

## Chapter 2801

Charlie smiled slightly and said in his heart: "Although the time I went out this time is not long, the distance I went is really far.

A trip to Syria is 6000 kilometers, which is worth one and a half round trips from Aurous Hill to Japan."

But naturally, he couldn't tell them that he had gone to Syria, so he smiled and said: "This time I went to Haicheng, not far away, and it took only three hours to drive."

"Haicheng..." Jacob asked curiously: "According to that, your client this time is Tailai, the richest man in Haicheng?"

Charlie borrowed the donkey from Po and said with a smile: "Dad's guess is really accurate!"

Jacob chuckled, "Old man's brain is not covered!"

Elaine curled her lips on the side: "Just your mind, what can't you do, what's not enough to eat, and you still have a face?"

Jacob was impatient, and blurted out: "I said, Elaine! I didn't ask you right now? What are you doing with this?"

Elaine said disdainfully: "Why? I'm still committing a crime, to tell the truth? This family doesn't have my voice yet?"

Charlie said hurriedly: "Mom, Dad, you two shouldn't just seize the opportunity and quarrel, it hurts your feelings."

Elaine hurriedly said, "Hey, good son-in-law, let me interrupt, I don't have any feelings with Jacob anymore. After all, we are separated."

Jacob hummed: "Hey, you can be regarded as saying something, and I have no relationship with you. We are now neighbors at best."

Elaine immediately slapped the table and shouted angrily: "Jacob, did I give you a face? Let me say, you have three sentences waiting here. Have you become more skilled?"

Charlie hurriedly finished the game: "Oh mom, don't be angry, isn't Dad just jocking?"

After finishing speaking, he quickly looked at Jacob, winking his eyes, and said: "Dad, you just finished eating, and you are idle.

Or you can go for a run. Now the weather is getting warmer. It's helpful to go for a run by the river. It's so fun to digest and keep fit."

The meaning of Charlie's words was to let Jacob go to Meiqing.

Doesn't Meiqing like to go for a run by the river? It happened that Jacob used his words to find Meiqing.

But as soon as Jacob heard that he should go for a run by the river, he waved his hand and said,

"I'm not going... my calf is still pumping and painful. It's definitely not going to be better after ten and a half months!"

## **Chapter 2802**

Elaine heard Jacob say that his calf was still pumping pain, and immediately frowned and asked: "Jacob, did you go for a run behind me?"

Jacob retorted, "What does it mean to carry you on my back? If I take a walk, I have to report to you?"

Elaine snorted coldly: "Half of your body is buried in the loess. What are you still running for?"

What do you do for running?

Do you want to rejuvenate your second spring?"

Jacob said impatiently: "Does it have anything to do with you? What are you asking so much for?"

After that, he glanced at the crutches placed on the dining table next to Elaine, and sarcastically said,

"Why, your legs are not working well, so I am not allowed to go out for a walk?"

Charlie heard it loudly and said: "Dad and Mom, you two should not argue with each other much. The more you talk like this the more frustrated you two will end up."

Claire said without looking back while cooking the noodles: "Husband, you don't know how I got through this meal.

They have been pinching here for more than an hour, but I can't persuade them. It's..."

Elaine said angrily at this time: "I didn't mean to find his fault. The key point is that this guy speaks too annoyingly.

My worst thing is this leg. I broke it twice. He doesn't care about me at all. Forget it, who is still being ridiculed here, who are you bullying?"

Jacob said coldly: "What does your broken leg have to do with me?"

I didn't break it for you. Besides, you have been talking with me for a long time, and you didn't mention your leg at that time.

Son, don't engage in moral kidnapping here."

Elaine said desperately, "I am morally kidnapped? Jacob, you are really discouraged!

You forgot that you were paralyzed when you were driven by Junwei's arrangement. How did I wait for you in the hospital?

I was busy doing it for you. If you're busy, will you leave me alone?"

Jacob said disdainfully:

"I don't know? When I was injured, who was busy looking for a genius doctor?"

With that, Jacob pointed to Charlie next to him, and said loudly:

"My good son-in-law Charlie found it for me! If it weren't for him, I would still be lying on the bed now."

Immediately afterward, Jacob looked at Elaine and asked,

"You said you were busy, what were you busy with? Were you busy with cheating girls? You think I don't know?"

## **Chapter 2803**

"Don't f@rt!" Elaine was uncovered, and suddenly shouted: "Which eye did you see me cheating my girl?"

Jacob curled his lips and said, "Pretend, right? In the beginning, I was cured by the genius doctor.

The doctor said that I would be hospitalized for another two days of observation and pay fewer hospitalization fees.

What happened? You just took away the girl's cheque. Yes, if I remember correctly, the amount on the cheque was at least 170,000, right?"

Elaine suddenly didn't know how to refute, her expression was green and white.

Jacob sneered at this moment: "If I learn from you, after your broken leg, the first thing I do is to ask a girl to cheat some money, but I am not that kind of person.

I am a qualified person. , Understand?"

Elaine was anxious. She picked up the crutches and smashed Jacob with them. She still cursed and said: "Quality? I will let you talk about the quality and see if I don't interrupt your leg!"

Charlie hurriedly stopped her, and said with a bit of anger, "Oh, it's all fine! You can't say anything, right?"

Just when I got home, you two performed the martial arts at home, don't forget that Claire and I are still there. ."

When Elaine saw that Charlie was a little angry, she hurriedly laughed and said, "Good son-in-law, don't be angry, it's not against you, it's all against Jacob this dog.

Jacob originally wanted to fight her a few more words, but Charlie seemed unhappy when he thought about it, so he just sat a little farther, and muttered: "I don't know what you do."

Elaine stared angrily, and Charlie said directly at this moment: "It's OK, mom, don't stay here and don't let it go.

Let it go, you must be annoying to recuperate at home these days, or I will let my friend prepares a VIP card for you at Shangri-La tomorrow.

From now on, you can go to the SPA there every day, and you can just relax and enjoy a bit."

As soon as Elaine heard this, her brows were instantly delighted, and she cheered and said, "My God! Son-in-law, are you for real?"

