

# Chapter 2706– 2707 of A Dish Best Served Cold Novel

## Chapter 2706

From the moment the Chumen sect master arrived, he was defeated and died tragically, and that was Mark's only destination!

“Go away~”

Facing Fen Tian's obstruction, Gaia cursed angrily, and immediately smashed it towards Fen Tian with a fierce punch.

However, Fen Tian did not confront Gaia head-on. On one side of his body, he escaped Gaia's attack, and then he cut several swords, each of which slashed Gaia's path forward, driving Gaia to life. Retreat.

In this way, Gaia was restrained by Burning Heaven and was unable to rescue Mark at all.

“Dragon Lord~”

Gaia's anxious old eyes were red, and a dignified seven-foot man, the titled master of Central Asia, saw that his dragon lord was deeply encircled and suffered severe injuries, but he was unable to rescue him at all. Gaia's anxious tears almost It's all going to flow down.

“Bad son, get out of me!”

At this time, Gaia seemed to be mad, and his torrential attacks were like violent storms, pouring toward the burning sky.

For a while, the King of Yintian Fentian was completely crushed and beaten by Gaia.

The last move was not dodged, but Gaia's punch was abruptly received.

Fen Tian snorted and vomited a mouthful of blood.

“Ciao!”

“Gaia, you lunatic?”

“Shoot so cruel?”

“As for, do you want to kill me for a nasty bastard?”

“However, it’s useless.”

“Even if you get rid of my entanglement, do you think you can save him in Tang Yun’s hands with your strength?”

“Adding the two of us, I’m afraid we can’t save people from her.”

“So, Gaia, give up.”

“Your so-called dragon master is out of help.”

Fen Tian grinned grimly while wiping the blood from the corner of his mouth.

Then endured the injury and fought with Gaia again.

On the other side, Chu Qitian and others immediately smiled triumphantly after they succeeded in the sneak attack.

“Haha~”

“A country boy, fighting against this young master, can you beat me?”

“This time, it should be dead.”

Chu Qitian sneered, in a good mood.

First, he was stabbed in the chest with a sword from their master, and then he was hit hard by the combined forces of him and the strong master of Chu Clan.

In this case, even if Mark was a titled master, he would definitely die of anger.

However, just as Chu Qitian laughed, he only heard a loud explosion.

Then, under the ruins, it exploded vigorously.

Between the rubble flying, a thin and determined figure stood up tenaciously on the ruins unexpectedly.

“what?”

“This... how is this possible?”

“This guy, he’s not dead yet?”

Seeing that figure suddenly, Chu Qitian's eyes stared out.

He didn't expect that Mark suffered such a severe injury, not only did he not die, but he stood up again so quickly.

"Haha~"

Under the sky, on the banks of the cold river, the lonely figure standing upright suddenly smiled.

The laughter was sad, the endless self-deprecation and anger.

At the same time, with Mark's laughter, the jealous blood also kept falling along the corner of his mouth.

"I didn't expect that I, Chu Tianfan, spent my entire life, not dying under the encirclement of the Chu family, not falling into the skyrocketing artillery fire, but today, I almost died in your hands."

"What a sect master of Truman?"

"What a top ranking list~"

"What a Tang Yun..."

"Haha~"

Mark's eyes were red and mad, and while smiling sadly, he looked straight at the shadow in front of him.

Facing Mark's gaze, Tang Yun's pretty face was pale, and she slowly lowered her head, not daring to look at him at all.

## Chapter 2707

"However, Tang Yun, don't think that you can force me to retreat and make me give up by relying on these."

"I tell you, unless I die here today, I will go to Mount Chumen!"

"A thousand days of honor and disgrace, ten years of grievances. Everything that the Chu family owed me and my mother back then, I, Chu Tianfan, will surely make the Chu family repay it a hundred times."

"No one can stop me."

“If anyone stops me, I will kill another.”

“Ten people stop me, I will kill ten people.”

“The people of the world stop me, and I will kill all the people of the world.”

“Even if you Chumen stopped me, I, Chu Tianfan, can still kill me.”

The deep voice, the sonorous language, only if the gold and stone fall to the ground, in this world, it can't help but reverberate.

“Also, the Tao is different, don't have to do it!”

“Return these things to you.”

After the words fell, Mark immediately pulled off the blue spirit jade above his neck from his arms, and then threw it in the direction of Tang Yun fiercely.

The one that Tang Yun left with her was a sword book that Tang Yun left with her.

“Tang Yun, it's over.”

“See you later, I, Chu Tianfan, will never show any mercy anymore.”

After speaking, Mark immediately turned around, dragging a body full of blood, staggering steps, and slowly leaving towards the distance.

At this moment, Tang Yun was stunned.

He looked at the young boy's lost back, at the warm jade under his feet that had been covered in dust, and he didn't know why, at this time, Tang Yun felt a kind of needle-stick pain in his heart.

If there is a place in my heart, it quietly cracked, and sorrowful water flowed out.

Let Tang Yun feel a kind of uncomfortable almost suffocating.

Her delicate body swayed, and her pretty face was pale and desolate.

At that moment, it seemed to be tens of years old.

The majestic and cold pretty face in the past is now full of haggard and desolation.

The cold wind was icy, the lake was rippling, and Tang Yun's silk was like snow.

Before that, Tang Yun had decided to cut off all love ties with Mark, and no longer missed it or saw each other again.

However, when this moment really came, she actually had an urge to cry.

That feeling is like a very important thing in one's life, just leaving him.

Tang Yun didn't know why she had such emotions? Why do you feel this way?

Obviously, she and Mark have only met for two years, and they have not been together for more than a month.

Compared with her long years of cultivation, this time is so insignificant.

But why, when Mark turned and left, she felt so heartbroken.

For a time, Tang Yun was in a state of confusion, with many thoughts in her mind.

During this period, she wanted to open her mouth to call Mark countless times, wanted to apologize to him, and treat him, but every time she reached her mouth, she didn't shout out after all.

After all, she is the master of the Truman, and everything she has today is also given by the Truman.

It is impossible for her to abandon her principles because of Mark and do anything that would harm the interests of the sect.

"Sect Master, he is going to run away~"

"Can't let him go."

"Quickly kill him~"

At this time, Chu Qitian's anxious urging sound came out of his ears again.

"shut up!"

"Isn't it embarrassing enough?"

"My Truman has always acted openly and openly."

"It's a murder, and it's a dignified battle!"

"And you guys have done this kind of scandalous attack on others while they are in danger."

"The majesty of the sect has been lost to you!"

Tang Yun said coldly, and the words were full of sorrow and coldness.
