

Chapter 2828– 2829 of A Dish Best Served Cold Novel

Chapter 2828

“Let me tell you, if you want to look at it in this society, ability is secondary.”

“It depends mainly on relationships, acquaintances.”

Yang Xiao said contentedly, like the godfather of life, telling Mark the principle.

“is it?”

“It seems that the relationship behind you is not small.” Mark continued to ask.

“That’s natural!” Yang Xiao replied proudly.

“Boy, I’m not afraid to scare you to death.”

“I said his father was the head of the personnel department of this company.”

“The boss of this company is my younger uncle.”

“This is the head of the Mufan Group, who grew up with me. He is also a close relative by blood, a cousin.”

“With this relationship, isn’t this Mufan Group coming and going freely for me?”

“Also, I greeted my brother just now.”

“Let Yuhan be my personal assistant.”

“If she is not happy, she shouldn’t pass the interview.”

Yang Xiao’s eyes were full of triumph, and he looked at Mark as if looking down at an ant.

“How?”

“Are you angry now?”

“Think this society is cruel? Feel the reality is unfair?”

“It’s completely different from what I imagined?”

“But what’s the use of being angry in your heart?”

“this is the truth!”

“Society is so cruel.”

“There are so many fair truths in world affairs.”

“Either you have money or you have a relationship.”

“A bastard like you who wants money but no money, it doesn’t matter if you want it, is destined to become a loser and live forever at the bottom of society.”

“So, listen to my advice, don’t waste time here.”

“Give up your fantasies, hurry up and pack your things and get out.”

“Some things are not something a humble person like you can covet.”

Yang Xiao was arrogant, always speaking from Mark in a high-pitched tone.

That strong sense of superiority is almost beyond words.

However, Yang Xiao does have proud capital.

After all, he held important positions in this company when he was young, and the executives of the entire company are almost all relatives of his friends.

With this kind of relationship, Yang Xiao can indeed despise anyone present.

However, Yang Xiao originally thought that after telling the inside story of this recruitment, he would see the angry look of the young man in front of him and hear his unwilling roar.

However, what surprised Yang Xiao was that from beginning to end, the young man in front of him was exceptionally calm.

No matter what kind of inside story he said, Yang Xiao did not see the slightest waves in his eyes.

This undoubtedly made Yang Xiao a little unhappy.

It felt like a fist hit the cotton.

No sense of accomplishment!

“Boy, aren’t you angry with what I said?” Yang Xiao frowned and asked in a cold voice at Mark.

Mark chuckled, “Angry? Why should I be angry?”

“You~” Mark’s words almost made Yang Xiao pissed to death.

He clenched his palms, stared at Mark viciously, and said coldly.

“My father is an executive of this company, and my father is more in charge of personnel affairs.”

“You are not as good as one of my contacts for ten years.”

“You are only my foil for your hard work.”

“I can easily get the job you dream of just by relying on relationships.”

“Even the girl you like will fall into my arms.”

“Aren’t these enough to make you angry?”

Chapter 2829

Yang Xiao gritted his teeth and said.

He didn’t know why, it was obviously something that made the kid in front of him angry, but now that he said it, it was more angry in his words.

I don’t know, I thought it was Yang Xiao who was treated unfairly.

“Forget it.”

“It’s just an idiot, I can’t get angry with you.”

“Get out of here.”

Yang Xiao seemed to have figured it out too, and after a wave of venting, he didn’t bother to pay attention to Mark.

He cursed in disgust, and was about to leave.

However, what Yang Xiao didn’t expect was that the young man in front of him, after learning about his contacts and background, not to mention the slightest convergence, instead he looked in his direction slightly jokingly.

“I have to say that the so-called relationship and connections in your mouth are indeed very hard.”

“The executives of the entire group are your close relatives.”

“With this kind of network background, do you really have the capital to show off and dominate here?”

“Huh, it’s good to know!” Yang Xiao thought that Mark was finally scared, and a smile suddenly appeared on the corner of his mouth, and the color of wanton and pride became more intense.

But Mark ignored his words. Instead, he looked at him and continued to say: “However, no matter how hard your relationship is, do you know what kind of existence is standing in front of you at this time?”

“En? The person in front of me?” Mark said quietly.

But Yang Xiao didn’t react at first, he was taken aback, looked around, and finally his eyes fell on Mark again.

“You mean, you?”

At that time, Yang Xiao smiled casually.

“Haha~”

“Interesting, I didn’t expect that you, a poor boy, would also learn to pretend.”

“Okay, then I really want to hear, what kind of existence are you?”

Yang Xiao smiled and looked at Mark like an idiot.

The eyebrows that looked at Mark were full of teasing and irony.

When he said this, Yang Xiao also found a place next to him and sat down, picked up the tea at the table, and drank it leisurely and proudly.

He wanted to see what else he could do next.

“Let’s say, who on earth is your big man?” Yang Xiao asked playfully.

Mark also smiled faintly: “I am your little cousin, the head of Mu Fan Group, Mark!”

Puff~

As the saying goes, the language is not surprising and endless.

As soon as Mark's words fell, Yang Xiao spit out the imported tea.

“what did you say?”

“Are you the head of Mufan Group?”

Yang Xiao's eyes widened, staring at the young man in plain clothes in front of him.

In that way, look at an idiot alive!

“by!”

“Sorry pen, are you?”

“Why don't you say that it is the head of his father?”

“Just like you, still the head?”

“If Yang Xiao believed me, I would be a hopeless idiot!”

Yang Xiao was undoubtedly amused by Mark's words.

While cursing Mark, he smiled sarcastically.

Fortunately, he thought that Mark had hidden any trump cards.

Now it seems that it was a complete idiot.

According to Yang Xiao's knowledge, his younger cousin was an emperor in Noirfork.

The leaders of the provinces and cities all respect him.

Such a high-ranking character, who is afraid that he lives in the “Deep Palace Hall” all day, is how it is possible to show his face like this.
