

Chapter 2704– 2705 of A Dish Best Served Cold Novel

Chapter 2704

According to the rules of Chumen, such as Mark, killed the great Chumen in a row, including two Chumen elders. For such behavior, Mark's family should be banished.

But Tang Yun didn't. Instead, he took the initiative and chose to ignore the past, as long as Mark promised not to be enemies of Chumen and the Chu family in the future.

Of course, after Tang Yun's decision to return to the sect, he would definitely be criticized by the patriarch of the sect.

But it didn't matter, as long as Mark stopped in time, no matter how much pressure within the sect, she could withstand the pressure, or rely on the power of the Chumen sect master to order the sect to stop embarrassing Mark.

Tang Yun thought that Mark should be able to understand his kindness.

However, after all, she still did not expect that Mark not only didn't appreciate it, but even Yang Yan killed the Chu family at all costs, and would not hesitate to become an enemy of Chumen.

Being forced into helplessness, Tang Yun had to choose to use tough methods to force Mark to submit.

At this moment, Tang Yun's long sword pointed at Mark so far.

The sharp long sword reflected the scorching sun and cold light.

Mark looked at the familiar shadow and the familiar long sword in his hand, suddenly stunned.

After a long time, Mark couldn't help but shook his head and smiled.

Amidst the laughter, there was sadness, loss, and even more intense self-deprecation.

I think once, he has experienced so much with her.

Mark originally thought that she should have some place in her heart.

But now it seems that he is passionate.

From the moment she pointed the sword at herself, Mark knew that in her heart, she might not be worth mentioning compared to the benefits of the sect.

Thinking of this, the self-deprecating at the corner of Mark's mouth is undoubtedly more intense.

After a brief silence, Mark laughed at himself like this.

Then, raising his head, looking at the stunning figure in front, he approached step by step.

At the same time, Mark was walking forward while talking.

"I said, no one can stop me."

"Born to be human, I never retreat."

"Mount Chumen, you can go, and I can go too."

These words of Mark were not loud, but when they sounded, they were extremely important.

That kind of firmness, that kind of indomitable momentum, moved everyone.

It is impossible to imagine how deep a person must be in order to speak such firm words.

"Mark, don't force me!"

"I don't want to kill you, let alone be your enemy."

"But you insist on standing in Truman, standing on the opposite side of mine."

Tang Yun's words became more and more cold, and there was a murderous intent faintly in between.

Mark didn't say a word, but the pace of progress did not stop.

Until, he was close to Tang Yun.

"You stop me!"

"Go ahead, I'll do it~"

Tang Yun was still shouting.

But Mark turned a deaf ear, still walking forward. The low footsteps stepped on the ground, and there was a muffled sound.

Deep eyes, always looking forward, looking at that stunning and graceful figure.

“Mark, do you really think that I dare not kill you?”

Tang Yun, who was angry when she saw Mark’s warning defiance of her warning, acted immediately.

Hum~

The strong wind swept through, and the sword light waved.

Under the Tianhe River, only a loud sword chant was heard, like thunder running through the sky, and the electric light pierced the Tianxin.

In Tang Yun’s panicked gaze, she saw that her sword broke through Mark’s defense without any hindrance and pierced his chest.

The long sword enters the body, and the blood flows long.

The bright red under the sky is so dazzling.

On the banks of the cold river, the beautiful woman held a sword, and the young man lost his blood.

The dazzling red color slowly fell along the long sword in Tang Yun’s hand.

The crisp sound seemed to resound in Tang Yun’s mind.

At that moment, Tang Yun was stunned.

Her body was trembling, and her beautiful eyes were full of panic.

“you you..”

“Why don’t you hide?”

Tang Yun asked tremblingly.

She didn’t expect it to be like this.

He didn't even expect that her sword would really stab Mark.

She thought that Mark would hide, he should hide.

But Tang Yun never expected that Mark would stand there to take her sword.

“Why... why, why not hide?”

Tang Yunmei's eyes were red, not knowing if it was because of distress or panic, she couldn't help asking Mark.

Mark didn't speak, just looked at her, grinning.

There was endless sadness and loss in that smile.

Like, with another old friend, to bid the final farewell.

From the moment the sword penetrated, Mark knew that the girl who liked to eat fried rice with eggs made by him in the old house of the Chu family was gone.

The girl who practiced with him and protected him is gone.

The woman in his heart called Yu Yun was completely shattered under this sword after all.

At this time, Mark suddenly coughed, and his body trembled violently.

There was even a stream of blood in the mouth, and it couldn't help pouring out.

Along the corners of the mouth, gurgling fell.

And Mark's complexion, with the passing of blood, quickly became ugly at a speed visible to the naked eye.

Looking at the blood-stained boy in front of him, Tang Yun didn't know why, her heart was twisted.

It was like that sword stabbed himself.

However, just when Yu Yun lost her mind, suddenly, there was a sound of breaking through the air behind her, quietly spreading out.

I saw Chu Qitian, who had been hiding behind Tang Yun, but at some point when he caught the opportunity, he stepped on the ground and suddenly violent.

With a fierce punch, he slammed directly towards Mark's wound.

“Haha~”

“Chu Tianfan, it’s over!”

“Die me~”

Chu Qitian smiled arrogantly, and the violent fist strength engulfed the surging force, and fell like this.

Not only Chu Qitian was alone, but there was also one of the Chumen black-clothed law protectors who had been hit hard by Mark just now, rushing out of the ruins, and taking advantage of Mark’s emptiness, and taking advantage of the emptiness.

A palm slapped Mark’s back fiercely.

In this way, Mark suffered heavy injuries once again under the enemy’s stomach and back.

The ribs shattered and blood flew all over the place.

His whole person, even more like a cannonball, was directly hit by Chu Qitian and the others for a kilometer, and finally fell to the ground fiercely.

The earth trembled, the rocks cracked, and dust splashed into the sky.

“Dragon Lord!”

“Buckles, a bunch of bastards~”

“Suddenly attacked the Dragon Lord when he was in danger~”

In the distance, Gaia saw this scene, and his whole person was almost distraught.

Because of anger, the brows and eyes were red.

He roared angrily and was about to rush over to rescue Mark, but was soon stopped by King Yintian Fentian.

“Brother Gaia, where are you going?”

“It’s not good to be distracted during the war.”

Fen Tian smiled faintly, with pride and relief on his face.

Regarding the fate of Mark, Burning Tian did not have any surprises.

Think about it, too, just a teenager, how can there be any chance of winning in the face of the most powerful person in the world today?
