

Chapter 2691

Hamid's words made these seven so-called princes of heaven struck by lightning, and felt that the whole world collapsed at this moment.

The purpose of their documentary filming in Syria is very different from that of Melba. They don't really have the world in their hearts, and they don't really sympathize with the people suffering in the war. They just hope to give themselves a more powerful resume and let themselves get more growth capital in the hypocritical upper class in the West.

Later, when they got a part-time job in the upper-class society, at the high-end reception, everyone scrambled and exchanged cups. They would laugh and talk about the fact that they had made a documentary on the battlefield in Syria for the sake of anti-war. -Will surely trigger a large crowd of praise around.

At that time, it will not only make the head and boss have a better impression of them, but also make the dignitaries admire them. It is definitely a good qualification that can last a lifetime.

However, they never dreamed that they would come to Syria to brush a copy of their qualifications, and they would take them in for the rest of their lives! When they thought of staying in this ghost place all their lives as slaves in the future, these seven people, without exception, were all wailing.

Weeping! When Hamid saw the seven people crying and crying, he asked coldly: "Why cry? When you came to Syria, you never thought there would be such a day?!"

Among the seven, one kid cried and said "We just want to refresh our qualifications. I didn't expect it to be so dangerous. Commander Hamid, please let us go. We can also read and study. We can't do anything else. You can leave us seven. It's a cumbersome thing to keep us here!"

Others also cried and pleaded.

For them, as long as there is a chance, they must fight for it with all their strength. However, Hamid did not give them any hope at all, he said coldly: "From tomorrow, all of you men will go to dig out the toilets, and all the women will go to herding cattle and sheep. You will work 16 hours a day. At that time, I will arrange for someone to follow you. If anyone dares to be lazy, I will fine him for three days. He/she in that case can't eat; if anyone wants to escape, I will break his legs and let him crawl to get to the toilet!"

The conditions in the village where Hamid is stationed are very difficult. There used to be an electricity supply, but since the beginning of the civil war, it has been unable to supply electricity. Here, there is no electricity, no communication, no running water, and no sewer.

Therefore, the people of the entire village, as well as the soldiers of Hamid, all settled in the dry toilet.

One to two thousand people have a very large amount of defecation every day. The soldiers originally took turns cleaning the toilets and transporting the filth out of the village, but no matter who was allowed to do this kind of thing, it was inevitable that there would be complaints.

Therefore, Hamid hardly thought about it and arranged these five men to clean the toilet and dump the filth. As long as the five men were squeezed to the extreme, his soldiers would no longer have to do such dirty work.

After listening to these five people, they almost have the desire to die.

Thinking of handling the feces of one or two thousand people every day and cleaning the toilets they used, these five people feel that their lives are all over.

Because Hamid said that they should stay here as slaves for a lifetime, and they will not be able to leave until they die. This means that as long as they are alive, they have only this job of cleaning the toilets and dumping filth every day. Repeatedly, without end.

Is there anything more tragic than this for a lifetime?

Several people couldn't help thinking of Charlie, and they hated him and regretted it in their hearts.

Chapter 2692

Knowing that Charlie had the ability to take them out, why bother to pretend to be something in front of him? If they were respectful to him just now, they might have followed Charlie to leave Syria, out of this hell.

Seeing that these people were about to collapse, Hamid was too lazy to look at them again and told the soldiers around him: "Let them get up at 5:30 in the morning and start work at 6 after the meal, and take a half-hour break at 12 o'clock in the afternoon. Rest for half an hour at 6 o'clock, and then work until 11 o'clock in the evening. Do you understand?"

Several of his men nodded immediately: "Understand the commander!"

After listening to the seven, they almost wanted to hit and die here.

Every day. Work for 16 hours, take three meals for another one and a half hours, and the rest time is only six and a half hours, which does not count as washing, dressing, going to the toilet, etc., so they can take five or six breaks a day Thank God for being young!

Although this group of people does not have a wealthy family background, at least their family conditions can be counted as petty bourgeoisie. They have never had any hardships since they were young, and they have not been tired. The high-intensity squeeze, just hearing it, was already scared to death.

However, Hamid had no mercy on them. After the order, he turned and left.