I heard that the spa at Shangri-La is the most expensive and high-end SPA in Aurous Hill, just do whatever you want.

It costs thousands or tens of thousands of dollars to order any item!"

Charlie smiled and said: "Shangri-La is the best hotel in Aurous Hill after all. Spas are all integrated with the hotel. Naturally, the grades cannot be low, but the money is not a problem.

Their President happens to be my client. I can ask for an internal price even if I go to him, maybe I can get a free one."

## Chapter 2804

"Oh, that's great!" Elaine was very excited, and said excitedly: "Good son-in-law, then you will help mom to contact him tomorrow morning?"

Mom is really tired of staying at home these days, if I can go to a SPA sooner. Relaxation is not only good for physical and mental health, it might also be helpful for the recovery of my legs!"

Charlie nodded and said,

"I'll help you ask, but the premise is that you don't quarrel with Dad anymore."

Elaine said without hesitation:

"Good son-in-law, don't worry, I don't even bother to be familiar with him. From now on, I will count myself as losing if I look at him right away!"

Charlie did not delay, immediately took out his mobile phone, sent a WeChat voice to Issac, and said:

"Mr. Issac, please do one thing, my mother-in-law wants a SPA VIP card for Shangri-La. Can you arrange it?"

Now, it's best if all options are free."

Issac responded to the message almost in seconds: "Master Wade, VIP cards are all trivial matters.

Wait a moment, I will personally send you home."

Charlie said: "Mr. Issac, you don't need to take a trip in person, just arrange for a subordinate to send it over."

Issac hurriedly said:

"Master Wade, you are welcome, I just want to go out to do something, pass by Tomson, and deliver it right away."

Charlie knew that he definitely couldn't be on the way, but when he saw that he insisted on bringing it in person, he didn't insist, and said to him:

"Then you will be very hard to come by, Mr. Issac."

"Master, you are polite."

When Elaine heard this, the whole person flushed with excitement, and said excitedly:

"Mom, my son-in-law just has faced, dear, Mr. Issac from Shangri-La will personally give the VIP card to this call. It's incredible!"

After speaking, she hurriedly asked Charlie: "Good son-in-law, can this card be used casually without spending money?"

Charlie smiled slightly: "It should be, the details will not be known until President arrives."

Elaine was already so happy to fly, stretched both hands to the left for a while, and then to the right, still not forgetting to throw a wave-like curve, and said with joy:

"The SPA at Shangri-La can't be visited once a year by most people. If I can have a free VIP card, I will go every day from now on.

I will simply go after breakfast every morning and come back at night!"

Jacob curled his lips and said, "You can just move over and live there."

Elaine stopped quarreling with him, and said with a smile:

"Do you think I don't want to? If you are the only old b@stard at home, I will definitely move in there and not come back."

After she finished speaking, she changed the conversation and said with a flattering smile:

"But there are still my good son-in-law and my good daughter at home, don't say anything else, I have to make breakfast for my good son-in-law every day, so I like being here. You just know to reach out and open your mouth to eat, I have never seen you moving a leg to do anything for my good son-in-law."

## Chapter 2805

As Jacob heard this, he was a little agitated and wanted to say something, but he thought he couldn't find a good reason to refute with his voice.

"I haven't made any contributions to this family, despite the fact that I haven't been a demon all the time like you..."

"Through Teng Teng Antique, I had previously made a fortune from Ervin.

I figured it would be a decent way to make a fortune, but who would have known there would be none after that..."

"Even the scumbag Ervin was enthralled. He used to be there every time I went to Antique Street, but I haven't seen him in a long time!

"Do not say that I am unable to locate Ervin's number. Later, with the mindset of picking things up, I began collecting antiques, but I ended up losing a lot of money.

I paid thousands of dollars to buy it, but I didn't gain a lot of money. People opened their mouths and gave me a dollar or two as soon as I went to a professional organization to ask for a price, so it was basically a complete loss."

"I later formed the Calligraphy and Painting Society, and I was involved in the organization's affairs every day."

Despite the fact that I am doing well in the association, it is mostly based on prestige and qualifications.

It's completely pointless when it comes to making money..."

As a result, Jacob thought about it and realized, with emotion in his heart, that "Wow, so I seem to be very lackluster."

Charlie, my good son-in-law, bought me a car, assisted me in pretending, assisted me in slapping my forehead, and followed me around every day.

But, but I haven't helped him in any way..."

Jacob felt more guilty in his heart for a while.

"Charlie, what do you think is appropriate for Dad in this situation?" he said awkwardly to Charlie.

"Dad, don't you mix well in the Calligraphy and Painting Association?" Charlie asked, laughing.

"It's a good mix," Jacob sighed, "but I still can't mix capital."

"You and mom don't have to worry about making money,"

Charlie said, waving his hand. You two will retire with peace of mind or do anything you enjoy for this family I and Claire are enough.

IF you insist, Painting and calligraphy are two things that come to mind.

The connection is very powerful.

It corresponds to your interests. It can also help you develop your feelings and make new friends. "Why don't you try it?"

"This is always free food at home, and Dad's heart is still disturbed," Jacob confessed, a little ashamed.

## **Chapter 2806**

"Oh, Jacob, do you realize that you are eating for free?" Elaine sarcastically asked. I believe you have no self-awareness!"

"Mom, it's all a family," Charlie hurriedly said. There is no such thing as a free lunch. Will you have to go out with father in the future to be self-reliant and self-sufficient?"

"Oh, my son-in-law, that's not what mom intended," Elaine waved her hand when she realized this.

Mom simply believes that Jacob does not work every day and does not do housework. It reminds me of a slap master. "Adequate....."

Despite her desire to mock Jacob, Elaine did not want to put herself in danger.

If Charlie honestly asked her to go out and find something to do, she will no longer have such a fun leisure time.

"In this way, she will be responsible for mopping the kitchen, sweeping the floor, and cleaning the table to carry out the garbage in the future,"

Jacob added hastily. All will be mine!"

Charlie helplessly shook his head, but it was rude to Jacob. It just so happened that the villa was very big, making cleaning a big task.

