

The One and The Only Chapter 281 - 290

Shura understood that it was a fake for the eldest lady to tinker with celebrities, and it was true that Yash Nics would be killed in front of people from all walks of life in China Shipping.

This is called high-profile revenge!

Shura was a little worried: "Miss, use the name of Jiangnan Wangye Tang to hold a business

reception. Celebrities from all walks of life in China Shipping will definitely flock to the

reception. But I am worried that if Tang Ye knows, will he be unhappy?"

Lu Shanshan arrogantly He said: "Killing Yash Nics is also what Tang Ye meant. I held a

cocktail party in the name of Lord Tang, and then killed Yash Nics at the cocktail party. The

message to everyone is that Lord Tang asked me to do this!

"I believe that Lord Tang will only praise me when he learns this, and will not be angry."

Xiu Luo heard this: "The subordinate will do it immediately!"

...

Mannity City, it is said that Jiangnan Wangtang Beidou will hold a business in Mannity Hotel.

News from the reception.

It instantly detonated the entire circle of power and nobility in Mannity City, and everyone

rushed to inquire and used various methods to be proud of getting a ticket to the cocktail party.

Tang Beidou's status in the South is beyond doubt.

To Song Pingting's surprise, she also received an invitation letter for the reception.

She immediately told Yash Nics the good news and said excitedly: "Yash Nics, the southern

hero Tang Beidou, is going to hold a business reception in our Mannity City, and also sent us

an invitation letter. Oh my God, we I'm so lucky."

Yash Nics heard that a strange color flashed in his eyes. According to the information he had, Liu He was instigated by Tang Beidou to trouble him before. Liu He suffered a lot in Mannity, and after he returned home from a feather, there was news that Tang Beidou had come to Mannity in person? Regardless of whether the news is true or not, this business reception must be a Hongmen Banquet, and it is likely to be for him and Song Pingting! So Yash Nics said indifferently: "It's just a cocktail party. Is it worth your joy? I don't think it doesn't matter whether you participate or not." Song Pingting smiled and said: "Yash Nics, you don't know anything, Mr. Tang is in our south, but he has Unparalleled power. If you can get his appreciation, whether you are doing business or politics in the South, you will be all going well." "He held a cocktail party in Mannity, of course everyone is eager to win the honor of participating in the cocktail party." Song Pingting said. With so much, I found that Yash Nics was still full of disapproval. She could only helplessly say: "Anyway, it is a rare opportunity to be able to participate in Mr. Tang's reception. Yash Nics, you will accompany me to the reception tomorrow night." Yash Nics smiled and said, "Okay, I will accompany you to play with my wife tomorrow night. Fuck." He knew that tomorrow night's reception would be a Hongmen banquet, and it was possible that Tang Beidou was actually visiting Mannity. But he really didn't put Tang Beidou in his eyes. He had said before that even if Tang Beidou appeared in front of him, he let Tang Beidou kneel, Tang Beidou would not dare to stand! How could he be frightened by the "Hongmen Banquet" now! ...In the

evening, Yash Nics and Song Pingting did not go home for dinner. The two chose to eat at a restaurant near Jiangbin Park, a rare experience of the two. Jiangbin Park is not far from Ningda Group Corporation, and Yash Nics and Song Pingting chose to walk there instead of driving. The two walked side by side on the boulevard with plane trees planted on both sides. When they passed the Jiangbin Park Plaza, they found that many people were exercising. An old man with a strong body in a tunic suit is practicing boxing vigorously. There were onlookers standing around, and everyone cheered and applauded. Yash Nics and Song Pingting passed by, and Song Pingting said in surprise: "This old man is very strong, with strong fists and full of explosive power." The old man in the tunic suit who was practicing boxing heard Song Pingting's words, his old face was a little proud and thought: Ha ha, I practiced the first set of combat skills in the Northern Army, the name is Longquan, the real killing technique, of course. Full of explosive power! The old man in tunic suit is secretly smug. Suddenly, I heard Yash Nics say to Song Pingting indifferently: "He can't practice this style of boxing, he has been injured. After two more years of practice, he will definitely die." Yash Nics said this, not only Song Pingting widened. Eyes. Even the audience who heard Yash Nics's words, as well as the old man in tunic suit himself, had their eyes widened.

The One and The Only Chapter 282

old man in the tunic suit heard Yash Nics denigrate the dragon fist he practiced and said that he would die.

He was furious. He didn't even practice boxing. He came straight over to stop Yash Nics and

Song Pingting from going, and said sternly: "Young man, what did you just say?"

Song Pingting was so scared that he hurriedly apologized: "Father, my husband didn't know

how to talk nonsense, I apologize to you, don't care about him." The old man in the tunic suit looked a little better when he heard this, but at this time, Yash Nics

said indifferently, "My wife, don't apologize to him. , Because what I said is true."

"Don't look at him now, he is very energetic, in fact, he has already got an internal disease.

