

# Catch Me If You Love Me

## Chapter 28

Not far away, Anna Yun tilted his body and suddenly fell off the steps of the small garden on the street.

“Xiao Shu!”

Zoey Gu only felt that his hands were loose, Liam Lu had already thrown her away heavily, and turned and left.

“Liam Lu.”

Zoey Gu suddenly said, watching Liam Lu’s back steadily, and it took almost all his courage to shout out.

“What I said is true! I am waiting for you, no matter how long, I will wait!”

Liam Lu’s footsteps paused, and he strode towards Anna Yun without looking back.

Anna Yun’s feet.

Liam Lu immediately sent her to the hospital behind him.

Fortunately, no bones were injured, the doctor dealt with her, and after a few days of instructions, she left.

Liam Lu took the medicine list and told her to stay in bed, waiting for him to get the medicine back.

As soon as I walked to the door, the phone in my pocket rang. A distance away, Anna Yun could vaguely hear the more formulaic voice coming from inside.

“I know.”

When Liam Lu hung up the phone, Anna Yun suddenly raised his hand and took the medicine list from his hand and smiled softly at him.

“I know something is going on at the company. Go ahead and I will let Asan pick me up.”

Liam Lu hesitated and nodded, and smoothly touched the top of her hair, “Hey, after the board of directors is opened, I will come to see you.”

“it is good.”

Anna Yun watched Liam Lu leave, and when he saw him walking to the door, he suddenly called him.

“Liam.”

“Are you...really not planning to have a good chat with Miss Gu? She is your predecessor after all, maybe...”

Liam Lu paused, put his hand on the doorknob, didn't look back, but laughed unclearly.

“Her troubles have nothing to do with me. Anna Yun, sometimes women are too generous, which is not a good thing. If you cry, you will act like a baby, and you will be much more cute.”

After speaking, he opened the door and left.

Anna Yun's face stiffened, and the hand on his side tightened quickly.

Will cry, make trouble and act like a baby, is he talking about Zoey Gu?

She thought of Zoey Gu's pale and unspoken face, she couldn't help but sneered, took out her mobile phone and made a call.

“Is the place found by the vegetative tracked?”

Zoey Gu has been waiting.

When the missing detective left the emergency room to the ward, she did not leave until her physical signs were stable.

Back to the apartment, she quietly sat on the sofa, waiting for Liam Lu's news and waiting for his people to appear.

But from morning to afternoon, from afternoon to evening, when the sun went down and the night fell, Liam Lu still did not appear. Between the truth of the past and hating her, he seemed to choose the latter silently in this way.

When it was dark outside, Zoey Gu finally gave up, wiped his face and got up from the sofa.

The phone on the table rang suddenly.

With joy on her face, she rushed to pick up the phone, and answered the phone without looking.

“Liam, you are finally willing to...”

“Sister.” Brother Chase Gu's hoarse voice rang unexpectedly, “It's me.”

Zoey resigned.

“Chase?”

She reacted with joy, “Why did you call me? Is it the woman Lydia Lin, or...”

Chase Gu did not answer her, but said in a low voice.

“Sister, didn’t you keep talking about Dad last time? I asked Dad to talk to you.”

Then, an old voice sounded, calling her name somewhat hard but stubbornly.

“Zoey, my...daughter.”

Zoey Gu felt a pain in his heart, and tears fell instantly, “Yes Zoey, Dad, I am your daughter Zoey.”

“Dad, you and Chase must stick to it, and be good. Soon! I have already figured out a way. Soon, we will be reunited as a family.”

On the other end of the phone, there was a suffocating silence.

Chase Gu spoke again, and his voice suddenly became excited and choked.

“Sister, Dad and I really didn’t expect that for so many years, you actually lived this kind of life!”

“I can’t bear that you can’t be free just like we are. They say you are a dirty woman, you are ruined and abandoned, and Lydia Lin is forced to do so many painful things. Even Liam gave up and I can’t bear !”

“Sister, you obviously have so many opportunities to escape, why don’t you leave?!”
