

Chapter 2668– 2669 of A Dish Best Served Cold Novel

Chapter 2668

And Mark has also officially completed the transformation, completely stepping into the fourth stage of Yundao Heavenly Decision.

“I was only the third stage of Yundao Tianjue before, and I already have a titled master.”

“Now, I have stepped into the fourth stage of the Yundao Heavenly Decision. How many people are there to be afraid of this world’s enemy?”

At this moment, Mark, who was regaining his power, was arrogant and dry. In the heart and soul, there is an agitated passion.

A pair of brows and eyes are even more profound and mysterious, as if they have penetrated the ancient world.

“Ten years of drinking ice, today is a success.”

“There are some grievances, and it’s time to understand them thoroughly.”

Under the cave mansion, Mark’s words were low and firm. The awe-inspiring tone actually set off endless chills here.

For many years, Mark had waited too long since he was expelled from the Chu family.

Before, Mark didn’t have much confidence in going to Chumen.

But now, with his Yundao Tianjue stepping into the fourth stage, Mark feels that there will be no barriers on his road to revenge.

This time, everything is truly ready.

Mark had already decided, and after returning home this time, he immediately summoned the powerful under his banner to gather in the summer.

The sparks that he scattered all over the world at that time became a prairie fire!

In the cave, Mark’s eyebrows were firm, his palms were tightly clenched, his eyes were like torches.

After a long time, Mark, who had gradually calmed down, found out that there was no trace of Yu Yun in the cave mansion.

“It’s strange, where did this woman go?”

“Isn’t he supposed to guard me?”

“Could it be that something happened outside?”

Mark couldn’t help frowning.

Especially after seeing the few bloodstains like peony petals on the stone platform in front of him, the worry in Mark’s eyebrows is undoubtedly even worse.

There is no wound on his body, this blood stain is naturally not his.

In the cave, he and Yu Yun are the only two.

It’s not his, it must be what Yu Yun left.

“Could it be that Yintian King Fentian brought people back to take revenge again?”

The more Mark thought about it, the more worried.

Then he whizzed out and rushed out of the cave.

After leaving the cave, Mark was stunned.

I saw that the original lush vegetation has been burnt to ashes.

There was only a piece of scorched earth left in the eye.

As if, all the vitality was swept away by a fire.

“This this..”

“How is this going?”

Mark’s face was pale, looking at the scene in front of him, his heart was full of doubts and horror.

What majestic energy would it take to cause such a huge damage?

Mark couldn’t imagine it at all.

However, after Mark probed carefully, he found that the ruins in front of him were nothing like those left by the strong war.

On the contrary, it is really caused by a fire.

“Isn’t it caused by the energy spilled when I refining the Fire Spirit Fruit?”

“I go!”

“How strong is that energy?”

Thinking of this, Mark’s face suddenly turned pale.

If it was really caused by the energy spilled from the Fire Spirit Fruit, Mark would have to be thankful that he was still alive.

“No, I still have to find Yu Yun quickly and ask her what happened when I was in retreat.”

Mark thought secretly.

His memory now contains only some things before the retreat.

As for what happened during this retreat, Mark didn’t remember at all.

Of course, there is no impression.

At least that kind of pain like burning flames, but it runs through and through.

As a result, Mark recalled the retreat experience of the past few days, and there was only the piercing pain.

Chapter 2669

“After Rhyme~”

“Hear the answer to me.”

...

On the isolated island, Mark’s shout echoed.

However, Mark searched for a long time, but there was no trace of Yu Yun.

“Where did this woman go?”

“Is it already gone?”

Mark secretly guessed.

“by!”

“This is too irresponsible, right?”

“If you say you want to guard me, you have to wait until I get out, right?”

Mark couldn’t help complaining there.

After searching for a long time, there was still no trace, Mark had no choice but to give up.

He returned to the cave where he had retired before to see if Yu Yun had come back.

But it turns out that Mark was thinking too much.

The cave was still empty.

Only on the stone platform, there are red dots, like lotus flowers in full bloom on the stone platform.

“It seems that Yu Yun really left.”

“This woman is like that. She always likes to leave without saying goodbye.”

“Fine, let’s go if you leave.”

“After all, it’s just a peaceful meeting. What does it matter if it doesn’t say goodbye?”

Mark shook his head and chuckled lightly.

After that, he didn’t continue to look for Yu Yun.

Yes, some people are destined to be just passing by in life.

It’s like he and Yu Yun, the next time they meet, they don’t know when and where.

However, Mark still wanted to say thank you.

Not to mention that the fire spirit fruit was given by her, but Mark had to say thanks in person for the shelter in the cave.

But now, Yiren has gone.

Mark’s wish was destined to become a pity.

But isn’t life like that?

Always go from this regret to the next regret.

It is with so many regrets that can compose a period of splendid life.

Thinking of this, Mark was relieved.

He looked back at the cave behind him, and then at the place where he and Yu Yun grilled fish in front of the cave. He seemed to think of the time and Yu Yun’s bit by bit, and couldn’t help but smile.

“This woman, although she always has a cold face in front of outsiders, she is still very cute when getting along.”

After laughing, Mark also cleared up his mood, got up and left, and started rushing to the next unknown “regret”.

However, Mark didn't go far, even before he left this isolated island, his walking figure quietly stopped.

In front of him, there is a long lake standing horizontally.

In the breeze, the lake water rippled lightly.

Under the sunlight, it was sparkling, like thousands of gems, shimmering under the sky.

Behind him is boundless grass and trees, lush.

The rustling wind rustled the three thousand leaves.

There was silence and peace in this world.

Under the sky, only the young man stood holding his hand.

The cold river reflects a lonely shadow.

In this way, Mark stood by the lake for a long time.

The delicate face has suddenly become dignified and gloomy.

Deep eyes, staring into the distance.

Finally, the next moment, Mark's words broke the silence here.

"Friend, why not show up now that I'm here?"

The deep words swept the world like a breeze.

Above this forest and Pinghu, it can't help but echo,

but.

One second~

Two seconds~

.....

Ten seconds have passed, and the world here is still calm as usual.

No one appeared in front of Mark.

If Ericson Li was here, he would definitely think that Mark had made a mistake.

The wilderness here is surrounded by lakes on all sides. In such an isolated place, the treasures have already belonged to them. At this time, ghosts will come here.
