

Chapter 2806– 2807 of A Dish Best Served Cold Novel

Chapter 2806

In case the old man has a whim, take the abandoned son back.

With Mark's strength and ability, Chu Qitian really didn't have the confidence to be able to beat him in the position of heir.

After all, fools can see that Mark is much better than him in martial arts talent.

The reason why he can line up with Mark now depends on the power of the family and the sect.

Without these advantages, would he Chu Qitian fight Mark?

That's what it means to die!

The titled grandmaster fart, I'm afraid that he will collapse half to death.

“Ok?”

“Tianqi, what's the matter, what is the bloodbath, why don't you say it?”

When everyone saw that Chu Qitian wanted to speak and stopped, they were suddenly puzzled.

“Nothing, I mean, that person can't be the moon god of the Japanese kingdom.” Chu Qitian explained quickly.

Everyone talked about it, but no results came out.

“It seems that this matter must continue to be investigated.”

“My Truman has suffered such a great humiliation, and I must never give up like this.”

“To determine the identity of that person, I, Truman, must send the strong to conquer!”

“Let her pay a heavy price, in order to behave like you~” the elder said in a deep voice, with endless anger in the icy Yuqi.

The rest of the Trus also nodded in agreement.

Indicates that revenge must be required.

“And Mark, you have to keep looking!”

“I want to see people in life, and corpses in death.”

“It really doesn’t work, take his relatives and friends to operate.”

“We Elder Truman, we must not die in vain!” Someone in the crowd shouted sharply.

“Shut up!” With a snap, Tang Yun, who had been silent for a long time, suddenly slapped it.

The person who just said that immediately vomited blood and flew out.

“I’ll say it again, I’m acting honestly and honestly.”

“In the future, anyone who wants to say this kind of assholes against other people’s family members will get out of Truman for me!”

“I, Truman, can’t afford to lose this person.”

“Also, about Mark, everything ends here.”

“All the people searching outside have also withdrawn.”

“There is no need to investigate the identity of the woman today.”

Tang Yun commanded coldly.

This time, everyone was puzzled.

The great elder even persuaded: “Sect Master, no~”

“Such actions will damage my sect’s reputation.”

“It’s not that serious. That Mark suffers my sword, and his vitality is slim. Since the vengeance has been reported, why waste time and energy on a deceased person. As for that woman, she is definitely not good, and I see her doing this, For me, the strongest of the Truth Sect, only wounding but not killing. She still has room, so why don’t we let it go?”

“What’s more, all these things are because we want to kill people first.”

“The skill is inferior to humans, and it is our Truman’s failure to be killed by others.”

“This kind of shame, do you have the face to settle accounts afterwards?”

Tang Yun said coldly.

“But” Chu Qitian wanted to say something else.

“Enough, this matter ends here, no one needs to persuade!” The words were majestic and loud.

After these words fell, even if they were reluctant, they would not dare to disobey Tang Yun.

Soon, Tang Yun turned and left.

All the people behind Truman sighed.

“Hey~”

“Teacher always kills and kills, and never knows what kindness is forbearance?”

“But how indecisive is this now, the kindness of women?”

“And also speak for the country boy?”

“What are you talking about?”

“The reason is taught by the weak, and the strength is in our hands, so what reason is there?” Chu Qitian was anxious and puzzled, and kept complaining there.

Chapter 2807

“shut up!”

“You said this too?”

When Chu Qitian complained, the elder screamed angrily.

Chu Qitian was so scared that he immediately lowered his head and shut up.

And the great elder did not embarrass Chu Qitian again.

After all, he is the young master of the Chu family, the belly of the current Patriarch of the Chu family, and his identity is detached.

He is the elder of Truman, and naturally he won't be too embarrassed.

Therefore, after reprimanding Chu Qitian, the elder also took someone back.

“Since the old lady left, this Chu family is really inferior to one generation.”

“Let's say that Chu Zhenghong, the former Patriarch, didn't do business when he was young, and fell into female sexuality. He went outside with women in the countryside. Later, the prodigal son turned around and became Patriarch. Looking at his performance over the years, I thought Chu Zhenghong would Become a master of the Chu family.”

“Unexpectedly, the country is easy to change, but the nature is hard to change.”

“It is said that some time ago, in order to give a savage woman a head, he directly emptied the family of the Chu family and went to Japan.”

“It’s ridiculous!”

“Now that the Chu family has replaced Chu Zhengliang in charge, it is quite satisfactory.”

“The chosen future family heir, Chu Qitian, is also quite satisfactory.”

“But there is really nothing dazzling.”

“I think back then, the three Chu family, the Chu family dominated the top, how dazzling?”

“The evil spirits under the banner are coming out in large numbers, and the strong are rampant.”

“Old man Chu Dollar was also a well-known figure in the martial arts world.”

“Although Chu Zhenghong has misconduct and unruly character, he has always been named Chu Hades over the years.”

“But now the Chu family can only take a fairly satisfactory evaluation.”

“Green and yellow don’t pick up~”

On the way back, perhaps because of feelings, the great elder suddenly talked about the Chu family.

Some time ago, the changes in the Chu family were really not small.

After all, the Chu Clan is an important branch of the Chu Clan. When the Chu Clan is turbulent, some of the Chu Clan’s personnel arrangements will naturally change accordingly.

For example, before Chu Zhenghong was one of the deputy masters of the Chu Clan, his current position was replaced by Chu Zhengliang.

However, they actually don’t know much about the turmoil in front of Chumen.

The ugliness of the family should not be publicized. Few of the Chu family would talk about such things outside!

Therefore, things like what the Great Elder knows now are only pieced together from some words from the outside world, which are somewhat different from the facts, which is normal.

In this way, with Tang Yun’s order, this matter can be regarded as an end in Truman.

As for the disturbed funeral, Chu Men did not re-organize it, but buried the elders who died in Mark’s hands overnight.

As for Chu Qitian, after being reprimanded by the great elder, he returned to the family with a disgraced face.

“what’s happenin?”

“Why listless?”

“Is your teacher reprimanded again?”

After returning home, Chu Qitian went to his father and prepared to report on the results of the chaos in Chumen today.

Chu Qitian’s father, Chu Zhengliang, is now the deputy head of Chumen. In terms of power and status, among the entire Chumen, they are ranked as the top five.

Therefore, a funeral just for a few outer door elders like today is naturally not qualified for him to come forward. Let his son Chu Qitian be a representative, and the specifications are enough.

At this time, in the study, Chu Zhengliang was still dealing with family affairs.
