

Chapter 2712– 2713 of A Dish Best Served Cold Novel

Chapter 2712

“But we, facing this... Mark, that is bound to die.”

“Yes...or else, let's just run, don't...don't go back to Vietnam.”

“Find an old forest deep in the mountains, hide it anonymously, wait a few years, the wind will come, and then... come back again.”

In my ears, there was a panicked voice from the Indian powerhouse.

Perhaps because of being too scared, this person's speech was trembling.

After all, they had seen Mark's strength and fierceness.

Before, when robbing Yuan Ling Guo, Mark slapped several of their brothers to death.

Later on that isolated island, Mark was not afraid to face the King of India, and even at his peak, he was inextricably beaten with them.

It can be said that they are completely in the fear of being deeply dominated by Mark.

Originally, they thought that Mark would not be able to survive such a serious injury.

That's why Lei Luo and the others are relieved to drink here comfortably.

But now, Mark is not dead, and their nightmare is undoubtedly coming back.

Lei Luo and others, how can they not panic, how can they not be afraid.

“Calm down, show me calm down.”

“Don't panic, the sky hasn't fallen yet?”

Lei Luo is also a person who has experienced wind and rain after all, even if Mark's appearance surprised him.

But soon, Lei Luo calmed down and began to think about countermeasures.

“Yes.”

“I have a way.”

After a brief period of thought, Leiluo quickly thought of a countermeasure.

“Brother, what can I do?” the person next to him asked anxiously.

“What else can I do, just do it!”

what?

“Brother, are you crazy?”

“This Mark has the power of a titled master!”

“Even if he is injured now, but the titled master fights to the death, it is not something that the few of us can bear.”

Hearing Lei Luo’s words, the companion next to him turned pale with fright and shivered all over.

I just feel that Lei Luo’s thoughts are simply death.

“Listen to me.”

“I know that with only a few of us, I am afraid it will be difficult to send this Mark away.”

“But don’t forget, here, but there are nearly a hundred powerful people from various countries?”

“What if so many of us join forces?”

Lei Luo said coldly, and between the words, there was a sense of sorrow and cunning on the corners of his mouth.

Leiluo’s words made his other two companions brighten up.

“feasible!”

“It’s just elder brother, we have hatred with Yanxia, but there is no hatred in the martial arts of other countries.”

“How do we move them and help us together?” But soon, new questions were placed in front of them.

But Lei Luo chuckled lightly.

“Don’t worry, I have my own way.”

“For a while, you can just cooperate with me.”

After speaking, Lei Luo immediately got up, and his loud voice sounded in this temporary tavern.

“Everyone, everyone is leading, come here to grab the treasure.”

“Everyone is fighting for their own national interests and for their own martial arts.”

“Now everyone is returning empty-handed. I must go back. It’s not easy to make business, right?”

“Now, a once-in-a-lifetime opportunity is here. I wonder if you dare to grasp it?”

Leiluo faced the crowd and said in a deep voice. In the words, there is encouragement and agitation.

“Ok?”

“Lei Luo, do you want to attack Ye... Mark?”

Everyone was stunned when they heard the words, but a few of them seemed to have guessed something and asked aloud.

Lei Luo nodded his head: “Exactly!”

Chapter 2713

“In the beginning, Mark alone took the tree-full of Yuan Ling Guo into his bag.”

“Furthermore, what was the reason for the gathering of the great masters on the isolated island?”

“Obviously, there is a treasure hidden in that cave mansion that makes the titled master crazy!”

“If it is said, Yuan Lingguo can increase everyone’s chances of becoming a master.”

“Then, the treasure hidden on the desert island will most likely give you the opportunity to step into the titled master.”

In the tent, Lei Luo talked freely, and those extremely provocative words kept ringing in everyone’s ears.

For a time, many people’s breathing gradually heats up.

The eyes that were originally panicked by seeing Mark gradually became fiery.

As the saying goes, treasures are touching.

What's more, the treasure in front of them may allow them to step into the titled master.

Titled master?

In the martial arts world, the titled realm is the highest realm.

If the martial arts master is the realm that everyone strives for, then the titled realm is the belief of everyone, and it is a holy existence that cannot be expected.

Now, a path of the same faith is in sight.

Those present can hardly be calm.

Even if there is only a slight chance, they will not let it go.

Seeing everyone's atmosphere had been ignited, Lei Luo's mouth suddenly showed a successful smile.

Of course, this does not mean that the people present are fools.

On the contrary, many people know what Lei Luo is thinking.

They knew that this Indian martial artist just wanted to use them to eradicate Mark.

But, what about knowing?

They have common interests.

Therefore, even if they knew that this was Lei Luo's strategy against Mark, everyone didn't care.

What they pictured is nothing more than the treasures on Mark's body.

"It's just, Lei Luo, how do you know that the treasure will be on this hot summer boy?"

"Maybe it was taken away by the woman who was with him before?"

Among the crowd, there are also sensible people.

After pondering for a while, he immediately asked Xiang Lei Luo.

Leiluo didn't conceal it, but said frankly: "You are right, I am not 100% sure."

“However, things in the world are like this, and there will be all kinds of suspense.”

“Before we do it, no one can guarantee that there will be treasures on this hot summer boy.”

“But what I can guarantee is that if we don’t do anything and let him go, we will definitely not get the treasure.”

Leiluo’s words were strong and loud.

After speaking, he paused, then continued:

“Besides, everyone has seen that the young hot summer boy was seriously injured, and his combat strength was not one.”

“At this time, it is a once-in-a-lifetime opportunity.”

“As long as we all work together, we will be able to quickly kill it with the momentum of thunder.”

“Everyone, are you really willing to give up this once-in-a-lifetime opportunity?”

“Don’t you really want to take a bet with me?”

“If it succeeds, after a few decades, you might have a place on the list that day.”

“Even if it doesn’t, we won’t have any losses. On the contrary, it will weaken the martial arts power in the summer. For our own martial arts, it is by no means a bad thing.”

“So, regardless of success or failure, it will be beneficial and harmless to all of us here.”

“Now, it’s up to you, dare someone follow me to make this vote.”

Lei Luo said in a deep voice, his scorching eyes swept across the crowd.

For a moment, everyone was silent, no one spoke, it seemed that they were weighing and weighing.

“Ma De, do it!”

“Wealth and wealth are in danger.”

“For the treasure, fight it~”

....