At the same time, in Beirut, the capital of Lebanon, Chester was in the same distance as Zhongquan Wade, the old man of the Wade family, was connected. In the video call, Chester respectfully told how the Master parachuted alone to rescue Melba, and was sent out by Hamid himself, and reported to Zhongquan all about it.

After Zhongquan listened, the whole person was shocked. There is nothing to add.

He asked with a dull expression: “Charlie really has such an ability?! A person parachuted to the opposition station alone, and he brought the person out safely?!”

Chester respectfully said: “Yes master, it is true! At that time, the height of the young master’s parachuting was more than 5,000 meters, and the height of the parachute opening was much lower than the height of the safe level. Even the Russian special forces coach Vasily said that at that height to open the umbrella, people can never live, but I didn’t expect that the young master would have no problem at all.

Zhongquan couldn’t help but exclaimed: “I’ve heard people say that Charlie is a true dragon on earth by many people in Aurous Hill. I originally thought it’s just an exaggeration. I didn’t expect that he really has such a great ability!”

Could Charlie practice martial arts? Chester seriously said: “Master, I don’t think even a master of martial arts, there is not necessarily such skill as the master has, ordinary people, will be crushed immediately under him in no time.

The height, for the young master, is completely easy! Zhongquan asked again: “Then, do you know how he rescued Melba alone?! Oh, right, you just said that Hamid personally sent him to the rendezvous point with Melba to join you, I want to know, why did Hamid give Charlie respect so much?! Isn’t he the commander of the armed forces? It stands to reason that Charlie goes to save his hostage, he should take Charlie as an enemy! How could he send it off in person?! Could it be that Charlie was kidnapped?!”

Chester didn’t expect that the old man asked so many questions in one breath, and hurriedly explained one by one:

“Return to master. The young master’s process of saving people was not shared with us, so I don’t know what method he used to rescue Melba, but why Hamid gave the young master so much face? I didn’t want to understand this, and Hamid is not just to give a face to the young master, he is even worthy of the young master brothers. In his words, he is very respectful to the young master, so I don’t know whether the young master kidnapped him. I am afraid that only the young master himself knows that.

Zhongquan listened, and couldn’t help sighing: “Unbelievable, unbelievable! I was even ready to spend money to redeem him, but I didn’t expect it to be such an unbelievable ending.” After that, he couldn’t hide his excitement and said, “It seems that my Wade family really came out this time. There is a real dragon in the world!”

Chapter 2693

When the sky in Aurous Hill just turned white, the Concorde airliner that Charlie and Melba took finally landed at the Airport.

After the plane landed, Charlie, Melba, and Issac took the helicopter arranged by Issac and flew directly to Shangri-La.

When the plane just started, Charlie asked Melba’s opinion and asked her if she would like to meet with Pollard immediately. If she wanted, he could directly call Pollard using the satellite phone on the plane and tell him that Melba was already there. The news of his rescue made him meet with Melba at the airport as soon as possible.

However, after careful consideration, Melba feels that her whole spirit is relatively decadent, and she wants to take a break, at least take a bath and change her body to dry clean clothes then will meet her father.

So Charlie decided to take her to Shangri-La to settle down first, and then give her a few hours to rest. When her condition is almost adjusted, he will go to Aurous Hill University of Finance and Economics and give Pollard one big surprise.

As for Charlie himself, he did not expect that this time to save Melba, it only took more than ten hours before and after. Originally, he told his wife about going out of town. If he returned home early in the morning, it seemed a little weird, so he planned to also go to Shangri-La and let Issac arrange a room for him to rest and sleep.

Last night in Syria, he used Aura as a psychological suggestion, so that the Aura in his body was already extremely scarce, which really made him feel a little tired.

By the time of sunrise, Charlie's helicopter had landed at Shangri-La.

After getting off the plane, Charlie directly said to Issac: "Old man, arrange one room for Miss Watt and one room for me, both of us need to take a rest. In addition, you have to toss about it all night. Go back to your office and have a good rest.

Issac hurriedly said: "Okay young master! After that, immediately ask his subordinates next to him: "Has the presidential suite gone out? If haven't, take young master there to take rest!"

