

# Chapter 2834– 2835 of A Dish Best Served Cold Novel

## Chapter 2834

Ye Jian chuckled, his face full of flattery.

However, in those words, a tremor could still be heard.

“Teaching?” Mark sneered, “If you really remember my teachings, you won’t be like today, bullying others and doing evil!”

“I~” Ye Jian’s old face twitched, and he quickly explained with a wry smile, “Mark, misunderstanding, this is a misunderstanding. I, Ye Jian, always persuade people with morality and will never do evil. If you don’t believe me, you ask them.”

“Shut up!” Mark was furious and interrupted Ye Jian’s words directly.

“Up to now, are you still here for me to die without admitting, I don’t know how to repent?”

“Ye Jian, do you really think that you are my cousin, so I dare not deal with you?”

“Don’t, Mark. I know I was wrong. I can’t admit it and apologize. It’s not a big deal, I promise, I won’t do anything wrong in the future.” Maybe Ye Jian really knew that he was afraid, and began to softly beg for mercy. Up.

But where did Mark bother.

He sneered: “In the future? Do you think you have a future?”

“Listen well, as the head of the Mufan Group, I have decided to revoke all of Ye Jian’s duties within the Mufan Group from now on, and he will not be allowed to use it for the rest of my life!”

what?

Ye Jian trembled after hearing this, “Cousin, you can’t do this.,

“I’m your brother, can’t you be so unfeeling?”

“Cousin...”

Ye Jian begged bitterly, but Mark turned a deaf ear.

“Cousin, you treat your brother like this for an outsider?”

“Are you so cruel?”

“Brother?” Mark suddenly smiled, full of sarcasm, “When you deceived me and insulted me, did you ever know that I was your brother?”

“When your Ye family swept me out with my mother, did you ever know that I was your brother?”

“If it weren’t for my mother’s kindness and kindness, do you think Noifork now has a place for you to build a foothold?”

“Now I’m giving you a chance, but I don’t know how to constrain and do anything wrong!”

“Disturbing my personnel affairs and damaging the reputation of my group.”

“If you didn’t break your legs and take your life, I would have done my best.”

“Still messing with me here, trying to talk with relatives, and I don’t know how to repent.”

“In your heart, is there still half shame?”

Mark was furious.

The sonorous sound, like a golden stone falling to the ground, trembling and reverberating throughout the hall.

In the face of Mark’s anger, Ye Jian was full of horror, but he didn’t dare to speak anymore.

This is true even for Ye Jian, let alone those interviewers.

She was trembling all over, and she didn’t dare to talk nonsense.

They have just joined the group for more than half a year, but they have long heard that the head of the Mufan Group is as majestic as the sky.

Seeing it in person now, it really deserves the name.

Even Ye Jian, the demon king of the world, was so subdued in front of him, he didn’t dare to gasp.

In fact, Mark can’t be blamed for being so angry.

As the saying goes, the embankment of a thousand miles collapsed in an ant’s nest.

Even though the Mufan Group has a big business, if everyone is acting like Ye Jian, no matter how big a tall building is, it will not be overturned overnight.

What’s more, Ye Jian’s behavior today is not just as simple as pulling relations through the back door.

His evil today is enough to ruin the life of a young girl.

Mark is definitely not a person without principles. Don’t say that Ye Jian is just his cousin, even his own brother, who committed such a bad deed, Mark will never forgive him!

# Chapter 2835

“Miss Lin, I’m sorry about what happened today.”

“It’s our Mufan Group who doesn’t know people well and makes you wronged.”

“I, Mark, are here, on behalf of the Mufan Group, I apologize to you.”

After scolding Ye Jian, Mark turned and walked towards Lin Yuhan, formally apologizing to Lin Yuhan on behalf of the company.

Although Mark didn’t know about this, Ye Jian was a member of the company after all. Now that he did such absurd things, Mark should also apologize to Lin Yuhan on behalf of the company.

However, facing Mark’s words, Lin Yuhan was already stunned.

She was stunned in place, with panic and disbelief in her beautiful eyes.

Obviously, Lin Yuhan never dreamed that the young boy she had been pitiful before turned out to be the true head of the Mufan Group.

All this happened so suddenly that Lin Yuhan still feels unreal.

My goodness~

He turned out to be the legendary Mr. Chu?

He turned out to be the head of the Mufan Group?

...

Lin Yuhan’s eyes were panicked, perhaps because she was too shocked, her chest was constantly rising and falling, and her mood was difficult to calm for a long time.

After a long time, Mark replied excitedly and tremblingly: “No... it doesn’t matter, don’t blame you.”

Mark smiled back.

Afterwards, he turned his head and looked at the interviewers behind him: “You guys, stay here to continue the interview.”

“However, let me remember that there is only one standard for talent recruitment in the Mufan Group in the future, and that is talent and ability.”

“All those who want to come in through the back door relying on relationships will sweep me out!”

“Do you understand?”

Mark’s deep words sounded, with unquestionable majesty.

Those few people immediately agreed, nodding their heads again and again, naturally afraid to say a word.

After arranging things here, Mark looked at Ye Jian again and said coldly: “As for you, follow me to the chairman’s office.”

After speaking, Mark turned and left.

Ye Jian lowered his head and followed suit step by step.

“Xiaojian, what’s the matter with you?”

“The face is so ugly?”

“Don’t know how to play games and be pitted by your teammates again.”

“Small things, your next brother Xiao will take you to fly!”

This Yang Xiao and Ye Jian have known each other since they were young, but Yang Xiao is a little older than Ye Jian, so Ye Jian also called Yang Xiao Brother Xiao.

At this moment, Yang Xiao, who had been waiting outside, saw Ye Jian come out, and hurriedly surrounded him and asked with concern.

“By the way, Xiaojian, has my matter settled?”

“Yuhan promised?”

Yang Xiao asked anxiously.

Ye Jian ignored him, but kept winking at him and signaled Yang Xiao to leave here quickly.

But Yang Xiao couldn’t understand this, and still asked, “Xiaojian, what’s wrong with your eyes? Is it uncomfortable?”

Yang Xiao asked as he stepped forward to help Ye Jian take a look.

At this time, he happened to notice Mark on the side, and suddenly said in disgust: “Why is this bastard still here?”

“Xiaojian, this guy is here to make trouble, why don’t you let people throw him out?”

Yang Xiao looked at Mark with disgust,

“Ciao!”

“Shut up for your special mother~”

Ye Jian’s face turned green when he heard Yang Xiao’s words.

Angrily slapped directly on Yang Xiao’s face.

“Xiaojian, what are you doing?” Yang Xiao covered her face, eyes full of bewilderment.

“What are you doing? I’m doing Nima!”

“Ciao!”

“I’ll be killed by you sooner or later!”

Ye Jian was so angry that he slapped Yang Xiao’s face with another backhand, kicking him to death.

It can be said that the ending today is bestowed by Yang Xiao.

If it weren’t for him, Ye Jian wouldn’t be dismissed for investigation.

It’s all right now, Mark caught him straight.
