"Is that so?" Samuel stated coldly, as if a superior was speaking to an ant.

It was simply these words, but this acquainted voice made Leroy tremble throughout.

He ...

When Leroy transformed his head and also saw the familiar face under the cap, if there were nothing else individuals, Leroy would certainly nearly stoop down!

" Why did he come back suddenly?"

Many individuals can not tell the difference between Samuel and Han Jun, but Leroy recognized the qualities of these two people. Han Jun was still locked up in Cloud Dragon City, so it was impossible for him to be below.

" Mr. Han ... Mr. Hannigan." Leroy's mouth was completely dry and his tongue was completely dry. He was extremely rueful for his arrogant mindset a minute earlier. He bowed a little and shouted at Samuel.

" Is it that difficult to see you currently?" Samuel asked faintly.

" No, no, no." Leroy swung his hand in a panic as well as stated, "Please feature me, Mr. Hannigan."

The bodyguards were stunned when they saw Leroy's sudden change in attitude.

Who was this man? He might actually make the chairman of the Fengqian Group so scared!

Surprised, they viewed Leroy brought Samuel into the company. In addition, it was Samuel who was in front and Qin Lin that was behind him.

" This ... That is he? Our chairman is so considerate."

" Damn, we didn't offend any kind of big shot, did we?"

" Damn it, it's truly over. What should we do? What should we do?"

Numerous security guards burst out in a cold sweat and looked thrown off balance. They never fantasized that this ordinary young man could be so powerful.

Leroy backed up Samuel, treading on thin ice. Others could not know how effective Samuel was, yet he recognized effectively that this male, who was not valued by the Hannigan family members, had currently set up his own secret steps before he became a grown-up. Even he, referred to as the very best male in his thirties, was just a chess piece in Samuel's hand.

" Mr. Hannigan, when did you ...".

Peng!

Before he could complete his words, Samuel turned around as well as kicked Leroy. Leroy took a few go back and also knelt on the ground.

" Mr. Hannagan, I'm sorry, I'm sorry." Leroy submitted in a panic.

" It's been a few years considering that we last met. You appear to have neglected who you are," Samuel claimed emphatically.

" After Han Cheng mosted likely to the medical facility, the circumstance was not really confident. Now, he should have invested a lot of money to maintain his breath," Leroy stated.

" I'm back. It's time for him to pass away," Samuel indifferently.

Hearing this, Qin Lin's eyelids jumped!

After leaving Fengqian Firm, at the entryway of the firm, the security personnel who had been rude to Samuel said sorry to him. They practically stooped to apologize to him.

" Mr. Hannigan, we were blind just now. I'm sorry. Please forgive us."

" Mr. Hannigan, we were wrong. I hope you won't let Chairman fire us."