The other party immediately replied: "Mr. Issac, our presidential suite was booked by Mr. Ito from Japan, don't you remember? Issac patted his forehead and blamed himself: "Look at my pig brain! After all, he was right again.

Charlie said: Master, the entire east district where the presidential suite is located has been rented by Ito Yuuhiko, or you can go to the executive suite in the west district to take a rest."

Charlie frowned and said: "Don't Zhiyu and her mother live there, and Ruoli, to be on the safe side, I still don't go there, lest there be any monsters, just arrange one for me. Normal rooms are fine.

Issac hurriedly said: "Then I will arrange for you and Miss Watt to live in the luxurious suite on the second top floor for the time being!"

Charlie nodded slightly: "Okay.

Soon, the staff prepared two suite cards, and they gave Charlie and Melba opened two luxury suites on the second top floor. The door of the two rooms was opposite, and there was only one passage.

Issac personally escorted them to the door of the room. Charlie said to Melba before swiping his card to enter the door: "Miss Watt first take a good rest. It's just after six o'clock. Let's tentatively schedule lunch at 12:30. After having a meal, I will send you to the university. "

Melba nodded lightly and said gratefully: "Thank you, Mr. Wade."

Charlie waved his hand: "Do not be polite with me, after all, there are dealings in the fight.

Melba replied and said, “Mr. Wade, then I will go to rest in advance.”

Charlie nodded: “See you.”

Melba looked at Issac on the side again and said gratefully: “Mr. Issac, thank you too.

Issac said without hesitation: “Miss Watt is too polite, this is what I should do.”

Seeing Melba entered the room, Charlie opened the door of his room, Issac saw that they both returned to the room to rest, so he immediately returned to his office.

Charlie entered the room, the first thing was to lock the door, then took off all his clothes, stepped into the bathroom, and took a cold shower.

After washing himself clean, Charlie sat on the bed, feeling the spiritual energy in his body, and seeing that the spiritual energy was almost exhausted, his heart was also very painful.

In the beginning, he discovered the existence of spiritual energy in the piece of peace and wealth that he bought from Ervin.

It’s a pity that the aura in that stone has been absorbed cleanly by him. Since then, although he has seen many treasures of heaven and earth, he has never encountered anything that contains aura.

Moreover, among the high-rise buildings in this city, there is almost no trace of aura, and it takes at least a few months to add to it.

Chapter 2694

This also gave him a sense of crisis in his heart.

Aura is fast to use, but it is far from easy to accumulate.

If there is no lasting and effective way to replenish Aura, I am afraid that it will be difficult in the future for him.

Thinking of this, he couldn’t help but recall the content of the “Nine Profound Sky Classics” in his mind.

In the “Nine Profound Heavenly Classics”, a higher-level pill than the rejuvenating pill is recorded, named Peiyuan Pill.

Regardless of the name of Peiyuan Pill, it seems that it is not as arrogant as the other Pill, but this kind of pill is directly higher than it.

Rejuvenation pills can make ordinary people live longer and resurrect from the dead, but they do not contain aura. After all, aura is the most refined and pure energy between heaven and earth. It is the most powerful kind of power. Rejuvenation pills are far from being able to catalyze aura. To the point.

However, this Peiyuan Pill is a pill that truly contains aura.

Although it is the most basic entry level among the pill containing spiritual energy, the materials it needs are, without exception, all extremely rare treasures.

Among them, the most demanding ones are Ganoderma lucidum that needs at least more than a thousand years, snow ginseng for more than 1,000 years, and Ambergris that is more than 10,000 years old.

Don't know if the Millennium Ganoderma is easy to find, but Charlie has thousand-year-old snow ginseng. In the beginning, Liang was shunned by his biological father and half-brother in the family. In order to gain a foothold in the Wei family, he passed his mother's treasure to him. He gave thousand-year-old snow ginseng to Charlie, and he kept the snow ginseng without using.

However, Ambergris, which has been more than 10,000 years old, is indeed too rare.

As we all know, ambergris is the secretion of sperm whales, it is the best raw material for spices, and it is also a blind medicinal material.

Simply buying ambergris is not a problem, you can buy it if you have money.

However, buying old Ambergris is almost like dreaming.

