time Zhu’s family changed, and he had to come back.

Zhu Zhijie said in a deep voice: “Dad, don’t worry. When I come back, no one can bully our

Zhu family.”

“I have money and guns in Southeast Asia and a bunch of brothers. I will definitely bully

when I come back this time. We wish everyone in the family to kill them all.”

Zhu Kuchan said: “Son, Dad knows that you are great. But your power is in Southeast Asia.

For revenge, we’d better have the support of local big people.”

“You today In the evening, I went to visit Lord Tang of Jiangnan and said that we would like

to dedicate half of our family business to him. Ask him to help us get

ahead and seek revenge on Yash Nics.” Zhu Zhijie felt that his father was right, and he nodded: “Okay, I will do it tonight. Go visit Lord Tang.”
