

Chapter 2651

A few minutes later, Melody could not stand it anymore. Jackie punched her in the back. Her body trembled, and she collapsed on the ground.

Jackie took the advantage to continue her attack; she dashed in front of Melody and then lifted her delicate hand to seal Melody's acupoint swiftly.

Melody's exquisite face changed; she could not move a single muscle.

"Master is supreme!"

At that moment, one of Jackie's followers approached her and congratulated her. Then, he drew his longsword. "That woman is Darryl's apprentice, Sect Master. Just kill her!"

The follower stared at Melody, and

The follower stared at Melody, and his eyes shone discreetly as he talked.

'Beautiful, so beautiful, that Darryl is so lucky! He has a few attractive women as his soulmates and a beautiful female apprentice.'

They thought it was a waste to kill such a beautiful woman. However, they knew Darryl and their master had a deep feud; it was a life-or-death situation. So, that woman must die.

"Wait!"

Suddenly, Jackie shouted; she did not want that follower to take action.

"Don't kill her first." Jackie's beautiful brows raised as she looked around. "That place is very unusual. She is a Green Cloud Sect

disciple, so she should know what that place is! Take her around, see if you can find anything..."

Jackie was cautious. She knew that place was a little unusual. Hence, she wanted to get some clues from Melody.

"Yes, Master!"

Her followers replied unanimously; all of them were incredibly excited.

They had wished that their master would not kill that woman first so that they would have the opportunity to spend time with her.

Soon, a few followers escorted Melody into the tunnel.

"Let me go. Otherwise, the Green Cloud Sect will never forgive you." Melody did not stop shouting. She

Melody did not stop shouting. She was furious. Her acupoints were sealed, and there was nothing else she could do.

Jackie sighed in relief when she saw Melody was brought away by her followers.

When Jackie saw her followers led Melody away, she sighed with relief.

Then, Jackie walked forward and stared down at Darryl, who was unconscious. Her exquisite face looked angry. "You humiliated me, Darryl. I will make you pay twice that today!"

Jackie crouched and checked Darryl's body carefully. Finally, she found an enchanted beast pouch, some spiritual pills, and nothing else.

"That's weird. People like Darryl

"That's weird. People like Darryl will never appear in a place easily." Jackie furrowed her brows as she started to mumble to herself. "If he appears here, then there must be some treasure here."

Jackie was furious. She was confident that Darryl must have found some treasure, who knew there was nothing.

At that time, she did not know that Darryl was unsure about the place too. The people who knew the secrets of that place were Woody and his brother, who had just run away.

Sigh!

Then, he heard a soft moan from Darryl, who had started to regain consciousness.

The moment he opened his eyes, Darryl felt a sharp pain from the

Darryl felt a sharp pain from the spot where he was injured. 'Sh*t! Those two brothers are ruthless. Luckily, I have my power to protect myself. Otherwise, their punches would have crushed my heart.'

Sh*t!

As he mumbled in his heart, Darryl lifted his head and was immediately stunned. He gasped.

He saw Jackie about half a meter from him. He was not sure if she was smiling or otherwise as she stared at him.

Darryl furrowed his brows; he became alert subconsciously. However, he kept his eyes on her.

At that moment, Jackie was in a long black dress. Her sexy figure was undeniable to any man.

Jackie was just too sexy, and no

Jackie was just too sexy, and no man could resist her body's mature aura.

Darryl felt the same too. Even though there was a deep grudge between them, Darryl was deeply attracted to that woman.

"Darryl!"

Just as Darryl was engrossed in staring at her, Jackie said coldly, "Unexpected, right? You landed in my hands so quickly again."

Chapter 2652

When she said that, Jackie's exquisite face was filled with hatred. Her red lips lifted; she looked really alluring.

Darryl did not speak. He looked up and down at Jackie as his brain spun.

spun.

'Sh*t! If I did not lose my focus when I saw her, Woody and his brother would not have been successful in ambushing me.'

