

# Chapter 2776– 2777 of A Dish Best Served Cold Novel

## Chapter 2776

Today's Noirfork is in danger, and Helen Qiu doesn't want to establish a strong enemy.

Therefore, under the protection of Qinglong, Helen Qiu walked over, and her cold eyes fell on Lu Hua's body.

"Mr. Lu, our Mufan Group has no intention to provoke the Lu family, let alone Jiangbei. Therefore, after you go back, please tell Patriarch Lu and persuade him not to attack Noirfork."

"In the future, it is better to come across the river, so that the well water does not violate the river water."

"I hope you do it for yourself!"

The cold voice carries endless chill and anger.

Helen Qiu clenched her palms tightly under her sleeve robe.

Helen Qiu didn't want to teach him harshly when Lu Hua offended herself like that before.

However, a small intolerance is a big plan.

Today, they have limited abilities, so many times they have to endure, and they must not be quick for a while.

Therefore, in the face of Lu Hua's offense, she could only drive him away, not daring to take his life.

However, what made Helen Qiu didn't expect was that Lu Hua at this time suddenly smiled after listening to Helen Qiu's words.

The laughter was frantic, like a mockery and mockery of Helen Qiu and others.

"Ok?"

"Why are you laughing?"

Helen Qiu frowned, her heart becoming more unhappy.

“Yes!”

“A defeated person with a smile on his face?”

“It’s really shameless and shameless!”

Ericson Li also cursed from the side.

“Haha~”

“Helen Qiu, Helen Qiu, you are the first woman who dared to speak such a superior tone to this young master!”

“But, do you really think that this young master is defeated?”

Lu Huasen smiled, looking at Helen Qiu’s gaze, it turned colder and colder.

Helen Qiu and the others felt more and more wrong, and suddenly had an ominous premonition in their hearts.

But Lu Hua still smiled wantonly.

“I’ve said that there is no woman I can’t get that Lu Hua wants!”

“Do you really think that if you have backs and reinforcements, this young master doesn’t have it?”

While laughing, Lu Hua suddenly turned around, facing the foot of the mountain, and sternly sipped.

“I, a strong Lu family, don’t show up soon?”

what?

Could it be that the people of the Lu family have already arrived?

At that moment, Helen Qiu and others were shocked immediately, secretly saying that it was not good.

Boom~

Sure enough, as Lu Hua’s voice fell, there were suddenly several figures under Yunding Mountain, stepping on the rocks, rising to the sky, and in the blink of an eye, they were already in front of Lu Hua.

“Master, I will come to help you at the order of the Patriarch!”

The three old men clasped their fists in their hands and worshiped Lv Hua in unison.

Judging from their power, the strength of these three people is not necessarily weaker than Lu Hua.

“This is broken~”

At that time, Ericson Li had a cold heart.

I thought that with the return of Qinglong, this calamity would have passed steadily.

But who could have imagined that in the end, Lu Hua would come back strongly.

“well!”

“Since I’m here, don’t talk nonsense to me.”

“Except for the most beautiful woman, all the others were killed for me.”

“Don’t keep one!”

Lu Hua spit out the blood from the corner of his mouth, and then gave an order.

“Telling!”

The deep words fell, and the three figures rose up immediately, surging with power, as if the sword was out of its sheath.

The sharpness pointed at everyone, Qinglong.

However, the Azure Dragon, who had just performed the complete strike method, was at the time of emptiness at this time.

In their heyday, they were not necessarily the opponents of these three old men, let alone at this moment?

Sure enough, in the face of the power of the Lu family, the Qinglong five retreated steadily and were completely crushed and beaten.

## Chapter 2777

Soon, with the explosion of the Lu family powerhouse, everyone in Qinglong was defeated.

Bang bang bang~

Amid the deep roar, the five members of Qinglong flew out like a kite with a broken line.

Afterwards, he hit the ground severely, vomiting blood.

“Haha~”

“Helen Qiu, how?”

“Now, who has won? Who has lost?”

After removing the threat from the Qinglong people, Lu Huaqiang endured the injuries in his body, but smiled wantonly.

The pride that belonged to the wealthy young master came back again.

“I admit that, in terms of strength, Lu Hua is not as good as Mark.”

“However, I couldn’t fight him before he was alive, but after his death, the Young Patriarch of my dignified Lu clan can’t fight him?”

“I’m a living person, is it better to be a dead person?”

Lu Hua smiled grimly, and the words contained jealousy and hatred towards Mark.

He really couldn’t understand Mark!

It’s not just because of the insults Mark gave him in the Land of Americas.

More because of Mark’s status and power.

Why, a countryman from a poor background can have endless power?

Why, a nasty bastard can become a title and enter the temple of the martial arts?

And why, a plain-looking young man can have such a wonderfully talented wife in his family?

Lu Hua refused to accept, he was full of dissatisfaction!

Mark’s education is not as good as himself, his background is not as good as himself, and his appearance and temperament are not as good as himself.

But why, everything he owns is beyond his reach!

“Mark, wait, one day, all the power, strength, and women you have, I, Lu Hua, will have them one by one.”

“And, just a lot more!”

“Getting your woman and industry is just the beginning~”

Lu Hua smiled at the corners of his mouth, and clenched his palms tightly.

In the depths of the eyes, there seems to be a raging fire, burning!

“Come on, take that woman down for me.”

“Bring it back to the room and let me take it away.”

Lu Hua waved his hand, and the explicit words made Helen Qiu panic and Hua Rong pale.

“Lu Hua, you beast!”

“you dare?”

Ericson Li was still cursing, but just after he finished shouting, he was kicked out.

“Where’s the old stuff?”

“Get in the way of the young master, want to die?”

The Lu Jiaqiang yelled angrily, and then stretched out his hand to grab Helen Qiu.

“Mr. Qiu, let’s go~”

“Hurry up~”

....

Even if Ericson Li was kicked again, he still shouted loudly.

Let Helen Qiu escape quickly.

“Madam, hurry up~”

Denren Ye and the others lay on the ground, their bloody lips trembled, and they were also shouting Helen Qiu to let him go.

However, in the face of everyone’s shouts, Helen Qiu turned a deaf ear to it, and she was unmoved.

She stood there for a long time, eyes full of despair.

In the beautiful eyes, there seemed to be tears flickering.

Is it God's will?

It's God who wants to kill her, kill her and Mark, the Mu Fan Group?

Helen Qiu looked up to the sky, tears streaming down the corner of her eyes, constantly streaming down.

Facing the desperate situation, Helen Qiu did not flee in panic, nor did she cry in panic.

But like that young man, facing the dangers, still standing quietly.

Like a tree, standing for eternity.

Three thousand green silk, swaying in the wind.

The exquisite curve is the most beautiful under the sky.

No one saw the scene here and did not marvel at it.

However, no one saw it. At this moment, Helen Qiu's eyes were desolate and lonely.