After two more years of practice, he will die directly." The

old man in the tunic suit was completely angry when he heard the words:

"Okay." Boy, do you

know what kind of boxing I am? I dare to talk nonsense and wantonly slander. If you don't

explain it to me today, don't want to leave. "

It turns out that this old man in tunic suit is named Ouyang Hai.

He is the former richest man in China Shipping and served in the North for three years when

he was young.

This set of boxing techniques he practiced was the first set of martial arts in the Northern

Army, called Dragon Boxing.

Ouyang Hai used this set of dragon fists to obtain third-class power twice.

He has deep feelings for this set of dragon boxing, and now some people say that they

slander this set of boxing, and that they will die suddenly after practicing.

How could he bear it? Yash Nics had to give an explanation!

Yash Nics looked at the menacing Ouyang Hai, and said lightly: "Your boxing technique, if I

read it correctly, it should be the Northern Army's first military combat technique, Dragon

Boxing."

Ouyang Hai widened his eyes when he heard this. Shocked: "You actually recognize this set

of martial arts. Since you know the

origin of this set of martial arts, you should respect it more and should not slander it.” Yash

Nics said calmly, “I didn’t slander, just tell the truth.”

Ouyang Hai said unconvincedly: “Then I want to listen to your opinions.

If you can’t tell me

why, don’t blame me for being rude to you.”

Yash Nics said calmly, “It’s up to you to practice this style of boxing. I

should have served in

the Northern Territory Army. I will give you a few words to save your life.”

Ouyang Hai was very unconvinced when he heard this, he was not used to the young people

who are not capable of being so arrogant.

Yash Nics said unhurriedly: “Dragon Fist is the first combat technique of the Northern Army.

It is known for its quick success, fierceness, explosive power, and one-shot kill.”

Ouyang Hai nodded subconsciously after hearing the words: “That’s right! ”

Yash Nics added: “The Northern Army was just established back then, and foreign invaders

were waiting for them. The introduction of this quick and powerful set of dragon fists in the

Northern Army was what the situation needed.”

“Northern soldiers, they did use this set back then.” Fighting skills have earned countless credits.”

“However, it was later discovered that although Longquan was quick and fierce.”

“But long-term practice will cause unavoidable trauma to the human body. Perennial

practitioners often die suddenly to middle-aged and elderly people. ”

Ouyang Hai opened his eyes wide and looked at Yash Nics incredulously.

He remembered

that some of his comrades in arms had indeed passed away for no reason.

Yash Nics said sadly: "Therefore, within a few years, the Northern Army stopped using Longquan and instead introduced the second set of military fighting techniques."

"Up to now, the ninth set used by the Northern Army is already in use. The fighting skills in the army."

Yash Nics said here, looking at Ouyang Hai: "Dragon Fist has long been no longer implemented in the Northern Army. But what was ill-considered above is that you have forgotten those of you who served in the Northern Territory. Veteran warrior. I have not notified you and stop practicing dragon fist."

Ouyang Hai was shocked, but he was still doubtful: "How can you prove that what you said is true?"

Yash Nics said flatly, "You go from top to bottom. Count, the seventh rib on the left, press it to try, is it painful?"

The One and The Only Chapter 283

Ouyang Hai subconsciously pressed it, and he made a miserable hum, and the pain caused cold sweat on his forehead.

When the people around saw it, they were amazed.

Yash Nics asked faintly: "Whenever it rains and thunders, do you have acupuncture-like pain in the joints of your hands and feet?"

Ouyang Hai nodded again and again: "Yes, yes, that's the case, I thought it was. It's just rheumatism in the joints..."

Yash Nics said, "Your hidden injury has reached a very serious level. You must stop practicing Longquan and seek medical attention immediately, otherwise you are worried." "You go to the North Border Army General Hospital and see the Dean Qin Qingping. It is said that Yash Nics let you come, and he will treat you for free."

Qin Qingping, the dean of the North Border Military General Hospital, is known as the unparalleled scholar of the country!
Ouyang Hai, who was originally worried about Yash Nics's clever liar, had no doubts at all.
Qin Lao is an unparalleled scholar, a master in the medical field.

Countless dignitaries have no way to seek him for treatment, so how can they be in the same way as a liar?
Ouyang Hai completely believed Yash Nics's words and thanked Yash Nics in every possible way. While thanking him, he also said that he would reward Yash Nics. Yash Nics calmly said no, this is the treatment you veteran soldiers of the North should get, and then he left with Song Pingting.
Yash Nics and Song Pingting left, leaving only Ouyang Hai, who was full of convincing and grateful faces, and a bunch of strange passers-by audience.
At this time, a Porsche stopped by the road, and Ouyang Hai's daughter, Ouyang Yan, drove to pick him up.
When Ouyang Yan saw that her father's expression was wrong, she hurriedly asked what was going on?
Ouyang Hai told his daughter what happened just now, and he also said: "Tomorrow, I will go to the North Border Military General Hospital to see Mr. Qin for treatment."
"But you help me look up Yash Nics's identity and see if he has any difficulties?"
"I don't like to owe others kindness. If Yash Nics has any difficulties, we will help him, which is regarded as repaying him. "
Ouyang Yan nodded: "Dad, I know what to do."
Ouyang Hai is the former richest man in China Shipping, and the Ouyang family is also a traditional giant in China Shipping, and their strength should not be underestimated.