'I have taken Jackie's virginity; she would never forgive me.'

Darryl looked around his surroundings. He did not see Melody, and he had a bad feeling. He said, "Where is my apprentice?"

"What do you think?"

Jackie's face was loaded with mockery. She said, "She is your disciple; do you think I'd let her go so easily?"

Sh*t!

Darryl clenched his fists tightly. He was worried. "What did you do to her?!"

The more Darryl showed his worry, the happier Jackie felt. She grinned and said, "Look at your worried face. I did not kill her. However, her survival depends on you."

"What do you mean?" Darryl said casually as he calmed down.

Darryl's face did not show any emotion. However, he started to activate his internal energy discreetly to heal his injuries.

"What place is this? What are you doing here with your apprentice? Answer honestly, and don't try to hide anything." Jackie did not waste time; she questioned him coldly.

Darryl sighed discreetly when he heard that. He realized that Jackie had entered that place by accident.

Then, Darryl replied, "I only knew

Then, Darryl replied, "I only knew that this place belonged to the Raksasa Tribe. I do not know what else is hidden here."

"Is that true?" Jackie smiled. She walked forward and lifted her feet. Her stilettos landed on Darryl's shoulders; she stepped on him.

The next second, Jackie used all her might. The tiny heels of her stilettos penetrated Darryl's skin instantly.

"Argh!" Darryl shouted. He started to sweat profusely. Darryl still required a few minutes to heal his power completely.

Darryl knew that before his power healed, he must not let Jackie realize that he was healing himself. Otherwise, she would definitely kill him.

him.

So, he made a plan. He would pretend to be weak to trick Jackie, to make her lower her guard.

As expected, Jackie was delighted when she saw Darryl's suffering. "Painful, isn't it? Tell me everything if it is painful; stop fooling with me."

Sh*t!

Darryl was furious. He glared at Jackie. 'I have told the truth, and yet she does not believe me.'

The next second, Darryl's eyes were glazed over, and the nose in his blood almost exploded! At that moment, even though Jackie was in a long dress, due to the close distance, Darryl could only see her long fair legs when he raised his head.

head.

Buzz!

At that moment, Darryl could only feel that his mind had gone blank, and it was buzzing. He must admit that Jackie's anger made her look seductive.

Finally, Darryl regained his thoughts and swallowed his saliva discreetly. He tried his best to calm down.

'Sh*t! I am a famous person across the Nine Mainland. It is so humiliating for a woman to step on me.'

"Darryl, do you feel dissatisfied? Aren't you very powerful, huh? You didn't expect that you would end up like this one day, right?" Jackie grinned coldly when she saw Darryl's reaction.

Darryl's reaction.

It felt great to be able to kick someone with stilettos.

Darryl gasped. That kick sent him a few meters backward.

Darryl wiped his face. 'Sh*t, Jackie is too cruel. Even though I took your virginity, you were under the influence of Zhang Jue's medication. I did not initiate that.'

Chapter 2653

Darryl tried his best to stand up. However, Jackie did not wait for him to stand fully. She rushed forward and slapped him on his face!

Slap!

Jackie used all her might in that slap. Darryl could feel half of his face was numb. Fresh blood oozed

face was numb. Fresh blood oozed from the corner of his mouth.

Darryl was furious, but he was not completely healed. Hence, he could only bear it.

"Darryl, I am giving you one more chance. If you agree to my conditions and kneel before me to admit that you were wrong, I will let you go." Jackie looked unsure if she was laughing or otherwise as she spoke, and she looked extremely arrogant.

"What conditions?" Darryl asked calmly as he wiped the blood from the corner of his mouth.

Jackie smiled coldly and walked forward. She said, "First, kneel before me and admit your wrongdoings.

"Secondly, give me the Heavenly Halberd and all the techniques you

Halberd and all techniques you have ever cultivated.

"Thirdly, this place must be full of treasures. You must bring me to all of them!"