Because the sperm whale itself does not have a lifespan of 10,000 years. The longest life span is seventy years, which is remarkable. According to this time, the 10,000-year ambergris must be the sperm whale that died ten thousand years ago. It has grown before death.

The history of human's known civilization is not as long as 10,000 years. Where can he find a secretion left in the body of a sperm whale 10,000 years ago?

Charlie couldn't help but get up again when he thought of this.

Such a difficult preparation can only refine the first-level aura pill. Wouldn't it be even more impossible to refine a higher-level aura pill?

Thinking of this, Charlie couldn't help sighing, and thought to himself: "Maybe I need to say hello to Qin Gang, he has been doing medicine business, a thousand years of ambergris perhaps can not find, but a thousand years of Ganoderma should still be no problem, like ambergris, you can then slowly look around.

so , He immediately sent Qin Gang a WeChat message and asked him to try to find these two things.

Qin Gang quickly replied: "Master, the Millennium Ganoderma is very easy to find. I know a Hong Kong medicinal material dealer, and he collects it. There are many old-year medicinal materials. Thousand-year Ganoderma lucidum, Centennial tangerine peel, and Centennial Pu'er are all in stock. Although the price is high, if the thousand-year Ganoderma is sold per gram, it costs tens of thousands of dollars per gram.

As for ambergris, they are often sold, but most of them are of relatively ordinary quality. The best one I remember is a white ambergris with a thousand years of history that was auctioned at Sotheby's a few years ago. However, I have made medicinal herbs for so many years. I have never heard of it that old.

Charlie didn't feel disappointed after hearing it. He smiled slightly and said: "Then you can help me get the Millennium Ganoderma lucidum. For Ambergris, you can help me pay attention."

"No problem." Qin Gang agreed without hesitation.

Charlie thanked him, but didn't continue to communicate with him.

Just as he was about to rest, someone rang the doorbell of the next room.

Zynn, wrapped in his nightgown, saw that it was his own subordinate, and opened the door to let the other person in.

After the other party came in, he whispered: "Master, I've heard that Ito Takehiko's men have reserved the Kiharu Lake Golf Course, which is five kilometers away. Ito Takehiko may go to the golf course to play golf at around nine o'clock. See if you have prepared in advance. Then, go there quietly to meet him?"

Zynn said excitedly: "The golf course? Great! It just happened to avoid Shangri-La. It's a great opportunity to meet Ito Takehiko quietly!"

Chapter 2695

Zynn, who was so excited, couldn't imagine that Charlie was next door to him at this time.

The luxury suites of Shangri-La are very uniform in design. The overall layout is a square field shape. The two rooms on the left are the living room and the study, and the two rooms on the right are the bathroom and the bedroom.

In other words, the bedroom where Charlie was located happened to be next to Zynn's study.

Under normal circumstances, the rooms of a five-star hotel will be silenced and soundproofed to ensure the quietness, privacy, and comfort of the guests. Therefore, even if it is separated by a wall, ordinary people cannot hear the conversation next door.

But for a person like Charlie with extremely sensitive senses, just such a wall is really a little useless.

Therefore, even if he had no intention of eavesdropping on the conversations of the people next door, he still didn't say a word, and he heard the movement of Zynn's room clearly.

However, even at this moment, Charlie didn't know who the next door was.

Because Zynn's subordinates called him the master, it was impossible for Charlie to infer the identity of Zynn just by using the word master.

However, he heard the words Ito Takehiko clearly.

He heard that the person next door actually wanted to meet Ito Takehiko, and he was suddenly curious.

Ito Takehiko came to Aurous Hill in a relatively low-key manner. In fact, the outside world didn't know it. In addition, he stayed at Wade's hotel, and there was no leakage of check-in information.

Therefore, in this case, the person who can find Ito Takehiko's whereabouts must have a very difficult background.

So, he immediately sent a text message to Issac, asking him to do everything possible to find out who was living in the next room, and at the same time, he must not be surprised.

Issac was just resting in the office for a while, and suddenly received Charlie's WeChat, and immediately realized that there might be a serious situation, and then he hurriedly got up and turned on the computer and checked the information of the guests staying in the room next to Charlie with his own authority.

The check-in information shows that Charlie staying next door is just an ordinary person without any special identity.

