

Chapter 2740– 2741 of A Dish Best Served Cold Novel

Chapter 2740

Not only use one's own power to defeat the strong of the countries, one person alone takes over the tree of Yuanlingguo.

Moreover, on the isolated island, the young man is a man, and he is not open.

The king of Yintian burned the sky and retreated steadily!

Moreover, the protagonist of these brilliant achievements is just a young man in his twenties.

The information about Mark has been revealed, and it is like a nuclear explosion, which immediately caused a sensation in the entire martial arts world.

“what did you say?”

“Even Fen Tian was crushed and beaten by him?”

“Oh my God!”

“How strong is that?” Only one second to remember in seven or eight days. ㄐㄩㄥ.ㄘㄨㄥ.ㄇㄨㄥ.7:8ㄐㄩㄥ.

“At least it's the top 20 in the top 20!”

“I didn't expect that there is such a terrible old monster hidden in the land of hot summer.”

“what?”

“Not the old monster?”

“You said he's only in his early twenties, just a teenager?”

“It's nonsense!”

“Twenty-year-old titled master?”

“Are you playing with me?”

“impossible!”

“This is absolutely impossible~”

“Being titled at the age of twenty?”

“How could there be such a perversion in the world?”

“It must be fake!”

“It can’t be fake.”

“This is what the person who witnessed it at the time, personally said.”

“Many people can confirm~” “Even Fen Tian himself admitted that this young man named Mark exists!”

All over the world, such conversations will no longer happen all the time.

Everyone’s first reaction after learning about it was almost all tremors and unbelievable.

On the Wuzhe forum, there are also arguing about the truth of this news.

At the beginning, there were many forces competing for the Dollar Ling Guo. In addition to the nearly 100 people who suffered the slaughter, naturally some people who left the rainforest early have survived.

Just like Kong Ming and the others, they all survived safely. The details of the experience in the rain forest are almost all told from the mouths of these survivors.

However, even so, many people still find it hard to believe that there really is such a young titled master.

Until one day, the Yanxia Wushen Temple suddenly updated the list of the Yanxia Titled Masters.

Above, in addition to the six pillar kingdoms that have been famous for a long time, there is one more person.

Surprisingly, it is Mark, ranked seventh, title, Wushuang!

Boom~

The announcement of this list only if the boulder enters the sea, the already noisy martial arts world will once again set off a huge wave.

Also let all the doubting voices disappear!

Yes, Yan Xia’s list undoubtedly confirmed the existence of Mark from the official level, and also confirmed that his strength has indeed reached the title level!

“Oh my God!”

“This Mark, actually exists?”

“The rumors are true!”

“He is indeed a titled master.”

“Hey~”

“It’s just a pity, such an enchanting evildoer died early.”

“Then Fen Tian really damn it!”

“To bully, to collude with others, to play yin.”

“Indian martial arts, really are a group of despicable and shameless people~”

“The death of Mark is destined to be a huge loss for our entire martial arts world.”

After reconfirming the authenticity of this matter, in addition to the tremor, everyone was more regretful.

After all, according to the situation at the time, the possibility of surviving such a serious injury is really slim.

In addition, Mark had been out of contact for a long time last month, and he could basically confirm that he had fallen.

Chapter 2741

“Hey~”

“God is jealous of talents.”

“Who would have thought that when a person became famous, it was after his death?”

Some people regret, others lament.

Many people in the martial arts world feel sorry for this short and bright star.

However, at the top of Yanshan Mountain, the man in white is still waiting.

So far, he didn’t want to believe that the young man named Mark had just fallen.

In a blink of an eye, another month passed quietly.

In the hot summer, there is still no news from Mark.

During this time, everyone’s talk about Mark gradually disappeared.

It is estimated that in a short while, the name Mark will be completely forgotten in the hearts of everyone.

This world is like this, love the new and dislike the old.

New talks will always replace the old ones.

Just like a newcomer, it will eventually replace the old one.

A person who has fallen, apart from his close relatives, who will pay attention for a long time?

And with the passage of time, the only hope that Ye Qingtian and others had in their hearts, undoubtedly became more and more faint.

“Lao Ye, it’s been so long. It seems that he really won’t be able to come back, right?”

On the top of Yanshan Mountain, there are two figures standing quietly.

One of them, one in white, was suave and romantic.

The other person is burly and extraordinary, with powerful eyes.

The man in white is naturally the martial arts leader of the hot summer, Ye Qingtian, the god of war.

And the other person is also one of the six pillar kingdoms in the summer, Grandmaster Vast Sky, Tang Hao!

In the Martial God Temple, these two people who had spoken to Mark would miss him so much.

Ye Qingtian did not speak, and remained silent.

“Lao Ye, over with his family, should we send someone to take a look.”

“Tell them what we have.”

“During this time, I heard that Mark’s family has asked Lu Tianhe to inquire many times.”

“Always concealing it from them is not a solution.”

“I think our Martial God Temple should send someone to visit it.”

“After all, Mark happened during the mission, and we are always responsible for it.”

Tang Hao said in a deep voice, suggesting from the side.

Hearing this, Ye Qingtian’s expression was undoubtedly even more sad.

After a long time, he sighed.

“Yes, this kind of thing can’t be concealed anyway.”

“You go and tell the sword saint, let him arrange a few people to go to Noirfork.”

“Tell Mark’s family about this truthfully.”

“In addition, I will tell Mark’s family again, and if there are any difficulties in the future, I will come to the Martial God Temple.”

“Even if Mark really won’t come back, Hot Summer Martial Arts will protect their Ye Family.”

When saying these words, Ye Qingtian was undoubtedly extremely heavy.

After all, for their hot summer martial arts, even if Mark fell, he would only lose an outstanding junior genius. Without Mark, there would be others who would make up for it.

However, as far as Mark's family is concerned, that boy is all of them!

Without him, maybe they would have lost the whole world.

Therefore, Ye Qingtian never asked Helen Qiu to tell them about what happened to Mark.