When she said that, Jackie had a confident smile on her face. Her eyes were icy cold.

Apart from Darryl, Zhang Jue was also her enemy. She would not have lost her virginity to Darryl if it were not because of him.

Jackie had a plan. After she took care of Darryl, she would deal with Zhang Jue next. However, just like Darryl, Zhang Jue was also really powerful. She was not his match if they were to battle one on one. The situation would be really different if she were to learn Darryl's techniques.

Darryl laughed discreetly when he

Darryl laughed discreetly when he heard that. 'This Jackie is too greedy. Not only does she want the Heavenly Halberd, but she wants my techniques too?'

Jackie was furious when she saw Darryl's cold smile and said nothing. She shouted, "Darryl, I don't have much time to deal with you. Kneel if you do not wish to die. Did you hear me? Kneel!"

Jackie looked utterly mad when she shouted the last sentence.

'That woman is crazy!'

Suddenly, Darryl dashed forward and grabbed Jackie's hands. He did not give her a chance to regain her thoughts before he pinned her against the wall.

Jackie's body trembled; she did not expect that Darryl would recover his power so soon. He had been hit

his power so soon. He had been hit twice, and yet he had recovered in such a short period?

She was still in shock, but she struggled to get free. However, Darryl pinned her hands behind her back. There was no way for her to break free.

Slap!

Darryl hit Jackie. A crystal-clear sound followed that. Then, he said, "Sect Master Yale, you like to torture others. How does it feel when you are the one tortured?"

Then, Darryl hit her again.

"You —" Jackie bit her lips tightly as she moaned.

"I will kill you, Darryl!" Jackie regained her thoughts. Her gorgeous face blushed as she shouted, "Let go of me now. Let go

shouted, "Let go of me now. Let go of me!"

"Let you go? Do you think that's possible?" Darryl did not release her, of course. He smiled as he looked at her. "Did you let me go when I was in your hands earlier?"

Jackie bit her lips; her face was flushed. She was incredibly furious.

Darryl continued to smile. "Not speaking now? Are you addicted to being hit? Don't tell me you enjoyed being tortured?" Darryl hit her again.

Jackie's body was pinned tightly against the wall. Her lovely face was filled with layers of sweat. She kept her silence.

'What's going on?'

Darryl furrowed his brows discreetly when he sensed Jackie's

discreetly when sensed Jackie's emotional changes.

'Did I crush her dignity, and she can't let it go?'

Jackie regained her thoughts when she saw Darryl looked at her in deep thoughts. She was both furious and shy. "You! What do you want?"

Jackie's face was still blushing when she said that. She felt incredibly worried.

'It's just him and me here. This b*stard is not thinking about—'

Chapter 2654

"What do you want me to do?"

Darryl smiled and said as he stretched his hand and hit her another time.

A smile appeared on Darryl's face. I

A smile appeared on Darryl's face. It was at that moment that Darryl lifted his hand and sealed Jackie's acupoint.

Jackie's body trembled, and she could not move a single muscle.

"Let me go, Darryl. Get lost!"

Jackie could not stop shouting. As Darryl sealed her acupoint, she could not move an inch! She could only continue to shout.

Darryl chuckled.

"What if I don't want to leave?"

Darryl smiled and looked at Jackie. 'Sh*t, she stole my exquisite pagoda three years ago, and then she left me to die in that cave.'

'Now she even wanted to take my life.'

Darryl smiled as he teased Jackie. "

I know you hate me, Jackie. You

I know you hate me, Jackie. You hate me for taking your virginity, but don't forget, it was you who ambushed me in the first place three years ago. You almost caused my death. Besides, you were under the influence of Zhang Jue's medication — "

Jackie's face blushed; she immediately interrupted him.

"Shut up!" Jackie was furious. 'That Darryl is still trying to be noble when he has taken advantage of me.'

Darryl was not worried when he felt Jackie's hatred. He could not stop smiling. "Fine, let's not talk about that. The situation is very obvious now. Zhang Jue is getting more aggressive. You want to take action against him, and so do I.

