

Noble Husband At the Door Chapter 263

There were still many areas that Samuel was familiar with. After getting off the plane, Yan Jun said to him, "Go and have some fun. Bear in mind to go home tomorrow."

Samuel nodded and really did not state anything.

It was a big area, so he had not been to several of them. No matter where she went, Grandma would only take Han Jun with her.

He needed to stay at residence. He could just wait up until Han Jun returned home, and after that inform him where the fun was.

When he was a child, Samuel anticipated the theme park that Han Jun had pointed out. He vouched that he would certainly drop in it himself when he grew up.

Nevertheless, when Samuel really grew up, he had never existed. That was the area where Han Jun had gone, the location Grandmother had actually left for him. He understood that even if he went there, he would not be happy.

Fengqian Structure.

As a widely known business there, Fengqian also associated with a lot of markets. The chairman of Fengqian Company, Leroy, had a high status. Although he can not be listed in the circle of those huge families, there would certainly still be lots of people that would value him prior to that.

Samuel did not have a certification, so he was visited the security personnel of the business.

The safety guard's mindset was extremely discourteous. He directly asked Samuel to get out of here.

"Obtain Leroy ahead out," Samuel stated any which way.

Hearing this, the guard could not help laughing.

" Bastard, that the fuck are you? Do you assume you are qualified to see our chairman?" The security guard sneered.

" Do I deserve it or otherwise? Get him to find out. You are naturally aware of it." Samuel stated.

" Obtain out of here. Do not you see what kind of individual you are to desire to see our chairman?"

" Little bro, let's go. Our Fengqian's head of state is not a person you can fulfill at will."

Also if he has never ever seen much of the globe, he should have watched TELEVISION. Our chairman commonly reveals up on TELEVISION."

Samuel stood at the door like a statuary of Buddha. He did not move in all.

Seeing this, a number of security personnel frowned.

" You don't pay attention to recommendations. You don't understand how powerful it is up until you get battered, do you?"

" Damn it, let's beat this dog initially."

" The chairman will certainly be back in a while. You can not allow this point cause trouble."

Numerous security personnel rolled up their sleeves and strolled towards Samuel strongly.

Equally as they will do something about it, a Bentley stopped at the business's entryway. A number of security guards immediately do away with their arrogance.

" It's over, it's over. The chairman is back. If he finds out that we can not even manage such a small matter, he could shed his work."

" Damn it. If I shed my task, I will beat this bastard hard."

" Bastard, it's your whole mistake. Just wait and see."

Leroy, who remained in his thirties this year, was definitely one of the most outstanding person of this age. After leaving the cars and truck, his height, which was virtually 1.9 meters, made individuals really feel that his aura was extremely powerful. This could be seen from those anxious security guards.

" Chairman."

" Chairman."

" Chairman."

Leroy stated with dissatisfaction, "What's taking place? Why are you still making trouble at the business's entry? Do not you understand that it will affect the business's image?".

A number of guard were stunned. One of them swiftly stated, "Chairman, he intends to see you. We have actually tried to persuade him sometimes, yet he declined to leave."

Leroy grinned contemptuously as well as said, "There are too many individuals who want to see me. That do you think you are? Leave right here."
