

Chapter 2690– 2691 of A Dish Best Served Cold Novel

Chapter 2690

He stood with his hands behind and looked at Gaia.

“who am I?”

“I’m someone you can’t afford to provoke!”

Hearing Mark still saying these pretending words, Gaia gritted his teeth and shouted angrily: “Bad son, are you looking for death?”

“I think you are the one who is looking for death!” Mark crossed his eyebrows and met coldly, and immediately chuckled.

Then, between Tianhe, Mark took out a piece of jade pendant from his arms and threw it directly at Gaia’s feet.

“Gaia, do you recognize this jade?”

The cold sound, like a thunder, quietly exploded.

Gaia heard the words and looked at it immediately.

He saw that the jade body was green and the crystal jade pendant was engraved with a bright red “Chu” character.

Gaia’s expression suddenly shuddered after seeing it.

“This this jade”

“Could it”

“No, it’s impossible.”

“It can’t be him.”

“Never possible?”

“How can you be a stinky hairy boy?”

“This jade, you must have stolen it, it must be~”

Gaia seemed to realize something, his eyes full of horror and disbelief.

However, Gaia quickly suppressed that idea again.

He kept shaking his head and looked at Mark in disbelief.

He couldn't believe that the person he had always treated as a god would be the young man in his early twenties.

“is it?”

“What about adding it?”

However, when Gaia was panicked, Mark sneered again.

Immediately afterwards, the sound of majesty and majesty resounded through the sky as if piercing through the eternity and wilderness.

“Xinghuo Liaoyuan changes the world, Chu Xiaolongyin, my heavenly fan!”

what?

Boom~

At the moment when Mark's last sentence sounded, Gaia only felt that there was a thunder, which exploded in his mind.

At that time, Gaia's whole person was dumbfounded, and only felt that there was a blank and buzzing in his brain.

In my heart, it set off a monstrous wave.

“you you”

“you really”

“Dragon Lord?”

No one can understand Gaia's tremor and surprise at this time.

He was trembling all over, and his old eyes stared fiercely, almost the size of a copper bell.

Looking at the thin young man in front of him in this way, his face was terrified and shocked, almost distraught.

Gaia couldn't believe that the young man in front of him, for so many years, he has been regarded as the lord of faith and idol, and sworn allegiance to the dragon god!

"But, how is this possible?"

"Lord Dragon Lord, how could it be so young?"

Gaia was still shaking his head, repeating a word repeatedly.

However, Mark responded to him with only cold and majestic anger!

"if not?"

"Except for me, who do you think can have this dragon god jade, can this fierce landslide?"

Mark's anger, like a billowing thunder, roared in this world.

Gaia was completely panicked.

Although he still couldn't accept it, all the facts proved that the young man in front of him was the Lord of the Dragon God.

"me"

At this time, Gaia seemed to have six gods without a master, his mouth was open, but he couldn't speak at all.

Above the old face, there was only panic and tremor.

"Bastard thing, kneel down and speak to this dragon master!"

Boom~

Under the sky, there was another low drink.

Afterwards, a mighty coercion swept out of Mark's body.

Under this power, Gaia only felt like Mount Tai was overwhelming.

The dual oppression of body and spirit finally made Gaia embarrassed and overwhelmed.

There was a bang.

This master of Central Asia, the titled master who dominates the top ranking list, knelt down to Mark in this way!

Chapter 2691

On the banks of mountains and rivers, under the sky.

A young man, standing majestic.

And at his feet, there was a grandmaster bowed his head, and a title bowed down.

Bend down, knees on the ground.

At the moment Gaia, King of Persia, knelt down, the ground cracked.

Spider-web-like cracks spread from under Gaia's knees in all directions.

At the same time, the dull sound that Gaia knelt on not only echoed between the heavens and the earth, but also deeply trembled everyone's hearts.

Yes, at this moment, Chu Qitian on the side was already dumbfounded. He stared at the scene in disbelief.

"King of Persia, what are you doing?"

"Why do you bow down to a sordid country boy?"

"Are you crazy?"

Chu Qitian shouted loudly.

Not only him, but Burning Heaven, King Yintian, who was walking with the King of Persia, was also embarrassed, and his old eyes were full of shock.

"Gaia, what are you doing?"

"The man has gold under his knees, how can you bow down to him?"

"Do you want to be laughed at by the world?"

"Don't get up soon!"

Anxiety and anger are also contained in Burning Heaven's words.

However, for Gaia at this time, how could he still hear the words of Fen Tian and others.

In his eyes, only Mark was left.

Looking at Mark's gaze, there is no longer the previous contempt and killing intent, and some are only fearful and respectful.

Yes, until now, Gaia has only accepted the fact that Mark is that man.

Gaia will never forget the thin figure of the man when his life was dying.

That was the first and only time Gaia met him.

However, sometimes, an encounter is a lifelong follow!

Because it was that man who changed his life.

If it hadn't been for him, the name Gaia might have been buried in that desolate Gobi ten years ago, and fell under the sword of the enemy.

Similarly, without him, Gaia wouldn't be able to make the title, and he wouldn't be able to make it to the top rankings.

It can be said that that person not only saves his life, but also supports him.

It is precisely because of these that for so many years, that man has already occupied an extremely important position in Gaia's heart.

It is not only a benefactor to be grateful for, but also a faith, an idol and teacher to worship and pursue.

This is why Gaia was so surprised and surprised when he learned that the person he respected was a much younger boy than himself.

After all, Mark has always been the image of a majestic and noble elder in Gaia's mind.

But Mark, the image gap with this "elder" is too big, and Gaia naturally finds it difficult to accept.

Back then, Gaia indeed met Mark once. However, Gaia at that time was a dying body, dying and unconscious.

In his memory, there was only a thin and vague figure.

Therefore, he didn't even know Mark's true face.

As for all subsequent contacts, they were basically relayed by Adam Han Dai.

Even in the practice of the "Lie Shan Beng" boxing technique, Mark was a remote instructor, and the two never met again.

As for Mark, he hadn't seen him for so many years. Gaia had changed a lot when he fell into disarray, and Mark naturally couldn't recognize it.

What's more, there are many people under Mark, even if they have seen one or two sides, it is estimated that Mark would have been impressed long ago.

Just like Gaia, the king of Persia in front of him, if he hadn't performed the fierce landslide, it is estimated that Mark would not recognize it until now.
