

Chapter 2810– 2811 of A Dish Best Served Cold Novel

Chapter 2810

As a result, after Chu Qitian heard it, he was shocked and panicked.

“Father, you mean, I can be the master of the Chumen sect?”

“Can you become the most powerful person in the world?”

It has always been Chu Qitian’s greatest wish to successfully inherit the position of Chu Family Patriarch.

As for the co-master of the three schools, Chu Qitian had never thought of that, the most powerful man in martial arts in the world.

After all, among the three Chumen families, each one is Crouching Tiger, Hidden Dragon.

The talents of the students in the door are endless!

In terms of strength ranking alone, no matter how round he is, he won’t be his turn.

But now, his father gave him this possibility and hope, and Chu Qitian was naturally surprised.

“How can’t it?”

“My son looks like an emperor!”

“I will step into the realm of the gods in the future and be detached from the shackles of the mundane. It is not surprising that I am a father.”

Chu Zhengliang laughed, and his words were full of pride and love for his son.

“However, it is too early to say this.”

“What you need to do now is to concentrate on practicing. You must step into the realm of a master within a year or two!”

“Also, the future daughter-in-law I chose for you, please also contact me more.”

“The most ideal state is to be able to conquer it without the constraints of the marriage contract!”

“Only in this way, she can give you wholeheartedly.”

“Haha, dad, don’t worry. With your son’s charm, I can’t figure out what kind of woman. But you tell me, who is the woman you chose for me? Why did you take it so seriously?” Chu Qitian asked curiously.

Chu Zhengliang smiled, and then said: “You are no stranger to that person. She is the little princess of the Jones family, Angel Jones.”

“What?”

“You mean her?”

“That lonely little monster?”

Naturally, the children of the Truman family have heard of this freak of the Jones family.

Of course Chu Qitian is no exception.

Hearing that his future wife turned out to be such a freak, Chu Qitian was naturally unhappy.

He immediately complained: “Dad, did you make a mistake, you let me marry a little monster?”

“I don’t want my future wife to hang out with a group of beasts all day.”

Facing Chu Qitian’s complaint, Chu Zhengliang was not in a hurry. Instead, he smiled with a deep meaning: “Tian’er, don’t make decisions like this for now.”

“You can try to get in touch first.”

“There is a secret in this little girl.”

“If you can win her love, you will completely conquer her. Your future path will be like a divine help!”

Chu Zhengliang said meaningfully.

Chu Qitian was undoubtedly more curious, and continued to ask what secrets Na An Qi had.

“It’s too early to say this.”

“You guys get along first.”

“I think, today, you can visit your house and meet your future wife.”

“As far as I know, you probably haven’t seen it before.”

“I heard that she disappeared some time ago, and now she has been found back. Our Chu family should also visit her.”

Over the years, An Qi has been confined in the family. Except for some of An Qi’s close relatives, it is naturally difficult for others to see her.

“Well, I’ll listen to you.”

Chu Qitian nodded and followed his father’s instructions. The next day, he went to the Jones family and paid a visit.

Chapter 2811

“Qi Tian, why are you here?”

“Haha~”

“Quick, please inside.”

Knowing that Chu Qitian was coming, Mike Jones, the eldest master of the Jones family, came out to greet him with a smile.

Mike Jones has a cheerful personality and always likes to make friends.

What’s more, the two of them asked the young masters of the three Chumen families how much they had contact with each other. Now that they see Chu Qitian coming, they are naturally enthusiastic, pulling Chu Qitian and walking into the hall.

“Qi Tian, don’t leave tonight.”

“Let’s eat here in the evening. I just got a few bottles of good wine. I can taste them together at night?”

In the hall, Mike Jones said with a smile.

Chu Qitian replied, “Mike, I’ll talk about drinking later.”

“I’m here to visit my sister-in-law.”

“I heard that the sister-in-law suddenly disappeared some time ago, and she has only recently been found.”

“It’s nothing serious, right?”

Chu Qitian said with concern.

However, when Mike Jones heard this, he was slightly stunned: “Are you coming to see my sister?”

Mike Jones was surprised.

You know, his sister has always been withdrawn and not very gregarious. When she was studying in the aristocratic college opened by Trumen, his sister was not likable, and she was often looked down upon. Everyone ignored her and felt that she was one. Monsters are sometimes bullied.

Therefore, in desperation that year, Mike Jones’ father took An Qi back into the family and protected him alone.

For so many years, except for her relatives, An Qi has hardly a friend.

The only person who occasionally visits An Qi is Meng Wanyu, a female disciple of Tang Yun’s master.

Now that Chu Qitian suddenly came to visit his sister, Mike Jones was naturally surprised.

“how?”

“Brother Mike, isn’t it convenient?”

Seeing the strangeness of Mike Jones, Chu Qitian asked immediately.

Mike Jones shook his head quickly and smiled bitterly: “No, it’s just an accident.”

“However, my sister can be cared for by the whole world, and I am happy for her as a brother.”

“You wait, I’ll go in and call her.”

While smiling, Mike Jones turned and walked into the family backyard.

At this time, it was the scorching sun.

In the sun, a petite girl was dragging a load of nearly a hundred jins, and was performing physical training along with the family guards on the practice field.

The big beads of sweat, like rain, slid down along his delicate and pretty face.

On his forehead, on his wrist, swelling and blood stains that have not yet disappeared can be seen vaguely.

It fell to the ground and scratched while running.

The family guards who were also training on the side could not bear to see the young lady like this.

“Miss, you give up.”

“Your golden body and jade body, how did you endure this suffering?”

“If you are exhausted, we will be to blame for all our deaths!”

.....

“Yes, miss.”

“Don’t practice...”

“You said, why are you doing this?”

“What’s the danger, we will help you pit it.”

“If there is anything, we will help you desperately.”

“With the whole family as your backing, why bother to let yourself be so tired?”

In the family, all the waiters persuaded.

But, where would An Qi listen.

She gritted her teeth, stubbornly endured her physical fatigue and pain, but under her red lips she let out a stubborn growl.

“You can take it, and I can take it too!”

“I must learn martial arts, I want to learn killing skills~”

“I also want to have the power to help Mark’s brother.”

....

In the stubborn voice, there was an inexplicable determination.

No one knows what the little girl in front of her experienced during her disappearance.