So, he immediately replied to Charlie: "Master, the person you asked me to check is a middle-aged person from Yuzhou. From the information, there is no special place, no case, no background.

Charlie frowned and asked him, "Can you find out the company of this person?"

Issac manipulated in front of the computer and said, "I can't find out for the time being. There is no work unit in his file. It may be a self-employed person, or he may be working in a relatively small private enterprise."

Charlie asked again: "Can you find out if he has paid social security?"

Issac thought for a while, and said, "I have a relatively secret channel. Can find this information.

Charlie said: "Then you can check for me now, whether he has paid social security, and if so, which company is paying him.

"Okay! Issac hurriedly started to inquire and checked for a long time. After that, he said to Charlie: "Master, I found out that he does have social security, and the social security base is very high. The company that paid him social security is a local financial investment company in Yuzhou.

Charlie continued:" The background of this company! Check out the equity structure behind it!

Chapter 2696

"Okay!

Issac continued to inquire according to Charlie's instructions. While checking, he said, "Master, I see that this company is wholly-owned by another technology company in Yuzhou. Behind the company, there is an investment fund and a partnership enterprise. This investment fund is Eastcliff SW Capital or South West Capital!"

Charlie asked him curiously: "

SW Capital? Whose family? Issac hurriedly said: "SW Capital, that's One of the many capital-operated companies of the Su family.

Su! "The Su family?" Charlie frowned, and said, "I heard someone next door calling another person called Master. So, maybe the old dog that lives next door to me is Chengfeng?!"

"This" Issac said with some disbelief: "Master, shouldn't Chengfeng come to Aurous Hill by himself?"

Charlie laughed: "If it isn't Chengfeng, it might be Zynn.

“Zynn?” Issac couldn’t help but said, “Even if this guy wants to take the opportunity to get close to Ito Takehiko, he shouldn’t sneak to Shangri-La?”

Issac sneered: “This is the place where his brilliant ah, Aurous Hill has always been a sphere of influence for Wade’s family. Since he was bound to come to Aurous Hill he well thought out the plan, like him who believe in a lamp black. The truth, you should know that the oil lamp that was lit in ancient times was placed on the table, just like a candle.

After the lamp is lit, although it can illuminate the entire room, it does not illuminate the small area under itself. So this small area, although away from the lamp recently, but the room has become the darkest, most hidden places he pics to live is Shangri-La, is the bet we think he could have done such a thing, this is the surprise!

With that said, Charlie said again: “If it weren’t for my hearing which is a lot better than the average person, I wouldn’t be able to detect it. If even I couldn’t detect it, it would be even more impossible for you and your subordinates to detect it, so from this point of view, he was relatively successful in doing this, and he really used his mind.

Issac hurriedly asked, “Master, if it is really Zynn, what should we do?”

Charlie sneered: “ Whether he is Zynn, he is a member of the Su family. Since it is the Su family, then It’s like a sheep’s mouth. If I don’t gnaw him off, wouldn’t I be sorry for the Su family’s aggressive and daring maneuvers?”

After speaking, he immediately ordered: “The person who arranges you immediately, in the room directly below this room, Put a signal jammer, but don’t turn it on for the time being. In addition, you have to be prepared and listen to my orders. When you start the jammer, cut off the surveillance video on my floor at the same time, understand?”

Issac said without hesitation “Okay young master, I understand!”

At this moment, in the next room.

Zynn sent his men away, and took a shower by himself in the bathroom. After the shower, he wrapped his bathrobe and stood in front of the mirror carefully. Using hairspray to put his hair back to the back of his head, he had already begun to figure out how to get Ito to agree to cooperate with the Su family.

This time, the Su family was suspended from the ocean shipping license. The impact was too great and the loss of income was serious. Forget it, a large number of ships cannot be started. Daily maintenance costs, depreciation costs, and lease costs are an astronomical figure. In addition, there are still a large number of seafarers and employees who need to be fed. The daily loss is calculated as 100 million.

For Zynn, this is his first turnaround since he returned from Australia. Only if he wins this battle can he let the old man look at him with admiration and win back his old man’s appreciation of himself.

So, to him, the significance is very significant.

