

Chapter 2758– 2759 of A Dish Best Served Cold Novel

Chapter 2758

“I’m fine, thank you Mr. Lu.”

But Helen Qiu cleverly avoided it, and at the same time politely thanked her.

“Mr. Qiu, what’s wrong, has there been a car accident?”

“Are you okay?”

At this time, Ericson Li, who had been following Helen Qiu, was long overdue.

After seeing Helen Qiu’s car crashed and deformed, the whole person seemed extremely nervous, and hurriedly came to condolences.

There were also a few bodyguards who came together.

Helen Qiu doesn’t like to ride in the same car with others, especially people of the opposite sex. Therefore, those bodyguards drove behind him silently.

After discovering that Helen Qiu was in an accident, it would naturally take some time for them to rush over.

“I’m fine.”

“I just met a few gangsters who wanted to kidnap me.” Helen Qiu said briefly.

When Li Eryi heard it, he felt furious.

“what?”

“Someone wants to kidnap you?”

“Who is such a bold person to start with Mr. Chu’s woman in the land of Wrilfill?”

“President Qiu, don’t worry, leave this to me.”

“I, Ericson Li, dug the ground three feet, and ordered those madmen to get you back!”

Ericson Li said angrily.

When she called, she began to arrange for someone to investigate the matter.

“Forget it, just a few little guys.”

“I guess I saw Miss Qiu’s beauty, so I’m so upset when I see her.”

“I have been taught a lesson just now, I think there is no need to make a fuss.”

“People in high positions still have to have a big heart.”

Lu Hua interrupted at this time and advised Ericson Li not to pursue any further investigations.

“No!”

“How can this count?”

“In my place, Ericson Li, there are still people who dare to do this kind of thing.”

“How can I be merciless if I don’t look at me, Ericson Li?” Ericson Li didn’t stop.

When Lu Hua saw this, he didn’t say anything.

After that, Ericson Li arranged for someone to deal with the accident here. But Helen Qiu continued to go to the company.

In the accident just now, she didn’t have a serious problem, but she was frightened.

However, when Helen Qiu was about to leave, Lu Hua walked up and asked with a smile: “Ms. Qiu, I saved you, don’t you plan to invite me to dinner?”

“This~” Helen Qiu said embarrassedly, “Mr. Lu, there is still something going on at my company. I’m afraid I will have to wait a few days for food.”

“Really? That’s okay, I can wait. When Miss Qiu is free, I will invite it. It just so happens that I also have some things, I want to talk to Miss Qiu alone.” Lu Hua smiled lightly and talked about his behavior. They all seemed very well-rested, and they were almost like two people when they were walking with Mark.

“Mr. Lu is too polite. You saved me just now. This meal is a treat, and I treat it as my treat. But in the near future, there is really no time.”

After a few words of greeting, Helen Qiu also left.

After arriving at the company, Helen Qiu remained the same without showing any abnormality.

The entire Mufan Group, and even the entire Noirfork, was peaceful.

One day passed quickly.

Helen Qiu was also ready to return to the villa when the sun was over.

During this day, she thought a lot.

Decided to have this meal with Lu Hua.

For some details about Mark's affairs, she needs to ask Lu Hua.

However, Ling Helen Qiu didn't expect that as soon as she got off the stairs, she saw Lu Hua waiting at the door of the company.

"Miss Qiu, do you have time now?"

"Can you admire your face and have dinner together?"

Ahead, Lu Hua looked at Helen Qiu's direction and said with a smile.

Chapter 2759

Under the Tianhe, Lu Hua stood so lightly.

He put his hands in his pockets, and a bright smile appeared at the corner of his mouth.

In the handsome face, there seems to be a kind of inherent nobility and pride.

The breeze shook his forehead hair slightly.

For a moment, Helen Qiu thought that it was not Lu Hua who was waiting for her at the door, but the young man named Mark.

Helen Qiu froze in place for a long time.

Until he was awakened by Lu Hua's voice.

"Ms. Qiu, can you enjoy it?" Lu Hua asked again.

Helen Qiu didn't answer, but instead said, "Have you been waiting here?"

Lv Hua nodded: "Since I watched you into the company in the morning, I will wait here. Until you get off work at this time."

Upon hearing this, Helen Qiu turned her head slightly, her eyes a little dodging: "Mr. Lu, you don't have to be like this."

"It makes me feel guilty."

"Let's go, Mr. Lu is very kind, and I won't shirk anymore."

"It just so happens. I want to ask about some details about Mark."

After all, Helen Qiu agreed to Lu Hua's invitation, and then had dinner with Lu Hua.

Lu Hua ordered a high-end western restaurant.

As soon as the two arrived at the door, several waiters in white shirts and black skirts greeted them.

“Master Lu, you are here.”

“Everything has been arranged according to your instructions.”

“Well, trouble.” Lu Hua nodded.

“It should be.” The waiter replied, and then looked at Helen Qiu on the side and said with a smile, “This one, should be the heroine tonight, she is truly stunning.”

“I hope you two can be here and leave a happy memory.”

The waiter’s skillful tongue is like a spring, and his words are extremely comfortable to hear.

Afterwards, the two walked into the restaurant under the guidance of the waiter.

At this time, it is the time of the bustling city, but there is not a single person in this western restaurant.

In the quiet restaurant, only melodious music lingers.

Accompanied by a faint woody fragrance, slowly cruising in the room.

The gorgeous crystal chandelier casts a dim and soft light, so that the entire restaurant has a dreamlike style.

Even in the panic, after being in this environment, it will become calm and soft.

If it was the previous Helen Qiu, the mood would become particularly relaxed and joyful when he was in it.

However, she is really not happy now.

On the contrary, there is a kind of inexplicable dislike for the atmosphere here.

After all, eating at this kind of holy place for dating lovers is naturally a bit out of date for Helen Qiu, who has just lost her husband.

Soon, under the leadership of the waiter, the two came to one place.

On the table, the strong red wine exudes an attractive aroma.

Coupled with the roses beside the table, it makes the atmosphere here a little ambiguous.

Lu Hua raised his wine glass and looked to Helen Qiu.

“Sorry, Mr. Lu, I don’t drink.” Helen Qiu declined.

“It’s just red wine, it’s okay to have a drink,” Lu Hua persuaded.

Helen Qiu still shook her head, “Mr. Lu, thank you for your kindness. However, I am really not in the mood to drink now.”

“I just want to ask about Mark.”

“I want to know, did you really see Mark seriously injured?”

“Since he is seriously injured, it must be difficult to move. If so, why can't you find him?”
