

# Chapter 2768– 2769 of A Dish Best Served Cold Novel

## Chapter 2768

He was condescending, like looking down at the prey, looking down at the girl in front of him.

Helen Qiu did not answer.

But at this moment, her pretty face was pale.

“Why, haven’t you thought about it?”

“Or, do you still want to struggle?”

“Helen Qiu, why bother?”

Lu Hua’s tone suddenly softened a lot.

“Mark is dead, you are alone now, guarding your boudoir alone, and you will feel empty and lonely at night.”

“And I’m single too, no one can be with me on a lonely night.”

“The two of us are married. Outside, I will help you withstand the wind and rain and stabilize Noirfork. Inside, I will give you warmth and comfort, let you enjoy the joy of fish and water, the joy of clouds and rain, and exclude your inner loneliness and emptiness.”

“Why not have the best of both worlds?”

“I promise, as long as you become my woman, I will never let you cry in the vacant house like you do today!”

While talking, Lu Hua lifted his steps and approached Helen Qiu’s direction.

In his eyebrows, there is greed and fiery.

It seemed that Lu Hua had also made up his mind, not to stop taking Helen Qiu as his own.

“You dream!”

“I have already said that I cannot marry you, let alone hand over the Mufan Group to you.”

Helen Qiu sternly refused, with firm eyebrows, and there was no room for change at all.

Lu Hua was slightly disappointed after hearing this.

“Helen Qiu, why are you so troublesome?”

“Good birds choose wood and live there, good ministers dominate.”

“The ancients were so, why are you so paranoid?”

“Follow me, I will keep you what you have now, and even give you higher power and status.”

“But if you refuse, you should know what will happen?”

“At least, you will lose everything you have now.”

“Only you, you can’t stand the Mufan Group.”

Lu Hua persuaded again.

But Helen Qiu had decided, how could it change.

“Helen Qiu, don’t be shameless.”

“I, Lu Hua, fall in love with you, it is your honor.”

“In this life, I have never failed to get what I want!”

Finally, Helen Qiu’s repeated rejections completely made Lu Hua irritated.

His eyebrows were gloomy, his palms were tightly clenched, his previous graceful demeanor was undoubtedly gone, and his gaze at Helen Qiu was full of chills.

After that, he quickened his pace and walked in Helen Qiu’s direction.

“What are you going to do?”

“Lu Hua, dare you!”

At this time, Lu Hua had undoubtedly tore off all the disguise, and quickly approached Helen Qiu.

Seeing that, he is ready to use strong means to get Helen Qiu!

In shock, Helen Qiu took out a pistol from nowhere, Dang Even locked Lu Hua.

“stop.”

“One step further, I was blamed for shooting!”

Helen Qiu held a gun in both hands, pointed the muzzle at Lu Hua’s forehead, threatening coldly.

When Lu Hua saw this, he quickly stopped.

The master of martial arts is not afraid of guns.

Lu Hua is not a master after all, so naturally he dare not take the bullet.

Therefore, in the face of Helen Qiu's threat, he had to solemnly.

“Miss Qiu, I advise you to calm down.”

“If you shoot, you will probably spend the rest of your life in prison.”

Lu Hua persuaded in a deep voice.

“Get out!”

But Helen Qiu didn't want to talk nonsense with him, and said coldly and angry.

Lu Hua did not move at first, but Helen Qiu threatened again.

“Okay, I'll get out, I'll get out, don't shoot you~”

Lu Hua looked at her and backed away a little bit cautiously.

## Chapter 2769

However, how could Lu Hua be willing to retreat so easily.

So, after he took a few steps back, he found the opportunity and jumped to the side.

Bang~

At the same time, Helen Qiu's trigger immediately shook.

Without the slightest surprise, the reaction speed of the martial artist was definitely not comparable to that of a weak woman Helen Qiu.

After all, the bullet fell into the empty space!

Just when Helen Qiu was about to fire the second shot and the third shot, Lu Hua kicked the long table in front of him.

Stabbed~

The tables and chairs rubbed the ground, making a toothy sound.

After that, Helen Qiu groaned, and the long table had already hit Helen Qiu's arm.

The gun in his hand was also hit and fell to the ground.

Helen Qiu was undoubtedly shocked when she saw this.

But Lu Hua's foot had already stepped on it!

Soon, they were trampled to pieces.

“Unexpectedly, you, a weak woman, are so strong?”

“Dare to shoot me?”

“However, it's up to you, did you kill this young master?”

Condescendingly, Lu Hua smiled sternly.

The anger in his pupils became more intense.

The gaze towards Helen Qiu became more revealing.

Although Helen Qiu was frightened, she seemed calm on the surface.

As she backed away, she threatened to Lu Hua: “Mr. Lu, I advise you to rein in the cliff in time.”

“The sound of my gunshot has already alarmed the surrounding security.”

“At this time, there must be no fewer than dozens of burly and tall security guards coming over.”

“When the time comes, you just want to leave, but you can't leave.”

“What's more, if Mark has contributed to the country, he has truly fallen and died for the country.”

“You are so openly insulting the widow of the martyr, are you not afraid that this matter will be exposed and arouse the anger of your high-level martial arts?”

Helen Qiu said coldly, while quietly dialing Ericson Li's number.

When Lu Hua heard this, he shook his head and sneered: “You don't need to use the Yanxia martial arts to suppress me.”

“To tell you the truth, I am not the only one who wants Mark to die.”

“Even the senior members of Yanxia Martial Arts, and few want him to live.”

“You are Mark's wife, you should know your man's temper.”

“Like his temperament, he will offend people wherever he goes.”

“So, in this Noirfork land, even if my Lu family doesn't get it, his enemy will take it over.”

“As for you, if you don't follow me, even if I let you go today, I will die at the hands of the enemy in the future.”

These words of Lu Hua sounded cold to Helen Qiu's heart.

She now finally understands why this Lu Hua is so courageous and dare to move the industry of Zhu Guo's hero. It turned out that it was because of the hot summer martial arts high-level officials who didn't wait to see Mark.

I really don't know how Mark would feel if he learned of this.

Just like a general who died on the battlefield and sacrificed his life for his country, the country he loved, the monarch to whom he was loyal, didn't feel grateful for his efforts, and didn't care about his kindness. Instead, after his fall, he occupied his property and bullied his family.

It is estimated that anyone will feel sad and chilling.

“Haha~”

“Why don't you speak anymore?”

“Do you think this society is cruel?”

“Is this reality too sad?”

“Actually, people in this world are like this forever. To blame, you can only blame Mark for being too stupid.”

Lu Hua smiled wantonly.