Why are we arguing with each other? Wouldn't it be better if we

other? Wouldn't it be better if we cooperate instead?"

Cooperate?

Jackie bit her lips when she heard that. Her attitude was determined.

"It is impossible for me to cooperate with you." "That person violated me; I want to slice him a thousand times and chop him a hundred thousand times more.

How can I cooperate with him?"

Jackie was angrier than before; she glared at Darryl. If one's vision could kill, Darryl would have died countless times.

Sh*t!

Jackie's stare made Darryl feel even more enraged; he could not control himself anymore. He lifted his hand firmly and slapped Jackie's face!

Jackie's face!

Slap!

Jackie shouted in pain. Darryl had used all his might in that slap.

Jackie was stunned as she glared at Darryl in disbelief.

Slap! Darryl had no intention of stopping; he slapped her again!

"Jackie, you feel so proud, right? You thought you could take action against Zhang Jue and I at the same time, based on your power alone?" Darryl said coldly; his words were meant to humiliate her.

Darryl had not planned to end up in such an awkward situation with Jackie. 'This woman is too arrogant; I must take action to reduce her pride.'

When she saw Darryl's icy cold face, Jackie finally put down her

face, Jackie finally put down her ego and bit her lips when she begged him. "Darryl, let me go, let me go, please..."

"Why should I let you go?" Darryl said as he smiled coldly at Jackie.

"Darryl, I am begging you, let me go..." Jackie was about to cry. Darryl had sealed her acupoint; she could not react at all.

Darryl laughed as he mocked her. "You want me to let you go? Are you begging me now?" As he spoke, he took out a pill from his pocket.

That was the Heaven Cult Elixir pill. Darryl still had plenty of the pills that he had produced earlier. Darryl had not wanted to treat Jackie in that manner, but she was just too arrogant. He had to take extreme measures to handle her.

Darryl did not hesitate. He pushed

Darryl did not hesitate. He pushed the Heaven Cult Elixir into Jackie's mouth.

"You—"

Jackie had not regained her thoughts; she swallowed the pill immediately and stared fearfully at Darryl. Her gorgeous face was pale when she said, "What did you give me?"

Darryl smiled. "That is the World Universe's Heaven Cult Elixir. You should know about the Grandmaster Heaven Cult. It was a powerful sect from the World Universe about ten years ago. The Sect Master used the Heaven Cult Elixir to control his disciples."

Darryl inched closer toward Jackie as he looked at her. No one knew if he was smiling as he said, "After consuming the Heaven Cult Elixir, i

e was smiling as said, "After consuming the Heaven Cult Elixir, if you do not take the antidote within a year, your body will rot until you die, and you will suffer. You are so beautiful; it will be a waste to just die like that."

"You—"

Chapter 2655

Jackie's body trembled when she heard those words. Fear appeared for unknown reasons in her heart. Her entire body would rot until her death—it sounded scary just by the thought of it.

The next second, Jackie regained her thoughts and looked at Darryl in anger and fear. "What do you want?"

Darryl sighed. Then, he smiled and said, "It's simple. I have two

said, "It's simple. I have two conditions. First, hand over the thing you took from me."

"What thing?"

"Still pretending?" Darryl looked at Jackie as he furrowed his brows discreetly. Then, he smiled and said, "The exquisite pagoda!"

"No, that's not with me!" Jackie bit her lips.

Jackie had run away in a hurry when Zhang Jue wounded her. She left the exquisite pagoda at the Endless Sky Organization's main altar, so it was with Zhang Jue.

'Not with her?'

Darryl did not believe her. Then, he reached out to search Jackie's body.

Jackie was furious as she felt Darryl's body on her body, searching up and down. However,

searching up and down. However, she could not avoid that. Darryl discovered several jewels from all over the world on Jackie's body after he searched her twice, but the pagoda was nowhere to be found.

'Sh*t, it's really not here.'