Soon, Ouyang Yan found out that Yash Nics was the identity and learned that Yash Nics was the husband of Song Pingting, president of Ningda Group. She also found out Yash Nics's recent grievances with the Zhu family and the Lu family, and even she received a "extremely confidential news."

That is tomorrow night, Jiangnan Wang Tang Beidou's reception at the Mannity Hotel is actually targeting Yash Nics's Hongmen banquet. It is said that Tang Beidou has seen Yash Nics displeased and plans to punish Yash Nics in public at the reception tomorrow night. Ouyang Yan quickly told her father the news. When Ouyang Hai heard the news, he frowned slightly: "Yash Nics turned out to be a retired soldier from the Northern Territory. No wonder he is so familiar with the history of martial arts in the army and knows the drawbacks of Dragon Boxing." Ouyang Yan smiled bitterly: "Tang Beidou is already here. Layout, ready to take his life, he died when he was imminent, but he didn't know it." Ouyang Hai sighed: "Our Ouyang family has always repaid gratitude, and don't like to owe others favors." "Yash Nics pointed out what I was doing. He was able to get Mr. Qin from the North Border Military General Hospital to treat me. We owe him a kindness." "When our family was developing a big project, we were attracted by Tang Beidou, the king of the south of the Yangtze River. Beidou asked us to hand over the project. But Tang Beidou also promised me that he owes me a favor, and I can ask him to fulfill his promise at any time, let him do one thing, and return my favor." The One and The Only Chapter 284 Ouyang Yan heard this, she looked at her father in shock: "Dad, are you planning to ask Tang Ye to fulfill your promise and let Tang Ye let Yash Nics take the lead?"

Ouyang Hai nodded. Head: "Yes, Ouyang Hai has been acting upright and honest throughout my life. Yash Nics has saved me. He has something to do. I can't stand by."

Ouyang Yan knows her father's stubborn character. Once a decision is made, ten horses cannot be pulled back. Can only agree.

Ouyang Hai called Tang Beidou that night.

Tang Beidou was surprised when he received a call from Ouyang Hai. After listening to the reason for Ouyang Hai's call, he was even more surprised. He slowly asked: "Lao Hai, are you sure you want me to fulfill my precious promise, just to show me to Yash Nics.com?"

Ouyang Hai: "Yes, please Tang Ye Yuquan."

Tang Beidou groaned a little, and then agreed to Ouyang Hai's request: "Okay, I will let him

go. You and I will never owe each other from now on."

Ouyang Hai: "Thank you Tang Ye for perfection. "

Yash Nics didn't know that the old man he saved easily turned out to be the former richest man in Mannity City.

I don't even know, Ouyang Hai quietly "saved" him once, repaying him for his kindness.

He and Song Pingting had a candlelight western food at the Western Restaurant on

Saturday, and spent a romantic time in the world for two people before returning home together.

When he and Yash Nics returned home, Song Zhongbin was chatting with Ma Xiaoli, Tong

Ke, and Song Qingqing while watching TV.

"Mom and dad!"

Song Qingqing rushed over when Yash Nics and Song Pingting came back.

Yash Nics smiled and bent over and picked up her daughter.

Song Pingting put the fruits he bought on the coffee table, and asked curiously: "Mom, what

are you talking about, it seems very happy?”

Song Zhongbin smiled and said: “Your mother got rich today, of course I am happy.”

Song Pingting is even more curious: “If you want such a good thing, what kind of fortune,

let’s listen to it?” Ma Xiaoli raised her hand and slapped her husband strangely. , And then

explained to Yash Nics and Song Pingting: “It’s like this. On my birthday before, your dad

gave me a fake ruby necklace.”

“Today I wore this ruby necklace when I went out. , I met Ge Meili.”

“She said my necklace is good, and I said imitated it. She said she likes it very much and

asked me to sell it to her.”

Yash Nics realized that it was not good, and asked, “Mom, you sell the necklace to She?”

Ma Xiaoli said: “She started saying that it was sold for three thousand yuan. I think it was

given to me by Lao Song. I can’t bear it.”

“Later, she kept pestering me, saying she liked it very much, making me reluctant to part

with love, and the price was also high. From three thousand to one hundred thousand.”

“I think she likes it so much, so I sold her the necklace. But I didn’t have the embarrassment

to ask her for one hundred thousand yuan, as long as she was five thousand yuan.”

Yash Nics finished listening. Didn’t say anything.