Even he can successfully inherit the position of Su Family Patriarch and all the family assets in the future will be under his hand and he will have to look at the success or failure of all of it!

Chapter 2697

Just as Zynn was expecting that he could use his own power to turn the Su Family's turmoil upside down on his own, but he didn't know that a big net had wrapped him tightly.

Charlie already had a two-handed plan at this time.

If the person next door is Zynn, then he has a special package specially prepared for Zynn;

But if the person next door is not Zynn, but someone else from the Su family, then he will go directly to Orvel's kennel, and give a company with Shoude.

Issac screened out the rooms that were booked out before and after that time and had not checked out one by one according to the time of the next room reservation, and then further screened them.

Basically, it can be concluded that the Su family came to Shangri-La this time, except for staying. In addition to the person next to Charlie, there are four other subordinates. Of these four people, two live opposite the room next to Charlie, and the other two live next to Charlie.

At this time, many of Issac's subordinates were already lying in ambush in nearby rooms. Once Charlie gave orders, they would immediately control these four subordinates.

In addition, Issac also made people prepare to shield and cut off the network signal. When Charlie ordered, he could immediately protect the room next to Charlie and the surrounding rooms, and kill all communication networks.

The mobile communication signal will be shielded, the wireless WIFI network will be cut off, and even the traditional network and line interface will also be disconnected from the network.

At that time, this will make sure that the people in this room can not respond immediately, and the communication will not work for them.

In order to meet the "Master" from the Su family for a while, Charlie walked out of the room after getting dressed neatly.

At this time, a waiter arranged by Issac walked over and handed Charlie a room card.

This one is the universal room card for the entire Shangri-La Hotel.

Nowadays, almost all hotels adopt electronic room card system for the convenience of management.

The door locks need to be opened with an authorized room card at the front desk of the hotel.

Generally, the room card will be authorized for as long as you stay, and it will automatically become invalid after the expiration date. It is easy to manage and can prevent being used by others.

In other words, the door lock of each room is actually controlled within the hotel management system.

Although you cannot directly control the opening or closing of a certain door, you can directly write the administrator's highest authority in the room card, so that this room card can open all the doors of this hotel.

However, there are exceptions. If the occupant in the room opens the anti-theft lock in the room, the door cannot be opened even if the door is swiped.

However, many people do not have such safety awareness, so they rarely use this lock actively.

Zynn did use the lock last night, but after his subordinates came in just now to report, he didn't lock the lock again, but hurried to the bathroom to wash up.

This was mainly because he was somewhat careless and didn't know that he had been exposed.

Therefore, when Charlie got the room card and swiped it lightly on Zynn's room door, the door lock opened in response.

At this time, Zynn was still tidying up his clothes and appearance in the cloakroom.

Charlie pushed the door, and when he entered, he didn't realize it at all.

And Charlie had already used his perceptual ability beyond ordinary people to get a clear picture of his position in the room.

At this time, Zynn, at the upper right of the T-shaped room, where the bathroom and cloakroom are located. After Charlie came in from the upper left, he went directly to the living room at the lower left and sat down.

Opposite Charlie is the bedroom door of this luxurious suite.

Chapter 2698

Zynn dressed up at the upper right, and needed to go back to the bedroom later before he could walk out of the door in front of Charlie.

So Charlie simply sat there, on the sofa opposite the door, stretched out his hands with long legs, and put them on the back of the sofa until he appeared.

At the same time, the signal jammer has also been opened, and all the surrounding mobile phones are in a state of no service because they cannot search for signals.

Although Zynn's mobile phone is still connected to the hotel's wireless network, the wireless network itself has been cut off. In other words, although he is still connected to the WiFi, he can no longer get on the Internet.

But Zynn didn't pay attention to this.

He tidied up his suit and tie in front of the mirror, and after making sure that he was dressed appropriately, he took out a fake beard and stuck it under his nose.

Later, he took out a pair of gold glasses from his pocket. After putting it on, he looked like a returned overseas Chinese.

Immediately afterward, he put a top hat of the same color as the suit on top of his head. He felt that this way, it would be more foolproof.

