

# Chapter 2820– 2821 of A Dish Best Served Cold Novel

## Chapter 2820

Once she is hated, the end will undoubtedly be extremely miserable.

You know, medicine and drugs do not separate families.

When Yue Yao was in a good mood, she was a medical immortal in the martial arts world.

When he was in a bad mood, he was a poisonous fairy who made the grandmaster frightened.

Even the titled master, if he is not careful, he might follow her way.

Mark has a deep friendship with Yueyao, she will not attack Mark, but it does not mean that she will not attack Gaia.

Therefore, regarding Burning the sky, Mark naturally assumed all the responsibilities.

When Mark quarreled with Gaia, Yue Yao's emotions had calmed down.

She turned around, turned her back to Mark, and smiled softly: "It's okay, Mark."

"I know, you did your best."

"Let him escape, I can only say that he should not be killed."

"I have been waiting for so many years, and I don't care about waiting any longer."

"However, Mark, I hope you don't forget the promise you made to me."

"I helped you climb to the top of Mount Chumen, and you want to help me fight back to the Imperial Palace of India."

Yue Yao whispered.

Mark replied firmly: "That is natural."

"Yue Yao, don't worry, I, Mark, have always promised and will never break my promise."

"After waiting for me, I will take you back to India."

"One day, I will help you clear all the knots in your heart."

“The King Yintian owes you, I will let him repay it a hundred times!”

“Remember, this is not only my promise to you, Mark, but also a debt to you.”

For so many years, Yueyao has helped Mark a lot, and the only thing Mark can repay her is probably only this.

So, from this perspective, this is Mark’s debt to Yue Yao.

Listening to Mark’s deep and powerful words, Yue Yao was suddenly startled.

I don’t know why, the words of this young man always make her feel so stable and so at ease.

And she, for no reason, will always believe in the young man in front of her.

“Well, I’ll wait.”

Yue Yao nodded her head heavily, a smile on the side of her red lips, but it was like a ripple, slowly rippling away.

“Okay, let’s not talk about me.”

“Since you are awake now and your injuries are healed, then go back and have a look.”

“You disappeared for so long all of a sudden, over there in the hot summer, I am afraid that someone will be in a hurry?”

Yue Yao turned away from the subject and said instead.

However, what she said reminded Mark.

“That’s right.”

“Since I left, haven’t I contacted my family?”

“By the way, how long have I been in retreat here?”

“It’s more than half a year,” Yue Yao estimated.

There is no time in the mountains, and in this isolated place, Yue Yao naturally has no accurate calculation of time.

However, Yue Yao felt that it was at least half a year, or seven or eight months.

This time, for martial arts practitioners, is actually not a long time.

After all, at the level of Mark’s level of cultivation, he had a slight epiphany, and it was commonplace to retreat for three or five years.

Yueyao’s teacher had been in retreat for ten years, seeking a breakthrough.

Compared with this, what is Mark's retreat for less than a year?

However, after Mark heard the words, his expression changed drastically.

“what?”

“I have been in retreat for so long?”

You know, before that, Mark had been in the Amazon rainforest for several months.

Adding to this, counting up and down, wouldn't he have been away from home for a year?

## Chapter 2821

One year is very short for martial artists.

However, for the worldly people, it is really long enough.

The cold comes and the summer comes, spring goes and autumn comes.

One year's time is enough to make the world behave like others!

After realizing that it had been so long since he had left, Mark finally panicked in his heart.

After disappearing for a year, Helen Qiu and her mother must be worried about it.

“It seems that I have to go back quickly.”

“Yue Yao, I'm sorry, I thought I would stay with you for a few days.”

“Now it seems that I am afraid there is no time.”

“I have to rush back right away.”

After learning that he had been away from home for nearly a year, Mark was back home.

After saying goodbye to Yue Yao for a short time, he turned and hurried towards the land of Noirfork.

However, before leaving, Mark seemed to suddenly remember something, and rushed back, and said to Gaia:  
“Gaia, don't be idle.”

“While I'm going back, you should also prepare.”

“The time for the final battle is almost time.”

Mark's words were low, but his serious tone was almost full of weight.

So after Gaia heard it, he felt his whole body trembled, and his old eyes went wide.

“Dragon Lord, you... Are you saying that you are going to the Chu family and climbing Chumen Mountain?”

“Is this... so fast? Your injury is just right.”

“Don’t wait anymore?”

Although Gaia had known for a long time, the grievances between Mark and the Chu family had finally come to an end.

Unexpectedly, this day came so suddenly that Gaia was caught off guard and unprepared.

After all, Mark had just suffered a robbery, even more than half a year ago, he had just confronted the Truman powerhouse and almost died by the sword of the Truman Sect master.

He originally thought that after this catastrophe, Mark would inevitably prepare for some more time if he went to the Chu family.

But what Mark said now was far beyond Gaia’s expectations.

“Wait?”

Mark shook his head and smiled.

“I’ve waited long enough.”

“Ten years of planning, drinking ice for a thousand days, the sparks back then should start a prairie fire.”

“I have made up my mind. When I return to the hot summer and deal with the things behind me, I will officially go to the Chu family.”

“The new hatred and the old hatred should also be completely broken!”

When he said this, Mark’s cold eyes swept across the square.

In the deep eyes, there seemed to be flames burning.

Chu family, wait.

soon!

Abandoned son back then will eventually come again.

“Ok.”

“Since the Dragon Lord has decided, I, Gaia, will do my best to assist.”

“Even if I go here, there is no life for ten deaths, Gaia, I have no regrets or regrets!”

Seeing that Mark had decided, Gaia did not persuade him.

Rather, he also strengthened his mind and sipped his fists at Mark. Among the vigorous words, there was a firmness and sincerity towards Mark.

“Yeah.” Mark nodded, “This is dangerous, life or death is uncertain. You should also go back and make arrangements first, and settle the matter behind you.”

“At that time, I will tell you where to meet me!”

“Good.” Gaia readily agreed.

However, after saying this, Gaia looked up at Mark again, opened his mouth, and wanted to say something, but when he reached his mouth, he swallowed it back.

The look of hesitation and cessation is anxious to see.

“Say something quickly?”

“Don’t hesitate, like a girl!”

Mark frowned and shouted coldly.

Gaia smiled, then lowered his voice and asked: “Dragon Lord, there is something, I don’t know if I should say it or not?”
