Generally space, his condition resembled a poor man that could be run over by others, and Guan Yong made fun by defeating as well as reprimanding him.

Thankfully, he finally left that damn area and also no longer required to be hurt by Guan Yong.

Han Jun couldn't assist yet think of Samuel. Currently, was he mosting likely to brush the toilet? Or was he mosting likely to stoop before Guan Yong and also sing?

"It's a pity that Guan Yong wants to reside in the prison for the rest of his life. I don't even have the possibility to take revenge.

I wish that you can treat my little sibling well. It would certainly be best if you can defeat him up a couple of more times a day. That idiot is enough for you to play with," Han Jun said to himself with a smile.

Han Jun believed Samuel had endured a lot in prison, yet at this time, Guan Yong was rubbing him.

" You look so pathetic. Let me comfort you." Han Jun strolled right into the room as well as closed the door.

Yvonne stayed up, held her knees with both hands, and also stated warily, "What do you want to do? Leave here."

Han Jun grinned coldly and stated, "You're my partner. Isn't it all-natural for you to sleep with me?"

Yvonne trembled her head in shock.

How could Samuel claim something like that? This was not something that Samuel might do.

" No, you are not Samuel. Yvonne said in scary. She had been with Samuel for three years, so she was extremely acquainted with him.

" If I'm not Samuel, that else could I be? Take a look at me. Could I be a fake?" Han Jun walked over to the bed with a smile.

Yvonne got hold of the cushion and threatened Han Jun, "Get out of right here, or I'll be rude."

" Haha, if I can not take care of a female, won't I be a good-for-nothing? Besides, we're husband and wife, so I really did not rape you." Han Jun pounced on Yvonne like a hungry tiger pouncing on its target.

Yvonne tried her best to resist, but she was simply a female. Exactly how could she be more powerful than Han Jun?

Han Jun held Yvonne's hands snugly. He had actually never ever touched a woman throughout his imprisonment, as well as now, he could not manage his lust because of her appeal.

" You 'd better behave on your own," Han Jun intimidated.

Yvonne rejected to surrender, due to the fact that she could clearly pick up that the individual in front of her wasn't Samuel in all.

" Go out, get out, don't touch me."

"Fuck you. You reject a salute only to consume a forfeit, do not you?" After claiming that, Han Jun put Yvonne in the face as well as pulled her hair hard.

Yvonne couldn't assist shouting because of the discomfort, but Han Jun really did not show any kind of grace. However, he came to be an increasing number of fired up.

Han Jun automatically claimed these words. He didn't see it himself, Yvonne was discouraged when she heard it.
