

Chapter 2766– 2767 of A Dish Best Served Cold Novel

Chapter 2766

“Well, Helen Qiu, Mom is very good here.”

“You should also pay attention to your body, don’t be too tired.”

“Where is Mark, are you back?”

“This brat, I haven’t called his mother for months.”

.....

“What? Haven’t come back yet?”

“This brat is getting worse and worse!”

“Even if he doesn’t want me as an old lady, the wife can’t do it, right?”

“A big man stays away from home all day, leaving the burden of the company to a woman. If my daughter-in-law is exhausted, let me not interrupt his dog legs!”

....

“Helen Qiu, Mark is heartless, he doesn’t know if he cares about you, but you have to treat yourself better.”

“Don’t do everything by yourself.”

“A person has so much energy, and if you use it too much, accidents will easily happen.”

“It’s okay, give yourself more time off, rest and rest.”

.....

“Also, you and Mark will not be married for a short time, and you should give it to your child.”

“Before, you were all busy with your career, and you were still young. It was not easy to be a mother to urge you.”

“But now, it’s time to be on the agenda.”

.....

“With children, it is like a home.”

“Men are like kites, and wives and children are holding their strings.”

“No matter how high or far they fly, as long as there are wives and children waiting at home, they will come back.”

.....

On the phone, Ye Ximei was chatting with Helen Qiu as usual.

The soft words are full of care and kindness.

To Helen Qiu, the phone call at this time was like a cup of hot porridge in a cold winter night. It almost instantly made this strong woman burst into tears.

“Well, Mom, you are right, no matter how far away, he will come back...”

“I will be back~”

“I will wait for him, no matter how long, I will wait~”

Helen Qiu smiled hard, but tears couldn’t help dripping down her cheeks in a controlled manner.

Her beautiful eyes were red, and the glittering tears, like shining pearls, fell to the ground, but they fell to pieces.

“Ok?”

“Helen Qiu, what’s the matter with you?”

“You have the flu?”

“Why is the nasal sound so heavy?”

Ye Ximei seemed to hear the strangeness in Helen Qiu’s voice, and suddenly became worried.

Helen Qiu quickly controlled her emotions and wiped her tears: “Mom, I’m fine, it’s just a small cold.”

“I have another meeting here, Mom, if it’s okay, I’ll hang up first~”

For fear that she could not control her emotions, Helen Qiu was discovered by Ye Ximei, so she quickly found an excuse and hung up the phone.

She didn't tell Ye Ximei about Mark's affairs. She planned to keep it secret, and wait for a chance to tell her the elderly.

After the phone was hung up, Helen Qiu couldn't hide her tears and cried again.

"Mark, you bastard, where are you?"

"I know you are still alive, you must be alive."

"But, why don't you contact me~"

"Why don't you go home yet~"

.....

In the room, Helen Qiu's sorrowful voice echoed.

Bang bang bang~

However, at this moment, a crisp sound suddenly came from outside the door.

Then, the tight door opened instantly.

Helen Qiu suddenly raised her head, and saw that outside the door, Lu Hua walked in with a smile on her face while applauding.

The cold wind outside blew his sleeves.

The ice-cold moonlight fell on him, but it was on the ground, casting a haze on the ground.

Chapter 2767

"Miss Qiu's affection for her lover is really moving."

"Lv Hua has been alive for 30 years, and there are countless flowers in all directions."

"But the woman I met was someone who was low-hearted and greedy for money and snobs."

"Only Miss Qiu, who values love and righteousness. Even though her lover is dead, she still remains so determined."

“Your quality is really rare in today’s materialistic society.”

“Miss Qiu, Miss Qiu, I found out that I really fell in love with you.”

“I, Lu Hua, if I can have this woman as his wife in this life, and have a spring night with it, what can the husband ask for?”

Lu Hua sighed again and again, and the words were full of appreciation and coveting for Helen Qiu.

The explicit words made no secret of her covetousness for Helen Qiu’s beauty.

“It’s you!”

However, after seeing that the incoming person was Lu Hua, Helen Qiu was shocked in her heart.

Her beautiful eyes wrinkled, and Leng Sheng said angrily: “How did you come in?”

With Mark’s ranking as the No. 1 in Noifork, Yunding Mountain Villa became the center of the entire Noifork on the day it was completed.

Therefore, the guards have always been careful and the security measures are extremely strict.

Plus, it has been an eventful period recently.

Helen Qiu doubled the number of security personnel Ericson Li arranged around the villa.

Even when Helen Qiu came back today, she specifically asked the security at the foot of the mountain that no one was allowed to enter the Yunding Mountain villa area without her permission.

However, Helen Qiu didn’t expect that this Lu Hua in front of her was silent, deep into the hinterland of Yunding Mountain, and now he appeared in front of her more swaggeringly.

Before that, Helen Qiu hadn’t noticed it.

This had to make her feel terrified!

After all, this situation undoubtedly means that as long as Lu Hua is willing, he can threaten Helen Qiu’s life at any time.

Facing Helen Qiu’s question, Lu Hua suddenly smiled.

In the cold laughter, there was contempt and sarcasm.

“Miss Qiu, are you really the wife of the titled master?”

“Don’t you know that the people you arranged outside are completely useless in front of the martial arts experts?”

“I can tell you that not only Yunding Mountain, but also any place in this Noirfork land, to my Lu Hua, it is like no one.”

“Where I want to go, then I go.”

“Who can stop me?”

Lu Hua’s words are bold and domineering.

This is not pretense, this is self-confidence!

It is the confidence of the strong to the weak, and the confidence of the martial artist to the secular.

that’s the truth.

Although Lu Hua is not a master, he is already a powerful person, and he is only a few steps away from the master of martial arts.

With his strength, in the land of Noirfork, he can run rampantly.

After all, Noirfork has always been weak in martial arts.

Among the top ten martial arts masters on the master list, none of them are from Noirfork.

If it hadn’t been for Mark, Noirfork Budo’s position in the Yanxia martial arts world would undoubtedly be even more unbearable.

Now that Mark is dead, Lu Hua is naturally fearless.

“Okay, I don’t want to say any more nonsense.”

“Miss Qiu, one day has passed, now, you should tell me, right?”

Standing in front of the door, there is endless darkness behind him, and lights flickering in front of him.

In the interweaving of light and darkness, Lu Hua stood proudly.