When he was ready, Zynn picked up the phone and prepared to go outside, but he looked down at the phone and found that the phone is now in a non-service state, which made him surprised and wondered, "How can this hotel not connect to a mobile phone signal? Is my phone broke?"

He opened WeChat again, and found that the top of WeChat actually showed that it was not connected. He was even more surprised and whispered to himself: “No! The WiFi logo is on, and the network is connected. Why can’t I connect to WeChat?”

He hurriedly walked out of the cloakroom and walked through the bedroom to the living room, to use the hotel’s landline to call his subordinates.

However, when he stepped out of the bedroom, his whole figure was suddenly startled! The speed of his heartbeat instantly doubled!

Because, he saw that there was a person sitting on the sofa in the living room!

Moreover, the appearance of this person is indescribably familiar.

Zynn panicked and asked calmly: “Who are you?! Why are you doing in my room?!”

Charlie smiled at Zynn and said with a smile: “You are Zynn Su, right?”

Zynn saw that the other party directly reported his name, and asked extremely vigilantly: “Who are you?! Do you know me?!”

Charlie said with a smile: “Actually, we have met, but you may be older and out of mind. You used it, so you can’t remember me.

Have you seen me?!” Zynn frowned, his heart was extremely nervous, but his mouth was pretending to be calm and said: “Why don’t I remember that I met you?”

Charlie went to the coffee table. Picking up an apple, he took a bite and said, “Think about it carefully. We met at the elevator entrance of the Tokyo Hospital. Have you ever recalled?”

Zynn squinted his eyes, watching Charlie vigilantly, while thinking back quickly rummaging the memory in the mind.

Soon, he remembered the scene Charlie said!

He pointed to Charlie and exclaimed: “You are the kid who makes me feel familiar in Tokyo!”

Charlie nodded slightly, and asked him with a smile: “ Why do you think I’m familiar?”

Zynn said coldly, “Because you look like a short-lived ghost that I knew before, but has been dead for a long time!”

Charlie’s expression instantly became extremely cold. Said: “Zynn, if you kneel down and slap your face right now, I will assume that you haven’t said that, otherwise, I will slap your face!”

Zynn sees Charlie’s cold expression and can’t help being a little surprised. He couldn’t help asking: “How are you related to Changying Wade?!”

Charlie stood up and said word by word: “Changying Wade, it’s my dad!”

Chapter 2699

When Zynn heard this, his whole person was suddenly struck by lightning, and stood motionless in front of Charlie.

He never dreamed that Changying's son was still alive!

He didn't even expect that Changying's son would appear in front of him!

At this time, in addition to the nervousness, his heart was a little more angry!

"Changying Changying again! Ever since I knew Liona, the word Changying has become my nightmare. Until Liona was in a car accident a few days ago and her whereabouts unknown, I was a little free from Changying's shadow, but now Here comes another Changying's son?! Where did this guy come from?!"

Seeing Charlie and Changying's features and temperament are very similar, Zynn hardly doubted his words.

He stared at Charlie and asked in a cold voice: "Even if you are Changying's son, what do you mean by appearing in my room now?"

"What do I mean?" Charlie sneered: "I have come to you to settle the account. What do you think about it?"

Settlement?!" Zynn saw Charlie's visit being unkind, and when he thought that he was now in Wade's hotel and there was no one around him to help him, he couldn't help feeling even more flustered.

Therefore, he couldn't hide his nervousness and said: "Your father and I are at best distant acquaintances, no friendship, no hatred, what do you count on me?"

Charlie coldly said: "Today, I will count it against you. Wade League's account, you jumped up and down to organize the anti-Wade alliance against my father, right?"

Zynn excused himself: "The anti-Wade alliance is just a saying at the beginning, just like airlines have SkyTeam and Star Alliance. , Everyone is a rival to each other, what's the big deal with that?"

Charlie asked: "Then how did my parents die?"

Zynn blurted out: "How do I know? Your parents' deaths were not caused by me. The people who wanted to kill your parents back then had more hair on their heads than mine. Not only domestically, but also abroad, there are a lot of them. Is it possible to kill him, what does it have to do with me?"

Charlie smiled and said, "Is it related to you or not? I really can't say it right now, but it doesn't matter, since you are in my hands, I can catch you first, and then slowly investigate!"

