

Chapter 2770– 2771 of A Dish Best Served Cold Novel

Chapter 2770

At this time, the security guards outside had already rushed over after hearing the gunshots.

“Mr. Qiu, are you okay.”

“Sorry, we are negligent.”

The security captain asked worriedly.

Afterwards, he raised his head to look at Lu Hua and rebuked, “Who are you?”

“How dare you be disrespectful to Mr. Qiu?”

“I advise you to get out of Yunding Mountain immediately, otherwise, don’t blame us for being impolite!”

The security captain yelled.

Lu Hua glanced at them, then shook his head: “Noisy!”

The moment the words fell, Lu Hua kicked it out immediately.

Bang~

Hearing a bang, the security captain in front of him flew out of the room like a ball.

Falling to the ground, he couldn’t help twitching, but his voice was gone.

“This~this~”

The remaining people were shocked at the time.

The body of more than two hundred catties, just like this, was kicked by a kick?

The strength of the opponent is surprisingly strong.

“Is anyone going to stop me?”

After kicking one person, Lu Hua stood with his hands behind his hands, glanced around the square with a pair of eyes, and asked proudly.

No one speaks.

“A bunch of trash, so scared to move?”

“What do I want you to do?”

Just when everyone was panicked, there was another angry voice coming from outside.

I saw a middle-aged man with a little fat body, under the escort of Jinbao, Yinbao and others, rushing all the way over.

This old man is surprisingly the leader of Wrifill, Ericson Li!

The place where he lives is not far from Yunding Mountain. After getting the news, he can rush to it soon after he is hot.

After seeing Ericson Li's arrival, the security guards bowed their heads in fear, and respectfully shouted the second master.

In Wrifill, in terms of prestige, except for Mark, it is also Ericson Li.

“Mr. Lu, it's you again.”

“What on earth do you want to do?”

“I know that your Lu family is a famous family in Jiangbei, a rich one.”

“However, for so many years, our Noifork forces and your Lu family have not violated the river water. But what Mr. Lu is doing now is really puzzling?”

Ericson Li's eyebrows were gloomy, and a cold voice sounded.

Lu Hua chuckled softly when he heard the words, “Second Lord, right? I think you have misunderstood. This is a private matter between me and Helen Qiu. It has nothing to do with my family, and it has nothing to do with you outsiders.”

“Private matter?”

“It's nonsense!”

“I think you are coveting Qiu Zong but failing to succeed, becoming angry from embarrassment and delusion.”

“You beast, you are so bold.”

“Do you dare to covet Mr. Chu’s woman?”

“Today, my second child will kill you as a beast for Mr. Chu!”

Ericson Li’s anger echoed, and then immediately ordered the big hands behind him to rush up.

For a time, a chaos broke out on the top of Yunding Mountain.

At the same time, Ericson Li pulled Helen Qiu over, and quickly said, “Mr. Qiu, this Lu Hua is probably a member of the martial arts. I am afraid that these men of mine will not be able to stop him for long.”

“It is no longer suitable to stay in Wrilfill for a long time.”

“Now, you drove away quickly.”

“I have asked you to be sent to the Noifork Military Region for a while.”

“The old lady, I have already sent someone over.”

“When Qinglong arrives, I will also let them find you over there.”

Ericson Li’s eyes were full of solemn expression, and he said anxiously to Helen Qiu.

“But Erye, over the company...”

“It’s nothing, it’s important to save your life. If you have any shortcomings, Mr. Chu will come back in the future, I’m afraid it’s me who will be the first to slaughter, let’s go.”
Ericson Li forced Helen Qiu into the car.

Chapter 2771

“Want to go, can you go?”

Here Helen Qiu had just gotten into the car, and a sneer came out quietly behind him.

Immediately afterwards, Lu Hua’s thin figure appeared in front of Ericson Li and the others, blocking Helen Qiu’s path.

As for the dozens of masters that Ericson Li brought behind him, they had fallen to the ground at this time.

Ericson Li never expected that so many people would be brought down by Lu Hua in such a short period of time.

The strength of the martial artist is really not something that laymen like them can contend.

“fast!”

“Drive away~”

“Bump into it!”

But Ericson Li can't take care of that much anymore. It's important to send Mr. Chu's wife out first.

Therefore, even if Lv Hua stood in front of the car, Ericson Li still let Jinbao drive and rammed it head-on.

After receiving Ericson Li's order, the driving Jinbao did not hesitate.

After putting up the gear, just kick the accelerator to the end!

Boom~

The deafening buzzing sound is like the roar of a wild beast.

Roaring and roaring, he ran into Lu Hua directly.

However, Lu Hua is not a person to wait.

He took advantage of the fact that the car had just started, and before it started running, he rushed over in three steps and two steps.

Then he put his hands against the front of the car and suddenly lifted it up.

What is meant by four or two?

This is it!

Lv Hua directly overturned the car with skillful energy.

Four rounds of the sky, no matter how great the horsepower, it has only become a helpless idling.

“Mr. Autumn~”

When Ericson Li saw this, his whole person was terrified.

He rushed over with red eyes, and hurriedly called for someone to save them.

But fortunately, it was overturned at the initial stage. Helen Qiu and others did not suffer any serious injuries, but bumps and bumps are inevitable. The skin on his arms, legs, and back was scratched several times. His forehead was also red and swollen.

“You bastard, what are you going to do?”

“Mr. Chu died for the country, he is a martyr, how dare you disrespect the martyr?”

After rescuing Helen Qiu, Ericson Li breathed a sigh of relief, then glared at Lu Hua and shouted sharply.

“I said, this is my personal business.”

“I don’t want to be disrespectful to the martyrs, I just want to give Miss Qiu happiness.”

“I didn’t plan to kill you, nor did I plan to stain this mountain peak with blood, I just wanted to take her away and be my Lv Hua’s woman!”

“Miss Qiu, I think I have said enough.”

“A good word to persuade you not to listen, then don’t blame me for forcing you to leave.”

“The woman Lu Hua likes has never failed to get.”

While talking, Lu Hua walked over and reached out to grab Helen Qiu.

“Asshole, dare you?”

Ericson Li cursed and rushed to stop him.

“Old stuff, get out of me!”

Lu Hua kicked off the eye-catching thing with one kick.

With a cry, Ericson Li fell to the ground and fell and turned on his back.

Brothers Jin Bao and Yin Bao also endured their injuries and rushed to shelter Helen Qiu.

But after all, it is the mantis arm as the car.

How could they stop Lu Hua’s footsteps.

Finally, before Helen Qiu, there was no shelter.

The stunning woman at this time was exposed to the wind and rain without any barriers.

“Helen Qiu, accept your fate.”

“Mark is dead, no one in this world can protect you!”

Lu Hua smiled grimly, and then stretched out his sinful hands towards Helen Qiu.

However, just as Lu Hua was about to succeed, outside the horizon, there was a sudden sound of breaking wind.

Immediately afterwards, five figures descended from the sky like a stream of light, like a god.