After all, Charlie had been living in the orphanage since he was eight years old, so he wasn't used to asking the aunt.

The young master's problem is that he isn't used to seeing anyone waiting for him.

Elaine's heart became a little more balanced after seeing Jacob taking the initiative to contract housework, so she didn't bother to argue with him any longer.

She is now awaiting Issac's arrival because Issac has promised to give Charlie a SPA VIP card from Shangri-La, which is what she is most worried about right now.

After a few minutes, Claire cooked the noodles, removed them from the pot, and quickly dipped them in cold water before placing them in a bowl with his garlic moss fried pork gravy and chopsticks.

"Husband, how about my craft?" Claire said with a smile as he approached him.

"It smells really sweet, it must be delicious!" Charlie exclaimed after giving it a good sniff.

He took a sip of this soup as soon as he finished speaking.

He was pleasantly surprised by this flavor.

The taste of fried pork with garlic moss is excellent, the garlic moss is very fresh, and the heat is well balanced, so the taste is excellent, and Claire cuts the pork belly into diced meat and stirs the rich meat aroma in the pot. The initial garlic moss scent is mixed in, which is very appealing.

## **Chapter 2807**

Furthermore, the noodles are perfectly cooked, and the hardness is just right. At first glance, it appears to be cooked with a pinch of salt and then precisely passed through cold water, resulting in fragrant and solid noodles.

"Mom, what you do here is very wonderful!" Charlie couldn't help but exclaim as he ate. Why didn't I realize you had such a valuable skill?"

"In the past, you used to cook," Claire admitted, "and I rarely get started in the kitchen." Since you like it, I'll try to cook for you more often in the future!"

"That's awesome!" Charlie said with a light nod and a smile. But, my wife, don't get too busy cooking. Isn't the Emgrand Group's schedule jam-packed? It's preferable to focus on your job."

"I'll take care of the change," Claire said quickly.

"You eat quickly," she said after speaking, "and if there isn't enough, there will be noodles in the cup."

"Wow!" exclaims the speaker.

"The noodles made by my wife are really the best I have ever eaten!" Charlie exclaimed after finishing two large bowls of noodles and wiping his lips.

"Next time," Claire said, smiling sweetly and comfortingly, "I'll make you some other braised meat to try!"

"It's nice to dare to love," Charlie said with a smile.

The doorbell rang unexpectedly while he was speaking.

Elaine was the first to respond, exclaiming, "Oh! I'll open the door for President Issac, who must have come to deliver the VIP card!"

After speaking, she bolted.

"I, too, will come out and take a look," Charlie said as he stood up.

"Dad, there are visitors at home," Claire said to Jacob. "Let's go to the living room and say hello together."

"All right." Jacob was also eager to meet Issac, so he followed Charlie out the door.

Elaine had already opened the door over there as soon as the three of them entered the living room, and Issac was the one who came in.

"Hello, Madam, I am Issac from Shangri-La," Issac said politely at the time.

"Oh, Mr. Issac, please come in, please come in!" Elaine hurriedly gave up the room, made an inviting gesture, and said with a smile.

"Then I will trouble you, Madam," Issac said quickly.

With that said, he saw Charlie walking over as soon as he walked in, so he hurriedly said politely, "Master Wade!"

"It's very embarrassing to make you have a hard time running," Charlie said with a small nod.

"Not a big deal, don't be so polite with me master," Issac said, flattered.

"Master Wade, these are two Shangri-La unlimited SPA VIP cards, which are for Ms. Elaine," he said politely as he quickly took two Shangri-La personalized premium envelopes from his pocket and handed the cards to Charlie.

## **Chapter 2808**

Elaine's face was fixed when she saw these two envelopes.

The most important thing for a woman of her age is to keep her body in good shape.

It is nothing more than body skincare and body control, to put it simply.

For many middle-aged women, body management is a daunting job.

After all, if you want to shape your body, you must engage in physical activity. Many individuals are unable to keep up due to laziness or a lack of motivation.

The skin care, on the other hand, is much simpler.

You go down to the salon and sit down on the bunk. You don't need to be concerned about anything.

Many light-skinned, delicate little girls welcomed them with a selection of high-end skin care items.

It's the equivalent of having a massage because you have taken care of the whole body's skin.

As a result, affluent and wealthy wives, in general, enjoy visiting beauty and health salons.

The price and cost of this high-end beauty SPA, on the other hand, are extremely high.

In general, a full-body treatment would set you back at least 5,000 yuan.

Furthermore, 5,000 yuan is just the basic equipment; first, the time will be short, and second, the skin care product brands used for care will be fairly common.

In general, a full-body SPA with a top-tier skin care brand will set you back tens of thousands of dollars.

The price will be approaching if you use a super first-line brand, such as the caviar skin care product that Charlie originally gave to Elaine.

A hundred thousand dollars.

Elaine didn't have the confidence or courage to go to Shangri-La for SPA when she was the best in the past.

Nowadays, Issac's unlimited number and unlimited amount of VIP cards brought directly to top locations such as Shangri-La is simply one move that fully meets all of Elaine's skin care needs. She couldn't help but be ecstatic.

Claire, on the other hand, was extremely embarrassed and said, "Mr. Issac, I am extremely embarrassed to accept such a costly gift..."

"Mrs. Wade, you are welcome. Two VIP cards are nothing for Shangri-La, but Master Wade has supported us in Shangri-La all the time.

If it weren't for Master adjusting the Feng Shui for us, I'm sure Shangri-La would have long been in negative business.

Bankruptcy was imminent," Issac said with a smile.

While Issac's words were merely propaganda, Claire, Jacob, and Elaine were persuaded.

## Chapter 2809

After all, they assume that Charlie's promotion to Master status in Aurous Hill was due to his knowledge of Feng Shui, as many wealthy families sought his assistance. The words of Issac were not a concern.

However, Claire continued to believe there was no validity, so he said euphemistically, "Really, I am very busy every day and don't have much time to go to SPA or return my card. As for the other, I will first Thank you for my mother!"

"Wife, don't be shy about this little thing. Don't tell me if you have time. You and mom can hold the card first.

