With Samuel's stamina, he could beat Han Jun with a solitary strike. Samuel might not do anything concerning it. He can just birth.

" Samuel, do you know that your best worth is to end up being an alternative? Granny stated that you were a fan, so she drove you out of the Hannigan family members.

As long as you're below, the whole Hannigan household will be wrecked by you."

Han Jun stepped on Samuel's face and remained to say condescendingly, "You are really dismal. You don't also have a life. We originated from the same mother's womb, however our condition in the Hannigan family resembles the clouds and also mud. Do you would like to know the factor?"

Samuel's eyes came to be fuzzy, as well as Han Jun's voice was periodic. He only bore in mind that Han Jun had taken off his clothes and also placed him behind bars attire.

This technique transformed Samuel's position and made Han Jun the next one.

" This ...".

" What the fuck! Employer, what medicine did Han Jun take today? It turned out to be so powerful."

" Manager, what should we do? We can not beat him."

When the leader saw Samuel strolling towards him, his heart shivered. He endangered Samuel, "Han Jun, if you don't want to pass away, most likely to clean the commode."

Samuel disregarded him and continued strolling toward him.

This made the chief of the main branch a little upset. Such a group of individuals had never ever been defeated before. Would certainly he still be hammered to fatality?

" Han Jun, what ... what do you wish to do!" Large Manager stated in anxiety.

" Are you one of the most powerful person in this big house?" Samuel asked.

" Yes." Upon saying this word, the older bro swiftly put himself a couple of times and claimed, "No, no, you are the senior bro, you are the older brother."

Samuel responded with satisfaction and claimed, "Now that you know I'm the boss, why don't you go comb the toilet?"
