

Chapter 2628– 2629 of A Dish Best Served Cold Novel

Chapter 2628

That radiating energy even sharpened all nearby hills.

However, the two attacks did not stalemate for too long.

Soon, that purple light sword aura blasted Fen Tianqin's full attack and directly dispersed.

“what?”

“This... how is this possible?”

Fen Tian was shocked to see that his sword technique was broken in an instant.

In panic, he stepped on the ground and retreated again and again.

However, no matter how fast he reacts, how fast he can pass the sword.

I saw that purple sword aura, under the attack of breaking through Fentian, it left unabated, and swept towards the direction of Yintian King Fentian.

Whoosh~

Zihua flashed past, and the sword energy entered his body.

Fentian, the King Yintian, immediately snorted and vomited a mouthful of blood.

His whole body was also impacted by this sword qi, and he was shaken back 100 meters.

“Who?”

“Who attacked this king?”

“Get out of here!”

After being injured, King Yin Tian vomited the blood from the corner of his mouth, immediately raised his head and scanned the surroundings, the voice of anger resounding through the wilderness like billowing thunder.

And at the moment when Fen Tian's anger fell, a beautiful figure of the alluring city appeared quietly between the heaven and the earth.

The green silk fluttered, she was lost and stood.

Bing muscle and jade skin, she is graceful and luxurious.

The woman who returns to the top is only the queen of the world.

Fenghua, peerless!

At this moment, the whole world seems to have stagnated.

The wind does not blow, and the grass does not shake.

Everyone was stunned in place, staring at the front in a daze.

Everyone's eyes are full of shock and surprise.

What kind of woman is that?

She covered her face with a veil, but she couldn't hide her peerless face.

The long skirt concealed her body, but she could not conceal her peerless majesty.

Just standing there, there is a kind of nobility and grace above all beings.

Her stunning appearance and her noble temperament made almost everyone embarrassed.

What's more, there is the urge to kneel down in my heart.

Many people can't help feeling that if someone can conquer such a graceful and noble woman, it is estimated that the men of the whole world will envy and jealous of him.

She can make all living beings bow their heads, but at night it is only his "princely".

Sometimes, the most enviable thing in this world is not to conquer the world. It is the one who conquered the world, conquered by you.

However, apart from the shock, almost everyone has a common doubt in their hearts at this time.

“This... this woman. Who is this?”

“Could it be... another titled master?”

Among the crowd, someone shuddered and said.

Just now, they knew that the masked woman in front of them broke Fen Tian’s ultimate move with one sword, and directly shook Fen Tian 100 meters away.

Although there is only one sword, but a glimpse of it all knows the whole thing.

Just from the majesty of a sword, everyone felt that the strength of the woman in front of him was afraid that it would no longer be under the king of heaven and others.

If this is the case, doesn’t it mean that there are a total of four title-level masters appearing at the same time today?

“Damn~”

“What the hell is going on today?”

“So many “fairies” appeared all at once?”

Thinking of this, many people almost cried with fright, and only felt that their scalp was numb.

When everyone trembled, Mike Jones’ eyes were slightly surprised.

I don’t know why, he always felt that the figure covering the gauze in the distance was a bit familiar.

“Could it be that the master of the door?”

Chapter 2629

Mike Jones secretly guessed.

Of course, he was just guessing.

After all, the sect master of Chumen has always walked alone, and the trail is also a dragon without seeing the end.

For so many years, Mike Jones has only seen both sides of the Truman Sect Master.

One time was the day the sect master took the throne, and the other time was a quick glance from the previous few days.

It is precisely because he is relatively unfamiliar with the Chumen master, that he dare not determine whether the masked woman in front of him is the leader of the Chumen master, who is the world leader, and holds the highest authority in martial arts?

Everything needs to be confirmed.

Ignoring the tremor and panic of the people, I saw this noble woman with a veil, after Yijian defeated the Yin Tianwang Burning, her figure flashed, and the graceful body immediately appeared in front of Mark.

“You...you smelly... girl, you can finally give it up~”

“Lao Tzu, no.. Didn't break your promise.”

“Say no one will be allowed in, so...no one will be allowed in.”

Mark laughed in a low voice, his breath was weak, and his words were shaking.

No one knows what kind of heart-piercing pain Mark is suffering at this time.

However, after seeing Yu Yun exit, he still laughed.

The smile was gentle, like the sunshine of spring.

With relief, with relief, as relieved!

At this time, Mark had already been seriously injured, and his whole body was almost bloody.

Especially two penetrating injuries on the back, almost injuring the lungs and organs.

Yu Yun can hardly imagine how the young man in front of him can survive such a severe injury with the kind of perseverance.

Moreover, after seeing him, he could even laugh calmly.

At this moment, even if it was as cold as the lasting rhyme, on top of the stunningly pretty face, she couldn't help showing a bit of emotion.

“Why do you do this?”

“You and I are not relatives, you don't have to pay for me like this.”

Yu Yun's words were still cold, and when she said these words, she tried hard to keep herself calm and calm.

Mark smiled back: “There is no why, since I promised you, I should do it, right?”

“Besides, you and I are not relatives, but you were not willing to give me ice spirit fruit before.”

“I am a person, after all, I don’t like to owe others.”

Mark’s weak words sounded slowly.

This time, I have always maintained an elegant aftertaste, and after all, I can no longer control the emotions in my heart.

Looking at Mark, who was dying in front of her, she didn’t know whether it was because of guilt or distress. Her beautiful eyes gradually turned red, and there seemed to be glittering sparkles in her eyebrows.

She opened her mouth and wanted to say something.

But, perhaps because of her character, she is still not used to caring about people after all.

Those concerned words that came to the mouth were still not spoken in the end.

“Cough cough cough~”

At this time, Mark suddenly coughed violently, and a little blood flowed from the corner of his mouth.

Yu Yun quickly took out a crystal-colored handkerchief from her arms and awkwardly wiped the blood from the corners of Mark’s mouth.

“It seems that it should not be the master of the door.”

“With the coldness and arrogance of the sect master, it is absolutely impossible to surrender himself and wipe the blood stains of an unknown junior personally.”

“It is estimated that it is a titled master in Yanxia.”

After seeing the allure woman in front of Mark taking care of Mark so intimately and compassionately, Mike Jones couldn’t help but shook his head and rejected his previous speculation.

After all, in Mike Jones’ heart, how graceful and noble the Truman Sect Master was.

How could a woman like this high-ranking and supremely powerful woman be so surrendered to do such things of serving people, let alone be so close to a member of the opposite sex.