He bought this necklace to Song Zhongbin and asked Song Zhongbin to give it to Ma Xiaoli.

However, he has not told everyone that this ruby necklace is real and is worth more than 100

million yuan.

Ma Xiaoli is not stupid. Seeing Yash Nics’s silence, she immediately realized something. She

asked Yash Nics and Song Zhongbin in surprise, “Couldn’t I sell them cheaper?”

Yash Nics smiled: “No, the price is about the same.”

Ma Xiaoli was suspicious and turned to question her husband: “Lao Song, tell me honestly, how much did that necklace cost when I bought it?”

Song Zhongbin stubbornly said, “The necklace... was prepared by Yash Nics at the time. , I’m only responsible for giving it to my wife, and I really don’t know the price.” In an instant, everyone looked at Yash Nics.

The One and The Only Chapter 285

family knows that what Yash Nics gave to his family has never been bad! Like the pink diamond necklace that Yash Nics gave to Song Pingting, it was worth 100 million!

Even the broken pill that Yash Nics gave to Song Qingsong before was worth hundreds of thousands!

If the necklace Yash Nics gave to his mother-in-law was a cheap fake, Song Pingting’s family didn’t believe it.

Song Pingting stared at Yash Nics at this time, and asked seriously: “Yash Nics, is that ruby necklace real or fake, and how much did it cost to buy?” Yash Nics had just spoken, but Ma Xiaoli said seriously. “You must tell the truth, don’t tell lies!”

Yash Nics had no choice but to honestly say: “That ruby necklace is real, that ruby is about 70 carats, and its value is more than 100 million yuan.”

Song Pingting When the family heard this, they were all shocked.

MA Xiao is felt dizzy, poles collapsed, her lips trembling, said: “! Finished finished, necklace

worth a million, is now being sold me five thousand,” “hum, I said how can people Song It’s so good. I kept buying my fake necklace and kept

increasing the price. It turned out that I didn’t know it and deliberately lied to me.” Song

Zhongbin and Tong Ke hurriedly supported Ma Xiaoli, and urged her not to be sad.

But a necklace worth one hundred million was sold for five thousand yuan, how could Ma Xiaoli not be sad?

Moreover, she felt extremely guilty and felt that she had done a great mistake.

While comforting her mother, Song Pingting blamed Yash Nics: "I blame you for buying such an expensive necklace as a gift, and tell us the truth."

"It's all right, the Song family will certainly not agree to buy a necklace so cheap. How about returning the necklace to us?"

Yash Nics did not tell everyone the price of the ruby necklace at the beginning, because he was afraid that everyone would blame him for spending money.

He hadn't expected this kind of thing to happen.

However, he smiled and comforted everyone at this moment and said:

"Don't worry, this necklace belongs to you, no one is sure, I will let them send it back obediently."

Song Pingting's family shook their heads after hearing this. .

Everyone felt that with the greedy temperament of those in the Song family, how could it be possible to give it back with the benefits of having already obtained it! ...The

Song family, a mansion.

On the table is a delicate and precious ruby necklace. The pigeon blood ruby on the necklace is 70 carats and exudes an intoxicating brilliance under the light.

Song Qingsong, Song Zhongxiong, Song Zhongping, Song Haoming, Ge Meili, and others

were surrounded by this ruby necklace in surprise.

Ge Meili's face was full of triumph: "Ma Xiaoli, the village woman, took the treasure as

rubble. I bought this necklace from her for only five thousand yuan, haha!"

Song Zhongxiong and others all have one after another. To praise Ge Meili for his greatness, he bought good things worth 100 million yuan for five thousand yuan. Song Qingsong open at this time but smiling and said: "Oh, let's Song recent business downturn, I heard Missy Lu Shanshan Lu family, is preparing to show its mettle in the sea, on land and at home I'm going to climb aboard the ship." "We The Song family wanted to make friends with Miss Lu, but it was a pity that they missed a precious meeting gift." "This ruby necklace, I think it's just a gift." Ge Meili heard this, immediately showing a reluctant expression, and said unconvinced. "Master, I got this necklace back. I plan to keep it for myself. Why should I give it to Miss Lu as a gift?" Song Zhongxiong snorted coldly, "Aren't you from the Song family, Song Jiapan? Gao Zhi of the Shang Lu family, don't you have a share of the benefits?" Ge Meili dared to be angry but didn't dare to speak, obviously still reluctant to follow. Song Qingsong smiled at this time: "You don't need to worry about being beautiful. We will give you this necklace as a gift to Miss Lu, and we will naturally compensate you." "You and Haoming didn't always want the Rolls in my garage. Les Phantom? That car will belong to both of you from today." Song Haoming and Ge Meili were overjoyed, but Ge Meili was still a bit dissatisfied, and whispered, "Grandpa, that car is only worth the price. Twenty million, my necklace is worth more than one hundred million." Song Qingsong said with a smile, " But your necklace was scammed from Ma Xiaoli for 5,000 yuan, and Yash Nics and the others are not allowed. Will come to trouble, do you think you can handle Yash Nics?"