If you have time later, you can directly visit them," Charlie said with a smile.

"Mr. Issac, the next time I come to Shangri-La to see Feng Shui, you don't need to pay me anymore," he said to Issac after speaking to his wife.

"Then how embarrassed Master!" Issac exclaimed, hurriedly and courteously.

"Well, I should consider it.

I will accept it," Charlie said, waving his hand. "President Issac should not shirk this matter any longer."

"If this is the case, then I'm better off respecting my life!" Issac said after borrowing the donkey.

"By the way, President, I have something to ask you for help with, I don't know if it's okay?"

Jacob, who had been silent for a while, said, a little embarrassedly.

"Mr. Willson, please say!" Issac hurriedly said.

"That's it..." Jacob coughed and said, "Our Aurous Hill Painting and Calligraphy Association recently wanted to hold a painting exhibition, but the venue has yet to be determined."

Originally, I wanted to go to Treasures Pavilion, but there was a kidnapping and bombing case some time ago, and the citizens were a little panicked there after the incident. If we still want to go there.

"No problem," Issac said with a smile, "we have several banquet halls in Shangri-La, as well as a sky garden, which you can simply take out for your use if you don't have time."

"Hey, didn't Sky Garden say it's wrong to outsource the field?" Jacob exclaimed, excitedly.

"Will it create trouble for President Issac if I choose that?"

"There is nothing to worry about," Issac said quickly.

"The sky garden is big and tastefully decorated, and it will undoubtedly contribute to the exhibition's efficiency. Mr. Willson doesn't need to be so polite!"

"Wow! Thank you very much, Mr. Issac!" exclaimed Jacob, his face beaming.

"By the way, President, do you know if there is an estimated sum for the cost of this sky garden?" he inquired after he had finished speaking.

"Mr. Willson, I heard you are now the executive vice president of the Painting and Calligraphy Association?" Issac asked, smiling.

"It's just a falsework, not worth mentioning, not worth mentioning..." said Jacob, ashamed.

"It's already nice to be able to sit in this role," Issac said solemnly. "Mr. Willson doesn't have to be so modest."

"Since Mr. Willson is the executive vice president of the Calligraphy and Painting Association, this is my own business," he said again.

"Of course, I can't raise money for my own business, so I have people arrange the place for free use by the Calligraphy and Painting Association."

## Chapter 2810

Mr. Issac, you have really helped us... To be frank, our Painting and Calligraphy Association has been relatively tight lately, and this expense has been compressing..." Jacob was pleasantly surprised.

"In the future, if the Calligraphy and Painting Association wants venues or even funding for any events, you can contact me directly,"

Issac said with a smile, handing Jacob a business card.

Jacob was flattered and repeatedly thanked him, "Wow, thank you very much!"

"Ah, by the way, Master, I still have something to do, so I won't bother too much," Issac said, looking at the time.

"So I'll give it to you," Charlie grinned as he nodded.

"Oh, Mr. Issac, you can be considered to know the door this time," Elaine said, smiling. "You must come often in the future!"

"Okay, okay, Master Wade and Madam Elaine, please stay, I can go by myself," Issac said quickly and respectfully.

"Then I won't send you off," Charlie smiled, not being polite.

Elaine couldn't wait to tell Charlie, "Good son-in-law, show me the VIP card quickly?" as soon as Issac had left she uttered.

Charlie handed her an envelope.

Elaine was ecstatic when she opened it. She danced with delight as soon as she opened it. When Charlie saw her smile, she shook her head helplessly.

late in the evening

Zhiyu stayed up late chatting with the excited family before retiring to her specially prepared bed.

She couldn't stop thinking about Charlie's presence as soon as she laid down.

Her girlish heart easily overflowed with girlish shyness, fantasy, and hope for the future when she thought of Charlie.

Given the fact that Charlie had many ties with her family and that Charlie's own situation was also peculiar,

Zhiyu was not discouraged because she was halfway to finding him.

In any case, this is a positive development.

However, if you really want to be good, you will have a long way to go.

The duration, on the other hand, is irrelevant.

Zhiyu had the impression that she should either wait or try slowly.

A knock on the door rang just as she was about to leave.

"Who?" she unintentionally inquired.

"Zhiyu, it's me," Zhifei declared.

"You wait a moment, brother," Zhiyu said hurriedly.

She quickly got up and put on her dressing gown after speaking, then opened the room door.

"Brother, is there something going on at this late hour?"

She inquired as she approached Zhifei outside the house.

"Zhiyu, is it convenient for you to talk?" Zhifei asked, looking around and purposely lowering his voice.

"Convenient," Zhiyu said, thinking that her brother was concerned about her and wanted to speak to her, so she easily gave up time and invited Zhifei in.

She had no idea that her elder brother had experienced earth-shattering changes during the time she was rescued by Charlie...

## Chapter 2811

Zhifei came to Zhiyu in the middle of the night with one goal in mind: to find out what Zhiyu and mother had been through and who had saved them.

He also overheard his mother explaining the particular process of her encounter, which is the so-called version of the tale in which a mysterious individual was there who saved them but never turned up, at the dinner table.

Zhifei still has the feeling that something is wrong, even though there are no apparent flaws in reasoning.

Furthermore, his grandfather Chengfeng suspected that this incident was linked to his Grace, who had saved him and his sister in Japan, and he wanted to speak with Zhiyu privately to see if she could make sense of her.

"Zhiyu, you haven't suffered much these days, right?" Zhifei inquired as soon as he entered Zhiyu's bed.

"No..." says the speaker. "Father, didn't you mention that you didn't have any resentment at the dinner table?" Zhiyu asked, moved. "Instead, I ate and slept every day and developed a lot of meat."

"There's none..."

Zhifei sighed and exhaled a breath of relief: "Brother is worried that I will be affected.

After all, it would be difficult to sustain minor injuries in such a large car accident."

Zhiyu agreed and listened to what he said: "It's only a minor issue. After all, they'd assembled a highly qualified medical staff."

Zhifei inquired, intrigued:

"What did you think about the mysterious person who rescued you and mother, Zhiyu?

Why did they come to your aid quietly? And they continued to handle you quietly, without warning the outside world."