"Cult Master!"

"Cult Master, we're back!"

Just as Darryl's anger burned, they heard shouts from the tunnel.

Then, a few shadows appeared—they were Jackie's followers.

'What's going on?'

When they arrived, they saw Jackie's body pinned against the wall; it did not look like she could move. As for Darryl, they were not sure if he was smiling as he stood there. Those followers were stunned.

stunned.

Oh...

Darryl did not hesitate; he dashed forward at lightning speed and sealed the acupoints of those followers.

All of them moaned softly, and just like Jackie, they could not move a single muscle.

Those people were terrified; they were utterly stunned.

'That's Darryl! Isn't he unconscious? With Cult Master's power, she could have taken control over the entire situation, so what happened? It had only been a few minutes, and Darryl had managed to capture Cult Master?'

However, Darryl was a famous person across the Nine Mainland, and it was not surprising that he

and it was not surprising that he could overturn the situation.

All of them were incredibly terrified.

Jackie's body trembled; her gorgeous face looked disappointed. At the same time, she was annoyed as she glared at her few followers.

She thought she could rely on her followers to reverse the situation. However, all of them proved to be weaker than others. With just a simple attack, all of them were defeated by Darryl.

"Please spare our lives, Sect Master Darby!"

"That's right; it is not our fault. Sect Master Darby, please forgive us."

The followers begged Darryl. All of them were no longer arrogant.

them were no longer arrogant.

Darryl did not show any emotion; there was no change in his sentiment. He looked at the few people and said coldly, "Where is my apprentice?"

Those people had captured Melody and went to investigate in the tunnels. However, they returned alone, and Melody was nowhere to be seen. That was really suspicious.

Chapter 2656

Just after he spoke, their leader replied immediately, "Sect Master Darby, that woman, I mean, your apprentice, is smart and intelligent. She ran away when we did not notice it. We were not able to find her. Hence, we are back to seek advice from the Cult Master."

Darryl chuckled discreetly.

Darryl chuckled discreetly.

A smile appeared on Darryl's face when he heard that. He was delighted.

'What a smart disciple! Melody is so intelligent; she still managed to escape despite those people's supervision.'

Jackie felt extremely terrible; her face was blushing.

'Why did I bring those few useless people with me?!'

"Jackie?"

At that moment, Darryl smiled and looked at the men in front of them. Finally, he teased Jackie. "Tell me, what should I do with your followers here?"

Jackie bit her lips; she felt incredibly awkward and did not

incredibly awkward and did not know how to reply.

Those disciples were worried; they almost cried and started to beg for forgiveness.

"Please spare our lives!"

"Please spare our lives, Sect Master Darby!"

The leader was so terrified that his knees buckled. He remembered something and said, "Sect Master Darby, I will tell you a secret if you let us go!"

That person seemed sincere.

A secret?

Darryl was stunned, and he was excited. He smiled and asked, "What's the secret? Tell me now!"

A dash of coldness flashed in Darryl's eyes. The rest of the

Darryl's eyes. The rest of the followers were terrified and were sweating profusely!

"Yes, I'll tell you. We found a secret underground tunnel. It was a huge underground palace. We dared not enter recklessly, so we decided to come back to report to Cult Master.

" The leader spoke with a trembling voice, and at the same time, he observed Jackie's reaction.

He had not wanted to share the secret at all. However, his life depended on Darryl; he might be able to live if he told him about it.

What? An underground palace?!

Darryl was excited when he heard that. Even Jackie was incredibly excited; her body started to tremble. At the same time, she glared at her followers.

They should have kept the news to

They should have kept the news to themselves. Instead, Darryl managed to take advantage of that.

"If you dare to lie to me, I will make you suffer until you wish you are dead." Darryl regained his thoughts and threatened the followers.

"I won't; I won't!"

The follower was terrified; he almost cried. Then, he waved his hand continuously. "I dare not lie to Sect Master Darby. I still remember the way there. I will lead you there. I just hope Sect Master Darby will let me go once we reach that place."

