

Chapter 2636– 2637 of A Dish Best Served Cold Novel

Chapter 2636

Immediately afterwards, the power of the sword tactics remained undiminished, and with unstoppable power, it swept towards the positions of Fen Tian and Gaia.

“what?”

“This... how is this possible?”

“My joint strength with Gaia is actually under her hands, can't hold back the slightest?”

After seeing that his powerful offensive was broken in an instant, King Yin Tian was immediately stunned.

He stared dead, staying where he was, eyes full of disbelief.

She shook her head and snarled.

“Roar your sister, roar!”

“Don't leave soon?”

“Do you really want to die?”

Gaia knew how to advance and retreat.

At the moment when the attack was broken, he turned around and ran away without saying a word.

Nonsense, don't you run and wait to be hacked?

However, seeing Yu Yun's offensive have swept through, the idiot of King Yintian still stunned there and said that it was impossible.

Gaia suddenly became angry with Qiqiao, kicking Fen Tian out while cursing.

“Hurry up~”

Gaia was still shouting.

However, no matter how fast the two of them are, how fast can they pass Yu Yun's powerful sword energy.

In the end, the two of them were still swept away by Yu Yun's Jian Qi.

They all snorted, vomiting blood one after another and flew out.

Along the way, countless mountains, rocks, and trees were smashed, and finally hit on a hill.

Boom~

The rock cracked, and the falling gravel buried the two of them directly under the ruins, and never came out.

With the defeat of the two Fentians, this peak showdown was over.

Everyone in the audience was shocked and silent.

Many people kept their mouths open and gasped for a long time without speaking.

Strong!

too strong!

It's completely overwhelming.

Before that, who would have thought that if the two titles encircled one person, not only did they not get any benefits, but they were directly swept away by the other party.

Yes, it is sweeping.

The woman in front of her, with the force of destroying the dead, the three swords exploded the titled master of the two most powerful parties.

The surging momentum is only if the boiling oil melts the remaining snow, like the autumn wind sweeping the fallen leaves.

There is no suspense at all!

A few seconds ago, Mike Jones and others still felt that the woman in front of them was afraid that it would be violent, but this stunning woman, with naked reality, severely smashed everyone's faces.

"Oh my God!"

"too strong."

“One-to-two, and still win?”

“Ye Qingtian, Asia’s number one powerhouse, definitely doesn’t have this majesty, right?”

“who is she?”

“When did the martial arts world appear again, such a strong one?”

After a brief silence, the crowd immediately boiled.

The eyes of everyone looking at Yu Yun were already full of enthusiasm and admiration.

However, the aftermath of their respect and worship fell on deaf ears.

For someone like her at the pinnacle of extreme power, there is no place for these little people in her eyes.

Just like Mark when he first met, he couldn’t get her eyes.

But now, maybe even Yu Yun doesn’t know it, at this moment, Mark is all alone in her eyes.

The anger is for him.

The murder was for him.

The tears and laughter were all for him.

Before she knew it, that young man had already occupied such an important position in her heart.

Especially after seeing the shocking injury on Mark just now, Yu Yun felt an inexplicable sadness and tingling in her heart.

That feeling, as if hurt, is the closest person in the world to her.

It also seems that those wounds are hurting me.

Chapter 2637

Yu Yun didn’t know why she felt this way.

The only thing she knew was that for the first time in so many years, she was so angry because of another person’s injury.

Angrily only wanted to kill these two people who hurt Mark.

Of course, Yu Yun is not just thinking about it, but actually doing it.

Just like now, after relying on the Yunyan Sword Art to defeat the Fentian two in one fell swoop, Yu Yun didn't have any intention to stop.

Holding the sword, she walked slowly towards the ruins where the two of Fen Tian fell to the ground.

In the beautiful eyes, murderous intent rises.

On the long sword, the cold wind filled it.

Even if they were a kilometer away, An Qi and other onlookers could still feel the monstrous killing intent from this woman.

Boom~

At this time, a muffled noise suddenly came out.

Everyone saw that the gravel exploded, and the buried bodies of Fen Tian and Gaia, dragging their embarrassed bodies, stood up again.

However, at this time, they no longer have the majesty and demeanor they had before.

Embarrassed, just like two eggplants beaten by frost.

The scarred body was also covered with blood.

It seems that the blow of Yu Yun just now completely shattered the pride of the two of them.

As a result, they looked at Yu Yun with a bit of trepidation and awe.

"Friend, we served it."

"Stop here, okay?"

"We don't want the treasure in that cave."

"We also apologize to you and your partner for what happened before."

"Thousands of mistakes are our fault."

"It's our fault and offended both of them."

“We are leaving now, and we won’t step into this place anymore in this life.”

Fen Tian and Gaia were really scared.

They only think that this couple are two monsters.

No one can fight to death, no one fights to win.

What’s more, neither of these two people is normal.

For the current plan, it is better to stop the loss in time.

Even if you lose some treasures, you can at least save your life.

Otherwise, if you continue to fight with the woman, let alone the treasure, your life will be lost here.

However, in the face of the weakness of these two people, Yu Yun turned on deaf ears.

I didn’t even pay attention to them, the pace did not stop, and the seven-foot long sword in his hand was not sheathed.

“Ok?”

“Friend, what do you mean?”

“Do you have to kill us all?”

“Let’s stay on the sidelines and see each other later.”

“There are some things that you don’t need to do too much.”

Gaia’s brows suddenly darkened, and he spoke to Yu Yun in a deep voice.

However, Yu Yun remained silent.

The raging killing intent on his body has not disappeared at all, but it has become more intense.

“Friend, you can think about it.”

“We may not be your opponent, but if we fight with you regardless of the consequences and cost, even if you win in the end, it will be a miserable victory.”

“For anyone in this world, it is not a wise move to fight with a titled master.”

“What’s more, are you facing two titled masters now?”

“With this time, you might as well take your little boyfriend to find a place where no one is there to heal.”

Fen Tian was still talking.

He is trying to avoid it, and the fastest situation will come.

After all, that kind of situation is not what Gaia and Fen Tian would like to see.

This time, facing Gaia’s words, the red lips under the after-rhyme veil finally moved.