"I'm not sure." Zhiyu shared her thoughts as follows:

"I'm not sure how to say this... After all, I haven't seen anybody and they haven't explained why they have come to save us..."

"Zhiyu, sharing the truth with your brother, is there any secret that you didn't say in front of grandpa and others at the dinner table?"

Zhifei asked seriously.

"No, I'm talking about the actual case," Zhiyu said quickly.

"Zhiyu, the one who rescued you and mother, isn't he the Grace, right?!" asked Zhifei, frowning.

Zhifei's abrupt sentence caught Zhiyu off guard. She came to her senses after a while and immediately denied:

"Why would this happen... I had previously exhausted all avenues for locating my Grace. Furthermore, the Grace should be in Japan, and he will not visit Aurous Hill."

## Chapter 2812

Zhifei has been watching Zhiyu's expression for a while now.

Zhiyu's face was clearly uncomfortable and anxious when he spoke about Grace, and her denial was also a little bit of a cover-up, he noticed.

He was almost positive that his sister was lying based on his interpretation of her.

The Grace who saved him and his sister in Kyoto, Japan, should be the one who really saved her and mother this time!

Zhifei got jittery just thinking about it!

"Grace is a top-tier specialist with outstanding strength.

He stays unharmed and can easily destroy many top ninjas on his own.

The Su family would almost certainly be unable to withstand such strength..."

"It would prove that he was in Aurous Hill if he really rescued Mom and Zhiyu!

This will include an explanation for the second uncle's and father's disappearances. There isn't a second choice besides him..."

"Even though he rescued Mom and Zhiyu, if this is done, he will most likely be on the opposing side of the Su family..."

As a result, Zhifei decided to get more details.

At this point, he sighed lightly, looked at Zhiyu, and said, somewhat disappointed:

"Zhiyu, we grew up together and have always had a great friendship, as well as having shared life and death in Japan.

There are 11 million reasons in my heart for your good, what can you hide from me as an older brother?"

When Zhiyu heard this, she couldn't help but feel bad, and her tone of voice became even more bottomless, and she said, "Brother...I don't have..."

Zhifei enquired: "Are you a total moron? I haven't seen you in a long time? You're in this state, so you're obviously lying."

Zhifei, as he put it, said helplessly: "Hey, what are you trying to hide from me by saying this?"

The Grace is not just your Grace, but also mine. He saved our lives, and I know you and I both want to repay him! If he really saved you and mother this time, then he owes our Su family four lives.

If I have the opportunity, I would kneel to thank him in person, but you keep covering up here; won't I ever have the chance to thank my Grace in person?"

Zhiyu's psychological defense was shattered all of a sudden.

She was unaware that her brother Zhifei had already started moral kidnapping.

She found herself in a predicament all of a sudden.

On the one hand, she promised Charlie that she would not reveal his true identity

Her brother, on the other hand, seemed to have figured out the gist of the situation and stated that. Now she didn't know how to deny it.

## **Chapter 2813**

Zhiyu felt like this after thinking about it: "Because my brother guessed correctly, I'll confirm his guess so he doesn't get upset.

I will not reveal any additional detail about Grace."

"Brother, you guessed it right, Grace saved me and mom..." she had no choice but to say.

Zhifei felt a groan in his chest.

"Of course..."

"It is indeed very fiery..."

Grandpa has never seen Grace, so he can assume he is the one.

I'm afraid I won't be able to recall this degree unless he reminds me..."

So he pretended to be ecstatic and exclaimed enthusiastically:

"Oh, no! It is, without a doubt, my Grace! That's awesome!"

When would you take me to meet my Grace, Zhiyu? I need to thank him personally!"

"Brother, I don't know where the Grace is..." Zhiyu hurriedly said.

Zhifei inquired, surprised: "What exactly do you mean? Didn't you happen to note Grace's details?"

Zhiyu expressed her thoughts as follows:

"I saw him, but Grace remained silent and advised me to keep my mother's identity a secret.

His last name is unknown to me, and mother and I were previously limited by him. We don't have any more details about him."

She expressed her fear that Zhifei would not believe her and then added: "Grace is a mysterious man who refuses to reveal anything about himself. You are also aware of this.

Don't mention him the first time he saved us. He didn't want to say anything to the two of you.

Perhaps this top player has a bad temper..."

When Zhifei learned this, he couldn't help but be saddened.

He didn't have any doubts about Zhiyu's argument.

Since that Grace is extremely low-key and cold, unable to leave any traces for anyone.

He hurriedly said, "Thinking about this," "Grace, in my opinion, must be in Aurous Hill.

Then we'll be free to continue searching for him.

The variety is much narrower this time than it was previously. I assume we will be able to follow some leads!"

Zhiyu feared her brother would notice the hints, so she pretended to agree with him and nodded repeatedly:

"You are right, brother! This is something I was just curious about.

It should be much easier to find Grace now that we can narrow the distance to a city in Aurous Hill!"

She hurriedly said again after she finished speaking:

"However, we must maintain a low profile and avoid making a big deal out of it.

After all, he's concealed his identity, and he doesn't want us to find him. If he sees us, he will become enraged, even aggressive. Perhaps he'll leave Aurous Hill!"

## **Chapter 2814**

When he had the information he needed, Zhifei told Zhiyu,

"Zhiyu, you must be tired as well, so take a break early and we'll talk about it tomorrow!"

"All right, brother," Zhiyu said with a nod.

"All right, I'll go back to my room and relax," Zhifei said as he stood up.

Zhiyu returned to the bed after sending him to the door.

In her mind, she was still thinking about Charlie's appearance, and the entire person was completely absorbed.

Zhifei entered the room with trepidation at this point. "Grandpa, I asked Zhiyu, this time who rescued her and mother.

It is indeed the Chinese who saved us both in Japan..." he said in a voice message to his grandfather Chengfeng.

Chengfeng sat alone in the study, not sleepy, and drank tea. He suddenly slumped in a chair after hearing this, unable to move for a long time.

"How can such a powerful person be an enemy of the Su Family?" he wondered aloud.

