## Chapter 2788

After all, if it weren't for the bullshit's obstruction, it would be a good thing for him.

On this trip to the Americas, how could he burn the sky and return empty-handed?

Without Mark, he would not be cut off!

All of this is thanks to that bastard.

Now that it made him die so easily, Fen Tian felt that it was cheap for him.

"It's hot summer?"

"The King Yintian is really a big tone!"

However, just as Fen Tian complained, a low voice, like a muffled thunder, quietly exploded in the world.

"Ok?"

"who?"

Fen Tian was shocked immediately and turned to look at the source of the sound.

I saw there, an elegant figure standing in the air.

He is fluttering in white clothes, his eyebrows are like swords, and his eyes are like stars.

At the moment when he appeared, Fen Tian only felt a force like a mountain, swept over.

"War... God of War, Ye... Ye Qingtian?"

The moment he saw this person, Fen Tian suddenly lost his voice.

A pair of old eyes stared at the size of a copper bell.

“Ye Qingtian, you... what are you going to do?”

“Do you know that a titled master entered another country without permission. What does this mean?”

“You are an invasion, trampling on the sovereignty of my martial arts world.”

“Do you think...”

Fen Tian looked terrified, like a frightened rooster, shouting loudly to Ye Qingtian.

However, before he could finish speaking, Ye Qingtian’s low anger interrupted his words immediately.

“You ask me what I want to do?”

“Don’t you know in your heart.”

Ye Qingtian was expressionless.

While talking, he raised his steps and slowly approached in the direction of Fentian.

“Naturally, the murderer pays for his life!”

Boom~

The deep words fell, Ye Qingtian’s expression suddenly became cold.

The next moment, the god of war was full of power, but it broke out in an instant.

The vigor swept through, and the sound wave exploded.

The God of War gave a fierce punch, and with an unstoppable force, he slammed into Fen Tian.

Fen Tian was even more startled, and while avoiding, he cursed in surprise: “Oh, Ye Qingtian, are you really doing it on me?”

“If you have the ability, you will fight me again when I recover from my injury.”

“What kind of hero are you taking advantage of the danger?”

Fen Tian yelled loudly while resisting the offensive of the God of War.

During this period of time, he had just put on a prosthesis, and his injuries were good, but there was still a gap between him and his heyday.

Therefore, facing the powerful offensive of God of War, he naturally felt guilty in his heart.

“Stop talking nonsense!”

“When you bullied the less by the more, bullied the minor by the big, and shamelessly attacked my strong summer, why didn’t you say that you were a hero?”

God of War didn’t bother to listen to his nonsense.

The torrential offensive is pouring frantically like a storm.

The strongest person in the summer is going all out, how powerful is that?

I only saw that Burning Heaven was in front of the God of War, with only the power to parry, and no power to fight back.

Later, I couldn’t even fight it anymore.

The defeated by the god of war is like the yellow leaf swept by the autumn wind.

“Tiannan Jue, Wind Leg!”

Bang bang bang bang~

As the last of the God of War erupted violently, Fen Tian’s mad sword in his hand immediately dropped out.

He himself screamed, being kicked and counted by the god of war, and the whole person turned into a cannonball and flew out for kilometers!

In the heyday of Burning Heaven, none of them were opponents to the God of War.

What’s more now?

Therefore, after a brief confrontation, Fen Tian was already defeated by vomiting blood.

## Chapter 2789

“You scum, slaughtered several heroes of my hot summer fifty years ago.”

“Now I’m getting worse, and I’ve joined others in plotting my titled Master in the Summer.”

“After today, I, Ye Qingtian, will let this world no longer burn the sky!”

In the manor, the anger of the God of War echoed.

What kind of anger is that, almost burning the sky.

For too long, God of War has endured this burning sky for too long.

Fifty years ago, in the battle for Yuanlingguo, Fen Tian attacked and killed the strong Yanxia with despicable means, and it was enough to snatch the strong Yuanlingguo. In the end, he even killed the strong Yanxia, and finally led them to fall in love. The geniuses of the younger generations who have cultivated for many years, die to die, to die.

Let the Wushen Temple be destroyed for many years.

That year, Ye Qingtian, who was furious, wanted to enter India to seek justice.

However, due to the shackles of international conventions, that time of humiliation, the Martial God Temple finally endured it.

However, who would have thought that fifty years later, Ye Qingtian's most admired boy would be damaged by the hands of Ye Qingtian again.

Especially after seeing the sadness and grief of Mark's family, Ye Qingtian's anger and guilt are undoubtedly more intense.

In the end, Ye Qingtian rushed into India and took the first level of Burning Heaven!

"Ye Qingtian, you can't kill me?"

"If you kill me, you are declaring war on the Indian martial arts."

"Moreover, if you invade first, you will definitely be condemned by international morality."

"Do you really want to start a national war for a young man?"

"What's more, I didn't kill Mark."

"I hurt him badly at most. His death was caused by Hongmen."

"If you want revenge, you should go to Hongmen, Tang Yun, not me~"

After suffering a heavy injury, Fen Tian spit out the blood from the corner of his mouth and hurriedly shouted to Ye Qingtian.

"Ye Qingtian, advise you to think clearly."

“I am one of the leaders of Indian martial arts. If I die, I will never let go of Indian martial arts.”

“At that time, once the war of martial arts starts, not one person will die, but tens of thousands.”

“Ye Qingtian, ask yourself, can you afford this responsibility?”

“Are you going to be the sinner of your country and nation?”

Fen Tian’s words can be said to be three points into the woods, directly attacking the vital points of the God of War.

Fen Tian has investigated Ye Qingtian many times.

He knew well that the person in front of him was a person with great family and country feelings, a person who regarded the interests and glory of the country more than his own life.

He was able to kill the Kingdom of India for an unfamiliar Mark.

Naturally, he will spare his life for the sake of the overall situation.

It was precisely because he knew the weakness of God of War that Burning Tian was sure that Ye Qingtian would never kill him.

In fact, it is true.

Ye Qingtian’s mortal trick was finally stopped before it fell.

“Fen Tian, you’d better pray and don’t fall into my hands in the future.”

“Otherwise, I will let you die without a burial place!”

Ye Qingtian clenched his palm tightly, suppressing endless anger in the deep words.

Yes, he still did not kill Fen Tian in the end.

After all, within a country, kill its martial arts leader.

The impact of this matter is too great!

Ye Qingtian also knew that if Fen Tian really died in his hands today, then tomorrow, I am afraid it will be a national war between the two countries’ martial arts.

It matters to the overall situation, and Ye Qingtian naturally cannot be willful and act according to his will.

After speaking, Ye Qingtian gave a cold snort and left immediately.