Darryl furrowed his brows and nodded. "Fine!"

He released that follower's acupoints and allowed him to lead.

Then Darryl trailed behind him.

acupoints and allowed him to lead. Then, Darryl trailed behind him with Jackie.

"Go!"

Darryl smiled and looked at Jackie as he said, "Let's go take a look at the place that your follower mentioned to see if there is any treasure there. You are also curious, right? You even searched me for that earlier."

"Darryl, since you know where the treasure is, then let me go!" Jackie bit her lips and begged Darryl.

Under normal circumstances, Jackie would never give up on such an opportunity. However, her future was still uncertain while she was in Darryl's hands. She was not in the mood to look for any treasure.

"It's not up to you to decide whether to go or not." Darryl

"It's not up to you to decide whether to go or not." Darryl smiled, but he spoke without a doubt. "Let me warn you, Jackie. It doesn't matter if you give me the pagoda or not, you will still belong to me in the future. Otherwise, your entire body will rot until your death a year later."

"You—"

Jackie was furious when she heard that. However, she had nothing to say.

Darryl did not waste more time. He grabbed Jackie and trailed behind the follower in front of him as they headed inward to investigate.

Chapter 2657

That was right!

After they walked for about a few

After they walked for about a few minutes, Darryl remembered something suddenly and paused at that spot.

'Melody managed to escape even under those people's supervision. She will definitely come looking for me the first chance she gets. However, it has been half an hour, but she still has not returned yet. Has something happened to her?'

Darryl was worried. He decided to look for Melody first. However, after he had searched for more than half an hour, Darryl was sweating profusely at the end, yet he still did not manage to locate Melody!

Sh*t!

At that moment, Darryl was frustrated. He looked at the environment around him, but he

environment around him, but he could not even see Melody's shadow.

That place was way too huge!

Sh*t!

Finally, Darryl raised the energy in his abdomen and shouted. "

Melody, where are you?! Answer me if you can hear me!"

Darryl continued to shout, but there was no reply at all!

Oh, no...

Darryl's mind was filled with images of Melody. 'She's such a smart and intelligent apprentice; I will feel terrible my whole life if anything were to happen to her. She's my first apprentice.'

'Maybe Melody bumped into Woody and his brother? That

Woody and his brother? That would be troublesome if that were the case.'

Sigh!

The more he thought about it, the more worried Darryl felt.

Suddenly, he heard a soft moan from somewhere in front of them. It sounded so near yet so far; it sounded so mysterious.

"Who's there?" Darryl furrowed his brows and shouted.

Jackie, who stood beside Darryl, felt extremely nervous; her body trembled.

Then, the follower who was leading the way suddenly remembered something; he looked really emotional. "Sect Master Darby! That sound seemed to have come from the underground palace. When we were at the

palace. When we were at the entrance, we heard the same sound too. It can't be wrong."

From the underground palace?

Darryl thought about it. He did not hesitate when he said, "Let's go! Let's go to the underground palace!" Since he could not find Melody, he thought he should check the underground palace first.

"Let's go, lead the way!" Darryl said calmly.

During their journey, Darryl continued to look around in case he could get a glimpse of Melody. However, Darryl was disappointed. He did not see any signs of her at all.

A few minutes later, they finally arrived at a special entrance in the tunnel. That tunnel was made of white stones, and it formed a great

white stones, and it formed a great contrast compared to the other black tunnels.

"Sect Master Darby, it's here," the leader of the followers said to Darryl emotionally.

Darryl nodded silently but did not speak. He led the way to enter the tunnel with Jackie.

The tunnel was very narrow at the start, then slowly extended wider gradually. Finally, it became as wide as the New World's main streets. It was a few dozen meters wide; it was really impressive.

Roar!

Suddenly, they heard a heart-shaking roar; it sounded like a dragon. Everyone had goosebumps all over their body!