"Could it be...Is it because I enraged him over Liona's actions?" he wondered.

"But what does this have to do with defensiveness and offensiveness? Why are they kidnapped?"

"That guy saved Zhiyu twice; he must have a close relationship with her; if Zhiyu enrages me because of her mother, this mysterious master will undoubtedly be used by her in the future, and it will undoubtedly be to my detriment."

"Furthermore, even if the He family agrees to work with me again, I'm afraid it will be a drop in the bucket; this person is too powerful to imagine, how can this family match him?"

Chengfeng was even more terrified at this point.

"I just take the initiative to plead guilty to Zhiyu and her mother," he reasoned, "and if Zhiyu can alleviate the hatred toward me, it might be changed..."

But then he thought to himself, "No...this appears to be incorrect!"

"Even if Zhiyu despises me, she has no reason to despise her biological father! Her father was sent to Australia by me and was not involved in the car accident that killed her mother, so she has no reason to let the master attack her father.

Furthermore, her second uncle has nothing to do with this matter, but both of them have vanished one after the other.

"In this way, the whole thing seems to be different from what I thought before; this enigmatic master shouldn't act solely on Zhiyu's preferences; he should act on his own preferences..."

"Because his criteria is based on his own likes and dislikes, he must target the Su Family and my children for his own reasons..."

"When did my Su family offend him?" asks the narrator.

Chengfeng was on the verge of going mad, and he couldn't find out why.

He now just has the impression that the individual as a whole is extremely insecure.

## **Chapter 2815**

After all, the adversary was capable of killing many top ninjas with his own hands.

If he really comes to the gates, I'm afraid the Su Family's current defensive ability won't be able to handle it!

He immediately dialed Anson after thinking about it. He blurted out, "Anson, where are you!?" as soon as the call was connected.

Anson's surroundings were a little claustrophobic, and the helicopter engine roared loudly.

"Boss!" yelled Anson, "I'm going to Mocheng; it's just around 100 kilometers away, and I'll be there in half an hour!"

"Anson, please remember it for me; in any case, you must invite the He family to me; even if it doubles on the basis of 2 billion, I will not hesitate to let them go as quickly as possible; let the family move to this Suzhou within a short period of time!" Chengfeng hurriedly said.

"Master, is there anything wrong?" Anson inquired.

"Don't ask too many questions," Chengfeng exclaimed.

"Remember what I said: it's best to let them leave early tomorrow morning, and then I'll send a big plane to pick them up!"

"All right!" Anson said quickly, sensing the urgency of the situation. "Then I'll try to persuade Luther tonight!"

After a half-hour.

A low-altitude, fast-flying helicopter interrupted the calm of Mocheng in the middle of the night.

The helicopter flew by, heading straight for He's compound.

Luther was waiting in the courtyard at the time, wearing a thin coat.

Before getting off the plane and switching to the helicopter, Anson called him.

Luther didn't want to see the Su family at all, even if it was just the Su family's housekeeper.

Anson, on the other hand, said that he was sent by the old man Su and that he didn't look at the monk's face in order to see the Buddha's face. Luther was a little perplexed.

He knew in his heart that, despite the fact that the He family was a martial arts family with a natural aptitude for fighting and killing, they were nothing compared to the Su family.

Martial arts masters have only represented the wealthy since ancient times.

Who would dare to provoke the wealthy, aside from the fledgling stunners?

Even a martial arts family with hundreds of years of history, such as the He family, should not offend the powerful;

otherwise, if you really annoy the other party, the hook might ruin the He family's hundreds of years of history.

As a result, Luther thought that if Anson came on Mr. Su's behalf, he couldn't explicitly contradict his face, but he had to do a good job on the surface.

## **Chapter 2816**

Tom, the He family's eldest son, is also present with Luther.

Roma's eldest brother and the foundation of the He family's next generation.

Luther's face was more or less grave as he watched the helicopter land slowly, thinking that he must be respectful and polite to the Su family who murdered his granddaughter.

He felt more or less receptive at times.

"Dad, once you meet Anson, you must contain your emotions and don't get angry with him!"

Tom reminded him before the plane landed.

After hearing this, Luther felt uneasy.

In reality, he was well aware that he would never be able to anger Anson.

However, what the eldest son said made him annoyed.

But he also knew that even though he held back the flames, he wouldn't be able to turn his face away from Anson, which made him even more uneasy.

Anson's trip's intent had already been deduced by Tom.

Su's family is on the lookout for He's family, and they're just looking for one thing: The Su patriarch wants his family for something.

In reality, the He family is devoid of any other abilities.

If Su's is a supermarket, then there is only one thing in this store.

It reminds him a lot of the street vendor selling candied haws. Who has driven a long way to see him.

Other than buying candied haws, what else would he do?

As a result, he was confident that Anson would come over this time, and he was determined to get the He family back to the Su family.

This is just what he had wished for.

Since his eldest son's life has been extremely tight after the He family separated from the Su family and absolutely ended their cooperation.

On weekdays, the He family used to provide cultivation for younger generations, which would have cost a lot of money, particularly since they have now lost their source of income.

It's nothing more than a way of securing a source of revenue. What's more insane is that he spent hundreds of millions to track down Ruoli.

Even though a few hundred million is a large amount of money, he really wanted to use it to find someone in the sea, and the money is insufficient to feed the sea.

What about the sea? It occupies 70% of the planet's surface area! A US aircraft carrier formation was thrown in, and 99 percent of the world's countries couldn't figure out what it was, let alone a Ruoli?

## Chapter 2817

In reality, Tom was opposed to the search for Ruoli from the start.

He believed that at the time, the whole world understood that Elder Su had betrayed Ruoli, and that the He family had no choice but to look for Ruoli, not the right one. Didn't it just mean that Elder Su was opposed to him?

The best option is for the He family to say or do nothing, allowing the old man Su to see that the He family is still on the Su family's side and is able to accept Ruoli's fate for the Su family.

In that scenario, Elder Su would certainly provide more benefits to the He family, and Ruoli would be considered a successful death because she used her life to provide more benefits to the He family.