Zynn subconsciously reprimanded: "Boy, since you are Changying's son, you should call me Uncle, I am also your elder, how dare you so presumptuous in front of me!"

'Presumptuous?" Charlie snorted: "This is presumptuousness? I just said that if you don't kneel down, I will smash your mouth. You haven't fulfilled your promise. So!"

Zynn took a step back in shock, and said nervously: "You think you are the Wade family's son, you can do anything to me casually? Have you weighed, if you provoke me, what will happen to you?"

Charlie sneered and said: "I don't know what will be the end, but I usually like to provoke it first!" As soon as the voice fell, Charlie suddenly stood up from the sofa. Before Zynn recovered, Charlie went straight. He rushed to him, grabbed his collar, put his other hand directly on his face, and slapped vigorously.

With a snap, Zynn's entire left face suddenly swelled up, and the five-fingerprints on his face were already bright red.

At this moment the Soviet Conservative directly hit Mongolia, and his hysterical roared: "?! How dare you "

Charlie was astonished and asked: "How dare I, you do not know the answer?"

Then, direct and It was a slap in the face, and with a slap, Zynn directly vomited blood.

At this time, Charlie smiled and asked him: "Do you know the answer now? If you don't know, I can answer you again."

Since Zynn had been slapped twice by Charlie, his whole body had already been dazzled.

The severe pain made his whole person on the verge of collapse. When he grew up so big, he had only been beaten by the old man, but even the old man has never beaten him so hard!

Chapter 2700

He yelled at Charlie angrily: "Do you know what the Su family is capable of? Believe it or not, I can kill you in minutes?"

Charlie waved his hand and said disdainfully: "Zynn Su, save it, you have already fallen in my hands, don't pretend to be aggressive and cruel in front of me, and don't think you can overwhelm me by taking the Su family, because my goal is not as simple as slapping you twice.

Zynn asked nervously, "What is your goal?!"

Charlie smiled and said, "My goal is to trample your entire Su family under my feet, not only with big ears, but also big eyes. The face of your dad

Chengfeng Su!" Zynn has never met someone like Charlie who speaks so arrogantly in his life.

However, he also knows that he is now the turtle in the urn of others, and he has no chance to escape. If he really angers the other party, he might actually get more in trouble.

As a result, his whole person's momentum instantly weakened, and he explained: "Big nephew, you really misunderstood me about your parents. This matter has nothing to do with me, and it has nothing to do with my family!

Charlie said:" It doesn't matter. You don't have the final say, but I have the final say here!"

Zynn asked nervously, "So. What do you want?"

Charlie smiled and said, "What I want, I just said that, I will draw your face first, then your dad's face, and then trample your entire Su family under my feet!"

Zynn was shocked in his heart, and never dreamed that Changying's son would come to find him. Gosh, this guy is so murderous!

At this moment, he suddenly thought that his younger brother Shoude had disappeared in this city, so he subconsciously asked: "Is my younger brother in your hands!?"

Charlie nodded: "You are talking about Shoude, that dead fat pig? Yes, he is indeed in my hands. Do you know how he is doing now?"

Zynn asked with a pale face: "What did you do to him?"

Charlie smiled and said, "Oh, I put him in a dog cage. By the way, I shot a video of him. He was stripped n@ked and only wore a pair of briefs. He said in the video some nasty things about your family, you should have seen this."

Zynn immediately thought of the two videos that completely destroyed the reputation of the Su family.

There is a paragraph, which Shoude said in front of the camera.

Zynn had racked his brains to think about someone behind the scenes, but he didn't expect that this person was Changying's son!

He couldn't help but swallowed his saliva, looked at Charlie nervously, and asked, "Then what is your plan for today?" At this time, what he is most afraid of is that he, like his brother, is locked in a dog cage in the dark.

Charlie smiled indifferently and said, "I know what you are thinking, but don't you. I'm nervous. It was really too simple and rude to put your brother directly in the dog cage at the beginning. It really lacks some artistic sense, so I designed a whole set of super gift packages for you this time. It is definitely a brand new design and a brand new experience!

"If you enjoy the whole process, can remember you for a lifetime, and it will be worthwhile to cover you in this life, not in vain!"