The One and The Only Chapter 286

Ge Meili was still quite scared of Yash Nics.

Yash Nics used to be in the Song family and abandoned Zhu Jiuling, and now Ge Meili has lingering fears.

She hurriedly said: "Master, it's better for you to call the shots. We will all listen to you."

Song Qingsong said with satisfaction: "Then as I said just now, this necklace is given to

Miss Lu as our Song family. A great gift."

"As compensation, I will give you a Rolls Royce."

"Our family climbs the high branches of the Lu family, which is good for everyone."

Song Zhongxiong, Song Zhongping, Song Haoming and Ge Meili and others, Everyone

smiled openly, as if seeing the infinite future of the Song family after they climbed to the Lu family.

Everyone in the Song family was happy, when suddenly the phone at home rang.

It turned out to be Ma Xiaoli. Ma Xiaoli called to ask Ge Meili to return the necklace to her.

She was willing to refund double the money.

Ge Meili took the phone and said to Ma Xiaoli with a sneer: "Second aunt, you refund the double price, then you are ready for 200 million, and I will resell the necklace to you."

Ma Xiaoli was anxious and annoyed after hearing the words .

Sister-in-law, when I sold you it

was 5,000 yuan, how did the double price become 200 million yuan?"

Ge Meili sneered, "That's the price you sold. If I sell it, this necklace is worth 100 million

yuan. Double the price, so naturally it is 200 million!"

"Are you going to spend 200 million to buy it back? If not, don't call me to harass me,

fool ." Ma Xiaoli was so angry that tears kept staying and she was deceived. It was so

miserable that he was even scolded as a silly hat.

At this time, Yash Nics and Song Pingting were surrounded by Ma Xiaoli.

Everyone vaguely heard Ge Meili's arrogant words, and everyone was filled with righteous indignation.

Yash Nics took the phone directly from Ma Xiaoli and said coldly: "I limit you to send back my mother's ruby necklace within 24 hours. Otherwise, you will be at your own risk."

Ge Meili heard Yash Nics's voice, immediately passing the phone to Song Qingsong, Song

Qingsong sneered, "Boy, are you scaring ghosts!"

After speaking, he hung up the phone.

The dialogue between the two parties ended unhappy.

...The

next day, night fell, and the lights began to come on.

Mannity Hotel is brightly lit.

The second floor of the hotel has been arranged as a reception site.

Lu Shanshan, who was dressed like a rose in a red evening dress, had her pretty face a little

surprised at this time.

It turned out that Tang Beidou sent someone to pass a message to her today, and Tang

Beidou planned to release Yash Nics.

Lu Shanshan didn't understand, but Tang Ye, who had threatened to kill Yash Nics, was

suddenly going to let Yash Nics go?

The man next to her in a black suit with sharp eyes, Shura said: "It is said that Ouyang Hai

interceded with Lord Tang. Lord Tang owed Ouyang Hai a promise, so he agreed to Ouyang

Hai and spare Yash Nics once."

Lu Shanshan heard the words. With a dazed expression: "So that's it!"

Shura said: "Miss, the reception has been set up. The masters who killed Yash Nics have all

been deployed."

"Now everything is ready, just wait for Yash Nics to follow. The guests came to the

reception, and then killed Yash Nics in public.”

“But Lord Tang decided to spare Yash Nics’s life temporarily. Tonight, do we still want to act

on Yash Nics according to the original plan?”

Lu Shanshan said with a high face. Tang Ye promised to Rao Yash Nics, but the Lu family

did not agree.”

“Everything is going according to the original plan, but remember to tell the guests that Tang

Ye will have a temporary business and will not attend the reception tonight. The host is our

Lu family.”

Shura: “Yes!”

The One and The Only Chapter 287

At eight o’clock in the evening, celebrities from all walks of life in Mannity City came to

Mannity Hotel to participate in the reception.

Many guests came to the reception and learned that Tang Beidou would not appear tonight,

and the host of the business reception was changed to Lujia.

The Lu family is one of the four pillars in the south and holds an extraordinary position in the

south.

Therefore, although the guests felt it was a pity that Jiangnan King Tang Beidou did not

appear, they did not save Lu Shanshan’s face and chose to continue participating in the

reception.

There is even Song Qingsong’s family who made a special trip to flatter Lu Shanshan.

Yash Nics and Song Pingting also came to the reception site, only to learn that Tang Beidou

would not show up and that the party organizer was changed to the Lu family.

When Song Pingting heard the news, her pretty face showed a look of uncertainty.

She didn’t deal with Lu Shanshan, and Yash Nics once slapped Lu Shanshan.

Since tonight is the reception hosted by Lu Shanshan, she felt that she and Yash Nics came to attend, it was simply boring. So she wanted to leave Yash Nics quietly. However, before she could leave, she was stopped by a group of brightly dressed people.