Unfortunately, sister Roma was enraged by Ruoli's murder, and the old man had to draw a straight line between the He family.

This is awesome.

Ruoli's death may have been traded for certain benefits, but the benefits were not exchanged, and the He family's own income was fully taken into account. It was too irrational in his mind.

As a result, he is now very willing for the He family and the Su family to re-establish a cooperative relationship.

Tom's hopes were shattered when the helicopter landed safely in the courtyard.

Anson jumped out of the helicopter and stuck out his hand from a long distance, trotting all the way to Luther until the blades completely stopped.

Anson took the initiative as soon as he entered, taking Luther's hand and politely saying, "Mr. He, I haven't seen you in a long time!"

"Anson, it's been a long time since I saw you, how have you been?" Luther could only sneer.

Anson sighed and said, "No, it's not at all pleasant. Is it possible for me to be happier without you?"

He hurriedly said after he finished speaking: "The master demanded that I greet you alongside him, and he also listed the previous events. He has always been deeply remorseful and apologetic.

The master had intended to visit in person, but it was a long journey and the master's health doesn't make this possible. His body can't bear tossing because it's too heavy, so I can't help but come for him..."

"Oh, how can he, how worthy to make Master Su miss so much..."

Luther can only tell with a flattering expression.

He quickly made a motion and said, "Anson, it's too cold outside; come inside and chat!"

"Mocheng is so cold, I think it will be minus 20 degrees, right?" Anson nodded repeatedly and sighed.

"The minimum temperature tonight is minus 35 degrees," Luther said lightly.

"Hey..." says the voice. Anson said with a smile, "This is much too frightening. Let's go inside and chat because otherwise my body would be totally frozen in no time..."

Luther guided him to the main hall, a step ahead of him.

## **Chapter 2818**

Anson couldn't help but inquire as soon as he stepped into the main hall: "Why is this room so frigid, Mr. He?"

Despite the fact that Eastcliff is very cold in the winter, the room is heated and the temperature is above 20 degrees Celsius.

I'm afraid it's not even ten degrees in your bed..."

Luther said with a smile: "The He family's exercises are particularly special. It's preferable if the temperature is as low as possible. We came to Mocheng for that purpose.

The main hall has some heating, so the temperature remains above freezing and the water does not freeze.

If you go into the room where the children live, you will note that there is no heating and that the temperature is usually about minus ten degrees."

"My mother..." says the speaker. "Fortunately, I am not a part of your family, otherwise I would have frozen to death..." said Anson, shrugging his neck.

"Tom, go get Anson a basin of charcoal fire, and let people turn on the heating," Luther said to Tom, who was following.

"Great father," Tom hurriedly said.

"Tom, thank you for your hard work!" Anson said with a smile.

Tom isn't as qualified as his father, so he treats Anson with respect. He politely bowed slightly and said:

"Su steward doesn't have to be so polite. Only a second, and I'll be right here."

Anson was asked to sit in a cold wooden chair by Luther. He had just sat down and couldn't help but get up.

He remarked, "Hey, old man, I'll sit and wait for the charcoal fire to return. I can't bear it because it's too cold..."

"It's because we didn't entertain you well," Luther said, nodding.

"Where is it, I came to disturb you at night, it was too presumptuous," Anson hurriedly waved his hand.

Luther didn't continue to be friendly with him, instead of asking, "Anson, I wonder if Master Su asked you to come this time, what's the matter?"

Anson quickly replied: "This is the case, Mr. He, because of Ruoli he feels he is genuinely guilty and ashamed of the past.

He knows you're upset with him, so he sent me over to see you and tell you about his care and his apologies. I'm also hoping to turn fighting with you into jade silk."

## Chapter 2819

Luther said, with a dry chuckle, "Please tell Master Su that if Ruoli's surname was Su after all, even though it was my He family who raised her to adulthood, it's the same as sending her back to Su's time.

The Su family received her back. Master Su made the decision to kill her in order to save the Su family. He does not have to apologize to me because I am Ruoli's grandfather and also an outsider."

Luther didn't say it out of the goodness of his heart.

He had a deep affection for Ruoli.

Chengfeng had betrayed Ruoli and was bitter about it.

He was aware, however, that his power was too far away from that of the Su Family.

He would certainly turn the Su Family into an enemy if he said he despised the He Family in front of Anson today.

As a result, he purposely used rhetoric to indicate that Ruoli was a member of the Su family and that he is an outsider.

On the one hand, he couldn't offend the Su family directly on this topic. He may, on the other hand, indirectly express his disappointment with the family.

After all, a person who can even sacrifice his own granddaughter is unworthy of Luther's continued friendship, so the best thing to do in the future is to go their separate ways, and no one can bother each other.

Anson is a human, so how can he not understand what Luther is saying?

Despite this, he proceeded to speak in a witty manner: "You are right. Ruoli must be of the Su family's bloodline since she is the illegitimate daughter of the eldest young master.

However, if this is the case, the master always has feelings for you and your kin. For Ruoli, he is extremely guilty, as half of the blood in her body comes from the He family..."

Luther was irritable, to say the least. Anson, he learned, was still afraid to move the conversation away from Ruoli.

Why did he hold on to this topic when he didn't want to talk about it?

Anson, just as he was becoming perplexed, said: "In fact, what the master meant was that the He and Su families do not have a typical master-servant relationship. After all, the He's have built a bloodline for the Su's.

The master is extremely aware of this and is hopeful that he will be able to make amends."

Luther's eldest son, Tom, came in with an iron charcoal-burner while they were conversing.

He was overjoyed as soon as he heard this. He couldn't help but wait in anticipation for Anson's surprise as he put the burner in front of him.

He was curious as to what the Su Family Master was able to do in return for the He Family.

Anson reached into his inner pocket and pulled out a check, which he handed to Luther and said, "This is a one billion yuan cash check, Mr. He. I was ordered by the master to deliver it to you."

## Chapter 2820

"One Billion?" you might wonder.

Tom on the side was startled as soon as the paper was taken out.

This amount is very frightening.

May equal the entire He family's previous two-year income.

Furthermore, the He family is currently facing a financial crisis. Tom is both excited and overwhelmed by the one billion cheque.