The next second, Darryl regained

The next second, Darryl regained his thoughts. He scratched his head and started to think. When he entered Lu Bu's ancient tomb, he heard that a pixiu had appeared. That pixiu was the enchanted beast that guarded the ancient tomb.

Was that the same thing?

That roar sounded even more powerful than his Rocky.

'What is that?'

Darryl felt indescribably excited. He became extremely alert, and he was immediately on guard against his surroundings.

Then, they walked for another few minutes. Darryl could see a huge city tower in front of them; it was gleaming.

Wow!

At that moment, Darryl felt the

At that moment, Darryl felt the blood in his entire body boil.

Finally, they reached the underground palace. After they passed the city tower, they must have arrived in the mid-section of the underground palace. That could not be wrong!

Chapter 2658

Darryl felt emotional as he led Jackie and the rest toward the city tower in front of them.

Sh*t!

As they walked past the city tower, Darryl's body trembled when he saw what was in front of him; he was utterly stunned.

At the same time, Jackie's body trembled, and the rest of her followers froze. They stood there with a blank expression th

followers froze. They stood there with a blank expression; they were amazed.

They saw a vast palace right before them; it was much bigger and grander than the North Moana Continent palace. Besides, the entire palace was gold in color; it was made of gold.

There was a massive plaza between the palace and where Darryl stood. It was much larger than any plaza that Darryl had ever seen.

There were more than ten huge enchanted beast sculptures around the plaza. There were 12, and each of those represented one of the twelve zodiacs. Each of the sculptures was more than ten meters tall; they seemed lively and real. They looked as if they would come to life.

come to life.

Darryl was even more surprised to see an unusual aura around the sculptures.

Wow!

When they saw that, all of them gasped.

That was too amazing.

Finally, Darryl regained his thoughts. He withdrew his sight from his surroundings and instead focused on the palace's main entrance.

He saw a black scaled dragon there. Its entire body was covered with black scales, and it had a cold aura. It was a hundred meters long, and it could even form a small hill.

Darryl knew that the scaled dragon was not real. It was formed entirely from strong energy, but it looked s

from strong energy, but it looked so real, just like a live one.

It was apparent that the roar came from that black scaled dragon.

Then, they saw a burly figure above the black scaled dragon; it was an old man with a strong aura.

That old man had grey-white long hair that reached his shoulders, and he was in a black leather jacket. His entire body had a powerful aura, especially his eyes. They looked like they could see through the evils of the world.

Similar to the black scaled dragon, the old man was also formed from strong energy. However, Darryl felt guilty when he saw the old man.

'Who is that old man?'

'Is he the owner of the palace?'

Darryl could not help but take a

Darryl could not help but take a deep breath as he mumbled in his heart.

Under the immense pressure from the old man, Jackie and the rest felt their minds buzzed. They were completely in shock.

What?

Darryl could not control himself, and he was about to go forward to enquire about the old man's identity when his eyes shone. He looked behind the black scaled dragon and was instantly stunned.

He saw a slim figure at the dark corner of the black scaled dragon's back; they were kneeling toward the old man. Her gorgeous face looked sincere and respectful.

Her attractive figure looked wildly beautiful, and her exquisite face

seemed gentle

beautiful, and her exquisite face seemed gentle.

She was Clarice Zaine, and Darryl had rescued her not long ago.

Gulp!

Jackie and her followers saw Clarice too! All of them could not help but swallow their saliva!

The Raksasa Tribe women were very strong, and they did not meet the definition of beautiful in the eyes of the Nine Mainland men. However, there were exceptions, like Natalie Celtic, the Raksasa Queen. She was the sexiest person in the world; she was the perfect combination of the Raksasa Tribe women's wildness and the Nine Mainland women's gentleness.

Clarice was nothing less when compared to Natalie.

The followers were utterly stunned when they saw her.

Sigh...

Darryl regained his thoughts and felt curious in his heart. 'This is unexpected; how did that woman find this place so soon?'