This group of people is Song Qingsong's group!

Song Qingsong deliberately smiled and said: "Yash Nics, Xiao Ting, didn't you just come, why are you leaving in a hurry?" Song Pingting exclaimed:

"Grandpa, why are you here?"

Song Qingsong said with a smile. "Of course we are here to attend Miss Lu's reception!"

Song Qingsong said here, looking at Yash Nics, and said with a smile: "By the way, that ruby necklace, our family has already given the necklace to Miss Lu as a gift. It's a meeting ceremony!"

Yash Nics and Song Pingting frowned when they heard the words.

Ge Meili also triumphantly said at this time: "I heard that the highest person in charge of the China Shipping Military Region, Major General Wang Daofang, will appear at the reception with his wife later."

"Ms. Lu intends to give the ruby necklace as a gift. Give it to Mrs. Wang."

"Yash Nics, I advise you not to try this necklace again, you can't get it back."

Song Pingting showed a desperate expression upon hearing this.

She took Yash Nics's hand and whispered bitterly: "Wang Daofang is the major general of our military region. The ruby was given to his wife. We can't get it back anyway."

Yash Nics said calmly, "It's okay. No matter who it falls into, I will take this necklace back."

Song Qingsong's family laughed haha after hearing this, Song Zhongxiong laughed, "It's

really a toad yawn, so big. You can take it back, what about you.” Take it?”

Yash Nics said indifferently: “Wang Daofang, he will personally present the necklace and return it to me.”

Song Qingsong and others gasped at the words.

Not because of fear, but because of Yash Nics’s ability to brag and not ashamed.

They all laughed and sarcastically said, “Major General Wang presented the necklace to you

personally. Why don’t you say that you are his chief, hahaha.” The Song family was laughing at Yash Nics.

Suddenly, there was a commotion among hundreds of guests at the reception.

I saw a burly man wearing a black tunic, holding the hand of a beautiful woman, followed by

more than a dozen fully armed guards.

It was Major General Wang Daofang who came with his wife Wen Yao.

Wang Daofang rarely attended such occasions, and he did not expect that he would really

show up tonight.

The guests at the scene were very excited, and at the same time they all said in a low voice:

“It is said that the Lu family is very well-connected in the southern black and white business,

political and military forces. It seems that this is true. General Wang, who rarely shows his

face in public, today In the evening, I attended a reception hosted by Miss Lu.”

The guests on the scene stepped forward to greet Wang Daofang.

But they were not able to get close to Wang Daofang, so they were pushed back by the

guards around Wang Daofang with their guns.

Song Qingsong’s family, looking at such a domineering Wang Daofang, admired and

laughed at Yash Nics: “I see it, this is the highest command of our Mannity Military Region,

General Wang!”

“How many powerful and powerful people on the scene, I wanted to go forward and get close to General Wang, but the guards turned them back with their guns.” “Yash Nics, you dare to brag and ask General Wang to send you the ruby necklace?” Song Qingsong and the others sneered. Song Pingting felt ashamed, and felt that what Yash Nics said just now was indeed too boastful. Yash Nics still has a calm face, and calmly said: “I said he will personally send the necklace to me, and he will definitely send it!”

The One and The Only Chapter 288

Song Qingsong and others shook their heads, saying that Yash Nics still dared to brag, which was really shameless. Song Pingting’s face flushed, and she wanted to cover Yash Nics’s mouth and let Yash Nics say less big words. Wang Daofang and his wife walked into the reception and looked around, who seemed to be looking for? Soon, Wang Daofang saw Yash Nics not far away, and his eyes showed ecstasy. If he didn’t know that Yash Nics would show up tonight, he would not come to this kind of occasion. When Wang Daofang saw Yash Nics, he just wanted to take his wife up to say hello to Yash Nics.

But at this time, Lu Shanshan, who was dressed in a red dress and dressed like a beautiful rose in full bloom, had already brought Shura and other subordinates to appear. Stepping on her high heels, she hurried towards Wang Daofang and his wife, and said with a smile: “General Wang, Madam Wang, you are here, it is Pengxun who is shining!”

Wang Daofang wanted to go over and say hello to Yash Nics. , But was stopped by Lu

Shanshan who suddenly appeared. He said coldly: "I didn't attend this kind of occasion, but

when I learned that someone I respected would appear, I came to my wife and greeted him."

Everyone at the scene was shocked upon hearing the words.

Who is the person who is so respected by General Wang?

Lu Shanshan was also taken aback when she heard the words, and immediately she

laughed and explained: "The big man you mentioned, General Wang, must be Lord Tang. It is

a pity that Lord Tang is temporarily ill and cannot attend the reception tonight."

Everyone. Hearing Lu Shanshan's words, they all showed stunned expressions.

I thought it was a big man who even respected General Wang so much. It turned out to be

Lord Tang, the king of Jiangnan, so it was not surprising.

