"What location is it?" Nangong Qianqiu asked, puzzled.

"Cloud City."

"Cloud City!"

I'm going there as a favor to the family members. Han Jun said.

As long as it was something that could make Han Jun delighted, Nangong Qianqiu would not refuse. It was time for Han Jun to make up for the pain he had actually experienced during this duration of time. Nangong Qianqiu just reminded him, "Okay, as long as you're happy, Granny still desire you to bring some bodyguards with you so that you will not be harassed."

"Alright." Han Jun stated excitedly.

That day, Han Jun went to Cloud City under the secret escort of the Hannigan family's bodyguards.

When Gina returned house, she located that Han Jun was not in your home. She hesitated that he would certainly go out as well as make trouble again, so she rapidly discovered Nangong Qianqiu.

"Mommy, did you see Han Jun? Why isn't he home?" Gina asked excitedly.

Just how can you let him go out currently? She knew that Nangong Qianqiu doted on Han Jun very a lot, yet she could not allow him do such a thing.

"Don't stress. He went to Cloud City. It's impossible for that location to be revealed," Nangong Qianqiu said.

"What!" Gina as if she had been struck by lightning.

Han Jun went to Cloud City! Exactly how could he go there?

Samuel's home as well as his partner existed.

If ... if they mistook Han Jun unfounded for Samuel, what would take place next would be unimaginable!

"Mommy, just how can you allow him most likely to Cloud City? Do not you know Samuel is? He has an other half," Gina said in scary. If Samuel knew about this, what would certainly happen?

Is Han Jun interested in his lady? Nangong Qianqiu said any which way.

"You ..." Gina's fire assaulted her heart. "Even if he likes her, so what? They are siblings. Just how could something happen?"

"What?" Nangong Qianqiu was furious and also said coldly, "Get out of below if there's nothing else. You're not certified to inform me what he wishes to do."

"Mom, I can endure other things, yet this is not feasible. How can he make love with his brother's woman?" Gina stated.

"That's her honor. Samuel is a good-for-nothing. Exactly how can he compare with Han Jun?"