This number alarmed Luther as well.

Father Su shocked him by offering one billion in cash with a wave of his hand.

However, he realized deep down in his heart that the Su family's money could not be taken so easily.

It's something you can think about with your toes, and the money isn't exactly secure.

Rather than taking the check, he asked, "Anson, I'm curious why Master Su asked you to take this check with you?"

Anson said solemnly:

"As I clarified that Master feels bad for the He family and hopes to make amends.

He also hopes to be able to preserve the previous cooperative partnership with the He family.

As a result, he confessed to me and asked me to inform you that if the He family agrees to restore cooperation with the Su family, the annual salary will be raised to 2 billion.

It makes no difference if the He family is reluctant. This one billion should suffice as the remuneration to the He's!"

Luther was taken aback at first.

He expected the Su family to want to continue cooperating with the He family, but he didn't expect Su's father's price to nearly quadruple from the previous basis.

What is this definition of two billion a year?

A listed firm with a market capitalization of 40 billion has a profit of 2 billion year-round, based on a price-earnings ratio of 20 times.

Most companies in the domestic stock market have a P/E ratio of more than 50 times.

In other words, tens of thousands of people are busy with their lives in several group businesses with a market value of 100 billion dollars, and their annual earnings are just 2 billion.

And as long as the He family returns to the Su family's arms, they will earn a yearly income of 2 billion, which is equivalent to a golden brick from the sky!

Luther was stunned for a moment, and Tom, on the other hand, was already ecstatic and uncontrollable!

He thought this was a great opportunity that the He family had never considered. The He family would be able to ascend into the sky if he took advantage of this chance.

With this large sum of money, in the future, He family might be able to become the country's top martial arts family!

And he's on his way to becoming the patriarch of the country's most powerful martial arts family!

After this, he and his family would be able to fly!

Luther was also a little giddy.

While he was aware that his daughter Roma has traveled to Aurous Hill to meet the Wade Family's Young Master, he assumed that the Wade Family wanted to work with

the He Family as well, but he believed that the Wade Family would not be able to give the He Family such a high price.

## Chapter 2821

This amounts of two billion a year!

It is only then that he understood that a person's bottom line could shift at any moment.

At times, he believed his bottom line is crystal clear and his attitude is unwavering. That's because he has never been faced with a strong enough temptation.

There would be no bottom line at this stage if the temptation had exceeded one's psychological standards and even explicitly provided him with a super deterrent.

True, Luther was angered by the Su Family's abandonment of Ruoli, and also their actions of betraying her.

That kind of rage is like a never-ending forest fire that is difficult to put out with ordinary force.

The anger in his heart seemed to be greatly calmed in an instant when he heard the price of 2 billion.

It was as if a sudden wave had rushed through the burning forest with unprecedented speed and intensity.

What if the forest fire is especially ferocious?

Isn't it enough for a tsunami to submerge the whole forest, never mind a forest fire?

The bottom line has been defeated.

For a long time, Anson stayed quiet.

His eyes, like eagles', have been eagle-like in their observation of the father and son in front of him, noting all of their facial expressions, eye, and even movement shifts.

Anson's greatest skill is his ability to observe words and colors.

Mr. Su's eyes are just as accurate as a polygraph after so many years with him.

He can simply and unequivocally determine that the father and son in front of him have been enticed.

He was finally relieved as a result of this.

Surprisingly: "The master remains concerned that two billion would fall short of impressing the He family.

The psychological cost of this family does not appear to be as high as the master predicted. Two billion appears to be a little excessive.

Let's say he started with a billion. Let's talk, there have been several tugs-of-war, and He's family will undoubtedly be settled within 1.5 billion! What a shame, at least 500 million was wasted, and if the price remains the same, 2 billion will be invested every year for the next ten years. It's \$20 billion... which means at least \$5 billion has been invested over the next ten years excessively..."

But then he had a change of heart and thought: "However, the Su family is currently in a state of emergency, and the father's own safety has become a concern. It isn't the best time to haggle.

The top priority is to quickly get the He family over and ensure the Su father's safety. The elderly gentleman must have his own strategy.

For the He family, this price will be retained for a period of one or two years. When the crisis is over, the old man will no longer be able to support the He family at such a high rate."

Anson felt a bit more at ease after thinking about it.

## Chapter 2822

"Mr. He, what do you think of it?" he immediately asked Luther.

"I just didn't expect Master Su to respect the He family so much..." Luther felt a dry pain in his throat, swallowed, and then said,

"Of course, our master doesn't respect the He family for one or two days," Anson said with a smile.

Anson smiled as he said, waving his hand and saying:

"Let's not talk about these ridiculous things because I am old. I've only recently relayed the master's words to you. You are the He family's leader, and do you think the He family would recognize the master? You must provide me with a firm answer."

Luther nodded and calmly weighed the advantages and disadvantages of the He family's approval or rejection of this matter.

Guaranteed, the advantages would be multiple.

Returning to the Su family's authority, with enough funds, the younger generations of the family will be able to provide all of the resources required to practice martial arts at any expense.

Perhaps within a few years, the He family would be able to produce a group of exceptional geniuses similar to Ruoli.

This is extremely important to the He family.

Since, once the younger generation's overall strength has improved significantly, the entire He family will easily begin attacking their foes.

The He family has been around for hundreds of years, and every Patriarch's greatest wish is for the He family to rise to the top of the domestic martial arts family.

Climbing to the top allows you to see all of the mountains, both large and small.

One of the eight large families, one of the four large families, or one of the three large families is no more.

Rather, the biggest and most strong!

There's no one left!

This is one of the advantages of working with the Su family.

What, on the other hand, are the drawbacks of agreeing with the Su family?

Luther pondered it as if he had nothing else to think about except his aching heart and pity for his daughter Roma and granddaughter Ruoli.

It's a complete waste of time...

On the one side, his daughter and granddaughter were betrayed by the He family's centuries-old scheme.

Great variations have emerged from the beginning of this balance.

Luther immediately felt like he didn't need to worry about this issue at all.

Why wait any longer?

It is time to begin a new journey.