After all, there is such a saying in the South: If the South is chaotic, Lord Tang has the final

say.

Whether you are in business or politics, you must have a good relationship with Tang Ye,

otherwise, it will be difficult to establish a foothold in the south.

But I didn't expect that even a big figure like Wang Daofang would respect Tang Ye so much.

Wang Daofang saw that Lu Shanshan and others had misunderstood, but he also sneered

and disdain to explain more to these people.

Lu Shanshan smiled and said: "Lord Tang did not show up, and General Wang may be a little

disappointed. The little girl is also guilty and uneasy.

She has already prepared a small gift to apologize and asks General Wang to accept it." Lu

Shanshan just finished speaking . One of his subordinates cautiously held a jewelry box and

came to Wang Daofang and his wife.

Then in front of the audience, opened the jewelry box.
I saw a delicate ruby necklace lying quietly inside the box.
The pigeon blood ruby on this necklace is 70 carats, which is conservatively estimated to be worth over 100 million!

“Oh my God, what a beautiful ruby necklace.”

“Miss Lu’s shots are so generous, and one shot is worth over 100 million jewelry!”

“I just don’t know if General Wang will accept this great gift?”

The people at the scene, all. Talking in a whisper.

Lu Shanshan was also a little nervous, staring at Wang Daofang and his wife.

If Wang Daofang accepts this necklace, it means that Wang Daofang is willing to make friends with her Lu family. Then she will be more confident when she attacks Yash Nics in public.

When Wang Daofang saw that Lu Shanshan gave him such precious jewelry in public, he wanted to indifferently refuse.

However, Mannity City Zun Zhou Ruoshu next to him leaned into his ear and whispered something to him?

Hearing the words, Wang Daofang opened his eyes instantly and glanced in Yash Nics’s direction intentionally or unintentionally, and said, “In that case, I will help keep this necklace!”

After that, Wang Daofang asked the guards. Player, take this ruby necklace.

Lu Shanshan and others are confused.

However, in Lu Shanshan’s view, Wang Daofang’s willingness to accept such a valuable gift means that he is willing to befriend the Lu family.

Seeing that Wang Daofang had been “bought” by her, she no longer had any scruples at this time.

She clapped her hands, attracted everyone's attention on the scene, and then said loudly:

"General Wang, and all the guests, tonight's cocktail party is about to begin."

"But before the cocktail party begins, I have to settle a personal one. Gratitude!" Lu Shanshan's voice fell, and the whole room was shocked.

The One and The Only Chapter 289

Lu Shanshan finished speaking, her cold eyes had fallen on Yash Nics and Song Pingting.

She held up her pretty face and said coldly: "Yash Nics, Song Pingting, you probably didn't

expect that you would have a day in my hands?"

As Lu Shanshan's voice fell, five suddenly appeared on the scene. More than a dozen men in

black suits.

These men held katana and surrounded Yash Nics and his wife well-trained.

Everyone's eyes on the scene were focused on Yash Nics and Song Pingting.

Many people looked at Yash Nics and Song Pingting's eyes with pity.

And Song Qingsong's family also hid far away, as if we didn't know them.

Surrounded by a group of men in suits holding samurai swords, Song Pingting's face was

pale, and she nervously shook Yash Nics's hand.

Yash Nics's face remained as usual, even looking at Lu Shanshan's eyes, with a slight

sarcasm, and said lightly: "Lu Shanshan, I was slapped so much last time, you haven't

learned your lesson yet." Mentioned the last time I was slapped in public. , Lu Shanshan was furious.

She stared at Yash Nics and said bitterly: "You dare to mention that night. I, Lu Shanshan,

grew up so old and I've never been bullied like that."

"However, Feng Shui takes turns, and it's your turn tonight. . a fall on my hands, "

"! now, I want you two to my knees, "

Ning smile, said:" Lu Shanshan, my mind is a good thing, but you do not. " "

alone, you bunch of Jiunangfandai, With a few more broken knives, you want me to kneel down?”

Lu Shanshan was very angry when he heard the words, and said angrily: “Sura, first interrupt his feet for me and help him kneel down!”

“Yes, big Miss!”

Wearing a black suit and a burly figure, Shura strode towards Yash Nics grinningly.

Some people at the scene recognized Shura and shouted in shock: “Oh my god, it turned out to be the king of killers in the past, Shura!”

“Shura shots, sure to die!”

“Yash Nics is dead!”

Shura rushed towards Yash Nics.

He grinned and said, “Boy, kneel down for me!” After he finished speaking, he flew up like lightning and kicked it towards Yash Nics’s knee.

Prepare to kick off Yash Nics’s knee and let Yash Nics kneel down.

Shura kicked his foot very fast, so fast that a phantom appeared, and everyone at the scene felt numb.

Yash Nics smiled slightly, and also flew up.

However, it is faster and more powerful.

Snapped!

The two kicked together!

Immediately afterwards, Shura’s foot was directly kicked off, turning into a weird V shape, and it hurts.

