

Chapter 2702– 2703 of A Dish Best Served Cold Novel

Chapter 2702

“Asshole, how bold are you?”

“Teacher, save me~”

Seeing Mark suddenly violently attack him, Chu Qitian was almost scared to pee at the time.

He didn't expect that Mark was so brave enough to dare to stand in front of the Lord of Truman, and would not forgive him.

In shock, Chu Qitian ran away while asking Tang Yun for help.

Soon, Tang Yun's delicate body flashed, and she quietly shot out with a fluttering palm like picking flowers and leaves.

Boom~

The palms of the fists touched, and the low voice exploded.

Mark's forward momentum stopped instantly, and Tang Yun's fist was relieved by Tang Yun.

“Step aside!”

“This is my grievance with the Chu family, it has nothing to do with you.”

Looking at the woman in front of him, Mark shouted coldly.

“She is my disciple, the top of Truman.”

“I can't let you kill him, let alone make you a disaster for the Chu family.”

“It is the duty of every master to shelter the three Chumen families.”

“If you are an enemy of the Chu Family, you are an enemy of the Chu Clan and an enemy of me.”

“So, give up.”

“Take a step back, the sky is brighter.”

“Only if you promise not to provoke the Chu family in the future, the previous grievances will be wiped out. Neither the Chu family nor the Chu family will be held accountable again.”

“Teacher, no, you can’t just let him go!” Hearing Tang Yun’s words, Chu Qitian on the side became anxious and shouted immediately.

Pop~

However, as soon as his words fell, Tang Yun waved his sleeves and swept abruptly, directly on his face.

“shut up!”

“I’m talking, do you want to interrupt?”

Tang Yun snorted coldly, and endless anger was contained in the awe-inspiring words.

At this time, Tang Yun’s attitude towards Chu Qitian and Mark were undoubtedly different.

To Mark, she could bear it again and again. But to Chu Qitian, it was annoying to say a word.

Chu Qitian felt wronged no matter what, but facing the majesty of the Chu Clan master, he had to bow his head and dare not say anything.

“give up?”

At this time, Mark sneered and sneered.

“Ten years of tolerance, drink ice for a thousand days.”

“The shame of being chased, the enmity of life and death.”

“You know, what is the purpose of my tolerance for so many years?”

“Do you know why I practice so hard?”

“Do you know how much suffering the Chu family has brought me over the years?”

“You don’t know anything at all, but now you want me to give up.”

“Do you think that’s possible?”

Mark asked again and again, and the torrential voice was just like thunder swept across.

“I tell you, it’s impossible!”

“People of the Chu family, I will never forgive.”

“The humiliation that my mother and I suffered back then, I will definitely repay it twice!”

“I want them to kneel down at the feet of my mother and I to forgive them.”

“If you don’t kneel, you will die!”

“If you don’t accept it, kill!”

“I, Chu Tianfan, practice martial arts to cultivate my body, and my cultivation is a kind of gratitude and enmity.”

“No one can stop me.”

The sonorous words and the scorching words are just like a golden stone falling to the ground with a sound.

After Tang Yun heard it, she was undoubtedly more angry.

“Mark, can you not be so naive?”

“The foundation of the Chu family is beyond your imagination.”

“You came from a poor family, apart from your own passion, what do you use to contend with a century-old family? And what do you use to contend with the strongest sect in the world?”

“If you still insist on doing this and insist on your own opinions, then you are seeking your own way of death and ruin!”

Chapter 2703

“So what?” Mark said in a deep voice.

“It’s ten deaths without life, it’s a desperate situation, and I, Chu Tianfan, will follow it right!”

Sprinkle my blood, kill for nine days, and move forward!

From the moment Mark practiced martial arts, killing the Chu family was Mark's greatest pursuit.

This is his obsession and his pursuit for many years.

If he just gave up like this because of Tang Yun's few words. That is undoubtedly tantamount to vetoing Mark's first half of his life.

Ten years of planning and hard work have no longer any meaning.

Therefore, even if the road ahead is dangerous, even if the thorns are full, Mark can only step on it through gritted teeth.

He can't retreat, nor can he retreat.

For this obsession, Mark has blocked everything about himself.

Now that everything is in place, Xinghuo has started to start a prairie fire, and his ten years of hard work is about to bear fruit.

At this time, how could he give up?

This is his pursuit, his ideal, his obsession, and the greatest significance of his hard work for half of his life.

Even if Mark knew he would never go back, he would never retreat in fear.

It's like a moth fighting a fire, knowing it is dead, but so what?

Still flap the wings and move forward!

Not why, just because, before dying, they got light and heat.

However, Mark thought so, but Tang Yun didn't think much.

Everyone has their own position, Mark has a reason not to fly away, and Tang Yun also has a reason to prevent him from sending him to death.

Therefore, after seeing Mark's stubbornness and persistence, Tang Yun flushed with anger, her slender jade fingers just clenched, and her beautiful eyes stared at Mark so fiercely, but the whole popularity was fundamentally speaking. Speechless.

why?

Why does this bastard have to die?

Is it bad to be alive?

Will you die if you step back?

Take it for your parents, for your relatives and friends, or for me...

Tang Yun really couldn't figure out why Mark had such a big obsession with the Chu family.

He obviously has a hundred or a thousand reasons not to go, but why does he have to choose the only reason to go.

The more Tang Yun thought about it, the more anxious she became, and the more she thought about it, the more angry she became.

In the end, Tang Yun was anxious, seeing that the words could not persuade Mark, so she had to draw a sword, and the seven-foot green peak in his hand aimed at Mark's chest like this.

"Mark, I will give you one last chance."

"Let go of the grievances with the Chu family, and promise me that I will no longer be an enemy of the Chu family in the future, and will be an enemy of the Chu Clan."

Under the light veil, Tang Yun's cold words came.

On the banks of the cold river, Mark stood there.

The body is straight, like a spear standing upright. Facing the power of the Chumen master, he was not afraid of it, and his low voice immediately sounded: "What if I don't?"

"Then don't blame my Qi Chi Qingfeng for being ruthless!"

The cold voice blurted out from Tang Yun's mouth. As if the cold wind swept across, Hu Bo here immediately set off waves.

No one knows how angry and sullen Tang Yun was at this time.

She was mad at Mark's stubborn arrogance, mad at Mark's overweight, and even more mad at Mark's recklessness.

Doesn't he know how much concession he has just made?

The power of Trumen has always been sacred and inviolable.

Anyone who violated the majesty of Truman, regardless of background, origin, strong or weak, paid a very heavy price.

Eye for eye, blood for blood.

Truman's iron rule for handling foreign disputes!
