

## My One In A Million Wife Chapter 272

“Ashlyn is the producing director? Is there no one else capable in the studio? Why is she doing it?”

“Oh my gosh, what on earth is Mr. Field thinking?”

“So, like, what can this woman do, really? Like, can she sing, or dance?”

“She can totally seduce men!”

“You’ve got to admit that she’s really beautiful.”

The netizens had little hopes for Lake City’s Gala Night. Now that they learned about Ashlyn’s title for the show, they believed the ceremony would be a total disaster.

On the other hand, her colleagues at the First Hospital noticed the video as well and it became the talk of the hospital.

“Oh my goodness, Dr. Berry is so awesome!”

“I know right! She’s even the producing director!”

“She’s probably just there for her looks.” Penelope scoffed.