“Ah!”

Shura screamed sternly!

Yash Nics kicked Shura’s foot, swish, and kicked out again.

Snapped!

In the middle of Shura’s head!

Shura’s screams stopped abruptly, and the whole person fell to the ground like a felled tree.

Everyone at the scene was dumbfounded and silent.

Standing with her hand, Yash Nics looked at Lu Shanshan, who was also dumbfounded, and asked faintly: "Now, do you want me to kneel down?" Lu Shanshan immediately recovered. She took out a mini pistol from her handbag and pointed at the muzzle. Yash Nics said with a sneer: "You are very skilled, and even Shura is not your opponent. But no matter how good you are, can you still be better than a gun?"

The corner of Yash Nics's mouth rose slightly: "A broken gun, dare to show off in front of me."

Lu Shanshan sneered: "A broken gun can kill you several times!"

Yash Nics said: "Really, then you see, how many times can these guns kill you?"

Lu Shanshan was puzzled when she heard Yash Nics's words.

Suddenly not far away, ten guards around Wang Daofang raised their submachine guns together, all their muzzles aimed at her together.

The One and The Only Chapter 290

instantly, Lu Shanshan was dumbfounded.

Even many audience members were dumbfounded.

Lu Shanshan looked at Wang Daofang incredulously: "General Wang, you—" Wang Daofang stepped forward indifferently, grabbed the mini pistol in Lu

Shanshan's hand, and handed it to the guards next to him.

Then he took the box with the ruby necklace from his wife's hand and walked quickly to

Yash Nics.

He raised the jewelry box containing the ruby necklace with his hands above the top, and

respectfully said: "Dear Mr. Yash, this necklace originally belonged to your mother-in-law,

now it belongs to the original owner, please accept it!"

What?

Lu Shanshan was dumbfounded, and countless guests at the scene were dumbfounded.

The eyes of Song Pingting, Song Qingsong and others are even more prominent.

Oh my God, what Yash Nics said actually happened.

General Wang turned out to be true, personally handing over the ruby necklace with both

hands and returning it to Yash Nics.

Many people at the scene were shocked. Most people didn't know the origin of the ruby

necklace, but they were shocked to see Wang Daofang being so respectful to Yash Nics.

You know, Wang Daofang was transferred to the south only two years ago. He used to be in

the Northern Army.

In addition to being strong, the people who came out of the Northern Army have another

characteristic, that is, they all have madness that matches their strength!

Wang Daofang is very capable and arrogant.

It is rare for him to treat someone so respectfully and politely on weekdays!

At this time, everyone couldn't help but speculate about Yash Nics's identity?

The most shocking was Song Pingting and Song Qingsong's family.

Because they are very clear about the value of this necklace and why, Yash Nics said that

Wang Daofang would personally send this necklace back to him.

At that time, Song Qingsong's family was still ridiculing in every possible way, saying that

Yash Nics was a toad yawning, which was a big tone.

Unexpectedly, what Yash Nics said turned out to be true. Wang Daofang really respectfully

sent back the ruby necklace to Yash Nics with both hands.

Song Qingsong felt that his heart couldn't stand it, it was beating violently, his blood

pressure was soaring, and he almost fell.

Ge Meili also tremblingly mumbled to herself: "Impossible, impossible, how awesome is it to

be so respected by General Wang?"

Even Song Pingting's wonderful eyes were full of surprise. , Looked at Yash Nics with a puzzled face, and thought: How did Yash Nics do it? Yash Nics, the person involved, is as calm as before. He calmly took the ruby necklace box that Wang Daofang offered with both hands, and handed it to Song Pingting beside him, then smiled and said to Wang Daofang: "Hehe, there is General Lao."

Wang Daofang regarded Yash Nics's. After the ruby necklace was returned, he turned and looked at the dozens of Lu family thugs who were at a loss with katana in their hands. He coldly shouted, "If you don't put down your weapons and surrender, is it possible that you want to use force in front of me?"

These dozens of swordsmen all wanted to lay down their weapons and surrender, but they were afraid of being punished, so they subconsciously looked at Lu Shanshan together.

Lu Shanshan was being pointed at by ten submachine guns at this time, and she was about

to tell these men to give up their weapons and surrender.

However, when Wang Daofang saw these swordsmen at the scene, after he spoke, he did not give up the resistance immediately. He was furious: "It seems that you are really tired of living!"

As Wang Daofang's angry voice sounded, two outsiders The team of heavily armed soldiers

rushed in, there were hundreds of people!

Hundreds of soldiers with live ammunition surrounded all of Lu Shanshan's subordinates,

and the submachine guns in their hands were raised up and aimed at these swordsmen.

Right now, these swordsmen from the Lu family threw their weapons and surrendered

before Lu Shanshan could speak.

At the same time, everyone can see it.

Wang Daofang wasn't playing with the Lu family tonight, it seemed to be a real move!
