

# Chapter 2622– 2623 of A Dish Best Served Cold Novel

## Chapter 2622

“I tell you, like this kind of people, any of their behavior, whether right or wrong, the weak, we are not qualified to evaluate.”

“Before you are strong, just shut up.”

“If you don’t, you will surely get angry!”

Among the crowd, the old man said with trepidation and anger.

The young man bowed his head, facing the reprimand of his elders, naturally he dared not speak.

As for the others who didn’t know the King of Persia, after learning that another titled master had arrived, they were undoubtedly scared to numb their scalp.

“Oh my God!”

“What the hell is going on today?”

“In weekdays, those titled powerhouses who only live in legends have now appeared two at a time.”

“No, three~”

“The strength of the Huaxia Youth, I’m afraid it is comparable to the title~”

“It’s a pity, it’s dead.”

Before the cave, many people were panicked, with waves swept in their hearts.

With endless trepidation and awe, they looked at Gaia and Fentian from a distance like this.

As for Mark, who was once in the limelight, everyone present had no emotions except a little regret.

After all, a fallen person, no matter how strong he is, no matter how evil he is, he will eventually become the cloud of the past, and naturally no one pays attention.

Now almost everyone’s attention is undoubtedly placed on the two of Fen Tian and Gaia.

Of course, the only exception here is Angel, the little girl who walked with Mark all the way.

With so many people present, An Qi was the only one who was so sad and weeping after seeing Mark fall.

“Brother Mark~”

“Brother Mark~”

“Woohoo~”

“Let go of me, I’m going to find brother Mark~”

“Let go of me~”

Long before the battle between Mark and Burning Sky began, Mike Jones looked for an opportunity to take his sister over.

At this time, the girl was struggling violently, crying to find Mark.

“Angie, that’s enough, don’t be capricious.”

“He is dead.”

“It’s useless if you go.”

“I’ve already said that someone with a personality like him is destined to not live long.”

“Now that he falls into the hands of others, he is also responsible for himself.”

Mike Jones would naturally not let him pass.

From the beginning to the end, he didn’t have a good impression of Mark. Now that Mark is dead, it is a trouble for them.

As for the noise behind them, Gaia and Fen Tian naturally did not care.

It’s just a group of ants, it’s not important at all.

Now, for them, the most important thing is undoubtedly entering this cave and looking for treasures.

“Gaia, let’s go in and take a look.”

“To let this bastard lay down his life to protect him, I think the treasure you mentioned should be in this cave.”

Mark is dead, and there is no obstacle in front of Fen Tian and the others.

Therefore, he planned to enter the cave and search for treasures.

“Okay, let’s go.”

“Let’s talk about it first, if we really get the treasure, we will share it equally.” Gaia said in advance.

“That’s natural.” Yin Tian Wang Fen Tian smiled happily.

However, just as the two raised their steps, preparing to cross the ruins of Mark’s fall and enter the cave, who would have thought that under the ruins, there was a pair of muddy hands, and they quietly stretched out like this , And tightly grasped the feet of Fen Tian and Gaia.

Then, a hoarse but firm sneer came out quietly.

“The dragon lord, still... haven’t he died yet?”

“Yes... with me, you... none of you can go in.”

## Chapter 2623

“With me, no one...no one can enter~”

The low and hoarse words quietly echoed under the setting sun.

In this valley, there is no rest for a long time.

It’s just that, perhaps because of the serious injury, or too weak, the voice seemed so weak.

Like a candle in the wind, it may be extinguished at any time.

However, it is such a faint sound like a spark that falls in the ears of everyone, but it is almost a matter of great importance, and it is deafening.

In this way, in the shock and violent eyes of everyone, above the ruins, the thin and bruised figure stood up again.

There was a firm smile on the bloody side of his face.

The small body is thick and heavy like a mountain.

For a moment, everyone was stunned, looking at the boy in front of him in disbelief.

“This this...”

“This boy, he...he is still alive?”

“Two... two big titles besieged and killed with a stab in the body, and they were struck by lightning.”

“It’s all like this, actually... still alive?”

I rely on!

I’ll go to Nima~

Could it be better?

The people present almost trembled madly.

Everyone stared at his eyes, looking at Mark standing on the ruins with his head up high like a monster.

They never thought that this Mark could not only fight, but also be so resistant.

It's not dead yet?

Not only the people around, but also the two titled masters, King Yintian and King of Persia, the whole person was also dumbfounded at that time.

“This... how is this possible?”

“With a knife in the body, I was hit by mine again.”

“Even the iron man must die.”

“He...he could stand up?”

The corners of the mouths of the King Fentian and Gaia of Persia twitched, their faces full of consternation.

However, the Yintian King Fentian calmed down soon.

Although it is hard to imagine, this kid is indeed not dead. King Yintian had to accept this fact.

He looked at Mark and suddenly smiled: “Your name is Mark, right?”

“Very well, even if you fall today, I will remember the name Mark.”

“Don't feel honored, this is my respect for a strong opponent.”

“Seriously, although you are young, you have given me too many accidents.”

“If nothing is happening today, ten years later, maybe I won't be your opponent.”

“But it's a pity, you have no chance.”

“Everything, that's it!”

Fen Tian had run out of patience. After Sen Ran's words fell, he slapped Mark angrily on his chest.

Bang~

While his energy was overflowing, Mark was slapped to the ground by Burning Heaven.

The rocks shattered and the woods flew everywhere.

In the place where Mark stood before, there was a ravine in an instant.

“Go to hell!”

After a palm fell, Fen Tian didn't have any intention to stop, and the long knife in his hand flew down angrily.

Huh~

The long sword entered the body, blood flowed across.

Fen Tian's knife pierced directly from behind Mark.

Immediately afterwards, he pulled out mercilessly.

Yin Hong's blood immediately drenched the clothes behind Mark.

"Now, I should die."

After Fen Tian pulled out the knife, he gave a grinning grin, and a smile of relief and relief appeared on his old face again.

"Idiot, if you pretended to be dead just now, you might have escaped."

"I have to stand up again to stop this king."

"Undoubtedly seeking a dead end."

Fen Tian lowered his head and indifferently glanced at the corpse in the pool of blood in front of him, sneered, then put away the knife and walked towards the cave mansion again.
